GUIDELINES for collecting, typing and filing information

Abbreviations

T.O. Tillsonburg Observer  
LIB. The Liberal

- O / Obituary p. page  
- M / Marriage c. column  
- B / Birth

In addition to the regular BIRTH, OBITUARY and MARRIAGE column check the COMMUNITY NEWS , LOCAL INFORMATION, etc. columns for mention of the same event.

When two spellings of the same name appear, in a notice, use FIRST SPELLING for official entry card and add "SEE ALSO" card with the second spelling.

At the bottom of the official entry card or cards type: \*\*also spelled----- in newspaper.

When a notice gives only initials and a second notice gives full name for the same event and person, enter the full name on index card.

Any title or designation, such as Mr. Mrs. Hon. etc. is placed in brackets after the name and ignored in filing.

Do not use "Esq."

Everything is filed alphabetically. In the case of same name entries file chronologically by the date of the newspaper; earliest date first.

When MAIN ENTRY and ADDED ENTRY are same name: place ADDED behind. Main Entry.

An OBITUARY notice for an infant without a forename: type ( infant son/ daughter) in BRACKETS after the surname - IGNORE WHEN FILING.

TYPING COLLATIONS: stay well away from the punched holes in the left hand column so that the pages can be readily consulted when they are collated in a binder.
