GENERAL REGISTER

For

Public and Separate Schools

Standard Rural Register

Woodstock, Jan. 11, 1939.

the Principal:-

Pin this sheet to the first page of the
General Register.

During the past two years several trustees have inquired as to h agents calling on them had secured the financial standing of the bd even to the exact balance on hand at the close of the previous y.

Enquiry has discloseed the fact that the agents first called at th school, contrived to have the teacher show them the register in whi a copy of the financial statement is kept, or had the teacher lea the register on the desk where it was accessible to the agent, and en proceeded to call on the trustees.

e register is the property of the trustee board. The teacher is cu dian of the register and as such should never show it, or permit to be made accessible to anyone except the trustees and the Inspec.

Y are therefore asked to ignore the requests of agents and strange and never to display the register to anyone, other than the Inspecto unless in the presence of and with the permission of the trustees

George M. Mather,

Inspector of Public Schools.

Note 1. When a Continuation School is combined with a Public School this Report shall contain the statistics of the Public or the Separate School only. Expenditures shared in common shall be divided in the proportion of the average attendance in each school.

Note 2. Night School finances shall not be included in this Report.

Note 3. Any expenditures made by the municipality for this School Board in providing for the payment of debentures or interest thereon shall be included in this statement.

SUGGESTIONS FOR SECRETARY-TREASURER

The Secretary-Treasurer should keep a Minute Book to properly record the proceedings at meetings of the Board of Trustees, and a Cash Book. He should exercise care to classify expenditures in accordance with the following schedule:

1. **Cost of Instruction**—Actual payments made for salaries and expenses of Inspectors, Supervisors, Principals and teachers (regular, supply and special).

2. **Cost of Instructional Equipment**—Pupils' supplies, teachers' supplies, text books, library books, maps, blackboards.

3. **Cost of Administration**—Administrator's salary and expenses, Secretary-Treasurer's salary, office supplies and expenses, attendance officer's salary and expenses, upkeep of administration buildings, expenses of Principals' offices in schools, clerical assistance, Auditor and legal fees, expenses for O.E.A. and Teachers' Institutes, interest on temporary loans.

4. **Cost of School Plant Operation**—Salaries, expenses and supplies of caretaker, engineer, fuel, gas, water, electricity, telephone, rent.

5. **Cost of School Plant Maintenance**—Repairs to buildings and care of grounds, repairs and annual additions to school furniture, bookcases, etc., care of portable buildings, temporary class rooms, insurance.

6. **Cost of Auxiliary Agencies**—Medical, dental and nursing services, student organizations, recreational equipment, transportation of pupils, school fairs and exhibitions, hot lunches, contributions, prizes, scholarships, medals, cadet corps.

7. **Repayment of Temporary Loans**—This refers to principal only. A renewed loan should not be re-entered. Interest on temporary loans and charges for renewal are considered costs of administration.

8. **Capital Outlays**—Expenditure for sites, new buildings, extensions, alterations, new equipment for school plant, grading, fencing, concreting

9. **Capital Charges**—Debenture instalments, sinking fund deposits.

To facilitate the proper entry of expenditures it is suggested that the Secretary-Treasurer rule his Cash Book in accordance with the following form, and enter each expenditure at the time it is made:

(SAMPLE FORM) **SCHOOL BOARD'S EXPENDITURE FOR THE YEAR 19.....**

Date	Details	Cost of Instruction	Cost of Instructional Equipment	Cost of Administration	Cost of School Plant Operation	Cost of School Plant Maintenance	Cost of Auxiliary Agencies	Repayment of Temporary Loans	Capital Outlays	Capital Charges
Jan. 31	Teacher's salary	$97.50								
Feb. 15	Transportation of pupils						$50.00			
" 6	3 Cords wood				$18.00					
" 12	Cash book			$0.50						
Mar. 4	Map of Ontario		$6.00							
April 3	Insurance					$20.00				
" 5	Window panes					$1.28				
May 10	Basketball equipment						$10.00			
" 12	Attendance Officer's salary			$115.00						
June 17	Repayment of Bank Loan							$125.00		
" 30	Caretaker's salary				$10.00					
July 20	Digging well								$87.25	
" 27	12" Globe		$9.00							
Sept. 9	Debenture instalment									$72.18
" 12	Desk repairs					$12.40				
Etc.										

AUDITING

Appointment of Auditors (Rural)—Ratepayers' Auditor at annual or special meeting; Board of Trustees' Auditor on or before December 1st.

Time of Audit—Audit of rural school books should be completed prior to the Annual Meeting.

Method of Audit—

1. Cash balance forward should agree with cash balance at close of last year.
2. Receipts should be verified by reference to County and Township Treasurers' statements and bank pass book. Legislative grants should be checked with Departmental statements.
3. Expenditures should be checked with the Minute Book of the Trustees (except fixed expenditures, such as Teachers' salaries, debentures, instalments, etc.).
4. Final balance should be checked with bank book and cash on hand.

This book must contain statements of fact only, and not any expression of opinion with regard to the progress or history of the school.

LOG BOOK

Note: Entries in this log book shall be confined to:

1. A concise history of the origin of the school.
2. Events worthy of record for future reference, such as additions to the buildings, extensions of school grounds, losses by fire or other causes, introduction of new departures in organization, visits of officials and representatives of the Provincial or Federal Government, prominent citizens or visitors from other lands, social or educational functions in connection with the school and other significant events.
3. The names and addresses of the Chairman and the Secretary-Treasurer in office at the close of the year.

The first school opened in this Section was in 1831. This was a frame building built on S.W. corner of 3rd. line & side road. Close by was the teacher's abode. For the use of this building arent of about $40. per annum was paid. The money was raised by a tax on the rateable property of the Section. Also parents sending children to school must furnish ¼ of a cord of wood. Neglecting to do so they were to be charged at the rate of $100 per cord. Also children entering the school from another section were charged 25¢ per month. In Feb. 1864 the wood was purchased at 62½¢ a cord.

On October 12th., 1864, it was proposed that a new school be built the next year. The Teacher's Salary was to be $280. should they build and $290. if they did not build, including the teacher's home. This proposal was not carried out.

A special meeting of the rate-payers was called on Jan. 20th 1866. This meeting was to choose a site to erect a new School House. It was moved that one-half acre of land be bought from John Youngs on the east half of the 4th. Concession, South-East Corner at a distance of from 15 to 20 rods from the corner westward along the side line. On Feb. 3, 1866 the land was bought from J. Youngs for $125. The contract for building the school was let to J. Campbell for $1050.

Since then there have been various improvements to the school and surroundings. The first seats in the school were wooden seats. In 1927 were installed the present individual seats. At first the walls were lathed and plastered. In 1905 a new wood ceiling was put on.

At first there was no well on the premises. The water was carried from the well at the corner. A charge of $300 a year was made for the use of the pump. In 1926 the first well was dug to a depth of 90 ft. In 1933 the well was dug deeper - 172 feet.

The first blackboards were very rude in comparison with the modern blackboards. The plastered walls were painted black, then compositioned pasteboard blackboards. In 1920 slate blackboards were installed on the north wall.

Previous to 1921 a high board fence enclosed the north, east and west sides of the play ground. In this year there was a section of ground east of the school bought from Alex. Fraser to enlarge the school ground. Then there was erected a wire fence. In 1935 a pipe fence was erected only the south-western part of the grounds.

To-day there is a school grounds here that a community should be proud of. During the summer the grounds are cared for by the care-taker.

Household Science and Manual Training was started in 1936. Hot Lunches are now carried on. Hydro was installed December 15th 1937.

1936 - Florence A. Austin

LOG BOOK

From time to time various improvements about the school and grounds are being made. In 1939 the school was painted inside, the east half of the schoolhouse roof was shingled, and a new piano and furnace (Jacketed Stove) were purchased. Coal was used in the furnace during the winter months. In 1940 the school was painted outside in red with white trim. The pipe fence and flagpole were also painted. Wire screens were put on all the windows. In this year the school won third prize in the county Improvement Contest.

In the summer of 1950 a new furnace and stoker was installed and in the Christmas holidays a new ceiling was put in. At the fall fair 1950 Corrie Van Tilburg and Harvey Murray carried the school to honour by winning the First Aid Competition. Mr Nutt of the St. Johns Ambulance came to the school a few months later and made the presentation of a cup to the school for the year 1950-51.

A new chair was purchased in Jan. 1951.

During the summer 1951 the interior of the school was painted.

At the fall fair 1951 we again won the St. John Ambulance Trophy. The winning team was Corrie Van Tilburg and Margaret Symons. This year each winner received a trophy to keep.

At the Embro Fair in 1954 we won the St John's Ambulance Trophy. The winning team was Margaret Harris and Marilyn McRoberts. The same year we won 3rd prize in the Public Speaking Competition - Wilhelmenia De Witt being the speaker. We also received 3rd prize for the School Improvement. In 1955 the St. Johns Competition was dis-continued. We won first prize in the Public Speaking Competition - Margaret Harris being the winner. In 1956-57 Vera Symons won 3rd in the Public Speaking.

In the summer of 1955 a pressure system was installed, including bathrooms, sinks and drinking fountains. This was a decided improvement.

CUSTODY AND CARE OF THE REGISTER

1. This book is the property of the Board of Trustees. It shall be accessible at all times to the Inspector and to the Board of Trustees, and shall be delivered to the Board of Trustees on demand.

2. The Principal shall be responsible for all entries in this register and shall keep it in such condition with regard to correctness and completeness of records as will facilitate the furnishing of information to the Inspector, the Board of Trustees and the Department of Education.

3. This register is planned for ten years and shall be kept intact and carefully preserved for future reference.

4. Forms of report based thereon shall be furnished from time to time through the Inspector.

5. The Inspector shall, annually, report below on the manner in which this register is kept.
