THE ATLANTIC CHARTER

The President of the United States (of America) and the Prime Minister, Mr. Churchill, representing His Majesty's Government in the United Kingdom, being met together, deem it right to make known certain common principles in the national policies of their respective countries on which they base their hopes for a better future for the world.

FIRST, their countries seek no aggrandizement, territorial or other.

SECOND, they desire to see no territorial changes that do not accord with the freely expressed wishes of the people concerned.

THIRD, they respect the right of all peoples to choose the form of government under which they will live; and they wish to see sovereign rights and self-government restored to those who have been forcibly deprived of them.

FOURTH, they will endeavour, with due respect for their existing obligations, to further enjoyment of all States, great or small, victor or vanquished, of access, on equal terms, to the trade and to the raw materials of the world which are needed for their economic prosperity.

FIFTH, they desire to bring about the fullest collaboration between all nations in the economic field, with the object of securing for all improved labour standards, economic advancement, and social security.

SIXTH, after the final destruction of (the) Nazi tyranny, they hope to see established a peace which will afford to all nations the means of dwelling in safety within their own boundaries, and which will afford assurance that all the men in all the lands may live out their lives in freedom from fear and want.

SEVENTH, such a peace should enable all men to traverse the high seas and oceans without hindrance.

EIGHTH, they believe (that) all of the nations of the world, for realistic as well as spiritual reasons, must come to the abandonment of the use of force. Since no future peace can be maintained if land, sea or air armaments continue to be employed by nations which threaten, or may threaten, aggression outside of their frontiers, they believe, pending the establishment of a wider and permanent system of general security, that the disarmament of such nations is essential. They will likewise aid and encourage all other practicable measures which will lighten for peace-loving peoples the crushing burden of armaments.

The Atlantic Charter was accepted and endorsed by the representatives of Belgium, Czechoslovakia, Greece, Luxemburg, the Netherlands, Norway, Poland, U. S. S. R., Yugoslavia and Free France at a meeting of the Inter-Allied Council held at St. James's Palace on September 29th, 1941.

FORMS OF PRAYER

OPENING

Let us Pray

Our Father, Who art in Heaven, hallowed be Thy name, Thy kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

CLOSING

Let us Pray

Most merciful God, we yield Thee our humble and hearty thanks for Thy fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning; we pray Thee to imprint upon our minds whatever good instructions we have received and to bless them to the advancement of our temporal and eternal welfare; and pardon, we implore Thee, all that Thou hast seen amiss in our thoughts, words and actions. May Thy good providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigour, both of body and mind; and preserve us, we beseech Thee, now and forever, both outwardly in our bodies, and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. Amen.

Lighten our darkness, we beseech Thee, O Lord; and by Thy great mercy, defend us from all dangers and perils of this night for the love of Thy only Son, our Saviour, Jesus Christ. Amen.

Our Father, Who art in Heaven, hallowed be Thy name, Thy kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. Amen.

The National Anthem in the Public and Separate Schools

In every Public and Separate School, the singing of the National Anthem as authorized by the Department shall form part of the daily opening or closing exercises. Reg. 14.

NATIONAL ANTHEM

God save our gracious king,
Long live our noble king,
God save the king!
Send him victorious,
Happy and glorious,
Long to reign over us,
God save the king!

GENERAL INSTRUCTIONS RE REGISTER RECORDS

N.B.—The law governing the length of school terms and statutory and other school holidays is contained in Sections 6 of the Public Schools Act and 91 of the Separate Schools Act as amended in 1933. Form 94 specifies the school holidays, the number of teaching days in each month and the total teaching days for the year.

To ensure correct Register Records the following rules should be observed:—

1. The school record of attendance of a pupil under compulsory age shall begin on the day he first registers and shall continue throughout the term and succeeding terms in which he is registered. The school record of a pupil of compulsory age shall be calculated from the first school day after he reaches compulsory age and shall continue from month to month and year to year till he severs connection permanently with the school.

2. A pupil's name may be dropped from the monthly enrolment under the following conditions:— (1) Death of the pupil; (2) Permanent disability of the pupil; (3) Permanent retirement of the pupil under authority of (a) School Attendance Act or (b) Adolescent School Attendance Act, i.e., on the issue for (a) of a School Children's Employment Certificate or for (b) of a Home Permit or Employment Certificate; (4) Change of residence to another school section, municipality or school district; (5) Exclusion or expulsion from school.

3. A pupil is marked present for the full day or half-day on which he is present, half-days being credited as half-days. Exact totals shall be carried through the register to the final grand aggregates.

4. To conserve space, a fractional half shall be indicated by a small figure 1 added to the right and above the accompanying number, thus: 26^1.

5. No pupil registered in an elementary school shall be credited with attendance unless he has been present at least one half-day, late arrival and early leave-taking, which are under the teacher's charge, not being counted against the half-day.

6. In case of kindergarten and all part-time classes, presence for the required session or period shall be accounted as such, i.e., half-days being counted as half-days.

7. When a school is regularly connected with the School Fair or Musical Festival organization through agreement with either the Board or the teacher, attendance at the School Fair or Musical Festival with which the school is identified, if satisfactorily verified by the teacher, shall, for accounting purposes, be marked in the register as school attendance.

8. When a pupil is absent because of quarantine or owing to the observance of a Holy Day or through the absence of the teacher at a Teachers' Institute, the time so lost shall not be included in the column "Days Absent."

9 When a school or classroom is closed owing to a Municipal holiday or under the provisions of the Public Health Act or through the absence of the teacher at the Teachers' Institute or because of the observance of a Holy Day, the number of days during which the school or classroom is closed shall be deducted from the total school days for the month or year and the remainder shall be used in all Departmental reports and in all necessary official calculations.

10. When a school or classroom is closed without statutory authority, the loss sustained by the pupils shall be included in the column "Days Absent" by adding one day for each pupil for each day the school is closed, the entry to be made in the Summary column marked "Irregular Closing" and carried to column "C" Lawful.

11. All statutory and other holidays on which the school or classroom is legally closed (see Cir. 94 and par. 10 above), shall be named in the proper date column of the daily attendance page of the register, e.g., "Victoria Day," "Civic Holiday," etc.

KEY TO CALCULATIONS

1. Average Attendance:— $\frac{\text{Actual Aggregate}}{\text{Legal School Days}}$

Note— The legal divisor in the fractional form above is to be determined as follows. From the legal number of school days as set forth on Form 94 deduct the total Municipal holidays, Teachers' Institute days, and Holy Days as the case may be, and the number of days the school was closed by order of the Medical Officer of Health.
When this order affects only one or more classrooms in a larger school, the divisor for the entire school shall be derived as in the following illustration.

In the case of a 20-roomed school with four rooms closed for three weeks in a year of 196 legal teaching days, the calculation would be:

16 rooms open for	196 days	= 1 room open for	3136 days
4 " " "	181 (196-15) days	= 1 " " "	724 "
20 " " "	?	= 1 " " "	3860 "

The number so derived (in this case 193 days) is the number to be entered in the Annual Report of the school to the Department of Education and the legal number to be used in computing the average attendance and in all other official calculations involving its use.

2. Actual Aggregate—Sum total of pupil-days present for the month or year.

3. Perfect Aggregate—Actual Aggregate plus total number of pupil-days absent.

4. Percentage of Actual to Perfect Aggregate:— $\frac{\text{Actual Aggregate} \times 100}{\text{Perfect Aggregate}}$ (to 2 decimal places).

SPECIAL INSTRUCTIONS RE REGISTER ENTRIES

1. RECORDING ATTENDANCE

In the Daily Attendance page the following method shall be used in recording **conditions of attendance:—**

[|]	Full day's attendance.	[/1]	Absence in the forenoon and attendance in the afternoon.
[-|]	Full day's attendance but late in the forenoon.	[1/]	Attendance but late in the forenoon, absence in the afternoon.
[|-]	Full day's attendance but late in the afternoon	[/1-]	Absence in the forenoon, attendance but late in the afternoon.
[1/]	Attendance in the forenoon and absence in the afternoon.	[ ]	Absence throughout the day.

In the last five, no reasons for absences are recorded as these should be in red ink.

2. RECORDING REASONS FOR ABSENCE

In recording **reasons for absence** the following method shall be used:—

In the blank spaces representing day and half-day absence in the Daily Attendance page, code figures shall be inserted in red ink to signify reasons for absence in accordance with the following schedule:

1—Illness, 2—Home Help, 3—Parental Neglect, 4—Physical Obstacles, 5—Truancy, 6—Privation, 7—Irregular Closing, 8—Other Reasons.

As absences due to Illness, Home Help, Physical Obstacles and Other Reasons may be lawful or unlawful, the small letter "L" (lawful) or "U" (unlawful) should be inserted in red ink at the upper right of the figure. As absences due to Parental Neglect, Truancy and Privation are always unlawful, the "U" may be omitted and as absences due to Irregular Closing are always lawful the "L" may be omitted. The diagonal line indicating the division of the day into half-days should be in red ink.

NOTE:—All marks and figures representing losses, whether in the Daily Attendance or associated Summary Pages, shall be in red ink.

3. THE SUMMARY PAGE

The following requirements should be observed in connection with filling Summary Page of Attendance:—

(1) The total number of days absent as shown in the Daily Attendance page shall be entered in red ink under the proper sub-heading in columns C and D.

(2) The sum total of columns in C should equal the sum total of columns in D.

(3) The grand total of columns B and C constitute the Perfect Aggregate.

(4) In columns E, F and G the figure 1 should be entered in the proper space for each admission, transfer or retirement.

The summary of these columns p. 114 should be entered at the end of June.

(5) In column H, enter in concise phrasal form the explanations for notations made in columns E, F and G., thus—in case of admissions and transfers, "from....." and "to....." name school section or municipality or province; in case of retirements for employment give destination; in case of death enter date; in case of disability enter reason; in case of exclusion or expulsion enter "exc." or "exp." and date.

(6) Re Yearly Summary, pages 114 and 115, the difference between the number of legal teaching days and the days school was open (if any) should be shown under Irregular Closing unless the school was closed by the Medical Officer of Health or by a municipally declared holiday, i.e., a holiday declared for the whole municipality and not for schools only.

TREATMENT OF ABSENCE

Reg. 7 (3). A pupil upon returning to school after absence shall give the principal from the parent or guardian, orally or in writing, as may be required by the principal, the reason for his absence.

As a guide to the teacher in estimating **liability for absence** and in determining what are **reportable cases,** the following data are given:

1. LAWFUL ABSENCE

Lawful absence is absence excusable under School Law or Regulations. The following reasons constitute lawful grounds of absence:

(*a*) Illness or physical disability properly certified by School Nurse or School Medical Officer or verified otherwise by the teacher. (Att. Act, 4 (*b*).

(*b*) Legal employment (Att. Act, Sec. 5 (2) or Adolescent Att. Act, Sec. 2 (3), 3 and 4). Pupil must have proper certificate from the attendance officer.

(*c*) Legal Holiday (P.S. Act, Sec. 6 (2), S.S. Act, Sec 91 (2) and Form 94).

(*d*) Quarantine of pupil, home or school, under Public Health Act (P.S. Act, Sec. 6 (2), S.S. Act, Sec. 91 (2)). Days of quarantine are not counted in the Perfect Aggregate nor in the loss columns.

(*e*) Suspension of pupil (for period set) or expulsion (P.S. Act, Sec. 100 (1) and 88 (L), S.S. Act, Sec. 44 (*j*)).

(*f*) Private or Home instruction duly certified by the Department of Education (Att. Act, Sec. 4 (3)).

(*g*) Mental or Physical disability duly certified by the Department of Education (P.S. Act, Sec. 5).

(*h*) Under or over compulsory age (Att. Act, Sec. 2 and 4 (4), and Adolescent Att. Act, Sec. 2).

(*i*) Religious observance of a Holy Day (Att. Act, Sec. 19 (2)).

(*j*) Teachers' Institute Days (P.S. Act, Sec. 100 (*d*)).

(*k*) Half day per week for music (Att. Act, Sec. 4 (9)).

(*l*) Substitute Holidays (P.S. Act, Sec. 6 (3), S.S. Act, Sec. 91 (3)).

(*m*) Absences under Irregular Closing are always marked lawful as it is the child's record that is being kept.

N.B.—1. A Board has no authority to close a school. If school is closed for funerals, teacher's illness, weather conditions, teacher's absence writing examinations, or any other reason except as stated above, the loss must be shown under the Irregular Closing column; see Register, page 4 (10). No credit shall be given in the register for losses made up on school holidays, Saturdays, etc.

2. When school is not in session, as is possible under c, d, l, j, or 1 above, the time lost shall not be counted against the school or the pupils.

3. In the case of change of residence from one municipality to another, two days for transportation may be counted lawful absence in urban municipalities, and three days in rural areas. In case of death of a relative, 3 days may be counted lawful absence.

4. For students in (f), (g) and (h) enrolment is not required.

2. UNLAWFUL ABSENCE

The following constitute unlawful grounds for absence:

(*a*) Malingering.

(*b*) Illegal employment—home help or employment not covered by certificate issued by the Attendance Officer.

(*c*) Parental Neglect—the obvious disregard of the child's welfare.

(*d*) Physical Obstacles—distance under two miles for pupils under 10 years of age and under three miles for pupils aged 10 years or more. Physical Obstacles include inclement weather and bad roads as well as distance.

(*e*) Truancy.

(*f*) Privation—lack of food or clothing.

(*g*) Various other causes not covered by legal enactment. See S.A. 13, Page 6.

Absences in Kindergarten Classes shall be recorded in the same way as the others

For Suggestions for the S. A. 2. Form, See Page 115.

SUGGESTIONS FOR THE S. A. 2 FORM

(1) Give all information requested.

(2) Make sure your mathematical calculations are correct.

(3) All decimals should be correct to 2 places. Calculate to three places: if the third figure is 5 or more, add 1 to the second figure, e.g. 92.325 becomes 92.33.

(4) Average Attendance is found by dividing the Actual Aggregate by the **legal** number of teaching days.

(5) If school was irregularly closed, losses should be shown under "Irregular Closing", No. 7.

(6) To find Perfect Aggregate multiply enrolment by legal days—see Form 94—and from that deduct absences due to quarantine, Holy Days, deaths, late arrivals, early retirements (change of residence or reaching retiring age), expulsions, and exclusions.

(7) Actual Aggregate when added to your losses must equal the Perfect Aggregate.

(8) Explain anything unusual, e.g., "2L", "1U", "4L" or "4U", "8L" or "8U". Your Inspector would like to know.

(9) BE ACCURATE.
