GENERAL INSTRUCTIONS

TO

Trustees, Teachers and Inspectors

(1) The Register, after being filled up, must be retained by the School Board to be forwarded to the Inspector for examination if so requested.

(2) The Teacher shall, without extra remuneration, aid the Trustees in furnishing the information required in this Register.

(3) The aggregate attendance for each month in the year must be carried forward and entered in its proper place in the Summary of Attendance on the perforated sheets at the end of the Register, then be detached and forwarded promptly with the Annual Report to the Inspector. The inspector will divide the aggregate attendance by the number of legal teaching days, and thus determine the average attendance.

(4) The Inspector will see that the Attendance is properly added up. Children attending School in an adjoining city, town or incorporated village shall have their attendance credited to the rural school to which they belong.

(5) The Trustees must transmit the Reports to the Inspector immediately after the first Wednesday in January, signed by a majority of the Trustees and the Teacher, or Teachers, and attested by the Corporate Seal. The Minutes of the Annual Meeting should be forwarded to the Inspector on or before the 31st December.

(6) The Inspector is required by law to make *apportionment* of the School Fund to all the Public Schools under his jurisdiction, whether entitled to it or not; but he cannot lawfully pay any portion of the Fund to a Section whose Trustees and Teachers have not complied with the requirements of the law. Cheques for School Moneys due a Section are payable to the order of the Board of Trustees of the School Section. Schools using unauthorized text-books *cannot be paid any part of the Legislative School Grant.*

(7) In the case of R. C. Separate Schools, the Department of Education supplies forms for the yearly report.

Teachers are requested from time to time, especially in the Spring of the year, to direct the attention of their pupils to the following

ACT FOR THE PROTECTION OF INSECTIVOROUS AND OTHER BIRDS

His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. This Act may be cited as *The Protection of Birds Act,* chap. 263, R.S.O. 1914.

2. Nothing in this Act shall affect *The Ontario Game and Fisheries Act* or apply to any imported cage bird or other domesticated bird, or birds generally known as cage birds or poultry.

3.—(1) Except as in section 7 provided, it shall not be lawful to, or to attempt to, shoot, destroy, wound, catch, net, snare, poison, drug, or otherwise kill or injure any wild native birds other than hawks, crows, blackbirds, and English sparrows, and the birds specially mentioned in *The Ontario Game and Fisheries Act.*

(2) Any person may, during the fruit season, for the purpose of protecting his fruit, shoot or destroy, on his own premises, the bird known as the robin, without being liable to any penalty under this Act.

4.—(1) Except as in section 7 provided it shall not be lawful to take, capture, expose for sale or have in possession any bird, save the kinds hereinbefore or hereinafter excepted; or to set, wholly or in part, any net, trap, springs, snare, cage, or other machine or engine, by which any birds except hawks, crows, blackbirds, and English sparrows, might be killed and captured.

(2) Any net, trap, springs, snare, cage, or other machine or engine, set either wholly or in part for the purpose of either capturing or killing any birds, except hawks, crows, blackbirds and English sparrows, may be destroyed by any person without such person incurring any liability for so doing.

5. Except as in section 7 of this Act provided, it shall not be lawful to take, injure, destroy or have in possession any nest, young or eggs of birds other than hawks, crows, blackbirds and English sparrows.

6. Any person may seize, on view, any bird unlawfully possessed, and carry it before a Justice of the Peace, to be by him confiscated, and if alive to be liberated, and all market clerks and peace officers on the spot shall seize and confiscate, and, if alive, liberate such bird.

7.—(1) The Superintendent of Game and Fisheries on receiving from any ornithologist, or student of ornithology, or biologist, or student of biology, an application (Form 1) and recommendation (Form 2) may grant to such applicant a permit (Form 3) authorizing him to collect and to purchase or exchange all birds and their nests and eggs otherwise protected by this Act, at any time or season when he may require them for the purpose of study, without incurring any penalty under this Act.

(2) A permit granted under this section shall continue in force until the end of the calendar year in which it is issued, and may be renewed at the option of the Superintendent of Game and Fisheries.

8.—(1) Every person who contravenes any of the provisions of this Act shall incur a penalty of not less than $1 nor more than $20, recoverable under *The Ontario Summary Convictions Act.*

(2) The whole of the penalty shall be paid to the prosecutor, unless the convicting Justice has reason to believe that the prosecution is in collusion with and for the purpose of benefiting the accused, in which case the said Justice may order the disposal of the fine as in ordinary cases.

RELIGIOUS INSTRUCTION

Every Public School shall be opened with the reading of the Scriptures and the Lord's Prayer, and shall be closed with the Lord's Prayer or the prayer authorized by the Department of Education; but no pupil shall be required to take part in any religious exercises objected to by his parent or guardian. In schools without suitable waiting-rooms or other similar accommodation, if the parent or guardian demands the withdrawal of a pupil while the religious exercises are being held, such demand shall be complied with and the reading of the Scriptures shall be deferred in inclement weather until the closing.

To secure the observance of the preceding regulation, the teacher, before commencing a religious exercise, shall allow the necessary interval to elapse, during which the children or wards of those, if any, who have signified their objection, may retire.

If, in virtue of his right to be absent from the religious exercises, any pupil does not enter the school-room in the morning till the close of the time allowed for religious exercises, such absence shall not be treated as an offence against the rules of the school.

When a teacher claims to have conscientious scruples in regard to opening or closing school as herein prescribed, he shall notify the Board to that effect in writing; and it shall then be the duty of the Board to make such provision as it may deem expedient for the carrying out of the requirements above.

The Scriptures shall be read daily and systematically. The parts to be read may be taken from the book of selections adopted by the Department for that purpose, or from the Bible, or from the list of the Selected Scripture Readings of the International Sunday School Association, as the Board by resolution may direct.

The Board may also order the reading of such parts by both pupils and teachers at the opening and the closing of the school, the repeating of the Ten Commandments at least once a week, and the memorization of passages selected from the Bible.

A clergyman of any denomination shall have the right, and it shall be lawful for the Board to allow him, to give religious instruction to the pupils of his own denomination, in each school-house, at least once a week, after the hour of closing the school in the afternoon.

Under the same conditions, a clergyman, selected by the clergymen of any number of denominations, shall also have the right to give religious instruction to the pupils belonging to such denominations.

If the clergymen of more than one denomination apply to give religious instruction in the same school house, the Board shall decide on what day of the week the school house shall be at the disposal of each, at the time above stated.

Emblems of a denominational character shall not be exhibited in a Public School during regular school hours.

FORMS OF PRAYER

OPENING

Let us Pray

Our Father, Who art in Heaven, Hallowed be Thy name, Thy kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation; but deliver us from evil. *Amen.*

CLOSING

Let us Pray

Most Merciful God, we yield Thee our humble and hearty thanks for Thy Fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning; we pray Thee to imprint upon our minds whatever good instructions we have received and to bless them to the advancement of our temporal and eternal welfare; and pardon, we implore Thee, all that Thou hast seen amiss in our thoughts, words and actions. May Thy good Providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigour, both of body and mind; and preserve us, we beseech Thee, now and forever, both outwardly in our bodies, and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. *Amen.*

Lighten our darkness, we beseech Thee, O Lord; and by Thy great mercy, defend us from all dangers and perils of this night, for the love of Thy only Son, our Saviour, Jesus Christ. *Amen.*

Our Father, Who art in heaven, Hallowed be Thy name, Thy Kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation; but deliver us from evil. *Amen.*

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. *Amen.*
