Oxford Road 19 Corridor Improvement

Municipal Class Environmental Assessment Study

Following completion of the 2019 Transportation Master Plan, Oxford County has identified the need to improve Oxford Road 19 to support the safe and efficient movement of goods and people.

About the Study

The County is undertaking a Municipal Class Environmental Assessment (Class EA) Study to consider improvement options for the Oxford Road 19 corridor to suit anticipated transportation demands for the 25-year horizon and beyond.

The Study area includes approximately 16 kilometres of Oxford Road 19, between Highway 19 (Plank Line) and the boundary of Norfolk County (Windham Road 19), which excludes the Settlements of Springford and Otterville. Please refer to the map.

The Study is being carried out in accordance with the planning and design process for Schedule C projects as outlined in the Municipal Class Environmental Assessment (2000, as amended in 2007, 2011 & 2015), approved under the Ontario *Environmental Assessment Act*.

We want to hear from you

Consultation with stakeholders is a key component of the Study process. The first Public Consultation Centre (PCC) was conducted on June 9, 2022, to present alternative solutions and receive input on the recommended preferred solution. PCC#2 is being held to review the conceptual design alternatives that are being considered and evaluated for improvements to the Oxford Road 19 Study Area.

Public Consultation Centre #2

Similar to PCC#1, PCC#2 will be a drop-in format to provide residents/interested parties with an opportunity to review and comment on the recommended preferred conceptual design. Representatives from the County and its consultant, R.J. Burnside & Associates Limited, will be present to answer questions and discuss next steps in the study. The date and location of PCC#2 are as follows:

Tuesday, December 6, 2022 - 5:00-7:00 p.m.
Springford Community Hall
429 Main St. W, Springford, Ontario

Contacts for information

If you have questions or comments, please contact either of the following project team members:

Jesse Keith, P.Eng., Project Manager
Oxford County Public Works
519-539-9800 ext.3194 | jkeith@oxfordcounty.ca

Henry Centen, P.Eng., Project Manager
R.J. Burnside & Associates Limited
519-340-2003 | henry.centen@rjburnside.com

Comments received during the Study will be considered and documented in the Environmental Study Report.

Information will be collected in accordance with the Municipal Freedom of Information and Protection of Privacy Act. With the exception of personal information, all comments will become part of the public record.
