Note: Updates to this calendar will be posted to www.wasteline.ca

CURBSIDE COLLECTION

WHAT IS A RESIDENT RESPONSIBLE FOR?

- Keep set out neat at the curb
- Do not overfill containers
- Place on level ground
- Remove rejected material from curb promptly
- Clean up material if containers fall over before collection occurs
- Place material out by 7 a.m.
Items placed out later may not be collected.
- Do not block sidewalk or put waste/recycling on top of snowbanks

WHY WAS MATERIAL NOT COLLECTED?

1. Check for a Sticker:

Look for an explanation sticker on your material.

2. Check Your Neighbours:

If your neighbour's materials are gone, call your area municipality. If it's after 7 p.m., call 519-539-9800 ext. 3159 to check your location.

3. Check Online:

Visit wasteline.ca or follow @WastelineOxford on X for municipality-wide issues, like weather or traffic.

BAG TAGS

Available for purchase online, through the Wasteline app, or at participating retailers.

TIPS FOR SET OUT SUCCESS

- Secure the materials in your blue box by placing heavier materials on top.
- Use a lid to keep items secure, and do not overfill your containers.
- Set-outs should be visible from the road, placed on a level surface no more than 1 m (3.3 ft) from the curb or roadside.
- Garbage bags and containers must weigh no more than 20 kg (44 lbs) for the safety of waste collectors.
- Personal hygiene products, including face masks, tissues, diapers and cleaning wipes, go in the garbage, not your blue box.
- Hazardous waste, such as batteries, sharps, and medical waste, does not belong at the curb. Take it to a Hazardous Waste Depot for free and proper disposal.

WHAT GOES WHERE? WASTE SORTING TIPS

RECYCLE

- Placing unacceptable items in your blue box increases program costs. Check the “What Goes Where?” tool online or download the Wasteline app. Ensure your blue box is free of liquid and food contaminants.
- Aerosol containers (empty)
- Aluminum foil and trays
- Bakery transparent trays (Plastic #6)
- Black plastic food and beverage containers (#2 and #5)
- Boxboard (tissue, food boxes & pop cases)
- Cardboard (flattened, tied and bundled, no larger than 75cm x 75cm x 20 cm)
- Clear & coloured glass containers
- Coffee cup lids
- Coffee cups
- Drink/coffee takeout trays (moulded paper)
- Drink & soup boxes
- Envelopes
- Flyers
- Glossy posters/paper
- Magazines, catalogues & telephone books
- Metal & aluminum containers
- Milk & juice cartons
- Newspapers
- Paper
- Paper bags
- Pizza boxes (no food residue)
- Plastic bottles (pop, water, juice)
- Plastic clamshell packaging
- Plastic cookie trays
- Plastic food containers (tubs & lids)
- Spiral wound/cardboard cans (hot chocolate, coffee, crescent rolls)
- Yogurt containers (Plastic #5)

For City of Woodstock residents, find your Blue Box materials by visiting www.cityofwoodstock.ca

LANDFILL

- Bandages, first aid materials
- Bubble wrap
- Carbon paper
- Compostable plastic cutlery and takeout containers
- Food waste (if composting not available)
- Glassware & ceramic ware
- Laminated material
- Notebooks & agendas (Cover is garbage, recycle the paper inside)
- Pens, markers, highlighters
- Pet waste
- Photographs
- Plastic cutlery
- Paper towels, tissues, napkins
- Plastic lunch bags
- Saran wrap
- Shiny wrapping paper
- Stickers/labels
- Straws
- Styrofoam food packaging and beverage containers
- Waxed paper

WASTE DIVERSION

Reduce landfill waste by taking these items to a recycling depot. See pages 16-17 for details. These items are ineligible for curbside recycling.

- Agricultural plastics
- Bulky styrofoam
- Construction & demolition waste
- Clothing and textiles
- Electronics
- Fats, Oils and Grease (FOG)
- Freon-containing appliances
- Hazardous waste
- Leaf and yard waste
- Plastic shopping bags & plastic film (at recycling depot)
- Scrap metal
- Tires

NEED TO DISPOSE OF SOMETHING NOT ON THE LIST?

Visit www.wasteline.ca or download the Wasteline app and use the “What goes where?” tool.

GARBAGE & RECYCLING COLLECTION

GARBAGE REQUIREMENTS

- All garbage must be contained in a bag, not loose in a container
- Have garbage at the curb before 7 a.m. on your collection day. Anything out after this time risks not being collected
- Place items no further than one metre from municipal curb
- Bags must not be broken or ripped
- Garbage set outs must not weigh more than 20 kgs (44 lbs)
- Both ends of the bag tag must be visible, wrapped around the neck of the bag

BAG TAG PROGRAM

- \$2 per tag, no tax
- No minimum or maximum purchase amounts
- Debit or credit purchases are subject to store policies regarding extra charges

Visit www.wasteline.ca/bagtags for a list of vendors and to order bag tags online

HOW MANY DO I NEED?

- One bag tag is needed for:
 - Each normal-sized bag or container (128L) with a maximum of 20 kgs (44 lbs)
- Two bag tags are needed for:
 - Bags larger than 76 cm - 96 cm and containers (129-240L) with a maximum of 20 kgs (44 lbs)

BLUE BOX COLLECTION

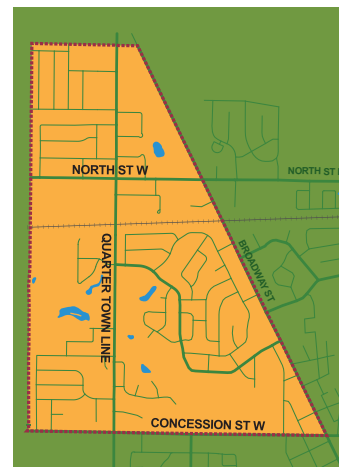

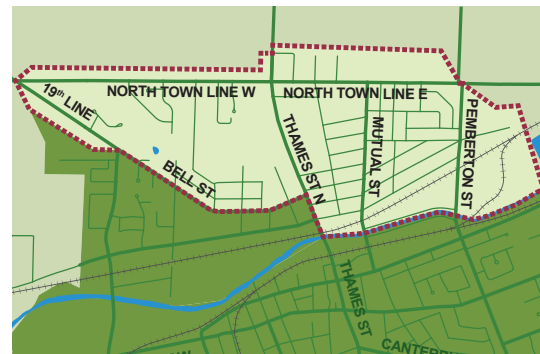

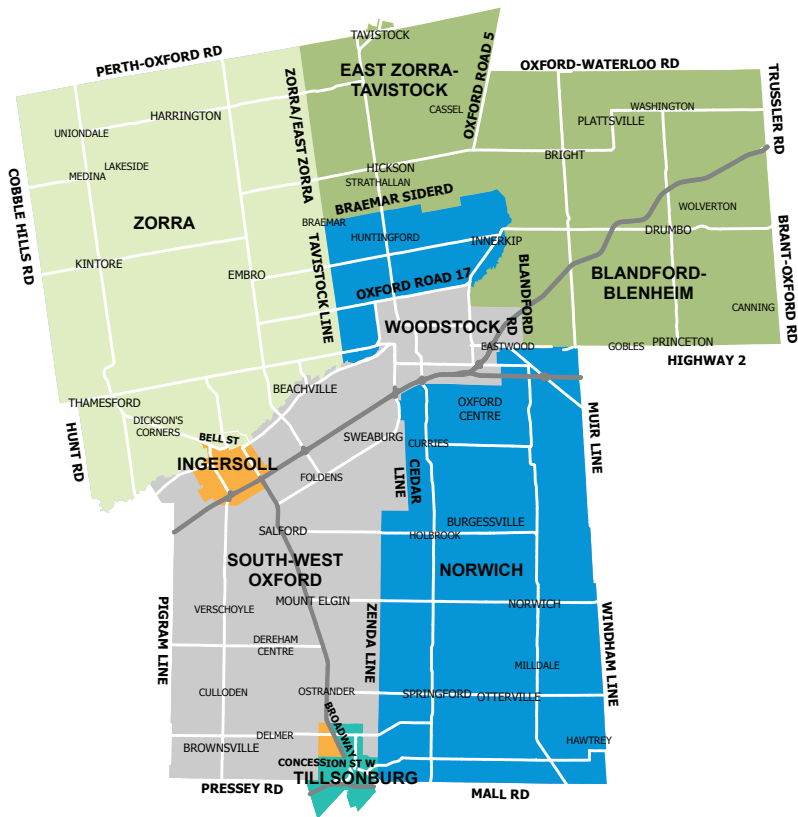

- Put your recycling at the curb before 7 a.m. on your collection day. After 7 a.m., you accept the risk that it may be missed.
- Containers should be rinsed and free of food.
- Clear plastic bags are for shredded paper only. Other materials in plastic bags will not be collected.
- Drivers do not sort material at the curb. Contaminated Blue Boxes will not be collected.

HOLIDAY COLLECTION

WILL YOUR COLLECTION DAY CHANGE?

Residences and businesses in Blandford-Blenheim, East Zorra-Tavistock, Ingersoll, Norwich, South-West Oxford and Zorra will have regularly-scheduled collection during the holidays.

WATCH FOR THE FOLLOWING CHANGES IN TILLSONBURG

ORIGINAL DAY	MUNICIPALITY	NEW COLLECTION DAY
Wednesday, December 25	Town of Tillsonburg	Saturday, December 28
Wednesday, January 1	Town of Tillsonburg	Saturday, January 4

FOLLOW THESE SIMPLE STEPS FOR RECYCLING THIS HOLIDAY SEASON:

Remove all tape, plastic film, twist ties and other objects before recycling cardboard packaging.

- Break down, flatten and bundle all cardboard boxes, with bundles no larger than 75 x 75 x 20 centimetres.
- Wrapping paper can be recycled, except for foil-based paper.
- Remove all ribbons and bows. Save and reuse for next year where possible.
- Remember, the bulky Styrofoam often found in larger gifts can be dropped off at the Oxford County Waste Management Facility, Tillsonburg Transfer Station and Woodstock EnviroDepot for recycling.

CONTAINER PRICING

2024 BLUE BOX PRICING

80 Litre Blue Box	\$6.50/box
Lids for Blue Box (80 Litre)	\$2.80/lid
Apartment-size container	\$3.60/each
Multi-residential totes*	\$37.00/tote
Business totes*	\$74.00/tote

These items are sold at your local municipal office, the Oxford County Administration Building and the Oxford County Waste Management Facility.

Pricing subject to change, please refer to the Fees and Charges By-law for pricing details at oxfordcounty.ca.

*Contact the County for Totes. Totes are only available for sale to multi-residential buildings and businesses.

GREEN CONE \$51.50

Includes: Container, instructions, hardware, accelerator powder and accelerator applicator. Additional accelerator is available for \$4.10/packet.

YES

WHAT GOES IN:

- Fruits, vegetables
- Food scraps, tea bags, coffee grounds
- Meat, bones, dairy
- Small amounts of pet waste

NO

DON'T PUT IN:

- Large amounts of animal/pet waste
- Garbage, plastic
- Rocks, stumps
- Hazardous waste

BACKYARD COMPOSTER \$20

Includes: Container, instructions, hardware, lids

YES

WHAT GOES IN:

- Paper towels, napkins
- Small amounts of yard waste (grass, twigs, straw, weeds)
- Fruits and vegetables, egg shells and coffee grounds

NO

DON'T PUT IN:

- Meat, fish, dairy, bones
- Animal/pet waste
- Garbage, plastic
- Rocks, stumps
- Hazardous waste
- Fats, oils, grease

LARGE ITEM COLLECTION

RESIDENTIAL PROGRAM ONLY

Set out by **7 a.m.** the Monday of your collection week. Late set outs will not be collected.

Max weight for any item is **45 kg** or 100 lbs.

Place items no more than **one metre** from the curb.

Items must be on **your property**, not across roads/ditches, and easily visible (clear of tall grass)

Do not place **small items** on top of larger items. Inaccessible items will be left behind.

Bag tags are NOT required for large items.

DOES YOUR ITEM QUALIFY?

- Does it weigh more than 45 kg (100 lbs)?
- Can it be broken down into a garbage bag?
- Is it eligible for a recycling program?
- Is it a small item but you have a large quantity?

If you checked "yes" to any of these questions, your item does NOT qualify for Large Item Collection.

KEEP OUR NEIGHBOURHOODS CLEAN!

Do not set accepted items at curb more than 3 days prior to your collection week.

Only program accepted material will be collected.

Property owners are responsible for removing and disposing of items left behind that did not meet program requirements and any such items that have not been removed may be subject to Municipality By-Law fines.

Depot fees apply in Tillsonburg & Woodstock</p>

FOOD WASTE REDUCTION

REDUCE YOUR GARBAGE BY UP TO 24% AND SAVE ON BAG TAG COSTS AT THE SAME TIME!

Compared to a green bin collection program, backyard composting eliminates the need for more large collection vehicles on the road; reducing greenhouse gas emissions and keeping Oxford's air clean.

YOU CAN REDUCE FOOD WASTE IN YOUR HOUSEHOLD BY:

1. **Planning meals ahead of time**
2. **Being a smart shopper**
Keep produce away from other items to avoid bruising. Bruising causes food to spoil more quickly.
3. **Storing foods the right way**
Store cut vegetables in water to keep them fresh longer.
4. **Stocking your pantry**
Stay well stocked with basic, nonperishable ingredients that can be used in a variety of meals.
5. **Using leftovers wisely**
Shop your cupboards, fridge and freezer before buying more food. Enjoy being creative, saving money and wasting less food.

**Did you know?
the average household
throws away \$1,766 worth
of food waste each year? It's
equal to dropping a bag of
paid groceries on the way
out of the store
each week**

For more information and ideas, visit www.ontariofoodcollaborative.ca.

SEWERS ARE NOT TRASH CANS

DON'T POUR OR FLUSH FATS, OILS AND GREASE DOWN THE DRAIN.

Fats, oils, and grease (FOG) clog the sanitary sewer system, creating costly plumbing repairs potentially both for the homeowner and the County, which in turn can impact rates.

PROTECT OUR WASTEWATER SYSTEM

Use FOG cups to dispose of fats, oils, and grease. Store them in your fridge or freezer until the liquids harden and bring them to a depot that accepts hazardous waste. Alternative collection containers that are small food containers with lids such as coffee cans, plastic containers can also be used.

Get FOG cups at no charge in the following locations.

- Oxford County Administration Building
- Oxford County Library branches (all 14 branches)
- Oxford County Waste Management Facility
- Township of South-West Oxford office
- Town of Tillsonburg office
- Township of Zorra office

Doing an oil change, paint project or have other material that shouldn't go down the drain? Take it to a hazardous waste depot or local mechanic.

For questions or to report a spill to the collection system please contact seweruse@oxfordcounty.ca

BRUSH, LEAF, AND YARD WASTE DEPOTS

There are 11 FREE depots located in Oxford County.

These depots are open 24 hours, 7 days a week.

- Christmas trees

NO

NOT ACCEPTED:

- Garbage
- Plastic bags
- Old fencing
- Hazardous waste
- Food waste
- Topsoil
- Sod
- Rocks
- Stumps

UPCOMING CHANGES TO ONTARIO'S BLUE BOX PROGRAM

In June 2021, the Government of Ontario announced new recycling regulations, including significant changes to Ontario's blue box program. Producers who create products and packaging will be responsible for providing recycling services. This change:

- promotes waste diversion;
- aligns the cost of managing products and packaging at their end-of-life to those responsible; and,
- gives producers an incentive to redesign products to make them easier to recycle.

As part of this change, we expect blue box material sorting to be standardized across the province, meaning what you set out in your blue box could change.

Moving all of Ontario's municipally-run blue box programs to full producer responsibility will occur over three years between July 2023 and December 2025. Oxford County will transition to the new program on December 31, 2025. Oxford County will continue to manage the curbside collection of garbage and bulky items.

For information and updates, please visit www.wasteline.ca.

WASTE MANAGEMENT & EDUCATION CENTRE

Explore sustainability, zero waste, and renewable energy with a guided tour of the Oxford County Waste Management and Education Centre. Perfect for school groups, these two-hour tours offer interactive displays on renewable energy and waste management, providing an engaging and educational experience.

FOR GRADES 2-6

- Interactive displays on waste management and renewable energy
- Landfill site tour (bus required)
- Discussions on landfill operations, waste sorting, environmental impact, and solar power

FOR GRADES 7-12

- An in-depth look at landfill operations, waste diversion, and sustainable construction
- Career insights in waste management and renewable energy

For more information or to book your tour, contact Oxford County Waste Management at 519-539-9800 Ext. 3159 or wastemanagement@oxfordcounty.ca.

BUSINESS WASTE MANAGEMENT

Businesses located on an existing residential collection route may be able to participate in the curbside collection program as long as they meet the set-out requirements.

PROGRAM REQUIREMENTS

Ensure all garbage bags are tagged and tags are visible.

- Only place recyclables accepted in Oxford County's Blue Box Program.
- There is no limit to the number of garbage or recycling containers placed at the curb.
- Contact Oxford County if you wish to purchase a 360L cart for your business recycling.

CARDBOARD REQUIREMENTS

Businesses are big producers of cardboard. For this material to be collected curbside, follow these guidelines:

- Must be bundled and secured with twine.
- Cannot be more than 75cm x 75cm x 20cm
- Cannot weigh more than 44lbs (20kgs)

SPECIALTY RECYCLING DEPOTS

There are several specialty recycling depots located at the Oxford County Waste Management Facility to help divert waste from the landfill, including depots for bulky styrofoam, cardboard, construction and demolition waste, clothing and textiles, electronics, Freon-containing appliances, leaf and yard waste, scrap metal and tires.

Note: Tipping fees may apply. Visit www.wasteline.ca under "Waste Management Facility" for a list of applicable tipping fees.

BECOME A BAG TAG VENDOR

If you own or operate a business such as an independent/ franchise variety/ convenience store or grocery store, drugstore, independent retail outlet, or 24-hour business, you may want to consider becoming a bag tag vendor. Some restrictions apply.

Learn more at www.wasteline.ca.

ALTERNATE WASTE OPTIONS

Your garbage bin or the landfill isn't the only option for items you no longer use. Many items can be donated, sold or up-cycled. Look for local donation stores, or other re-use options before disposing of unwanted goods. Some non-profit groups will arrange curbside pickup of unwanted goods (e.g., Canadian Diabetes Association, Kidney Foundation of Canada, etc.).

Please call ahead to check the hours of operation and confirm acceptable donation types.
