## EDITOR'S NOTE

To be oneself, is perhaps one of the most difficult things to do, but one of the most important. As the years go by, people remember even the littlest things that make you different from someone else.

Well, Geoff and I tried to make Tatler 71 different from previous Tatlers. Although we found there were some areas that couldn't be changed, we took advantage of what we were offered and hope that we came up with something a bit different.

We would like to express our congratulations to the winning teams at Annandale, and Best of Luck to the students and teachers who will be leaving next year to attend Valley Heights, and also to the Grads who will be going on to perhaps bigger and better things.

Being editor gives me the opportunity to say Thank-you to those I have known at Annandale that have made it something special for me.

To conclude, I would like to say that although the past may not be brought back, the activities of that special year may always be remembered by picking up a TATLER and flipping through the pages. So now, do just that, and remember it was made for you.

# PRINCIPAL'S MESSAGE

It is an honour for me to congratulate the editors and the staff advisors of the Tatler. Once again much time and energy has been spent planning and producing our yearbook.

It is a tangible tribute to those students who have gained so much experience and knowledge from their efforts.

There are many extra curricular activities in which a student may participate in but not all have such enduring value.

The Tatler 1971 has mirrored well the pulse of life at Annandale with all its many facets.

I would like to congratulate all the students of Annandale for their part played in the many activities during the year. We have had our share of successes and we are proud of those students who have carried the Black and Gold colours for us during the year.

Many of our students will be changing schools in September, 1971. We will miss you very much but our good wishes for success go with you.

To those students who are graduating, may you find success and happiness in your chosen field.

G. E. Rolfe

## VICE-PRINCIPAL'S MESSAGE

1971 finds us in a period of rapidly changing superficial values. Styles in clothing for both boys and girls, hair lengths, appreciation of various types of music, pop art, dance forms, make-up, favourite expressions in our conversation - these are all superficial and have always changed from time to time.

Let us consider however some more basic characteristics. Can we afford to discard the time-tested values such as honesty, sincerity, perseverance, ambition, diligence, hard work, dependability, co-operation and a "sound mind in a sound body"? The world still measures you by these yardsticks.

As you, the graduates, leave Annandale for paths of higher learning or wider avenues of service, and as those remaining advance in their secondary education, it is my hope that each of you will honour yourselves, your Alma Mater and your community by striving to make these qualities - and we might extend the list - part of your life pattern.

Congratulations to the editors and all concerned with the production of the 1971 Tatler and best wishes to the graduating class for success in the coming years.

*A. J. Beattie*  
Sincerely,

A. J. Beattie

## *Dedication*

MR. P. DEVRIENDT and MR. A. STOVER  
after Bowl Victory 1969.

An era of junior football has come to an end in 1970 at Annandale High School. This era was a decade of many victories and few defeats for two of the most successful coaches in Tri-County history.

Junior football is taking its last breath at Annandale for several reasons; the first being the split of the dynamic coaching team of Stover and DeVriendt. Mr. DeVriendt is leaving Annandale to teach at the new school in Langton so the coaching team will have to split. Even though it would be possible for both men to continue coaching, they both feel that they were a team, and when one member of the team is lost the other cannot function efficiently. The second reason football is ending is the number of boys eligible for junior football in 1971.

Annandale approximately has 800 students, 250 of them boys. Next year the school population will dwindle to roughly 650 students so the number of boys in the school will be few and far between.

Both Mr. DeVriendt and Mr. Stover have a great ability to take boys who have never been exposed to high school football and come through with a winning, or successful team. This fact is evident by their season records of the past decade. Through this decade their football teams have won six league championships, and from this four bowl championships which is more than any other school in the Tri-County Conference. This record is more than just impressive, but it shows their success as a coaching team.

Behind their coaching record is their philosophy of football which is given to each and every player of their football teams. In their philosophy is self-discipline which each player must have; discipline which each offense and defense must have and, lastly but most important is pride in oneself, whether the team wins or loses, it's good to know that you played hard and clean and came out with your head up.

It is unfortunate that junior boys coming into the school in the future will be unable to be exposed to these two men as the proud and successful coaches they truly are.

In closing we would like to dedicate this Tatler, on behalf of all the junior Marauders since 1961, to MR. A. STOVER and MR. P. DEVRIENDT, two fine men and inspiring coaches.

## THANK-YOU

As co-editor it is my pleasant duty to thank all those individuals who aided in the publication of this 1971 Tatler.

A special thanks is directed to Debbie White, last year's editor, for the guidance and moral support which she gave us throughout the year.

Thanks must also go to the advertisers who helped support this publication, as well as the publishing firm, Canada Yearbook Services.

Mr. Overbaugh and his business classes are highly commended for the hard work they did in obtaining the advertising.

Special mention must be made to our staff advisor Mrs. Leachman.

Appreciation goes to the Tillsonburg News staff for the valuable pictures which they contributed to this Tatler.

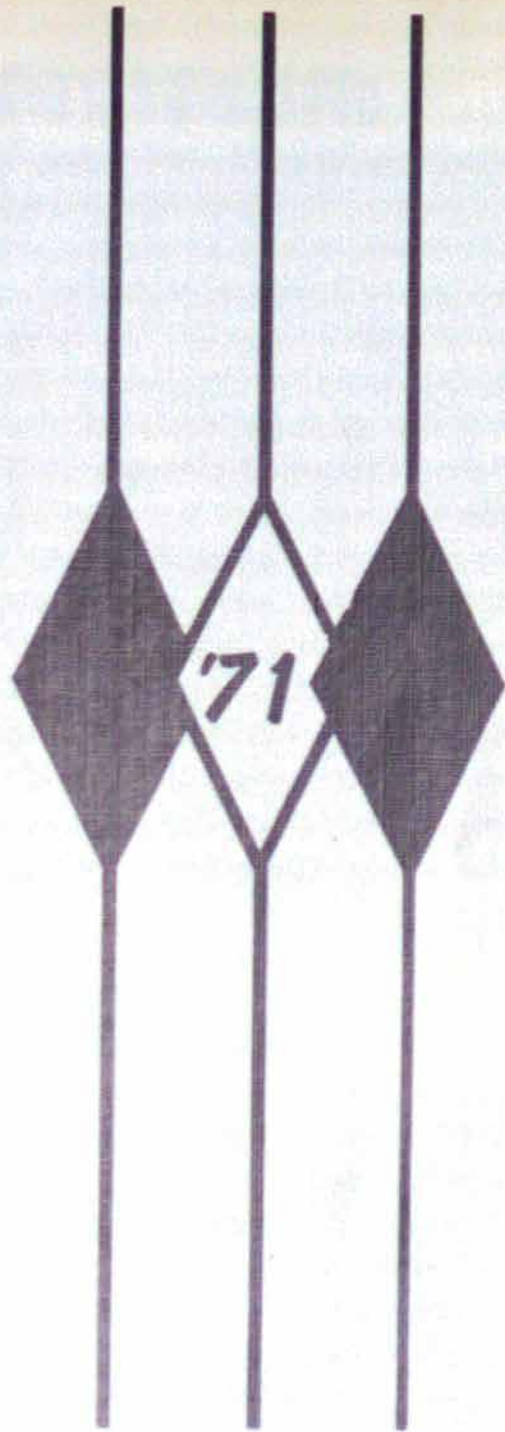

The department heads and their assistants must be thanked for the fine job they did in covering the events so thoroughly.

My special thanks goes to Ruth Seduikis for the extra effort she gave us in all departments especially in typing and layouts.

All those people whom I have not mentioned that contributed to the piecing together of this book of memories must also be thanked.

Geoff Parker  
Co-Editor

A visit to the Stock Exchange at Toronto is in store for these and other Grade 12 Students taking Marketing.

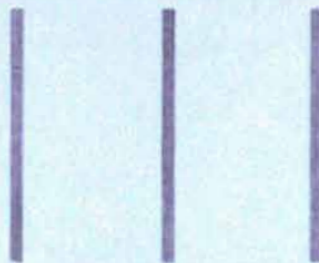

Before his departure, Annandale's Australian Exchange Student, Keith Bradley performed for the students of Annandale. Keith sang several of his native songs, accompanied on the guitar by his Australian friend Angela Murray.

At the conclusion of his performance he presented the school with a painting as a reminder of his stay with us.

# COMMENCEMENT

# VALEDICTORY ADDRESS 1970

*"I may speak in tongues of men or of angels, but if I am without love, I am a sounding gong, or a clanging cymbal. I may have the gift of prophecy and know every hidden truth; I may have faith strong enough to move mountains, but if I have no love, I am nothing..."*

These simple words were written nearly two thousand years ago... yet we can still marvel at the deep truth which they reveal for a modern audience to-day. Although man may claim at times to have advanced past his so-called "weaker" emotional needs of 'love', 'warmth', 'sincerity', and 'understanding', our better judgment still prevails and assures us that these indeed are the vital threads from which we can weave a meaningful life.

For the past several years, the graduating classes have heard speakers from this platform issue similar challenges of our modern day: ...that "we as adolescents must be ready to face the dynamic outside world of continuous change" ... that "we can no longer apply the lessons of yesterday to the problems of to-morrow." We have been told to... just... to continually ready ourselves for the fast-moving world of the future, that waits for no one. The command has been heard clearly time and time again... "be prepared... or be lost..."

May I suggest, friends, that a world which is so advanced and so efficient that it waits for no one, can hardly be a world worth preparing ourselves for? What strange fate would our 'humanity' suffer, if we were to abandon ourselves to a life of mindless conformity to an impersonally technical and mechanised system? What claim could we make to the title "human beings", if we tolerated this rapid eclipse of the 'humane' element in our life-style... an eclipse which our highly mechanical and dehumanised society threatens to impose?

I hesitate, this evening, to urge any of you to passively accept the new roles which modern technology is so willing to thrust upon you. Granted, technical progress may take certain individuals to the surface of the moon, and far beyond. Perhaps computers will even calculate the complex genetic code which will allow babies to be synthesised in a test-tube. I do not minimise for one moment, the tremendous potential of man's technology... but I seriously question the value of all these advances, if they force mankind to become a mere component of a callous concrete, glass, and steel environment. Can we be willing to sacrifice our human sentiments as the price of "progress"?

Man, no doubt, is capable of building yet taller skyscrapers, of covering more and more meadows with asphalt, of driving more and more species to the brink of extinction. His weapons of war will become deadlier. He will pave more and more miles of expressways and superhighways. Man may even construct machines so advanced and so complicated, that they will be able to rationalise, and to think... But man will never build a machine that can love...

We as adolescents instead face a much greater challenge: to mould friendship and understanding where there have been but disagreements... to replenish a nearly barren planet with the myriad of living creatures that once flourished here in harmony... to reverse the current trend towards losing our individual identity. We must bear in mind that mankind may someday perform outstanding feats which will carry him to the stars... who knows? - we may even undergo a total computerisation of our daily routines. But let us never forget that if mankind ever loses his appreciation of affection, of tenderness ... of 'love' ... man's mighty words will be but hollow echoes, and man will become an empty shell... a nothing ... and no technology, no matter how advanced or complex, will ever save him...

It was a bond of love that has made these past few years of learning at Annandale so significant. The tedious assortment of facts and figures which were presented in our classes bears minor importance when compared to the devotion and concern which our teachers so freely showed for us. If we are to remember our high school days for anything... let it be for the lessons of 'love' which we learned here.

And I want each and every one of you to gather all that accumulated love and affection of our years at Annandale, and to multiply it many times over during your adult lives. I want you to cherish forever the countless happy memories of the fellowship we've shared together here, and to go out and encourage an even greater fellowship in your future. For this world will continue to grow colder and more unfeeling, unless we strive to cultivate the values that we acquired during our high school days. We shall face even worse disillusion in life, if we fail to convey to others, just a little of the warmth, a little of the enthusiasm and the spirit of Annandale.

And now that difficult moment has finally arrived... 'difficult' - because it may well mark our last opportunity to savour the delight of being together. Each of us has already embarked upon an uncertain voyage... one which may be fraught with failures and downfall... but more likely one which will yield to us a treasure of success and rewards.

It is never easy to say farewell to someone who has grown to be a part of you... It is no less difficult to say 'good-bye' to Annandale High School.

Just before closing, I'd like to express appreciation on behalf of the graduating class of 1970 to all those who made our stay here so memorable and so meaningful...

To our new friend from Australia, Keith Bradley, who helped to make our last year of high school truly unforgettable. We wish you a bright and beautiful future back in your native land. May you receive in return, a portion of the happiness and novelty you radiated here...

To the staff of Annandale, who remained a guiding light in times of uncertainty: you may never know how profoundly you have influenced our lives for the better, and we may never realise the tremendous debt of thanks which we owe in return. We have all grown stronger because of the values you strove to instill within us.

My last words this evening are addressed to everyone:

While we witness the advent of plasticity and frigidity in our everyday lives... when it seems that with each day, we as individuals grow less and less significant... let us always remember, that the greatest measure of man's strength... is man's love ...

I sincerely thank you:

Elgin Loney

## HEAVENOR'S HEAVENLY HOST

SEATED: Dianne Mayorcsak, Sandra Drotos, Jim Heavenor, Gene Sandham. STANDING: Mary Wolter, Arpad Pasztor, Art Fuller, Vicki Buchner.

For most, the month of May is when one's thoughts turn towards the coming holidays, and school activities come to a close.

This was not the case for two groups of students. Instead, during that one busy, almost chaotic week, a host of angels, namely "Heavenor's Heavenly Host", and a band of musicians, namely "Biro's Boys In The Band," prepared their campaigns. They included all the gimmicks; buttons, posters, and a short skit to promote their popularity before the student body cast the deciding votes as to who would make up the new Student Council.

## BIRO'S BOYS IN THE BAND

# STUDENT COUNCIL

SEATED: Dianne Mayorscak, Jim Hevenor, Sharon Causyn, Gene Sandham. STANDING: Brian Long, Arpad Pasztor, Art Fuller, Vicki Buchner.

For the first time Student Council elections were held in the Spring. We took office in the fall for the complete year.

A Student Council would be impossible without the support of the student body. This year we got support. Perhaps it was not as vocal as in past years, but it was there when needed and appreciated greatly.

I would like to thank my fellow members of the Student Council for their efforts in organizing the events of this year. Just to mention them briefly they were Grade Nine Day, Christmas Assembly, Winter Carnival, the Prom and the yearly Chocolate Bar Sales.

I would especially like to thank Mr. Armstrong for his patient guidance and helpful suggestions throughout the year.

Being in the Student Council is not all work. It was for me an opportunity to work with a great group of people, and to appreciate the problems of public life. I can personally say that I am very glad that I was elected and that being on the Student Council was an experience I would not like to part with.

# SPECTATOR

FIRST ROW: Christine Ryde, Joanne Hicks, Rick Esseltine, Penny Rose, Debbie White, Maxine Brooks, David McCollow. SECOND ROW: Mr. A. Stover, Louise Thompson, Margaret Herman, Patty Yantho, Ruth Seduikis, Sandra Drotos, Regina Raudssus, Virginia Palmer, Carol McKnight, Giselle DeClercq. THIRD ROW: Gordon Baptist, Phil D'Eon, Albert Knab.

It was through the true meaning of "Spectator", that our newspaper staff tried to build a paper. By watching what was Happening in and around Annandale we attempted to create a paper worth reading. This was our aim. Fulfilled or not?... I guess you would be the better judge of that!

To the regular pictorial and verbal coverage of school activities, we added comments on extra-institutional issues. The "Apathy-Annual" was a controversial first for the Spectator. It was really quite a challenge deciding what to include in each issue, how to best lay it out and how to create enthusiasm for the paper. Probably the greatest challenge was trying to sell it!

High school journalism requires much more participation than a lot of people realize. I would like to say "Thanks" to co-editors Debbie White and Rick Esseltine; to Joanne Hicks, Ruth Seduikis, and Sandra Drotos for the many and versatile efforts; to our faithful photographers, John Swayze, Dave McCollow and Phil D'Eon; to Maxine Brooks and Virginia Palmer, our advertising staff; to reporters and columnists Regina Raudssus, Christiane Ryde, Louise Thompson, Patti Yantho, Carol McKnight, Giselle DeClerq, Linda Clary, Cathy Hicks, Margaret Herman and Dale Winton; and to anyone else who contributed to making the paper. Let us not forget the assistance of our staff advisor, Mr. A. Stover. Thank-you to the Tillsonburg News and probably most of all to Annandale for giving us something important enough to build a paper around.

It is our hope that through the Spectator we have contributed to the memory of 1970-71 and to the school.

Penny Rose,  
Editor.

One asset of the school which eventually every student needs is the library.

It has been greatly altered since last year. The extra 700 sq. feet, the two air conditioners and the new carpet show what a shocking change has taken place. The study carrel, which was a gift of the 1970 graduating class, has been put to a great deal of use.

Plans are in the making for expanding the reference section as well as the audio-visual equipment. Many students have found the records, tapes and film strips to be valuable indeed for study and entertainment.

With 1600 new books and over 400 paper-backs, the twenty library-club members are kept very busy covering, processing and circulating books. Speaking of circulation, a great increase has been shown over last year.

It appears then that things have become bigger and better than ever in Annandale's library.

The rifle club got off to a good start this year with a membership of about 50. Three competitions were entered, and targets were received by the first of February. Despite dwindling membership at this time, the targets were completed and sent away to be marked. However, by the first of April results had not yet been received from the sponsors of the competitions, C. I. L., Dominion of Canada Rifle Association, and the Shooting Federation of Canada.

Results within the club are as follows:

Best male shot	Jim Loney
Runner-up	Steve Sandham
Best female shot	Joy Skelly
Runner-up	Sandi Tisdale

Jim Loney's average for ten regulation targets was 91.1.

Few fine photographers can be found floundering the fields of Annandale, frantically finding photogenic faces for the filling of our school's fine publications. The past year saw several interested students learning photographic processes for the first time. It also saw some more experienced students finding new techniques, some by pure accident. Some blunders were not so successful: G tried to develop a film in fixer, while J tried to fix a film in developer. D has a habit of throwing photographic paper out the door, and if P tries hard, he'll do one right yet. Few people realize it, but, except for a few special portraits and group pictures, all of the school's pictures are done in the dark-room on the stage. A lot of work goes into developing prints for the Spectator and Tatler. Remember the Spectator's "Apathy Annual"? The picture of the school in the coffin took about a half an hour to set up, then it took three tries to get it right. We thank those who didn't mind having their pictures taken, and apologize to those who did, but were taken anyway. By the way, if we did happen to capture you on film and have it printed in the paper or yearbook, it may not have been because of your activity, but because of your lack of it.

We aim to please. You aim, too, please.

I wish to congratulate the 1970-71 graduates of driver education. By taking this course you have learned a driving skill, received a driver's licence, and earned reduced insurance rates. As you know, this is not the chief purpose for the time spent. Hopefully you have gained respect, even fear as it relates to driving. I trust that as a result of driver education your conduct shows a greater appreciation for safety in all phases of life: AT HOME, AT WORK, AT PLAY, and particularly WHEN DRIVING.

The Annandale High School United Nations Club enjoyed another successful year in 1970-1971. The President was Fraser Weir and the Secretary-General was Mary Wolter. The club's major event of the year was the 7th Annual Model United Nations General Assembly held at Annandale Friday and Saturday February 12-13, 1971. Annandale played host to ten out-of-town schools from Port Credit to Norwich. The topic for debate was Soviet arm shipments to Egypt and Cuba and the invasion of Guinea by Portugal. The debate took on a lighter atmosphere when a dispute broke out between Venezuela and the United States over oil which resulted in the former declaring war on the latter. The guest speaker at Friday night's banquet was Professor Gwynne-Timothy of the University of Western Ontario. He kept the 110 at the banquet in silence for over an hour and a half while he discussed the role of the United Nations in preserving the balance of power in the world.

During the year the United Nations Club sends its members to various Assemblies and Seminars throughout Ontario. Delegates went to the University of Toronto, University of Western Ontario, Waterford, Brantford, Oakville, Woodstock and several other places. At these various assemblies Annandale is well represented and the Annandale reputation in United Nations functions is well respected around Southern Ontario. Although it is less publicized the United Nations Club does as much for the school's good reputation as any of Annandale's teams.

School spirit is one important factor which makes a school year successful. The Black and Gold Society is the school organization designed to promote this school spirit. Promotion of activities such as football, basketball, volleyball, track and other sports organizations keep Black and Gold members busy. Posters for various school club events, dances and Annandale's annual Prom, are only a few of our long list in encouraging student participation.

The past year has been a very fulfilling year for Black and Gold members. Although the Black and Gold's membership was low this year it is hoped that students will realize the importance of our group. This year's president, Barb Leathong, has constructed a very enthusiastic school spirit among the students of Annandale.

I'm very sure that all school clubs have appreciated the Black and Gold Society's work, and we hope it has helped to promote a very successful year for all organizations and the student body.

As in previous years, the Canadian Affairs Club of 1970-71, concentrated on engaging various speakers for the enlightenment of students and the general public. On March 19, 1971 Norman Depoe of the CBC spoke on the "National Scene in Canada". His talk stimulated excellent audience response. He was afterwards interviewed and videotaped by Annandale camera enthusiasts.

At the time of this report on the activities of the Club, we are awaiting word from Claude Charron of the Quebec National Assembly. The club is also planning to present the school with a petition in support of the "Committee for an Independent Canada" and is donating to the cause. During the month of May we hope to bring to Annandale a panel of "Women's Liberationists" to speak on the Feminist movement. With the population of Annandale being mainly female, they are sure to be of interest.

I feel that I could not conclude without extending thanks to the Club members whose co-operation has been responsible for our successful ventures, and also to Mr. Armstrong for his untiring interest and help in Canada Affairs.

# INTER SCHOOL CHRISTIAN FELLOWSHIP

Although we have not yet officially joined I.S.C.F., we may in the future. At present, we call ourselves the Bible Club, and are known by this name. Our strongest opponent seems to be Apathy, who is found everywhere. So, we invited a local minister to inform us on how to be anti-apathetic. We also received guidance from a firm-voiced O.P.P. officer, who was also a Youth Director. One of our teachers gave his views on the Christian life. We held several discussions, and heard the thoughts of some of the students of our group. Some of our group were even great speakers to our club. For variety, and to broaden our scope, video tapes were made of the television program "Religious Hotseat". It is our hope to go on to bigger and brighter horizons, but we depend on the activity of religiously-minded students to be successful.

## CHESS CLUB

Although the club was off to a late start this year, members now devote noon hours to increasing their calibre. This year the club was indulged with tough competition, when Brian Clark, Annandale's chess champion, now in university, came back to Annandale for a playoff.

The club plans to attend the Tri-County chess tournament in hopes of bringing home the trophy now held by Huron Park.

The club is looking for even a more accomplishing year next year.

## POLLUTION PROBE

Annandale's Pollution Probe's first year was relatively successful. A shoe shine was held in the fall and raised nearly fifty dollars. Half of this was given to Regie for cleaning up the school yard after the bowl game. Although much was discussed nothing got off the ground because of no student support. We only had about ten members including executive. It is planned to have the club next year with hopes of more student involvement.

Tom Nichol

## SKI CLUB

I was asked to write something on the ski club, but I don't quite know what to say without revealing the fun we have, especially on the Huntsville weekend. Ask Charlie! There are a lot of people interested in skiing in the school, I'm sure. We did have a strong club but not as strong as it should have or could have been. For instance, at the end of the year Mr. Overbaugh and I took approximately twenty girls to Ski-Hi and they truly enjoyed skiing and its great social life.

We hope to get more people out next year. I wish everyone would at least try it once or come to Huntsville for a weekend and join the party next year. I'm sure you would love it.

# BAND

This year under the careful direction of Mr. Adaman the band achieved a new height in School music. For the first time we sent three separate bands to the competitions at the Woodstock Music Festival. The Senior Band placed second with a mark of 87, the Grade 10 band also placed second with a mark of 86, and the Grade 9's placed third with 82. I might add that the competition there was very stiff.

Our concert at the end of the year was entitled "Accent on Music", and every one who heard it hopefully went away pleased. On behalf of all the students who participated in any of the bands I would like to express our gratitude to Mr. Adaman for his patience, time and effort.

# STRATFORD

On September 29 and 30th, two groups of Annandale students journeyed to Stratford. On Tuesday the performance of "The Merchant of Venice" was viewed, and "School for Scandal" on Wednesday. The magic of Stratford and the excellence of cast and character, plus costumes, soon had the entire audience living amidst Shakespeare's characters and settings.

While viewing "Merchant of Venice" we all felt the tension of the casket scenes, the comedy of the humorous episodes, the love of the amorous ones, and perhaps most significantly, the pain of Shylock's forced humility.

The cast and especially the characters of "School for Scandal" truly captivated the audience and made them share a part in the extremely comical antics of the production. We took part in Charles' gayest dealings, and felt the shock of surprise of Lord Tisell on finding his pretty wife in Joseph's study.

By viewing the "Merchant of Venice" and "School for Scandal" in their entirety, we not only understood the plays, but we lived them. Only by the audiences experiencing this, can a play be a success. Such plays were "Merchant of Venice" and "School for Scandal".

## YOUNG PEOPLE'S THEATRE

Friday, April 2, an acting group from The Young People's Theatre in Toronto presented a play called "Under Milk Wood" in the gym. The group is on a tour sponsored by "Prologue To The Performing Arts". The play, a comedy, was generally well-liked by the entire audience which consisted of grades seven, eight and nine students from all of Tillsonburg. After the performance, the actors assembled on stage to answer any questions that the students had about the group and its functions or the performance itself. Everyone seemed to enjoy the play.

# THEATRE HOUR

This year we were once again privileged to have the Theatre Hour Company perform for the Senior students. There were four actors and one actress. They acted out their selection of poems, songs and pieces from plays, with the audience in the Shakespearean style, semi-circle. Their production was especially enjoyable, since the whole of it was all Canadian material, with even the poems being written by Canadian High School students. Their efforts for putting on a great show were well rewarded, as this was shown on the exuberant faces of their audience.

## Last Year's Queen

JoAnne  
Vandenbiggelaar

Saturday, February 6, was a highlight of the school year. This year's "At Home" proved to be one of the most successful in the history of Annandale.

Long, patient hours of work transformed the gymnasium into beautiful, early 19th century "Macarthur Park". Bright flowers, cool evergreens and a trickling stream with its own quaint little bridge presented a pleasant atmosphere of a fresh, spring day. Amid this panorama, the guests danced to the lively tunes of the Bobby Downs Orchestra. As midnight grew closer, the candidates for queen sparkled in excited anticipation of what was to come. This year's lovely contestants were Dale Winton, Carolyn Claus, Sharon Causyn, Dianne Mayorcsak and Katherine More. As the clock finally struck twelve, Jo Anne Vandenbiggelaar, last year's queen, placed the crown on the head of Annandale's new 1970-71 queen, Miss Dianne Mayorcsak.

The dancing ended at 12:30 but everyone took home wonderful memories, a night to cherish as one of the highlights of their life.

# WINTER CARNIVAL

This year's winter carnival was termed as one of the best. The day was full of activities and far from being called dull.

First thing in the morning the student body assembled into the gym for the crowning of the school's snow queen. There were many pretty participants but Jackie White came out as the winner. She was crowned and received some beautiful flowers. Next came the tug of war. There was much enthusiasm in this sport but even more enthusiasm when it came to the toboggan races. Even though some got off to a bad start, being dragged along or falling off entirely, I'm sure they all had a lot of fun. We missed seeing good old Mr. Hart with his hat, moustache and pipe this year but maybe next year he'll wear it for us.

The snow sculptures were just tremendous this year. A lot of work was put into all of them and we would like to congratulate all those who helped make it such a big hit. A special congratulation goes to Mrs. Moore's class for winning the contest.

The broomball game between the teachers and the B.A.A., G.A.A., and the Student Council was well played right after lunch. Both teams played equally well showing both skill and luck. It was hard to see who won so I guess it came out a tie.

The last event of the afternoon was the girls' powderpuff football games. There were four teams and two coaches for every team. From the looks of the players after the game it seems to me that girls play a little rougher than boys. Although the games were taken a little too seriously, one could see the enjoyment everyone got out of playing football in the snow.

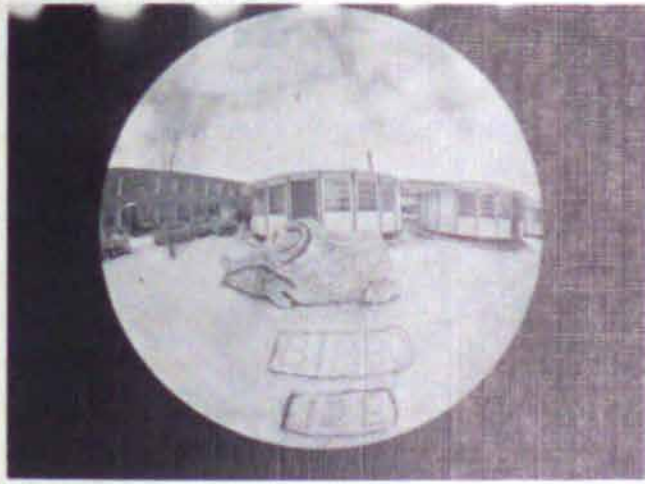

Special thanks go to all those who helped make the day a great success.

# JAPAN TRIP

On July 19, 1970, the excitement of over a year and a half of waiting was at a peak, as about 40 Annandale students and teachers assembled at Toronto International Airport bound for Expo '70 and Japan.

After an overnight delay in Toronto, about 14 hours flying time, and a refueling stop at Anchorage, Alaska, we stepped from the plane onto Japanese soil and into the intense summer heat.

We boarded our bus for the Tokyo Memorial Youth Centre, and it was during this ride that we first experienced the maniac driving of the Japanese. While at the Youth Centre which had been built for the Olympic athletes in 1964, daily excursions took us to such attractions as the Imperial Palace, the Toshika Science Centre, numerous shrines and the Ginza. A delicious Mongolian barbecue at the Chinzanso Garden Restaurant proved to be the best meal, as each small table was served delicacies grilled in the centre of the table by its own Kimono-clad waitress.

At the Centre itself, we could further experience Japanese culture by the Japanese bath. Cleansing first on tiny stools, and then immersing completely in the warm water of the communal bathtub, we learned something of relaxation. This small pleasure was welcomed after the sweltering heat and humidity, and the busy Tokyo environment, which though quiet after 10 P.M. - woke at dawn.

The "Bullet Train", reaching speeds of 135 m.p.h., whisked us to Osaka and our Japanese style lodge. While at Osaka, we visited Kobe harbour and Expo '70. We visited numerous pavilions, but everyone agreed that the Canadian was by far the best. During the time spent at Expo, everyone, especially if they had blonde hair, was thronged by Japanese seeking photos and autographs. It must be admitted that we thoroughly enjoyed being celebrities.

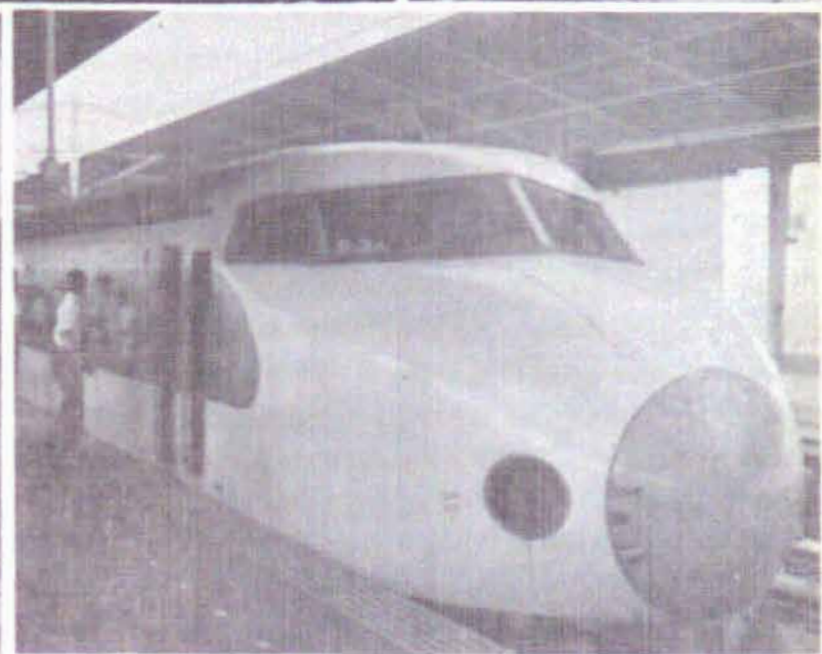

Interspersed with our days at Expo, the Great Buddha of Nara and Deer Park were visited. Swimming and boating in the warm waters of Lake Biwa, Japan's largest inland lake, provided further memories.

One night was spent at a Buddhist temple in the mountains. Our stay at the temple was in many respects the most memorable as we lived entirely in Japanese style. This included eating with chopsticks on crouched knees at tiny tables, a speech by a Buddhist monk in his own tongue, sliding paper-thin doors, sleeping on mats and rice-husk pillows, and, because we were in the mountains, under a huge, suspended mosquito net.

Our final day was spent in Tokyo for last minute shopping for remembrances, farewells to Japanese friends and, of course, re-packing.

On the morning of August 4, on our way to the airport, farewell songs in both English and Japanese were sung to our guides. The aura of sadness hung over all as we said our final "SAYONARA", to Japan. Our once-in-a-lifetime experience in the "land of the rising sun" was over.

## GRADE TWELVE NEW YORK NEWS

The grade 12's went on the New York Trip  
Looking forward to their three-day zip  
Tossing and turning Saturday nite through  
Sunday morning saw the city view

Settling ourselves in the Hotel so tall  
Later on went to Radio City Music Hall  
Broadway Plays added to the excitement  
And also increased our cultural enlightenment

The sites weren't the only things that were new  
Also with that went the gossip too

J.S. and J.R. made a good start  
And we hope that they will never part  
M.W., V.W., and C.F. began to cheer  
Seeing the Christie Minstrel's coming near

They weren't the only ones swinging high  
As R.S., B.S. and A.P. gave the bottle a try  
V.S. and S.C. made the news  
As they came back with stars and stripes on their shoes

As the spirits went up or should we say down  
J.C. and BUD were acting as clowns  
S.G. and C.C. enjoyed the Greek Wedding  
Not too long after their faces were reddening

At 6:30 in the morn came a knock for D.M.  
As someone wanted to see her again  
At the U.N. Building a picture to beg  
And finally J.H. posed with his egg

Our good sported chaperons though scarcely did see  
As G.L. and wife turned out to be  
Everyone else had a good time too  
Because in N.Y. city there's lots to do!

# FAMILY MAN

On May 19, 20 and 21, the Drama Club proudly presented "Family Man" to an enthusiastic public. The play satisfied both young and old, particularly delighting the hearts of all "Women's Lib" organizations. It focused on the home life in which the husband (played by Raymus Steigvilas) breaks his fibula bone. Forced to stay at home, for at least six months, his wife (played by Debbie White) goes back to work while the husband takes on household chores. The play centers around the hilarious complications that occur because of this reversal of roles. The cast did a superb acting job.

Special thanks goes to our extremely patient director, Mr. Wharram.

On behalf of the cast, I extend my gratitude to all those who made Family Man possible. The stage crew, the make-up people, Mr. Moir, Mr. Kelly, and Mr. Overbaugh.

FRONT ROW: Gisele DeClerq, Virginia Palmer, Lynne Hollister, Debbie White, Wendy Henderson, Carol Lawrence, Debbie Martin. SECOND ROW: Mr. Wharram, Mark Moore, Bill Hawkins, John Vandermeersch, Rick Miggins, Raymas Steigvilas, Joe Ferencz, Mr. Moir.

# GRAD ACTIVITIES

Each school year the graduating classes of four-year twelve and thirteen plan and execute their annual "Grad Day". This year was no different, or perhaps it was! Under the guidance of the Grad Council: George Demaiter, Bonnie Deroo, Joanne Hicks, Albert Knab, Rick McCall, Kim McKenzie, Penny Rose, and Gail Scriver, the grads organized a day intended to focus on participation. The Terrific Truck Trick, Wonderful Wheelbarrow Wace, Dance Marathon, and Weigh your Wad Contest were all enthusiastically entered and competed in. All of these events fell under the original theme of "Fads and Marathons".

During the noon hour Flower, Food, Fortune Teller, and all sorts of "Fun" booths opened their doors for operation. The afternoon was tied together with a short assembly of skits, commercials and marathon award presentations.

The evening activities included a sparsely attended teacher - grad basketball game and sock hop. Let us not forget the teaching abilities displayed during the day and the other small moments contributing to Grad Day.

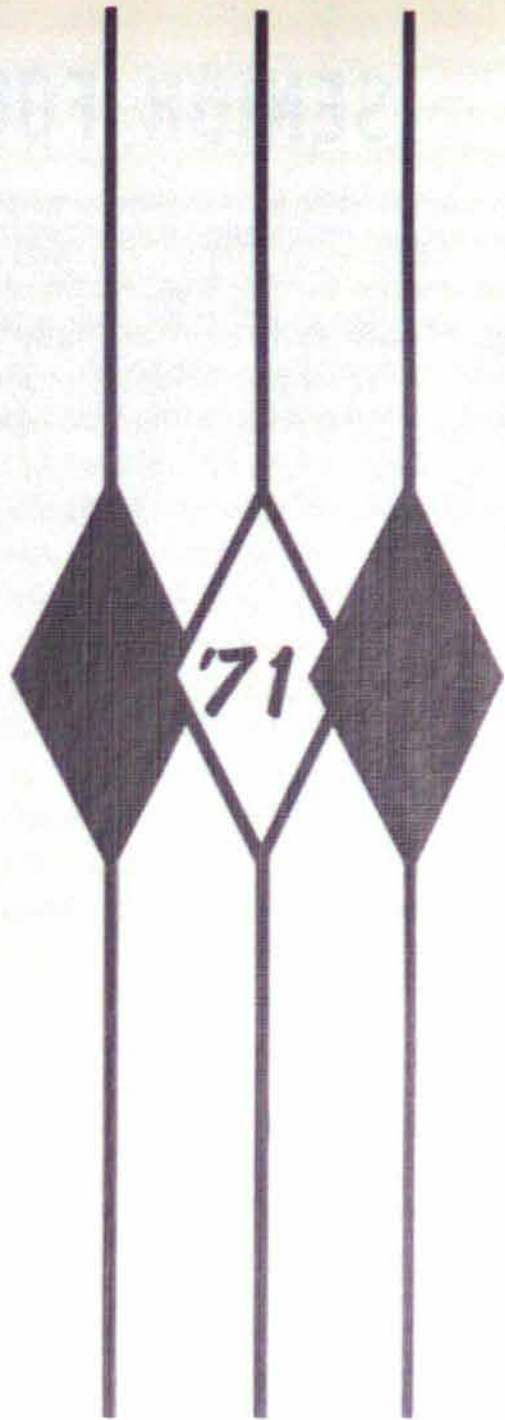

Thanks to the Grads who helped and the interested students. We needed and appreciated all support, how little or big it may have been!

Semi-Final	20	6	Glendale
Bowl Game	20	18	C.E.C.I.

This year the Senior Football Team was probably the best in the history of the school. The two coaches Mr. Fred DeVriendt and Mr. Bob Burleigh put the team to work as efficiently as possible. The three co-captains Dale Hurley, Arpad Pasztor and Gary Bodnar led the team to the Oxford-Elgin Championship; the last one was in 1966.

The Senior Marauders went to Ingersoll to open the season with the Blue Bombers. The Blue Bombers opened the scoring on the first kickoff, but the Marauders came back to win their first game 14-7. The next game was at Glendale; Marauders were defeated 35-21. After this game the Marauders just started to play the football that they were capable of. They won the rest of the games they played against H.P.S.S., W.C.I., C.A.S.S. and NOR. This brought the Marauders to meet the cross-town rivals Glendale Griffins in the semi-final. This ended in victory for the Marauders as they defeated Glendale 20-6.

The BOWL GAME was played on SATURDAY, NOVEMBER 14TH.

The champions of Oxford County, the Marauders met the C.E.C.I. Titans on their home field. This was a topsy-turvy game as the lead changed hands a number of times. Finally, the Titans got a touchdown with five minutes remaining in the game, but the Marauders never gave up. In the last two minutes quarterback Randy Hallows threw a perfect pass to right end George Moon, who made a fantastic 70 yd. touchdown run, winning the Oxford-Elgin Championship 20-18. A perfect end for a hard fought season.

The members of the 70-71 Senior Football would like to thank Mr. F. DeVriendt, and Mr. B. Burleigh for their time and patience with us. The team would also like to thank the Junior Marauders for their support, and special thanks goes to Junior coaches Mr. P. DeVriendt and Mr. A. Stover.

# JUNIOR MARAUDERS

Annandale Junior Marauders had a successful year, winning 4 out of 6 regular season games, before bowing to Huron Park 15-0 in the Oxford County Championship game.

The first game was away from home against the Ingersoll Junior Blue Bombers. It was a hard fought game but Annandale won 14-6.

The next encounter for the Junior Marauders was the arch-rivals Glendale Griffins at Glendale. At the end of the half, Annandale was winning by only 16-14. During the second half, Annandale completely dominated the game winning 32-14.

The third game saw the Annandale Junior Marauders battling the Huron Park Pups at Huron Park. The Pups won 22-0.

The following three games were at home. Our first chance to redeem ourselves was against the W.C.I. Junior Red Devils. The outcome was an 18-12 come-from-behind win after being behind 12-0.

The next game was against College Ave. The score was Annandale 12 and College Ave. 6.

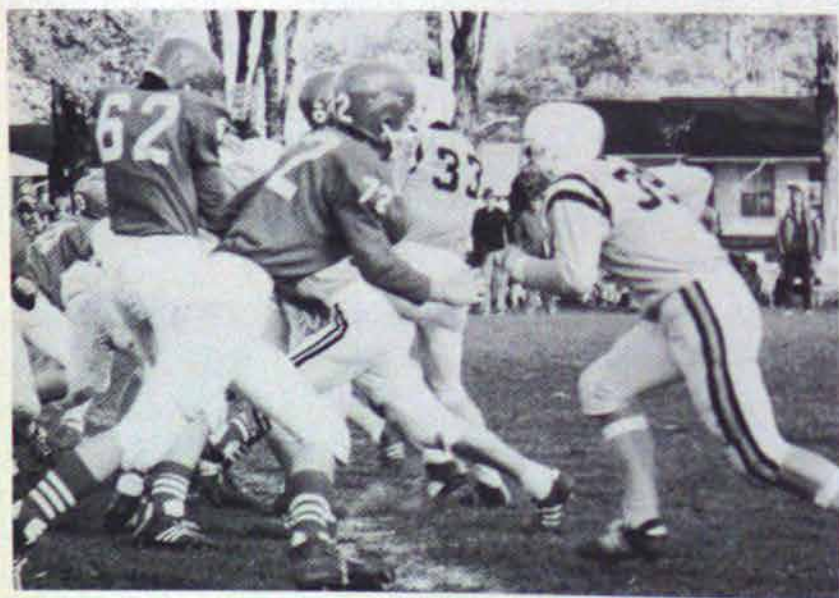

The last game of the regular season was a return match against Ingersoll. Blue Bombers gaining a measure of revenge, winning 18-6.

With the season finished, we moved into the Oxford County Championships against the Huron Park Pups at Huron Park. The Pups defeated us 15-0, scoring all of their points in the first seven minutes of the game after Annandale was trapped deep in its own end by the opening kick-off and problems with the very strong wind factor.

On behalf of all the members of the 1970 Junior Marauders we would like to extend our thanks to the two best high school coaches in the Oxford-Elgin Conference, for their time and effort for our team.

Thank you,

# O.A.L.C. REPRESENTATIVES

Last summer I had the opportunity to attend the Ontario Athletic Leadership Camp in Lake Couchiching. During August there are two, two week camp sessions for boys. Those who are selected to attend represent most of the high schools in Ontario.

The emphasis during the camp is on development of individual leadership capabilities along with expert instruction in numerous sports.

The camp life is very regimented. There are curfews at night and everyone has to wear the specified uniform of the day. Naturally when you are immersed in such a totally different environment with such a large number of strangers you are a bit apprehensive. This feeling wears off very quickly and before you know it it is time to go home.

I felt the most important benefit of O.A.L.C. was the opportunity to meet so many boys my own age that were highly skilled in various athletic areas. But most important they were a group of individuals that were very responsible. It was a once in a lifetime opportunity and I'm very glad that I was able to be a part of it.

Jim Hevenor 12C

This past summer I was given the honoured opportunity of attending the Ontario Athletic Leadership Camp on Lake Couchiching. To my surprise, I found that the camp wasn't strictly for skilled athletes but for those girls interested in all types of sports.

Each girl before arriving at camp selected three compulsory subjects which she would take for the duration of her two week stay. My choices were tennis, basketball officiating, and folk dancing. Also each girl selected two options which she would take for one week apiece. The options that the camp offered were so numerous that I found it difficult to select only two, but finally I decided on Field hockey and golf. Camp also had its academic side and every day in late afternoon and early evening each cabin section held leadership development classes. The topics ranged from G.A.A. formations to badminton tournaments and after every class an evaluation of the presentation and the preparation of the class was held, whether it be bad or good.

The importance of this camp wasn't that you excelled individually in all sports but that you developed a sense of leadership which would help you help others to develop their skills when you returned to your school and community. Like all wonderful things my stay at camp came to an end, but before leaving the camp where I had enjoyed two of the most fantastic weeks of my entire life I had made unforgettable friendships and compiled unforgettable memories.

## CHEERLEADERS

To begin with, we would like to thank everyone for our new uniforms, special thanks to Mrs. Chipps.

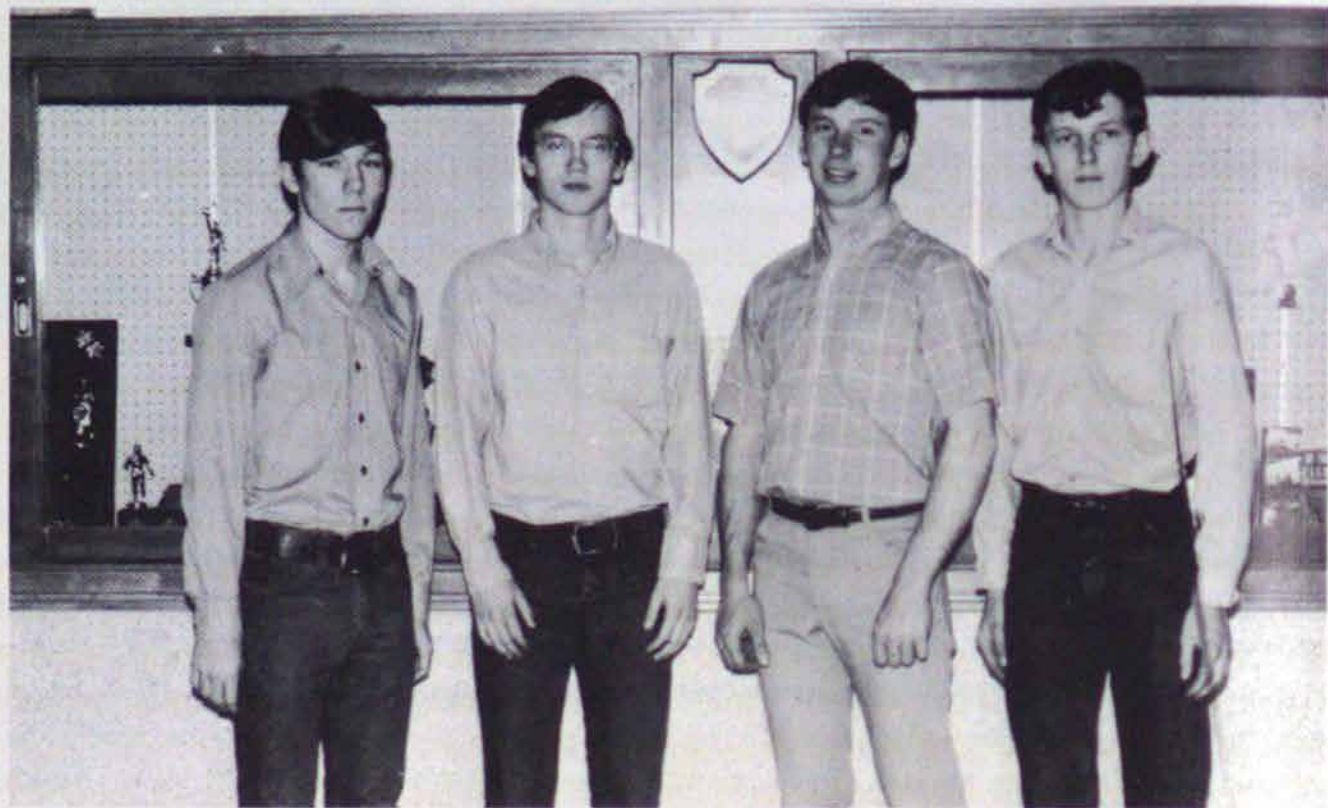

The Cheerleaders were enthusiastic at first (like the rest of the school). Football season made us proud to wear the right colours and that was due to the great participation of the crowd (especially at the Bowl).

What happened during basketball? You tell me! Cheerleaders are only as good as their crowd.

# CROSS COUNTRY TEAM

L-R: Larry Robbins, Gord Ball, Charles Oatman, Howard Teall.

At the first meet in Aylmer, October 20, Charlie Oatman placed second in the senior division. Gord Ball, Howard Teall and David Oatman placed second, thirteenth and fifteenth respectively. Two first year Midgets, Larry Robbins and Dennis O'Grady did remarkably well for their first meet.

The Bi-County meet, held in Woodstock, October 24, proved even more successful. Charlie Oatman took an easy first, setting a record for the four mile course. For the junior division, Gord Ball placed a close fourth with David Oatman and Howard Teall following for twelfth and thirteenth. Larry Robbins completed the junior race, which allowed the team to easily place fifth over Glendale's sixth position.

On the rugged 4½ mile W.O.S.S.A. course in Wingham, October 29, Charlie Oatman placed tenth in a 60 runner field. Three juniors, Gord Ball, Howard Teall and David Oatman all placed in the top half of their 3½ mile course.

Because of a late start and few supporters the cross-country teams got off to a slow start. But despite these disadvantages it proved very rewarding.

This completes the 1970 cross-country season for Annandale, as no one qualified for the all Ontario meet held in Toronto on November 7.

# 1971 SOCCER TEAM

FRONT ROW: Mr. Moir, Tom Corbett, Arpad Pasztor, Brad Thompson, John Rutkauskas, Steve Sandham, Greg Rumble, Mr. Ainslie. SECOND ROW: Gene Sandham, Ed Seduikis, Raymus Steigvitas, David Winchairyk, Pat O'Grady, Garrie Bodnar, Matthew Weber, Art Fuller, Frank Hawel.

This year's soccer team did not win any games but those individuals that played, learned a lot about soccer.

For most of the players, it was the first time that they had played in an organized soccer game. This was not really a handicap and the members of the team played to the best of their ability.

Due to a number of injuries and other complications our team ended the season in fourth place with 0-1-5 record.

On behalf of the members of the team I would like to express our sincere thanks to Mr. Moir and Mr. Ainslie, for their time and effort.

Steve Sandham

# SENIOR GIRLS' VOLLEYBALL

FIRST ROW: Kathy Hawkins, Virginia Smith, Cheryl Campbell, Vicki Buchner, Chris Smith. SECOND ROW: Irene De Leeuw, Sharon Burn, Sandra Drotos, Ruth Seduikis, Barb Balazs. ABSENT: Linda Chipps.

The Senior Girls, for the past few years, have entered Tri-County competition undefeated, but for some reason were never able to quite come out being No. 1.

This year went pretty much the same, except for a slight and important change. The girls (most of them having played together for 3-4 years) showed improvement. We worked together in set-ups and spikes. It was this team effort, plus the strong desire to win, which made it possible for us to enter Oxford-Elgin competition with a first place standing and come out as OXFORD-ELGIN CHAMPIONS.

We then travelled to W.O.S.S.A., held in London, and by noon, held first place having already defeated 4 other teams, including the strongest. Because of a double elimination, Catholic Central came back to defeat us. A tired, but still proud team, returned home.

We would like to thank Mrs. McKenzie, our coach, for helping to make our championship possible. To the team, Ruth and I would like to say, "Only two of us will be leaving next year, so you will have the same team. We know you will be able to take Oxford-Elgin and probably W.O.S.S.A., so good luck from the "inseparable couple".

Sandra Drotos,  
Captain.

## OXFORD-ELGIN CHAMPIONS

# JUNIOR GIRLS' VOLLEYBALL

FIRST ROW: Debbie Waiter, Carol McKnight, Linda Vandommele, Elizabeth Ellenberger, Rosemary Weber. SECOND ROW: Mr. Moir, Mr. Ainslie, Ingrid Nemeth, Kim Campbell, Debbie Dennis, Mary Ellen Abbott, Heather Gylveszi.

On behalf of the Junior Volleyball team 1970-71, I would like to thank our coaches, Mr. Ainslie and Mr. Moir for their fine "efforts" to make us a successful team. We missed Tri-County by only one match, which we lost in the early part of our season. Out of our first 6 matches we only won 2, but came back to win the remaining 6.

We beat the first-place team which proves we had capability; but I'm afraid we didn't put it to use at all times. When we finally did put forth a full effort it was too late, for CASS had one game up on us. Oh well, maybe next year!

The Juniors would like to congratulate the Seniors for a very successful season. We would also like to thank them for their support at our games.

One thing I can say in favour of the Juniors is, "We never gave up 'til the end!"

Mary Ellen Abbott IIC

# SENIOR BOYS' VOLLEYBALL

FIRST ROW: Danny Sergeant, Steve Sandham, Mukesh Gelda. SECOND ROW: Greg Rumble, Henry Vandergrindt, Glenn Biggs, Bill Sergeant, Mr. Donaldson.

This year's Senior Volleyball Team had a fairly good showing. We had an ability of showing fine sportsmanship and as playing as a team.

Under the coaching of Mr. Donaldson the team played as a unit and came from behind in many of the games to win.

Games were played with such schools as College Ave., W.C.I., Ingersoll, Glendale, Norwich, and Huron Park.

In the semi-finals played at Huron Park, prior to final Oxford-Elgin Tournament, we lost two key games and ended in third place.

I would like to express our thanks to our coach, Mr. Donaldson, for putting up with the members of this year's Volleyball team.

Steve Sandham

# JUNIOR BOYS' VOLLEYBALL

FIRST ROW: Wayne Diemert, Craig Buchner, Brent Peacock, Rich D'Hondt, Ted Spartzinski. SECOND ROW: Terry Ross, Frank Hawel, Eugene Todd, Chris Monroe, Don Dickenson, Guy Ravin, Mr. Ainslie. ABSENT: Mr. Yeager.

This year's Junior Volleyball team was made up almost entirely of grade niners, playing volleyball for their first year. Despite our inexperience, we earned a great deal of respect for our school during the season. The team pulled together, and the players made up for their inexperience in energy and team work. At the end of the season, we came out with a hard earned third place, losing several games largely because of exhaustion. The team would like to thank our coaches, Mr. Yeager and Mr. Ainslie for spending many of their own hours working with the team and guiding them to a respectable series of wins.

Don Dickenson

# SENIOR GIRLS' BASKETBALL

FIRST ROW: Mary Lucas, Sharon Matthyssens, Cheryl Campbell, Virginia Smith, Vicki Buchner. SECOND ROW: Marg Stephen, Ruth Seduikis, Janis Curren, Barb Balazs, Michele Szorenyi, Mrs. MacKenzie. ABSENT: Linda Chipps.

Winning was our goal, and basketball the game. The enthusiasm in our team this year was great and showed up throughout the entire season. We won 7 out of our 8 scheduled games. This made us contenders for the Tri-County Championship.

In Tri-County we came up against the undefeated Glendale girls and we played a very emotional but complete team effort on our part.

This defeat did not dampen our enthusiasm, giving us hope in W.O.S.S.A. the following weekend. But, the wind was taken out of our sails in our first encounter; and sent us sailing home, leaving a very downtrodden team. There is a light in every corner and for us it is that all players will be returning next year, except Ruth Seduikis.

Finally the team would like to thank Mrs. McKenzie for putting up with us throughout the year and we hope she enjoyed it as much as we did. A special but out of the ordinary thanks would like to be expressed to Mr. McKenzie who gave his own time to help mold us into a smooth running team.

Barb Balazs

# JUNIOR GIRLS' BASKETBALL

FIRST ROW: Elizabeth Ellenberger, Linda Van Dommele, Cathy Barzo, Diane Rugenis, Penny Winton. SECOND ROW: Debbie Dennis, Nancy Campbell, Doreen Deketelaere, Francine Vandergriendt, Heather Guyiveszi, Mrs. Donaldson.

This year our league had a lot of really good teams. We started off pretty well, winning our first two games. Then we met up with some tough competition. Although we tried our best we were defeated in the next two games. Unfortunately, a few members of the team were injured, which didn't stop them completely but slowed them down a bit.

We went on to win our next two games but once again our luck changed and we lost our last three games. This kept us out of Tri-County.

All in all it was a lot of hard work but still a lot of fun. On behalf of all the girls I would like to thank anyone who supported us. A special thanks goes to our coach, Mrs. Donaldson, for all the time and effort she spent on us.

# SENIOR BASKETBALL

With a few of the junior players from last year's strong junior team, and a few "seasoned" veterans, the coaches Mr. DeVriendt and Mr. Burleigh set their goals and hopes high. With two victories before Christmas, and the holidays to practice, the chances for a second place finish were also quite high.

However, the team dropped a pair to Glendale and a pair to Ingersoll so any chances for second place were lost. Needless to say the coaches were quite unhappy with the team's performance, as it was not up to their potential. The team dropped two more, one to Norwich and one to Huron Park before finishing the season with a 6 - 6, win - loss record and a third place finish.

Although the coaches were disappointed with the season in general, it was by no means dull. The first game against W.C.I. was an exciting 1 point victory and that seemed to become a winning margin for Annandale. The first game against Norwich was a narrow overtime victory; C.A.S.S. was defeated by only a couple of points and another game with W.C.I. was a narrow victory.

With all those narrow victories it did make the season exciting but I am sure the coaches would not want another such "exciting" season.

On behalf of the team, I must thank the coaches for the time they spent with the team.

FIRST ROW: Steve Sandham, Geoff Parker, Terry Peacock, Henry Vandergriendt, John Zie. SECOND ROW: Mr. Burleigh, Arpad Pasztor, Greg Rumble, Bill Dodgson, Brad Thompson, George Moon, Rick Miggins, Bill Sergeant, Mr. F. DeVriendt.

# JUNIOR BASKETBALL

FIRST ROW: Keith Sommers, Rick D'Hondt, Terry Bond, Lennard Sandham, Brent Peacock, Ted Spazinski. SECOND ROW: Mr. Donaldson, Mike Szorenyi, Erwin Rapai, James Nemeth, Paul Bodnar, Mark Wylie, Craig Buchner.

Our junior team did very well this year considering that we had only one player from last year's team. What we lacked in experience, we made up for in hard work and enthusiasm during the whole season. Outstanding performances were contributed by Paul Bodnar, Irwin Rapai, James Nemeth, Terry Bond, and a late season comer, Mark Wylie. The rest of the team was also very good and many are coming back next year. As a result we will have some very good ball handlers for the 1971 - 72 season. I would like to thank Mr. Donaldson for his hard work in coaching such an inexperienced team during the season.

Captain  
Lennard Sandham

# CURLING CLUB

FRONT ROW: Kim Chapman, Cathy Ross, Shirley Mann, Debra Berlet, Janet Scott. SECOND ROW: Tony Goossens, Bill Cross, Bonita Allen, Nancy Clark, Ivan Smith, Dennis O'Grady.

This year's curling club was supported fairly well by approximately twenty very eager curlers. Everybody maybe wasn't an expert curler but at least learned something about the game and had some fun besides. The Annandale Curling Club took on a new look this year with the new sweaters that were purchased for the girls' and boys' teams. The girls' and boys' teams were not as successful this year in competition curling but obtained some very valuable experience.

The club wishes to express their gratitude to all those involved and to those who took an interest in us.

If you haven't tried the game there's always next year. Why not come out, you might enjoy it. To all curlers I wish them success next year.

Shirley Mann 13A

# BADMINTON CLUB

George Moon, Cheryl Campbell, Mr. Ainslie, Brad Thompson, Linda Chipps, Brian Wallace. ABSENT: Vicki Buchner, Virginia Smith.

With an average of one year's experience behind them, the Annandale badminton players entered competition into the newly formed Oxford-Elgin League.

Virginia Smith, playing in girls' singles battled her way through the whole day only to meet last year's defending champ. Virginia placed second to this girl who is a year round player at the Woodstock Badminton Club and gained the opportunity to win W.O.S.S.A. competition.

Vicki Buchner and Linda Chipps entered girls' doubles competition and dropped their first match to last year's runners up. However they came back to win four decisive wins in a row only to lose again to the same team. The girls placed third but gained valuable experience.

Cheryl Campbell and Brad Thompson were entered in mixed doubles. This pair had never played together in league competition before but still did well. After winning their opening match they lost their next two matches by very close scores.

George Moon and Brian Wallace were faced against tough competition in boys' doubles. Both George and Brian played well but failed to win a match.

On behalf of the badminton members, I would like to thank Mr. Ainslie who spent many long hours in the gym coaching this year's team.

Linda Chipps 12B

# G.A.A. EXECUTIVE

FIRST ROW: Sandra Drotos (Secretary), Linda Chipps (Vice-President), Ruth Seduikis (President), Virginia Smith (Treasurer). SECOND ROW: Staff Advisors - Mrs. Balpataky, Miss Elliot.

This year's G.A.A. carried on the reputation of previous G.A.A.'s by being one of the most active groups in the school.

Meetings were held once a week in which the members thought of ways to raise funds, and I must admit that they sometimes came up with some pretty different ideas, which either sadly or luckily were not used.

Some of their accomplishments so far this year include the yearly shoe-shine at which time certain shoes get their once a year polishing. Also successful was the candy sale, the G.A.A. Christmas Draw from which one-half of the proceeds went to help the Pre-School Age Mentally Retarded, the sale of apples at football games, and the G.A.A. dance.

As I write this, the G.A.A. is still at work planning a Teacher-G.A.A. baseball game, and will probably continue to work until the end of the year.

To conclude, I'm sure the G.A.A. would like to say THANK-YOU to our staff advisors, Mrs. Balpataky and Miss Elliot for their advice, and to all of those students who supported us.

Sandra Drotos 13A

## GIRLS' TRACK AND FIELD

This year Annandale hosted the Oxford-Elgin Girls' Track Meet at U.W.O. track in London. Mr. and Mrs. Donaldson, Mrs. McKenzie and Mrs. Morling did an excellent job of organizing and making this day a successful one. Thank you also to all the students who helped and participated in the meet.

Three students brought home first place ribbons and Oxford-Elgin crests. In the junior category CAROL McKNIGHT tied for first place in the 80 metre hurdles. In the intermediate section LINDA CHIPPS won first place in the discus event with an excellent throw of 96' 3/4" breaking the previous record by 4 feet. CLEM COUTURIER broke the 1969 record in shot put with an outstanding heave of 32' 3/4". We give special mention to all the girls who participated in the meet but did not place. They all put in a tremendous amount of effort and should all be congratulated.

Two of our Annandale girls won honours in the WOSSA meet in Glencoe. Linda Chipps won top honours with a throw of 94' in the discus event and Clem Couturier placed second in the intermediate shot put.

The Annandale Track and Field girls ran a fine season and we all hope that next year will be as successful as this year was.

Clem Couturier

## BOYS' TRACK AND FIELD

Due to the diminishing number of boys at Annandale, there was not an exceptional turnout for track and field this year. Twenty boys competed at Delhi on the 21st of April, during which Charlie Oatman received firsts in the mile and two mile, and Art Fuller received a first in the 220 yd. run. Five schools entered competition.

The Oxford-Elgin track meet was held at Little Memorial Stadium at the University of Western Ontario on May 21st. Eighteen students from Annandale competed, five of whom qualified to enter W.O.S.S.A. competition. These were: CHARLIE OATMAN, with two firsts in the mile and 880; JIM HEVENOR, with a second in the 100, and a fourth in the 220; BOB HEVENOR, a second in the 100, and a sixth in the triple jump; GEOFF PARKER, a second in the 120 high hurdles, and a fourth in the 220; and BILL SERGEANT, a fourth in the high jump.

Although there were very few who took part in track and field this year, those who did found it very rewarding.
