

City of Woodstock City Services Calendar

April 2024 to March 2025

City of
Woodstock

cityofwoodstock.ca/waste | 519-539-1291

Waste Collection Overview

If you live in Woodstock, there are a number of ways that you can “get rid” of stuff you no longer need. Options include:

Curbside Garbage Collection

The City of Woodstock offers weekly curbside garbage collection to homes throughout the city.

The city is divided into different zones that determine your collection day. You can find out what zone you live in by looking at the map on the back cover of this guide.

You can also find collection information based on your address using the Wasteline App. Find the app online at www.cityofwoodstock.ca/waste or for download from the Apple App Store or Google Play Store.

Find more information about what goes in your curbside garbage collection on page 3.

Curbside Recycling Collection

The City also offers bi-weekly curbside recycling collection to Woodstock homes. That means, every other week you can place recyclable materials out with your garbage collection.

Recycling must be sorted into two separate bins: one for cardboard and paper (sometimes referred to as “Fibres”) and one for containers (these are typically cans and jars made of plastic, glass or metal). Because recycling is collected bi-weekly, in addition to knowing your zone, the map on the back cover will show you if you live in an A or B area. Find more information about what goes in your curbside recycling collection on page 3.

Yard Waste Depot

To help residents with outdoor yard clean up, the City also operates a Yard Waste Depot at 944 James St.

Yard waste, brush and woodchips are collected into three piles within the depot which are then used for compost or turned into woodchips. Residents are encouraged to drop off loose materials into the three piles and plastic bags are not allowed.

EnviroDepot

For your convenience, the City of Woodstock also operates the EnviroDepot, located at 944 James St. No household garbage is allowed at the EnviroDepot.

Residents can drop off:

- large items
- construction materials
- electronics
- scrap metal
- tires
- appliances
- household hazardous waste
- recyclable materials

Hours

Wednesday – Friday* 10 a.m. – 6 p.m.

Saturday 7:30 a.m. – 3 p.m.

*Please note: From Dec. 1 – March 31, the EnviroDepot is only open to accept recycling. Large items, household hazardous waste and construction materials are only accepted on Saturdays during the winter.

There is no charge for dropping off most items as this is a tax-based service, however, there is a \$20 disposal fee for items containing freon (fridges, freezers, air conditioners).

For more information visit www.cityofwoodstock.ca/envirodepot

Backyard Compost

Composting is an easy way to reduce household garbage by turning organic materials into valuable resources for your lawn or garden. There are several types of backyard composters available and you can buy black yard waste and green cone composters at the Public Works/ Engineering building at 944 James St. Find more information on page 3.

Salford Waste Management Facility

Oxford County's Waste Management Facility is a one-stop shop for residents and businesses in Oxford County to dispose of their garbage and recycling. Located at 384060 Salford Rd., Salford, the landfill is open to Oxford County residents and tipping fees apply. Learn more at www.oxfordcounty.ca/waste

What goes in curbside garbage for collection?

Single use plastics (straws, plastic cutlery, plastic bags)

Household items (hangers, disposable mop sheets, dryer sheets)

Personal care items (diapers, sanitary products, bandages)

Food wrap (chip and cookie bags, cereal liners, wrappers, wax paper)

Food waste (if compost not available)

Specialty paper (laminated material, notebook covers, gift wrap, ribbons, photographs, stickers / labels)

Pens, markers, highlighters

Pet waste

Styrofoam food packaging and coffee / beverage cups

Bag tags

Oxford County uses bag tags for curbside garbage collection. Tags cost \$2 each and help offset the total cost of the curbside collection program by charging more for those who use the program more and rewarding those who throw out less. Garbage bags smaller than 76 × 96 cm (30 × 38 in) need one tag, larger bags need two tags and if you have a “Herbie Curbie” garbage cart, it requires three tags. The maximum weight for any sized bag is 20 kg (44 lbs) which includes the weight of the garbage bin (if used).

Wasteline App

Not sure where something goes? Download the Wasteline App from the app store to find out what items should be placed out for household garbage, recycling, special collection or taken out to the County landfill.

What goes in curbside recycling for collection?

Containers

Empty plastic bottles (e.g., laundry detergent, shampoo, pop, sauce bottles)

Food and drink cans, aluminum foil trays, empty aerosol cans, empty and dry paint cans

Glass bottles and jars

Milk and juice cartons

Juice boxes, broth cartons

Stretchy plastic

Paper and Cardboard

Newspaper and magazines

Mixed household paper (computer paper, junk mail, envelopes)

Box board (flattened cereal, cracker and tissue boxes)

Paper egg cartons

Paper bags

Paper towel and toilet paper rolls

Corrugated cardboard (flattened and bundled, no larger than 75 × 75 × 20 cm or 30 × 30 × 8")

COMPOSTERS

\$20*

Benefits

- Can reduce or eliminate the use of synthetic fertilizers.
- Have beneficial insects, worms and other organisms that help soil stay aerated.
- Holds nutrients tight enough to prevent their washing out but loose enough for plants to use them.

RAIN BARRELS

\$65*

Benefits

- Stores relatively clean water for use on lawns and gardens.
- Can reduce water bills, especially during peak periods like the summer.
- Helps reduce the flow of storm runoff.
- Benefits plants in the garden by cleaning soil of salt buildup.

GREEN CONES

\$51.50*

Benefits

- Takes on ALL food waste including meat, bones, dairy, oil, pet waste and seafood scraps.
- Uses solar heat absorbed to inner black wall to circulate air and heat down to digestion chamber.
- Low odour profile—uses aerobic digestion by millions of micro and macro organisms.

Available at the Engineering Department, 944 James St, Woodstock. Open Monday–Friday, 8:30am–4:30pm.

* Prices include HST and may be subject to change. Payment by cash or debit only.

Celebrate our ENVIRONMENT

Woodstock has more than 16,000 trees on city boulevards. Boulevard or street trees are located on city-owned land between the curb and your property line.

Caring for your Boulevard Tree

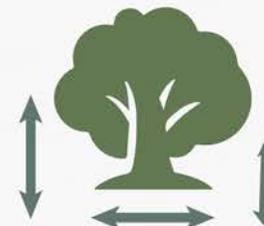

Water your new tree weekly from mid-April to mid-October for the first three years. New trees need 50 litres of water per week on average.

Do not trim the tree. All pruning will be done by City staff.

Do not use garden edging, rocks or a border around the tree. This can negatively affect the roots as they are growing

If you want to add mulch, remember the 4 x 4 x 4 rule – spread mulch in a four-foot diameter around the tree, four inches away from the trunk and four inches deep.

Keep lawn mowers and weed trimmers away from the trunk to avoid damaging the thin bark.

For more tree care tips visit www.cityofwoodstock.ca/forestry

Curbside Collection

All items to the curb by 7 a.m. on your collection day. Maximum weight 20 kg or 44 lbs. includes bin.

Weekly Curbside Collection. Bag tags required.

Bi-weekly Curbside Collection (Route A or B). Excess recycling can be dropped off at EnviroDepot.

944 James Street

Free drop off at Yard Waste Depot open 7 days a week.

Household Hazardous Waste and Large Items – Free drop off at EnviroDepot.

Sat 7:30 a.m. – 3 p.m.

Yard Waste Depot Hours
7 days/week..... 8 a.m. – 9 p.m.

Emergency Preparedness Week

May 5-11

Emergency Preparedness Week encourages people to take concrete actions to be better prepared to protect themselves and their families during emergencies.

Know your risks

Do you know what potential risks you should be prepared for? Common risks in SW Ontario are weather related (storms, flooding, heat/cold weather) and power outages. Think about what you would do and how each of those examples might affect you and your family.

Have a plan

Do you know all the safe exits from your home and neighbourhood? Where will you meet up with family members or roommates? Do you have any pets, special equipment or medications you need to take with you?

Make a kit

Your emergency kit should allow you to be self-sufficient for 72 hours. Examples of things to keep in your kit include:

- Water
- Non-perishable food
- Flashlight with extra batteries
- Battery powered radio
- First aid kit
- Important family documents
- Medications
- Baby formula, diapers, toys

Learn more at getprepared.gc.ca

Curbside Collection

All items to the curb by 7 a.m. on your collection day. Maximum weight 20 kg or 44 lbs. includes bin.

Weekly Curbside Collection. Bag tags required.

Bi-weekly Curbside Collection (Route A or B). Excess recycling can be dropped off at EnviroDepot.

Watering Restriction Take Effect

To protect our water supply, watering restrictions are in effect from May 1 – Sept. 30 each year.

Residential Watering Times

If your address is an:	You can water on:
Even number	Even days
Odd number	Odd days
Watering permitted between:	6 – 9 a.m. and 6 – 9 p.m.

Need an exemption permit? Contact Engineering at 519-539-2938 ext. 3104 or ext. 3102.

EnviroDepot Hours

Wed–Fri 10 a.m. – 6 p.m.
Sat 7:30 a.m. – 3 p.m.

Yard Waste Depot Hours

7 days/week 8 a.m. – 9 p.m.

Fireworks Reminder

Personal fireworks displays are not permitted in Woodstock.

Woodstock Transit offers seven fixed conventional bus routes and on-street transfer points throughout the city to help you get where you need to go!

Transit oneCARD

Transit oneCARD is a reloadable card that allows you to add transit passes through a secure, online payment portal. You can also connect your oneCARD to your Southside Aquatic Centre account so you can just tap your card to access the facility.

Stride Pass

Students – pick up your summer Stride pass and enjoy unlimited rides and transfers all summer! Just \$27.50* for current and returning students. Stride passes are valid for July and August only. *2024 rates

Para-Transit

Woodstock Transit also offers door to door bus service for residents that qualify and are registered with the City of Woodstock. Applications for this service are available online at www.cityofwoodstock.ca/para-transit. All trips must be booked in advance.

Visit www.woodstocktransit.ca for more information, route maps, schedules, fares and detour notices.

Curbside Collection

All items to the curb by 7 a.m. on your collection day. Maximum weight 20 kg or 44 lbs. includes bin.

Building Permits

What you need to know!

A building permit is required for many home renovation projects. Building permits ensure your project is built safely to the standards and regulations set in the Ontario Building Code, zoning bylaw and any other applicable laws or regulations.

Some of the types of projects you need a permit for include:

- Decks
- Sheds
- Pool fences
- Sunrooms

Visit the website or call the building department to confirm if a permit is required for your project. www.cityofwoodstock.ca/buildingpermits

Apply Online

You can now apply for a building permit online. Once you create an account on Cloudpermit, you can start an application, finish it at a later time, request an inspection and get email updates on your project.

Curbside Collection

All items to the curb by 7 a.m. on your collection day. Maximum weight 20 kg or 44 lbs. includes bin.

September is a busy time of year! Kids are excited to see their friends and can often be distracted when out and about.

Here are some important tips to help keep everyone safe!

Drivers :

- Stop for school buses when their red lights are flashing.
- Watch for and obey crossing guards.
- Do not drop children off in NO stopping or NO parking zones.
- Use school “kiss and drop” zones where applicable.
- Stay calm and avoid aggressive behaviour towards teachers, crossing guards, bylaw officers and other parents.

Pedestrians:

- Stop, look and listen for cars in all directions before crossing the street.
- Make eye contact with drivers so you know they see you.
- Do not cross the road between parked cars or mid-block
- Always wear a helmet when biking
- Wear bright clothes so drivers can see you better

We all have a role to play in keeping our community safe.

Having working smoke alarms is one of the most important things you can do to keep you and your family safe. Keep them in working order by:

Testing smoke alarms monthly

Vacuum alarms annually to keep them free of dust

Changing the batteries when you change the clocks

Replacing smoke alarms every 10 years

Visit www.cityofwoodstock.ca/wfd for more information and tips to keep everyone safe!

Beat the Silent Killer

Carbon Monoxide Awareness Week is Nov. 1-7
Make sure your household is safe from carbon monoxide poisoning.

Ensure all fuel-burning appliances and vents in your home are inspected annually. Find a registered contractor at COsafety.ca

Install and regularly test carbon monoxide alarms

of all carbon monoxide deaths and injuries in Ontario occur in homes

Symptoms of carbon monoxide poisoning are similar to the flu without the fever

It is often referred to as The Silent Killer

No Odour

No Colour

No Taste

Many Ontario homes have an average **4-6 fuel-burning appliances** that produce carbon monoxide

Fireplace

Portable Fuel Heater

Dryer

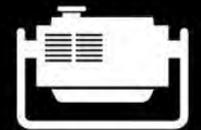

Furnace

Stove

Water Heater

Portable Fuel Fired Generator

Curbside Collection

All items to the curb by 7 a.m. on your collection day. Maximum weight 20 kg or 44 lbs. includes bin.

Weekly Curbside Collection. Bag tags required.

Bi-weekly Curbside Collection (Route A or B). Excess recycling can be dropped off at EnviroDepot.

944 James Street

Free drop off at Yard Waste Depot open 7 days a week.

Household Hazardous Waste and Large Items – Free drop off at EnviroDepot.

Sat 7:30 a.m. – 3 p.m.

Yard Waste Depot Hours

7 days/week 8 a.m. – 9 p.m.

Winter is coming!

How and when plowing, salting or sanding takes place are influenced by temperature, forecasts and precipitation. Routes are planned to maximize efficiency and prioritize major arterial roads, bus routes, before getting into collectors and finally residential streets. Please be patient and drive according to conditions.

There are a few seasonal reminders to make note of as we head into winter.

EnviroDepot Winter Hours

EnviroDepot Winter hours take effect Dec. 1.

No overnight parking

Starting Dec. 1 there is no overnight parking on City streets.

Be a good neighbour

Be a good neighbour, ensure your sidewalks are free from snow and ice.

To learn more visit www.cityofwoodstock.ca/snowremoval

Curbside Collection

Overnight Parking Restrictions

There is no parking on city streets between 2 a.m. – 6 a.m.

Snow Removal

Residents and businesses have 24 hours from the end of a snowfall to clear their sidewalk of snow and ice. It is a City bylaw, but more importantly, it helps your neighbours, especially those using assistive devices, get where they need to go safely.

Christmas Tree Collection

Trees will be collected curbside starting Monday, Jan. 13. Trees must be out by 7 a.m. on Monday (regardless of your normal collection day) and cannot have bags or decorations. You can also drop off trees for no charge at the Yard Waste Depot.

EnviroDepot Hours

Wed–Fri: Recycling Only
 10 a.m. – 6 p.m.
 Sat: Full Service
 7:30 a.m. – 3 p.m.

City of Woodstock

SUMMER CAMPS

The City of Woodstock offers fun and enriching camp programs for kids aged 4-12.

From traditional day camps to a wide variety of specialty camps, your children will spend their days exploring, playing games and making friends in a safe, inclusive and inviting environment.

Registration opens Feb. 4 at 10 a.m.

www.cityofwoodstock.ca/camps

Our camp staff are certified in first aid, and a variety of HIGH FIVE programs.

Curbside Collection

All items to the curb by 7 a.m. on your collection day. Maximum weight 20 kg or 44 lbs. includes bin.

Weekly Curbside Collection. Bag tags required.

Bi-weekly Curbside Collection (Route A or B). Excess recycling can be dropped off at EnviroDepot.

944 James Street

Free drop off at Yard Waste Depot open 7 days a week.

Household Hazardous Waste and Large Items – Free drop off at EnviroDepot.

2024–2025 Garbage and Recycling Collection

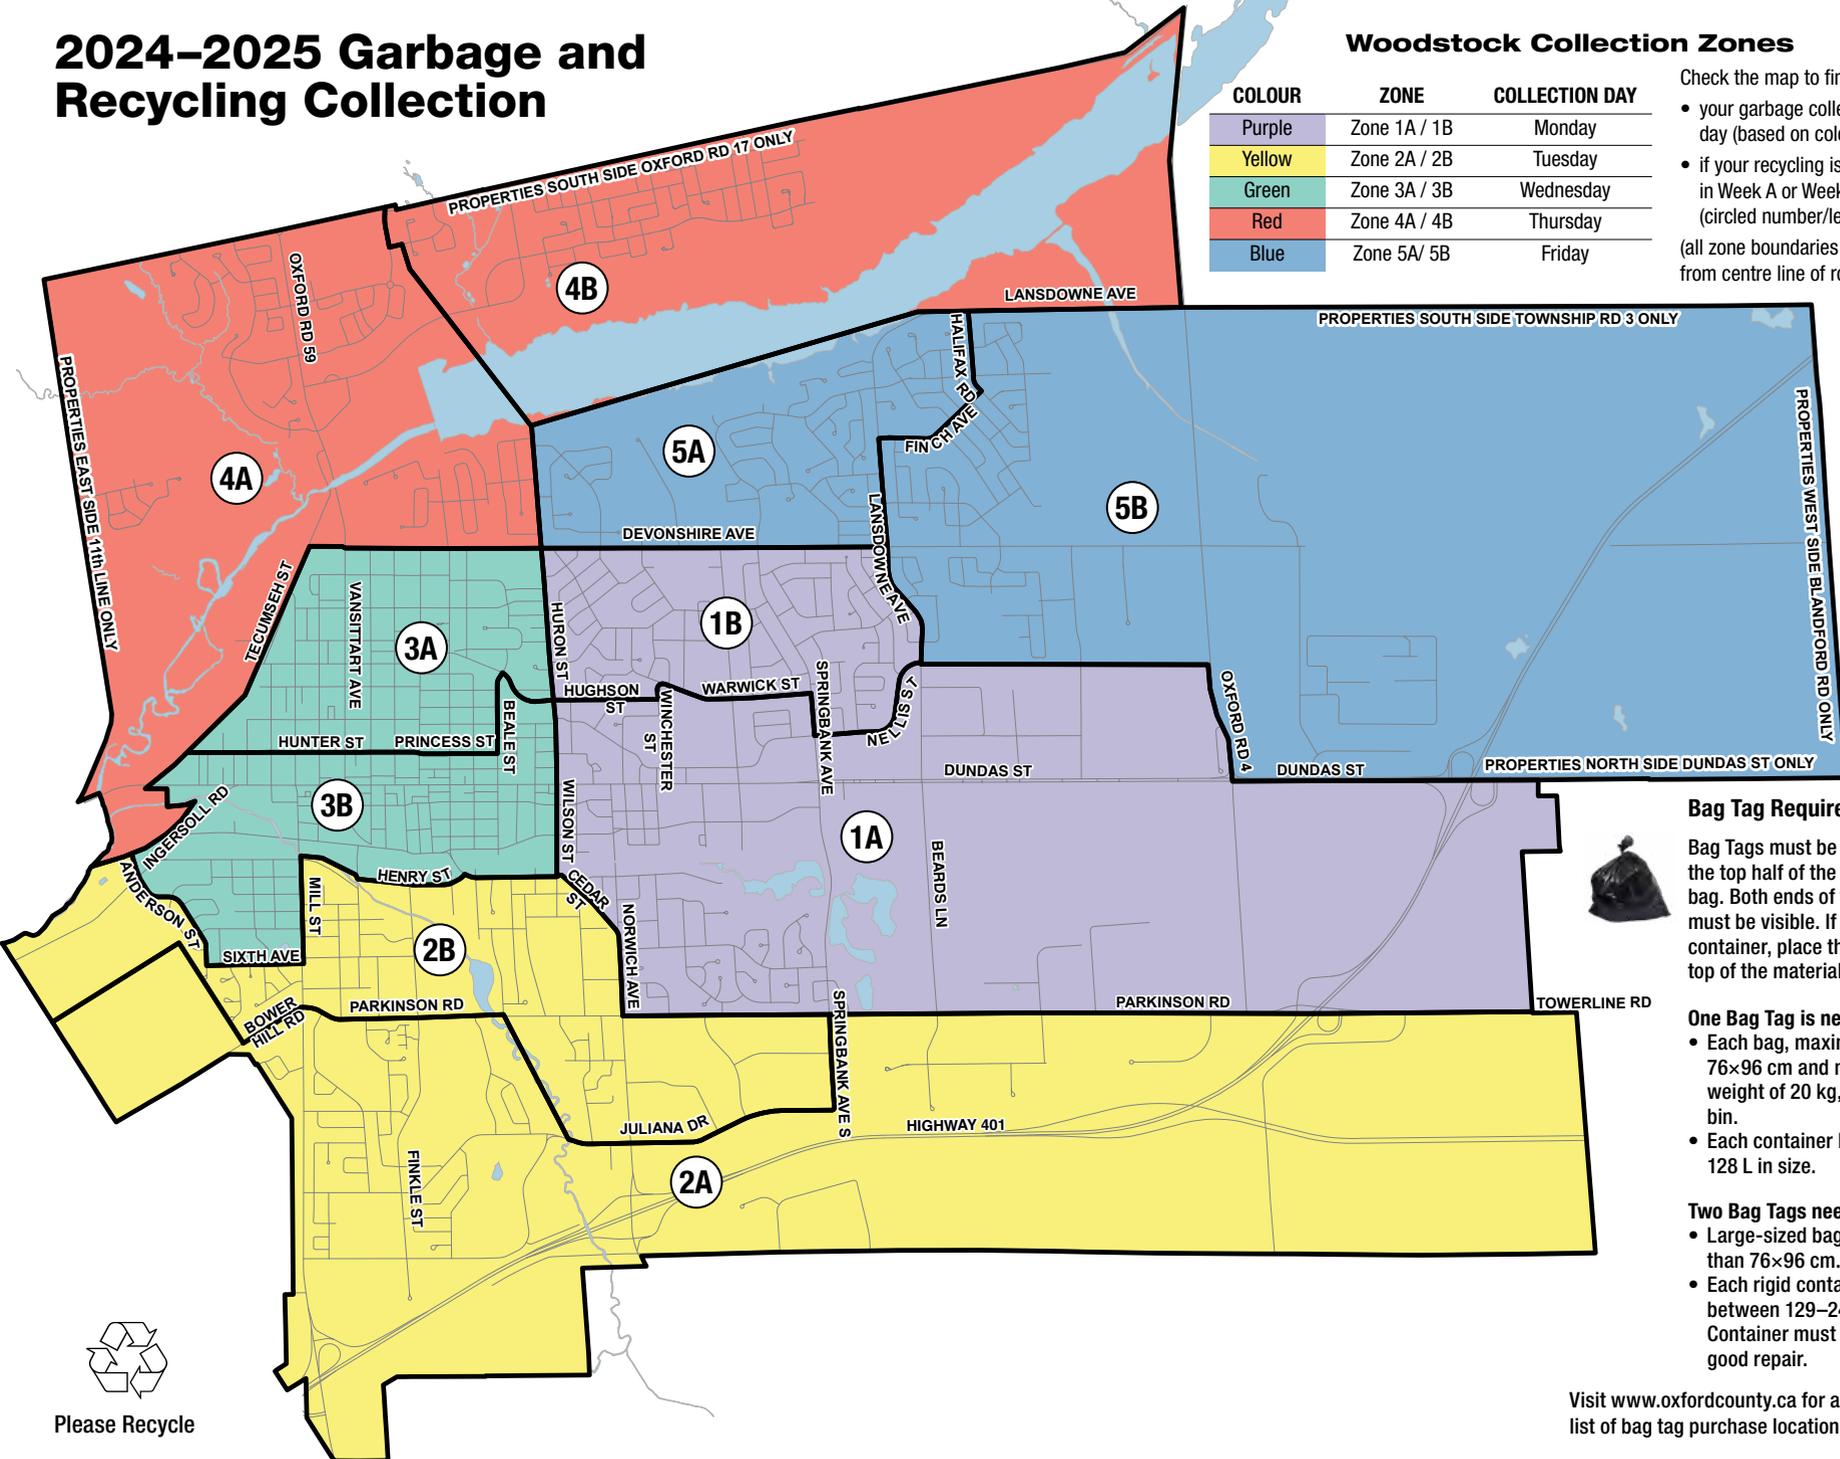

Woodstock Collection Zones

COLOUR	ZONE	COLLECTION DAY
Purple	Zone 1A / 1B	Monday
Yellow	Zone 2A / 2B	Tuesday
Green	Zone 3A / 3B	Wednesday
Red	Zone 4A / 4B	Thursday
Blue	Zone 5A / 5B	Friday

Check the map to find:

- your garbage collection day (based on colour)
- if your recycling is collected in Week A or Week B (circled number/letter)

(all zone boundaries are from centre line of road)

Bag Tag Requirements

Bag Tags must be stuck on the top half of the garbage bag. Both ends of the tag must be visible. If using a container, place the tag on top of the material inside.

One Bag Tag is needed for:

- Each bag, maximum size 76×96 cm and maximum weight of 20 kg, including bin.
- Each container less than 128 L in size.

Two Bag Tags needed for:

- Large-sized bags, larger than 76×96 cm.
- Each rigid container between 129–240 L. Container must be in good repair.

Visit www.oxfordcounty.ca for a complete list of bag tag purchase locations.
