O' Christmas Tree

Originally a German tradition dating back to the 16ᵗʰ Century, it wasn't until the Victorian period that the tradition of the Christmas tree gained popularity in England and the commonwealth. Early Christmas trees were often decorated with candles, fruit, nuts, candies, pinecones and homemade decorations. By the mid-1800s glass and tin ornaments, as well as tinsel angels began making appearances on people's trees.

Let's see how festive you can make your own Victorian Christmas tree! Colour the Christmas tree below!
