**1978**

We the editors of the 1978 Tatler, proudly dedicate this book to our principal, Mr. Rolfe.

During his 13 years here, he has supported every team and club, thus adding to the spirit of the Annandale family. His pride in and dedication to our school were very strong and he will be greatly missed. In dedicating this book to you, we wish you the best of luck in the future.  
Thank you, Mr. Rolfe.

## Editors' Message

After what seems like endless pages, we have finally finished the book. Working on the Tatler for five years has involved meeting many deadlines in this exciting little closet: Room 30! We only have one hope for the future; that after two years of being editors, they don't keep us around until we get it right.

As editors of the Tatler we must depend on certain people to contribute, unselfishly, time and effort to the yearbook. Among these people are our department heads. Joanne Watts, head of boys sports; Dave Patterson, head of girls sports; and Lorraine Cadman, head of grads; sacrificed many hours of spare time to meet our necessary deadlines.

This year our advertising staff met their quota well before the end of the campaign. Under the able guidance of Mr. Pellizzari, Doug Simmons, and his crew scoured the town. Thank-you, Doug, for without advertising the Tatler would not be possible.

Special thanks must be given to Cathy Turner, Marlene Ross and Connie Grabstas for their dedicated contributions at a time when they were most needed. Our cartoonist Len Vandenberg, also deserves much credit for adding his own touch of humour to the book.

Photography is a vital part of any yearbook and the Tatler is no exception. We would like to thank all the members of the Camera Club, especially Dave Simmons, Brad Mandryk, and Steve Toth for their hours spent in the dark room, and putting up with our constant badgering to develop those pictures.

Last but not least, special thanks to our staff advisor, Arn Stover. During the year he developed an uncanny sense of disaster, knowing when to avoid his frustrated editors. All kidding aside, we've appreciated his dedication and guidance over the years. It is staff members like this that make extra curricular activities at Annandale a success. Thank-you, Mr. Stover.

Working on the Tatler has been a rewarding and interesting experience. The Tatler is a tradition at Annandale but it depends on you as you are its life line!

In closing we would like to wish Joanne Watts and Dave Patterson the best of luck next year.

# Notes from a Small Room

Class of '78

These are random thoughts on the end of a year - as random as the innate symbolism present in any ending ... or beginning ... ever is. The picture to the right was chosen carefully. It is representative of five years as the Class of '78 leaves Annandale. In the classroom, on the court or the playing field, the stage or the workroom of the Tatler, the Class of '78 has been very special. Many believed that nothing at Annandale could ever match "The Year of the Black", but you staged a finale performance in the months of May and June that will be long remembered. Four images will remain for me, symbolic of the Class of '78: the cast and crew of Performance '78 happily singing "O Canada" from the front of the gym to start each night's entertainment; the joyful assembly when Annandale again won a track championship; the spontaneity and happiness of the Grad Banquet and Grad Day; and the sincere pride and respect on the faces of the Annandale Staff when we realized that you had given us 12 honest Ontario Scholars in your graduating year. Hackneyed, but ... thanks for the memories. We part as friends and not some formal abstraction such as teachers/students.

Tatler '78

I doubt whether the Tatler can survive without Trish and Patti and Lorraine. That's not a slight toward the capable editorship of Joanne Watts and Dave Patterson which begins now. It's just a statement of the reality of the concern and effort and immeasurable humour of the three young ladies that I named and the way that they cared about Annandale over the past five years. There is no glory or cheering or pep-rally enthusiasm working on the Tatler. It is work... and satisfaction. My thanks to the three of you for re-establishing for me the fact that self-discipline and care are more important than empty platitudes.

To the gentleman pictured at the left, my thanks for being part of Annandale. For several years, I have depended on his quiet competence to bring fragmented ideas to fruition in the Tatler and Performance. There is no way that a small school like Annandale could publish a book of this size and quality without his efforts and the organization and involvement of our fine Business Manager - Doug Simmons. Thank you, both.

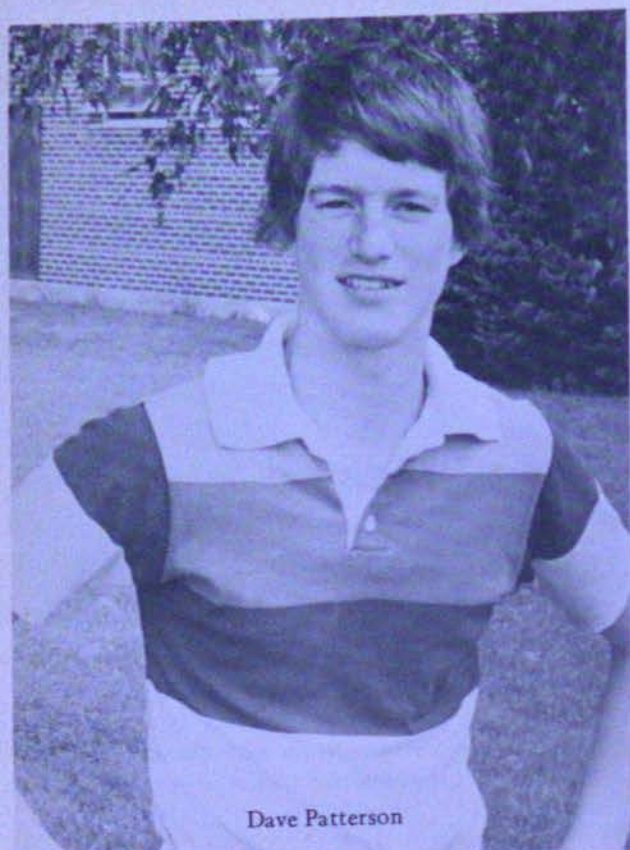

G. Pellizzari

Good-byes

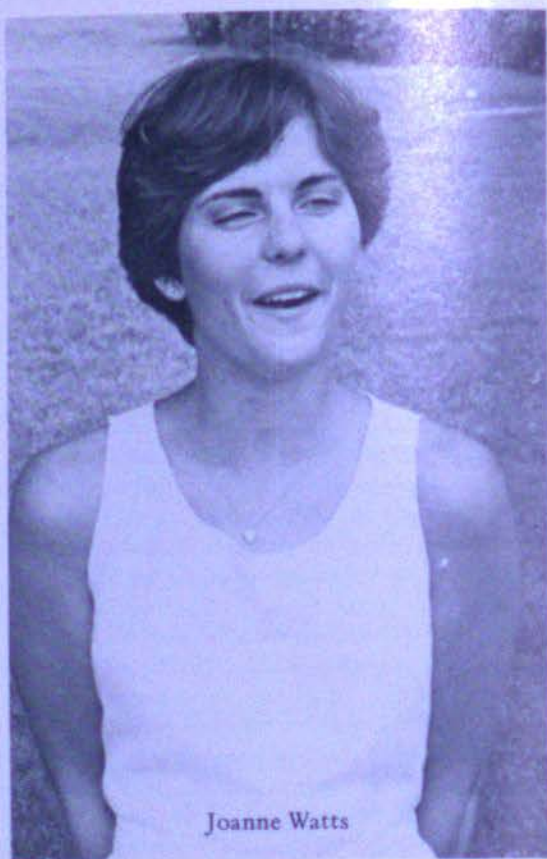

Mr. George Rolfe leaves us this June after 13 years at Annandale. The editors rightfully chose to dedicate Tatler '78 to him. This is a personal addendum. Thanks for being on the sidelines, part of us, when we won but, more important, when we lost too. Thank you for your friendliness and your understanding and your continuing certainty that students are more important than formalities and procedures. Most of all, thank you for your gentle concern for the opinions of others - your greatest strength and virtue. They were good years!

## Message from the Principal

For the past thirteen years I have been proud to be associated with the students of Annandale High School. You have excelled in all phases of school life, and have developed into mature, sensitive, responsible citizens. What you have lacked in numbers you have more than made up in hard work, fair play and determination. The school administration, staff and students of Annandale have developed a unique type of spirit that has created a winning combination in athletics as well as in academics. This has been the tradition of Annandale for the past twenty-eight years.

To those of you who are graduating this year, may I offer my best wishes for continuing success. Whether you proceed to University or Community College, we will follow your progress with continuing interest. To those of you who are remaining here at Annandale, my parting wish is for you to maintain the traditions that we have worked together with our predecessors to establish. Demand the most of yourself in academics, athletics and in moral integrity.

In summation, I would like to leave with you a quotation which I feel is appropriate for you and significant to me-

"This above all: to thine own self be true,  
And it must follow, as the night the day,  
Thou canst not then be false to any man.  
Farewell; my blessing season this in thee! "

G.E. Rolfe

## Ave Atque Vale!

**Mr. Walter Moore**

A dedicated professional.

An honest teacher.

A competent administrator.

A quiet, kind gentleman.

After teaching for approximately 30 years in the Tillsonburg District, first in the old Tillsonburg District High School beside Lake Lisgar and later at both Annandale and Glendale High Schools, Walter Moore retired this June.

Staff and students alike will miss his warmth and concern for the Annandale community as well as his never-cruel sense of humour which brought reality and perspective into many situations. We wish Mr. and Mrs. Moore a healthful and happy retirement and hope that they will both come to visit us often at Annandale.

## Annandale's Farewell

Our vice-principal, Mr. Ward, who left Annandale at the conclusion of the 77-78 school year will be thought of by the students and staff as he assumes the responsibility of principal at Glendale. Thank you, Mr. Ward, for an interesting year!

Another teacher, also here for only a year, was Mrs. Pick. She taught mathematics and English. As she leaves us, we wish her the best of luck.

Mr. Teall, a member of our Science and Math Depts., leaves after one year. He will resume life on the farm.

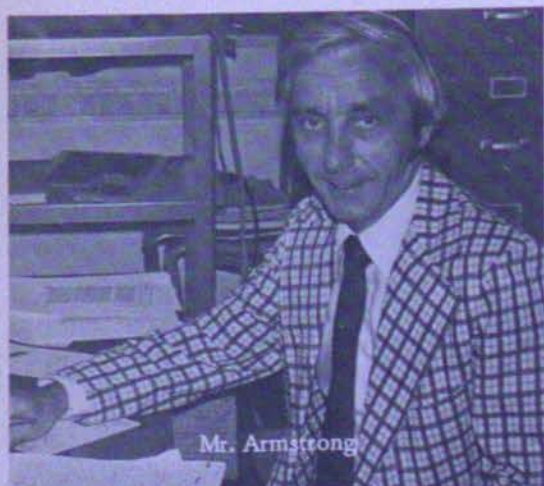

Our music instructor, Miss Taylor, departs for Norwich to continue teaching full-time. Our band will be losing a valuable leader as our school will be losing a valuable asset.

Mrs. MacKenzie left Annandale on an emotional high. She was both an excellent teacher and a fine coach. The girls of Annandale wish to say thank you and wish her luck and happiness in her new position at Huron Park.

## Notes from Dorene

September

Tests are different here because the teacher has to dictate all the questions, as there isn't money for paper to hand out. We sit in two's like Science classes (but in wooden desks with tops that lift up). The teacher has to, therefore, give two tests to avoid cheating.

Letters are pouring in from home and they make me very happy. I love to hear from you. The mail system is strange and I have my suspicions that it is messed up at the Canadian end. Some letters take a month and others take 10 days.

November

All the girls tease me and say I have to write the final in English. The English teacher isn't too hot. She has some errors in pronunciation and teaches right out of a manual all the time.

Do you know what happened yesterday morning? I woke up at 6:30 to find my bed rocking back and forth and my sliding doors banging together. For some strange reason (probably because I was half asleep), I got out of bed and started looking for the dog. The noises stopped and I crawled back into bed. It turned out that there was an earthquake in San Juan that left people dead and homeless.

December

We celebrated Christmas on the 24th at night. We had some friends and family over and ate roast pork and veal outside in the moonlight. Papa Noel (me in a unique costume complete with beard) delivered the gifts in a big sack to the table and handed them out to the family. Christmas day was hot and humid-about 36 degrees so we did nothing but lie around all day!

The language is fantastic and I'm understood well. The inflation rate is unreal here. The value of the American dollar is rising daily which is fine for me but not for the country.

January

School starts March 13 but it's possible I'll be in Uruguay at the time. Since my year won't count at home anyway, when I return to Parana I may start Grade 13 again because I came in the middle of it before.

June

I write to you from my house in Paysanda, Republica Oriental au Uruguay. It's cold and humid so I'm snuggled up in front of the fireplace to prevent freezing. Houses here aren't heated because winter is so short, so winter is really winter!

I've missed you a lot and A.H.S. will seem so different without my Grade 12 girls and guys. Thanks to all those who have written; the letters have kept me going many times.

Richard Brent Peacock  
1956-1978

## In Memoriam

Time goes by with many  
changes,  
Joys and sorrows, smiles and  
tears.  
But your memory never  
leaves us,  
With the passing of the years,  
Just as you were, you'll  
always be  
Treasured forever in our memory.

On February 18, 1978, the members of Annandale's community were shocked by the news of the sudden death of Richard Brent Peacock.

The following letter from Mr. Bob Burleigh on behalf of the teaching staff and student body was published shortly after his tragic passing.

"Annandale High School was deeply saddened recently by the death of Brent Peacock.

Brent was very active in athletics during his years at Annandale. His growth as a person and athlete was demonstrated by the rare occurrence of his being one of the very few athletes who ever captained both a Senior Marauder football and basketball team during the same year (1975-1976).

Under his captainship the football Marauders narrowly missed (one point) the Oxford-Elgin playoffs and went on to win the Oxford-Elgin "A" football championship.

That same year Brent led the Marauders to the WOSSA "A" championship and OFSAA consolation championship.

Brent played on the Junior WOSSA basketball finalist team in 1971-1972 and was on the WOSSA championship team in 1972-1973. He was a member of the 1973-1974 team and the WOSSA championship team and OFSAA semi-finalists 1974-1975.

Brent played football for Junior Marauders in 1971-1972-1973 and Senior Marauders in 1973-74-75-76.

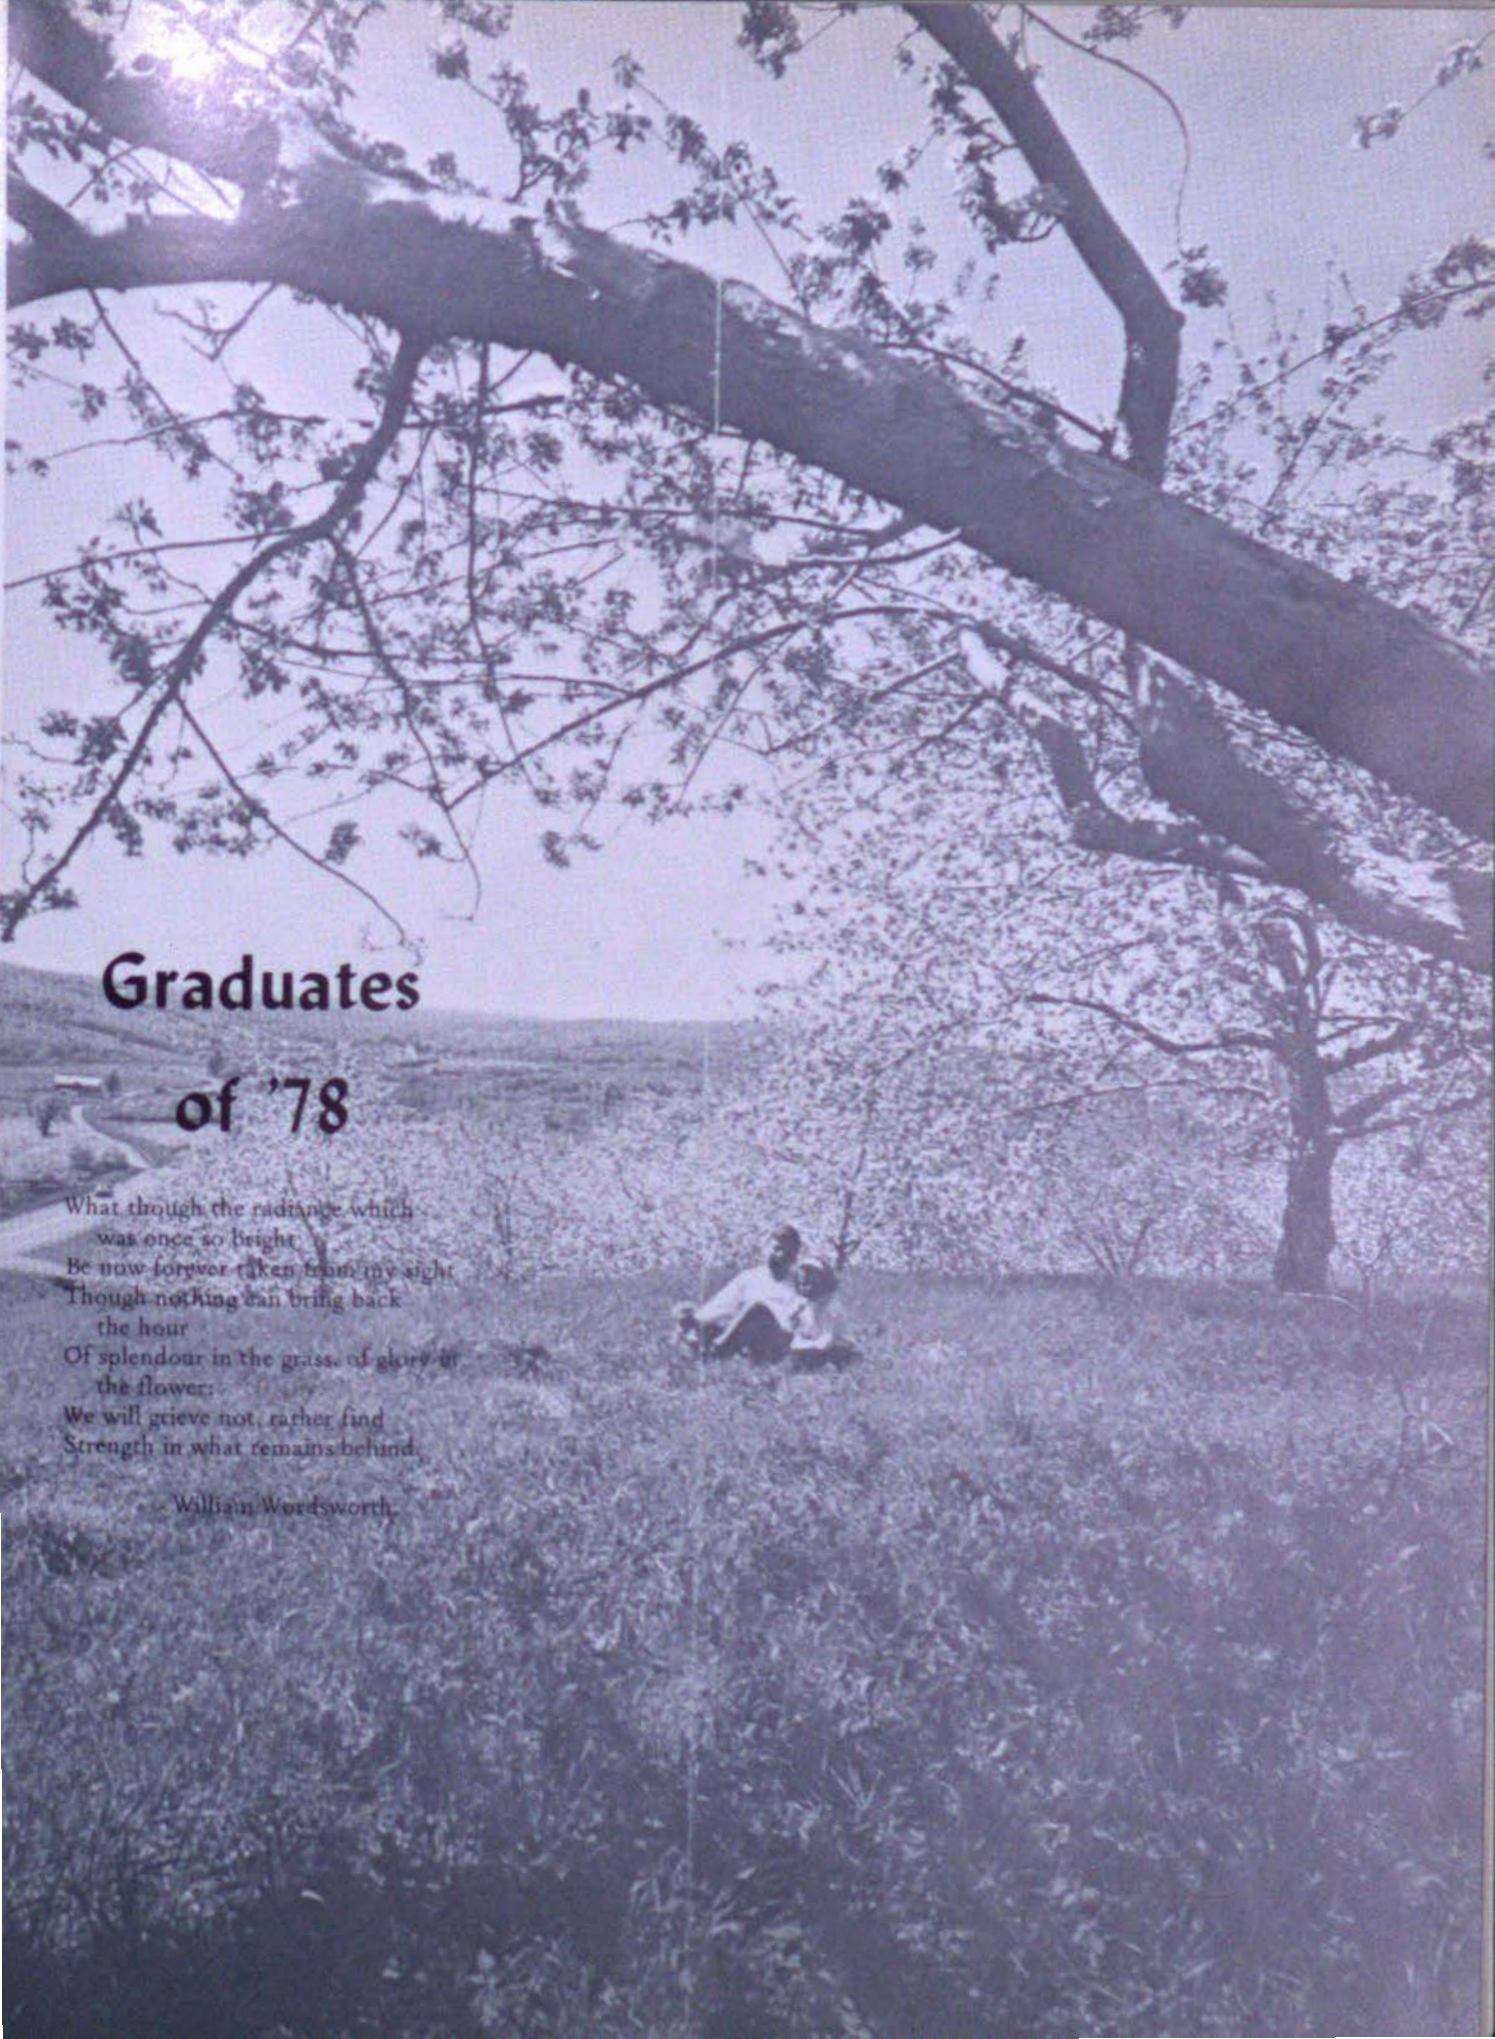

His tough hard hitting two way play at both offensive and defensive position (end) was instrumental in many of the Marauder successes. Brent also played soccer for Annandale 1974-75-76.

In 1975-76 he earned his athletic letter for excellence in athletics. During the same year he was honoured by the coaching staff as he was awarded the coaches award for leadership, determination and courage.

Upon graduation he attended the University of Waterloo. Brent's team mates and school mates will miss him, but will remember with much fondness their association with him.

The entire school community extends its deepest sympathy to the Peacock family."

What though the radiance which  
was once so bright  
Be now forever taken from my sight  
Though nothing can bring back  
the hour  
Of splendour in the grass, of glory in  
the flower:  
We will grieve not, rather find  
Strength in what remains behind.

A black and white photograph of a mountain landscape. In the foreground, a person is seen from the back, looking out over a valley. The valley contains a river, trees, and a large rock formation. The background shows steep, rocky mountains under a bright sky.

### PAINTED PICTURES

The skies are dark,  
The soft grass green,  
The water pure,  
The air so clean.

The rushing river,  
Cutting through the land,  
The jagged rocks,  
With a deafening roar.

The cliffs are steep,  
Holding ancient lore,  
The trees are bare,  
The snow is late.

The birds on high  
Chirp a happy sound  
With all this grace  
Why should we care

The sky is dark  
The grass burnt brown  
The water is red  
The air reeks of the dead

The raging torrent  
Bleeding across the land  
The rocks blown from their spot  
The snow is green

These are the scenes of tomorrow  
Without heed or care  
The world will change,  
Don't you care?

### A LOST RACE

As I gaze at this old, withered, Indian face  
With a tear slowly flowing down,  
I cannot help but feel disgraced  
For robbing his race of their land.

For this old man  
Who once did live  
When his race had owned this land,  
Now has nothing to call his own  
Except his lonely hut in the sand.

He once was an Indian warrior  
Who stood tall, stood strong, stood brave,  
Until the evil white man came,  
And sent them all to their graves.

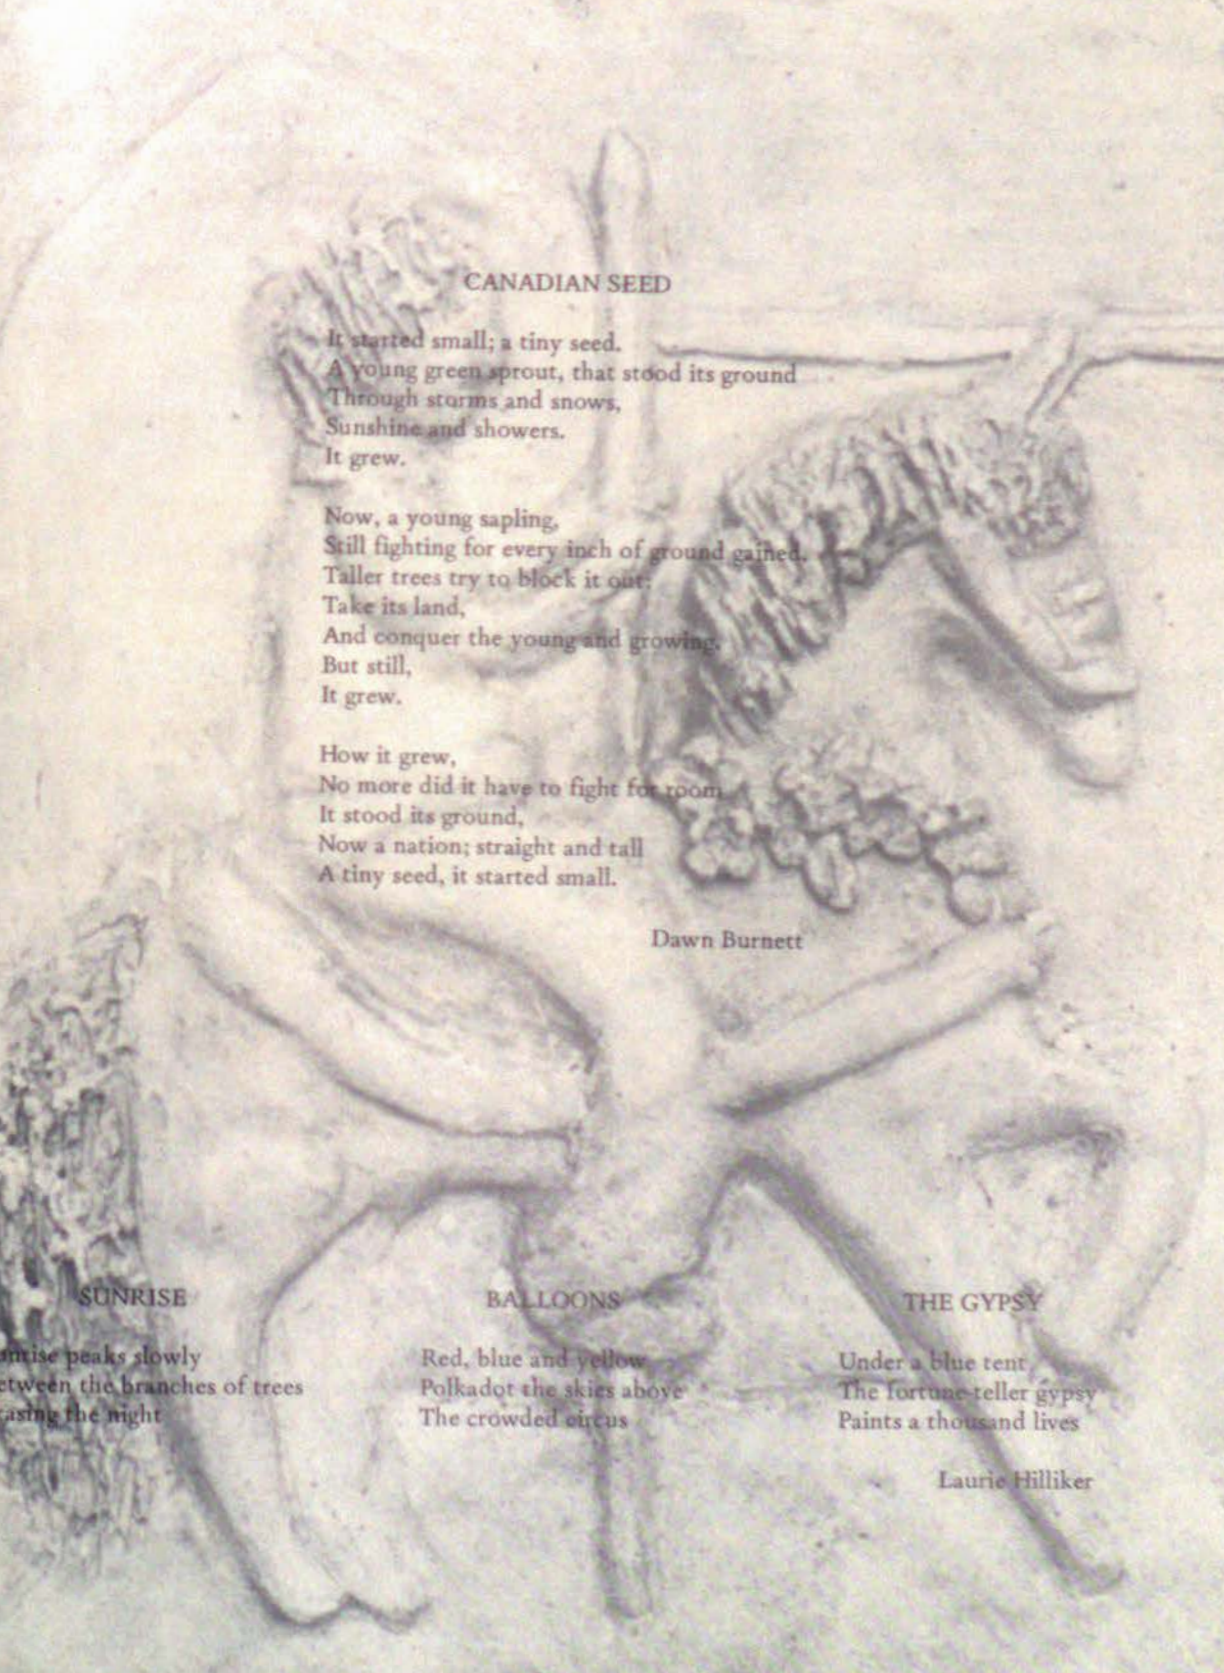

For now he lives amongst them;  
Those savage and heartless souls,  
In a land they claim to be their own  
The land of the great totem poles.

There is a spark of hate down deep  
In those black and hollow eyes  
As his soft tears slowly flow  
With the hope that he soon may die.

### CANADIAN SEED

It started small; a tiny seed.  
A young green sprout, that stood its ground  
Through storms and snows,  
Sunshine and showers.  
It grew.

Now, a young sapling,  
Still fighting for every inch of ground gained.  
Taller trees try to block it out:  
Take its land,  
And conquer the young and growing.  
But still,  
It grew.

How it grew,  
No more did it have to fight for room.  
It stood its ground,  
Now a nation; straight and tall  
A tiny seed, it started small.

### TIMES LIKE THIS

I have grown more like you each day,  
yet still, maintaining my individuality.  
I have learned to reach out to my emotions;  
yet still get mixed up once in a while.  
I have been taught to share,  
yet, still prize my worldly possessions,  
Most of all-  
I have learned to be myself,  
And that is a gift in itself.

Together, we shall walk the sands  
of everlasting love,  
Together we shall drink fine wines.  
We shall laugh, sing and play,  
Then maybe-settle down, enjoy life,  
And show others how to  
love what is there.

### THOUGHTS

Hey, remember last night?  
As I took you in my arms under the stars  
For we had thought-but never done,  
Yet wished upon ourselves a chain of guilt.  
And you cried,  
And I cried,  
And we cried,  
Being worlds apart, never realizing that  
We were crying about the same thing  
Until, for some strange reason, I happened  
To glance towards the sky  
Then deep into your eyes.  
Suddenly we sat in our own world  
Beyond and lacking any touch with reality  
And cars went by.  
And still we cried,  
But now together like new borns in a crib  
For we had exchanged ourselves upon each other  
And in our passing, we fell in love  
And not infatuation!

### FROSTED LOVE

When fall gives way to wintry snow,  
The frost on the windows begins to grow.  
As it clings on the windows, this cold, cold night,  
It glows in the street lamp's radiant light.  
Like a ball of fire, or the sun at high noon,  
It glows like white silver, rays of the moon.  
As the house's warm heat touches the glass,  
Waterdrops fall slowly, over others they pass.  
The drops form slowly as minutes go by,  
So I sit by the window and let out a sigh;  
I treasure the moments with one I did spend;  
Like the drops, tears form, wishing they never did end,  
As the drops leave the glass, to the sill they wade,  
Leaving their union the cold night had made.  
And I know the pain, I feel in my heart,  
When two grow together and then grow apart.

Christine Cooper.

CLOWN

Your eyes are twinkling,  
or Is it  
tears  
I see glistening in your eyes?

Sometimes your smile wanes-  
You say your paint is smearing...

I notice that now and then  
your bouncing step  
falters,  
and your shoulders sag.

You can't fool me, clown!  
Often, you show through your masquerade  
and your half-forgotten dreams  
haunt you.

You can't paint over the disillusionment  
a bright red nose,  
starry eyes,  
a smile from ear to ear.

They satisfy the crowd,  
But, Clown-  
do they satisfy you?

Mary Kisilak

## THE INEVITABLE

So many people in our country today,  
Unhappy, complaining.  
Never satisfied with what they have,  
While others in the world have nothing.  
Seeing only the ugliness of pollution and concrete cities,  
While no other country has as much beauty in nature.  
Uncontent merely with peace,  
While others experience the hell of war.  
Complaining of having no freedom,  
While others live in fear of their oppressors.  
Will it be too late when they realize  
"Canada" ... and what it means?

Karen Ross

A child peeks  
Around a dirty doorframe  
On the lower shore of  
The St. Lawrence

Old women rock on their  
Tiny porches,  
Caked with dirt.

Rusted rails lead to the street,  
Steps missing at the bottom.  
Torn clothes join the  
Emaciated houses, lining row after  
Row of tarnished iron balconies.

Windows stare  
Like blind eyes  
Opaque with filth.  
Lower City.

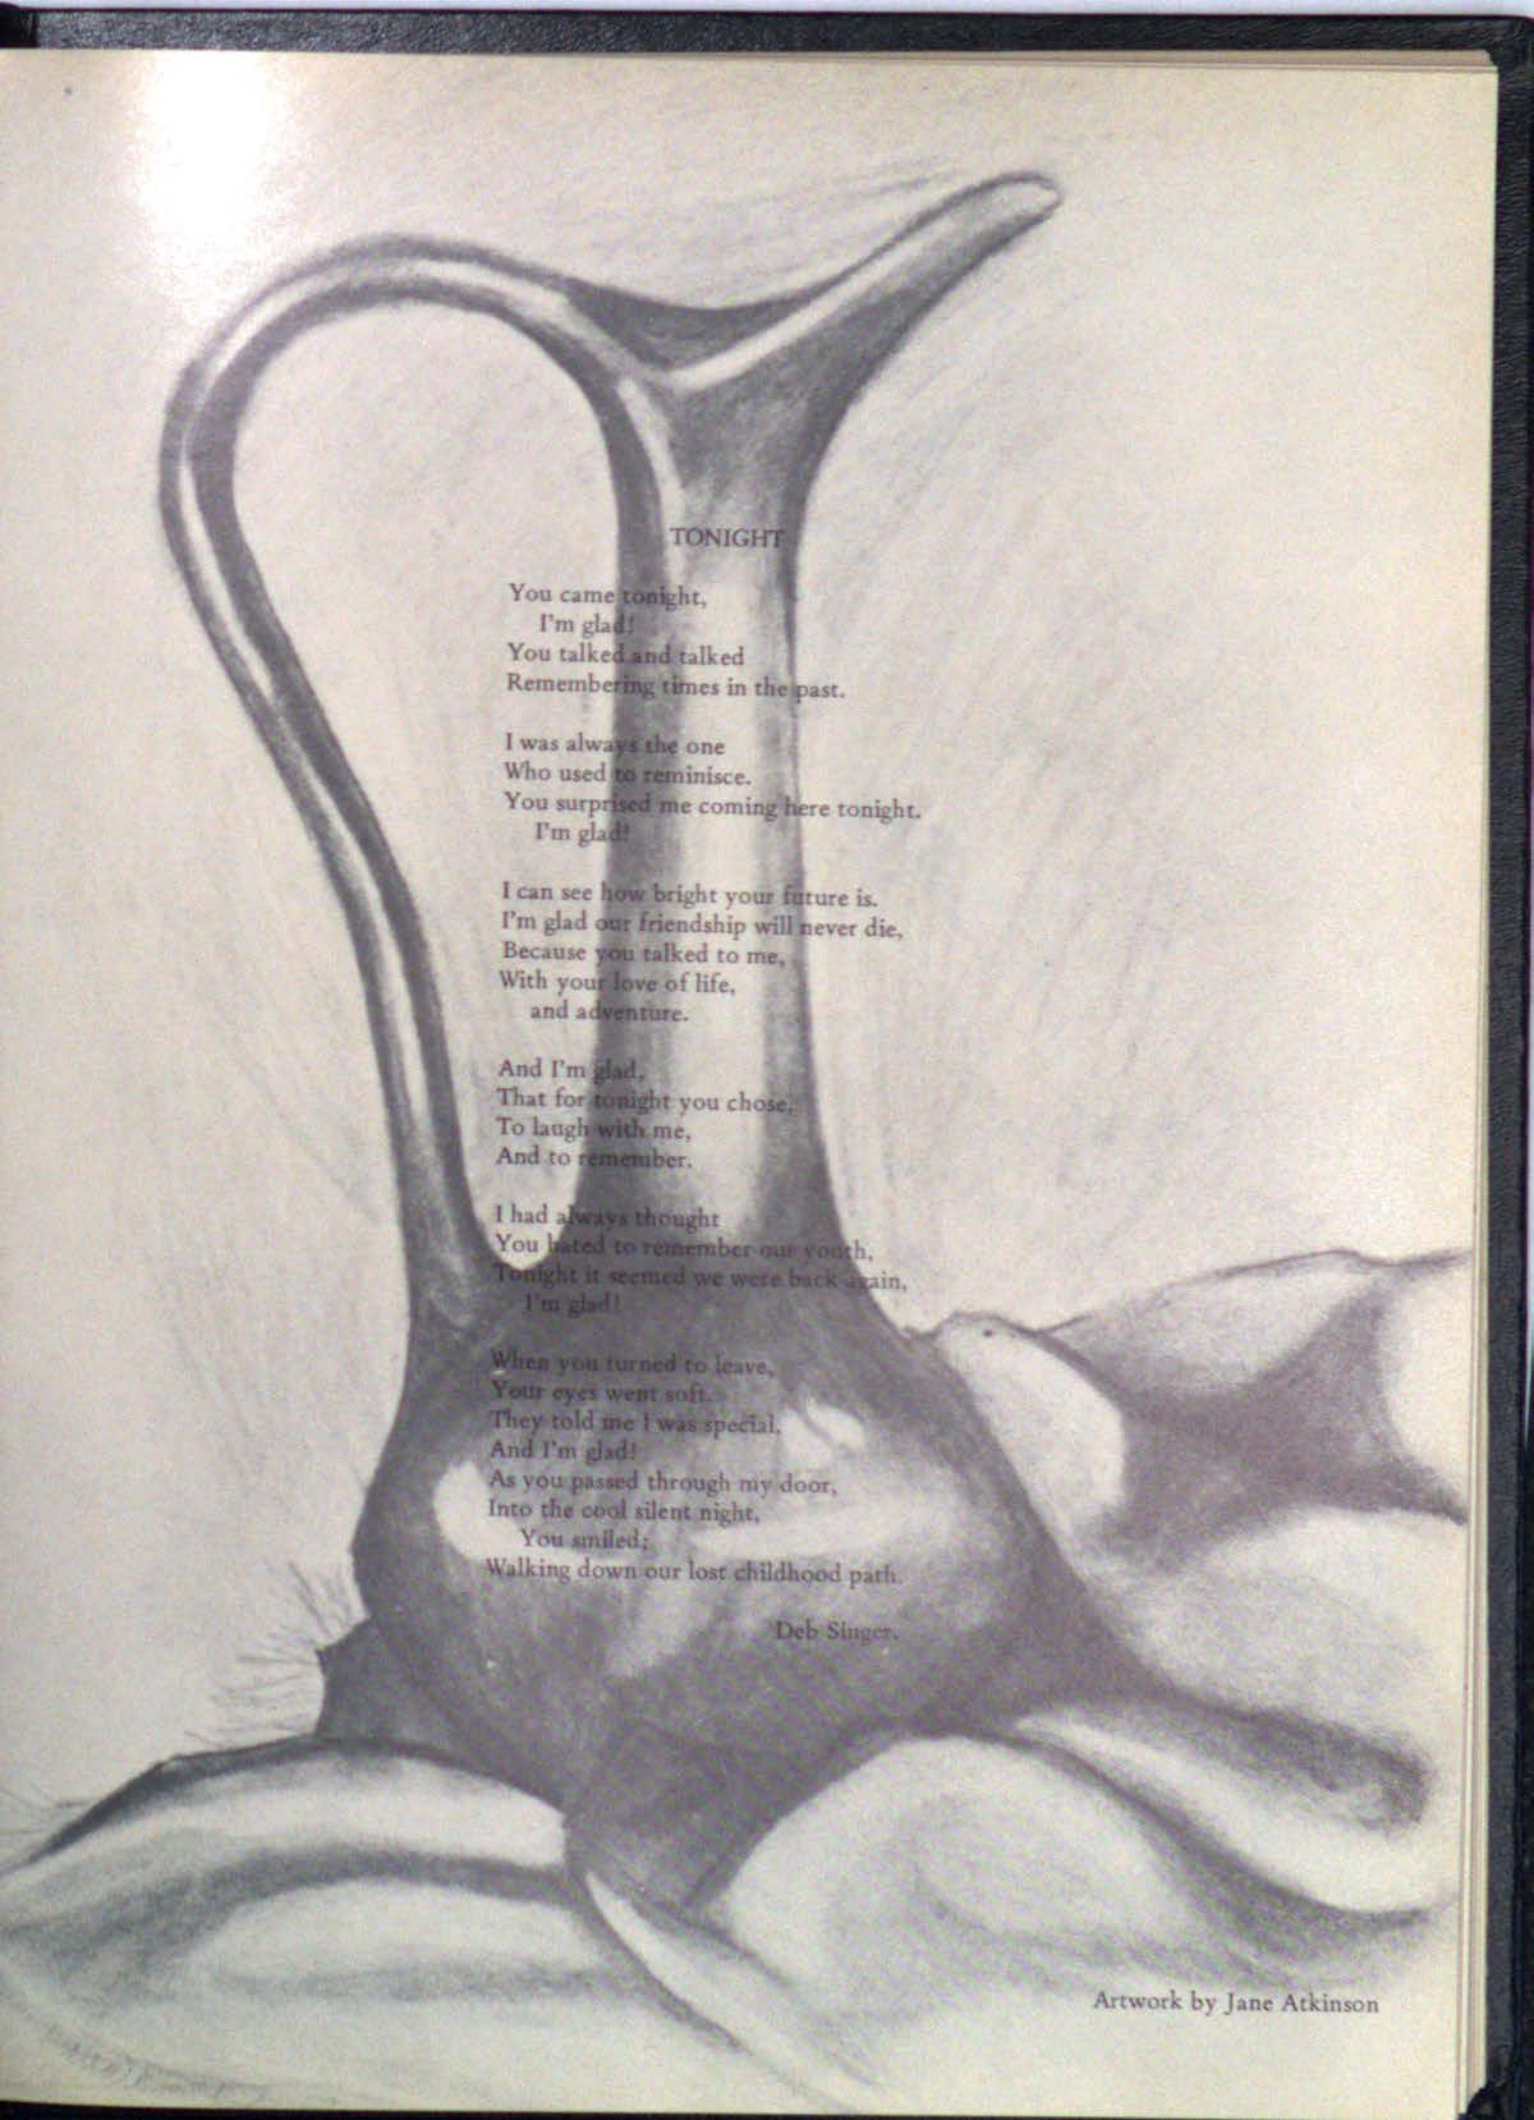

Narrow cobblestone streets,  
Shadowed by crumbling buildings,  
Alleyways  
Connecting the tenements.

Children play by the river,  
Around tired boats with  
High water marks,  
Peeling paint,  
Lower Quebec.

Editors' Note: The two poems printed above brought recognition and honour to our school this year. In the Canadian Heritage Writing Competition, the two grade eleven students tied for first place in the County Contest, were second and third in the Mid-Western Regionals and were among only nine poems, stories and essays published for the whole province. We are very proud of this outstanding accomplishment.

TONIGHT

You came tonight,  
I'm glad!  
You talked and talked  
Remembering times in the past.

I was always the one  
Who used to reminisce.  
You surprised me coming here tonight.  
I'm glad!

I can see how bright your future is.  
I'm glad our friendship will never die,  
Because you talked to me,  
With your love of life,  
and adventure.

And I'm glad,  
That for tonight you chose  
To laugh with me,  
And to remember.

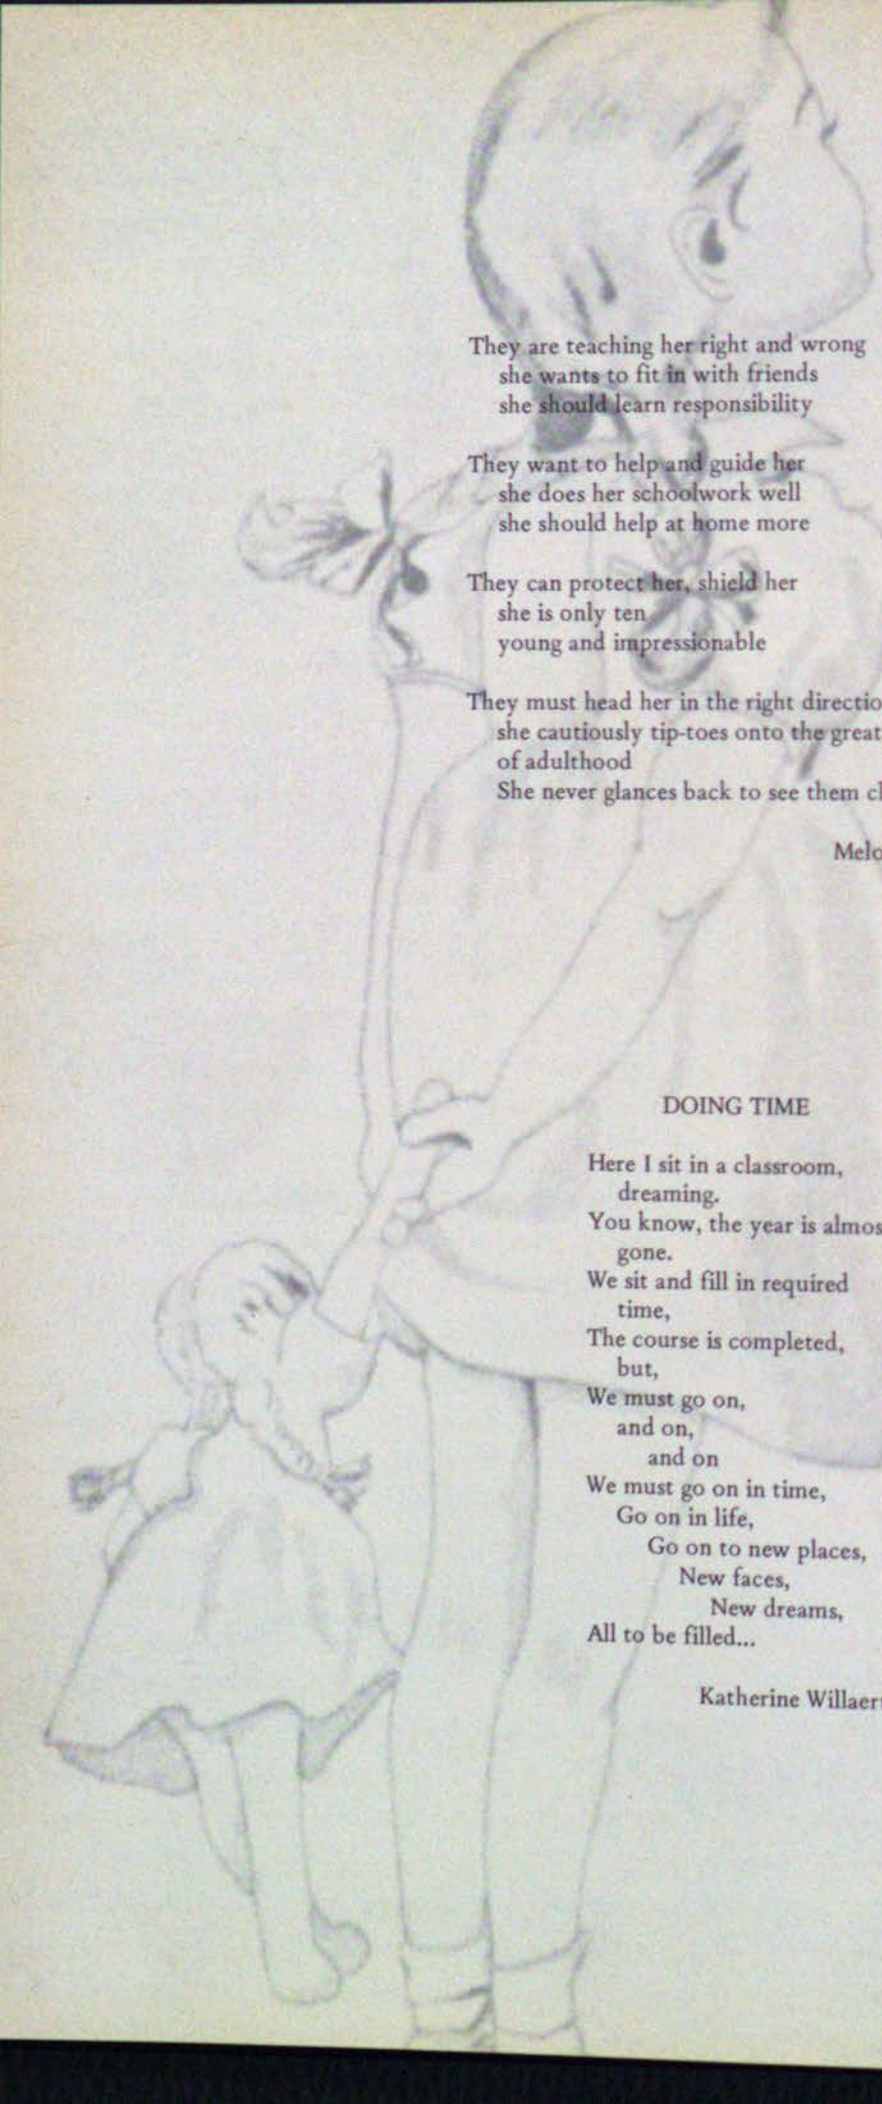

I had always thought  
You hated to remember our youth,  
Tonight it seemed we were back again,  
I'm glad!

When you turned to leave,  
Your eyes went soft.  
They told me I was special,  
And I'm glad!  
As you passed through my door,  
Into the cool silent night,  
You smiled;  
Walking down our lost childhood path.

They are teaching her right and wrong  
she wants to fit in with friends  
she should learn responsibility

They want to help and guide her  
she does her schoolwork well  
she should help at home more

They can protect her, shield her  
she is only ten  
young and impressionable

They must head her in the right direction  
she cautiously tip-toes onto the great field  
of adulthood  
She never glances back to see them close the gates.

#### DOING TIME

Here I sit in a classroom,  
dreaming.  
You know, the year is almost  
gone.  
We sit and fill in required  
time,  
The course is completed,  
but,  
We must go on,  
and on,  
and on  
We must go on in time,  
Go on in life,  
Go on to new places,  
New faces,  
New dreams,  
All to be filled...

Katherine Willaert.

One day a week  
dressed in their best  
they file in and take their place  
nodding their hellos to unknowns as they enter,

They sternly silence their children  
commanding them to a punishment  
of one hour of no fidgeting  
when they, themselves don't understand.

They sit in humble silence  
hearing but not listening,  
faces unchanging, they are deathly still  
uttering not a word out of lack of understanding

Shaking his hand as they file out  
they mumble, "Nice sermon,"  
and leave as fast as they can  
feeling their souls renewed  
and the burden of their sin lifted.

Karen Fruetel.

EMPTY HALLS AND MEMORIES

I walk up and down these empty halls  
which once were filled with joy and laughter,  
only to find remnants and memories...  
of time lost,

    but experiences gained.  
And with a sigh of relief or remorse  
I know not which,  
I am afraid,  
for the past few years have sheltered me  
but taught me enough to travel on...  
And I take one last lingering look  
for I may only pass through these halls, in memory.  
The halls, so full of music and of love  
are now empty, the silence being broken  
by lonely footsteps, now echoing where once many feet passed.  
But I can feel that deep inside  
both these empty halls and me,  
there are memories locked within time  
that will never disappear.  
And as I leave, I open the door  
only to find someone new,  
taking my place, and then I smile  
for I realize they too will one day walk down those empty halls  
only to find remnants and memories.

Now that the year is almost finished, I cannot explain what a thrill and joy it was to be on the Annandale Student Council. As a whole the entire Student Council is very happy with the way the year progressed. I am very proud to have been associated with everyone on the Student Council this year because without them many things would not have been possible. Our staff advisor this year was Mr. Birtwell and we owe very much to him because at times he was the only one that could come up with the right thing to do in the wrong situation. As a parting statement, the Annandale Student Council of 1977/78 would like to thank the staff and students of Annandale for a fine year. THANK YOU.

## Class Representatives-Student Council

Pictured above are the class representatives for each "home form" at Annandale H. S. Their job was often a thankless one, but without them few of the activities at Annandale during 1977-78 could have succeeded. They carried information between the Student Council and the school population as a whole and they were vitally important in the organization of special events such as Initiation and dress-up days.

## GRADE NINE OATH

We the puny, illiterate grade niners are the lowest form of debris that has ever slithered down the halls of Annandale. We understand we are a bother and nuisance to our seniors who are all too good to us. Our main purpose so far this school year has been getting in the way of our seniors. We have come to this school with little more brains than the dirt we walk on. By the time we finish this year, we hope to have the class and grace of a grade ten, but will never have the charisma and super friendliness of our super grade 12's and 13's. We can only improve ourselves by following the Niners Laws.

1. We shall grow to our full height of 4'2" by next week.
2. We shall teach ourselves to speak and not bark.
3. We shall make life easy for Mr. Ward.
4. We shall only speak when commanded to.
5. We shall follow all these rules.

Yes, we the lowly, childish, grade niners pledge to stay in line, always following the Niners Laws and showing respect to all those superior to us, which, of course, is everyone.

We Praise You! !

We Worship You! !

and most of all, We Love You! ! !

## FAREWELL

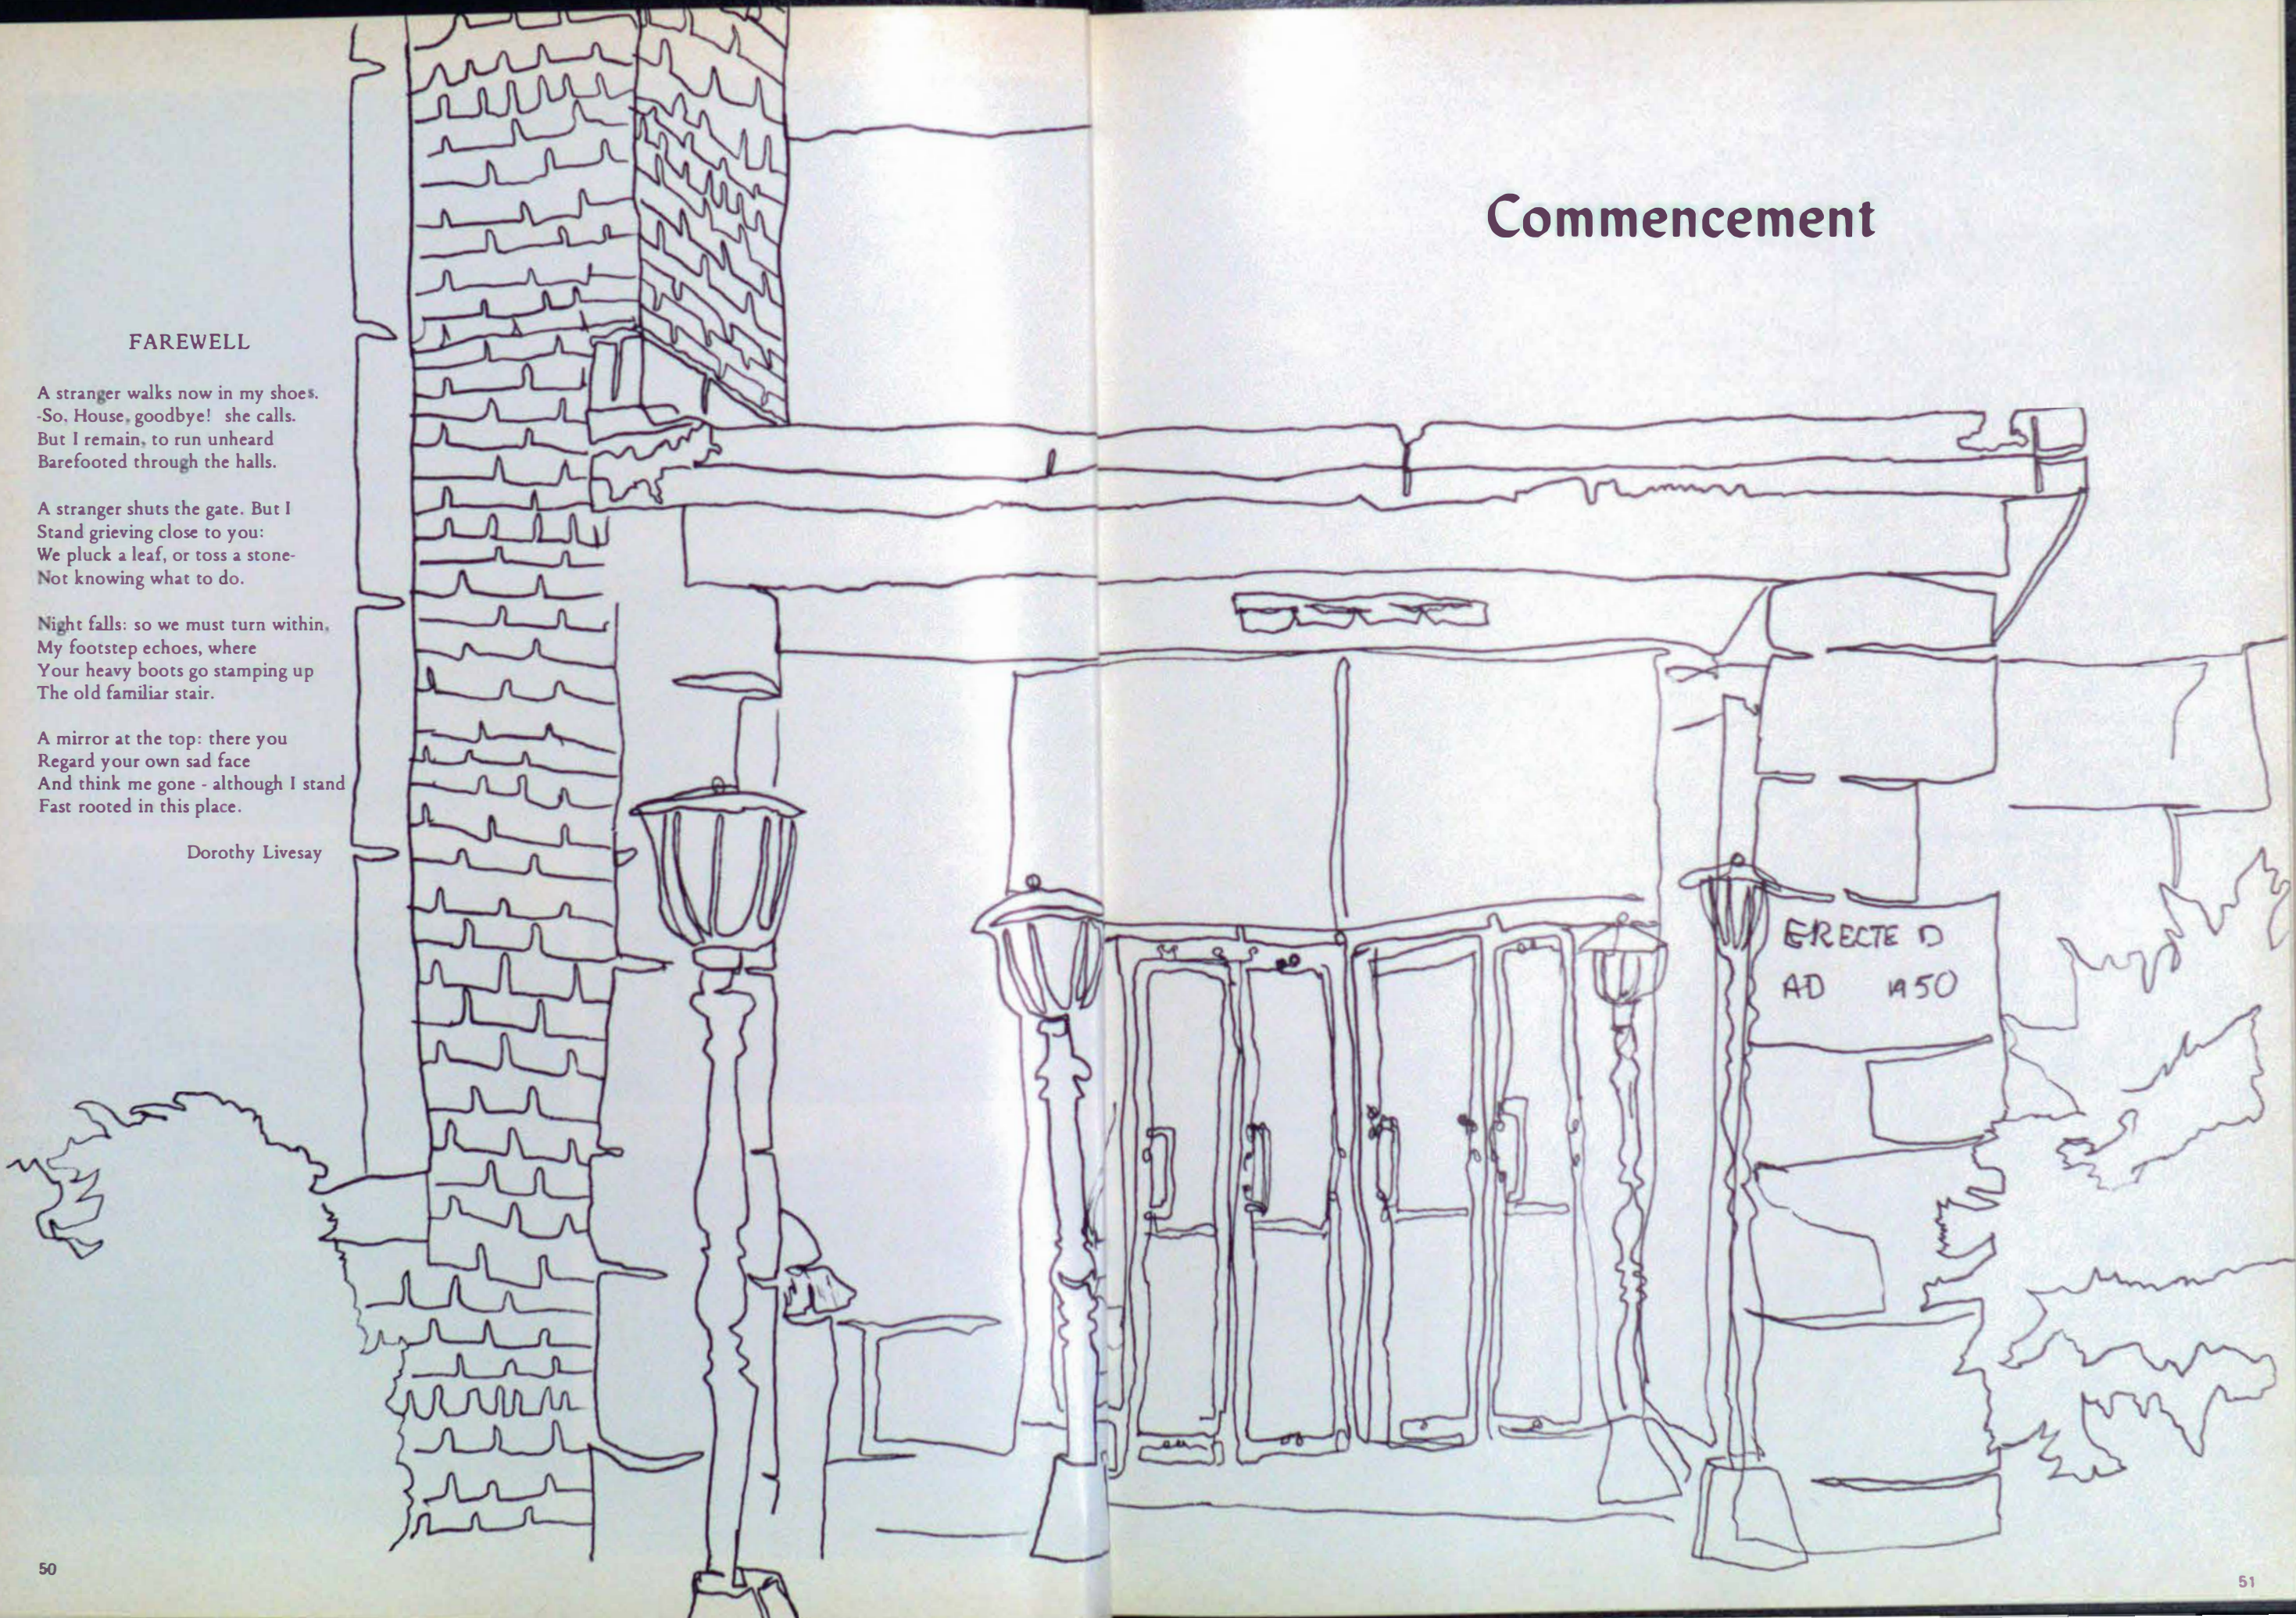

A stranger walks now in my shoes.  
-So, House, goodbye! she calls.  
But I remain, to run unheard  
Barefooted through the halls.

A stranger shuts the gate. But I  
Stand grieving close to you:  
We pluck a leaf, or toss a stone-  
Not knowing what to do.

Night falls: so we must turn within,  
My footstep echoes, where  
Your heavy boots go stamping up  
The old familiar stair.

A mirror at the top: there you  
Regard your own sad face  
And think me gone - although I stand  
Fast rooted in this place.

RICHARD EPEL

## Valedictory Speech

The Valedictorian for the class of 1977 was Richard Eppel. Mr. Eppel began his address by reminding his fellow graduates that "this is our night and it is a very special one indeed." He also commented on "how proud and honoured" he was that the class of '77 had chosen him as its representative.

Mr. Eppel chose as the topic of his address, participation, noting that the graduates present had cared about the five years that they spent at Annandale High School as a worthwhile experience.

He continued:

"In essence then, participation and involvement in local, regional, national and perhaps even world events is what I am promoting tonight.

"Let us take the example of the graduates during their five years of high school and see how they stack up.

"You can examine how much you became involved with A.H.S. life by asking yourself the question, 'How much did I get out of A.H.S.?' If the answer is, 'Well, I learned my courses there so that I could go on to further education, a job or even just to say that I got my diploma', then you have, sadly, not participated to the fullest and have missed a lot of life.

"Before I go any further, let me make one thing perfectly clear about my attitude towards education. I believe classroom education is essential and a necessary function for the student. However, I believe that participation outside of a classroom is also a prerequisite for being fully educated. In my opinion, you cannot be educated without having both. Participation and education are almost synonymous."

Mr. Eppel commented upon the effect of Annandale's size.

"As you all know, A.H.S. has a relatively small student population of between 500 and 600 students. We were fortunate to have this because it gave us greater opportunities for involvement as well as greater student-student and student-teacher interaction. The involvement was taken advantage of in many ways.

"In sports, our past year has been one of our best and was appropriately titled 'The Year of the Black'. The championship teams did not come from a few players alone. They came from a general student involvement, pride and, of course, top-notch coaching. The interschool clubs, including the Tatler, could not function without students and, believe me, after reading this year's Tatler, involvement was at its peak. From personal experience, I know the Student Council could not function without student support at its various social activities and events.

"I think you get the point and my one wish is that this tradition of excellence will be carried on by the new students of Annandale.

"The new members of the staff, I am sure, will quickly see this tradition and the feeling generated by it.

"Those who left last year, Mr. Reid, Mrs. Wilson, Mrs. Balpataky, and Mr. Wharram, probably feel something missing from their lives. I know I do."

Mr. Eppel challenged the graduates and the entire audience to remain involved. He stressed that "there is always a group present which is small enough for you to partake in and to be recognized."

He then applied this credo of participation to both national and international affairs, noting that it is always better to comment actively, "I must do something", than to sit back passively complaining that "Something must be done".

Mr. Eppel concluded his address as follows:

"Looking back, I cherish these five years because I participated and got involved. I thank you for making it that way for me and leave you with the challenge of becoming involved and speaking out. Remember, you get out of life what you put into it - minus taxes."

The Spectator Club involves the participation of the entire school. Whether it be in the form of writing articles or buying the newspaper, we are grateful for your support.

The Spectator is a great way in which to express your ideas or opinions concerning school activities. We have been very lucky this year as many of the students have responded to this opportunity.

Publishing the school Spectator takes a lot of time, patience, and effort. We wish the best of luck to next year's publishing staff. Again, we thank you, Annandale, for your support.

## Flasher Club

This fairly new "revealing" club has had a very successful year. The A.H.S. flashers held several Fund-raising events in which we raised enough money to purchase two "T" shirts. We were invited to a convention in New York's Central Park, but were unable to attend due to unbearable cold weather.

This club has suffered many set backs, the most prominent one being not recognized in Rex Reed's best dressed list.

Good luck, Future Flashers. Remember the Fernwood Flasher is on your side.

Another year is drawing to a close and perhaps now in May, it is a good time to examine what we as a group accomplished. The reason I said group was because without the help of everyone in the club this year would not have been successful. In September, we went to Stratford which was paid by the Club. All that was needed was 600 minutes of work from the previous year. We started off the year selling "Annandale pens" which were left over from last year. From there we tried something new and quite different. We sold posters and that turned out quite well. We sponsored one L.P. raffle and to top it all off we also had a car wash.

As president the role I played was more or less as a catalyst. I merely suggested ideas and without the help of the members, many of our projects would not have been successful. No year should go by without saying thank-you; therefore I am taking this time to say thanks to everyone in the Library Club. A very warm and sincere thank-you to Gabriella who made sure all of our money was kept under control. Without her help I would have been lost. I would also like to thank Colleen who acted as advisor with her experience as being a president. Then there is Dave and his camera. Thanks!

Last of all, I would like to thank Miss Dunlop for her good humour and patience with such a group. You showed that you are part of the Library Club and part of Annandale. It was your first year at Annandale and good luck in the years to come! (Beware of the chair! ) Again to everyone...

THANKS.

The Drama Club has had a very successful year. With the aid of Mrs. J. Schulze, we were able to carry out our annual Christmas performance. For the first time, we gave Annandale a preview of the show we were presenting to near-by grade schools. The play was called, "The Toys Take Over Christmas" and was written by Patricia Clapp. There were five performances, all of which were successful and enjoyed by the students and teachers as well.

Many of those involved in the Drama Club, taking care of the difficult tasks of make-up, lighting and staging, also took part in "Performance '78". Without these people, performances such as these would not be possible, so, thanks again.

I hate to leave this club behind as I do many things, but I must. And so, I would like to extend a personal thanks to all the students who participated and to the teachers who were so understanding. Thanks again to Mrs. Schulze who continued the tradition and had faith when ours failed. Good-luck to the Annandale Drama Club in the future and may all your performances be smooth ones.

Kathy Willaert,  
Co-president of the Drama Club

Performance '78 - a complete success! Over 1,000 paid admissions as well as "preview" performances for the whole school. Over 100 students and 15 teachers as well as office, cafeteria and custodial staff working together for the joy of "performance".

It is impossible in the limited space available to list everyone who took part in the two-month preparation that led to the fun of performing. However, a few comments may start a series of memories which will bring back that whole magic time for those involved.

Remember the impossibility of one set that could be a 17th century barn, a 1930's farm house, a 1960's living room and a disco palace!

Remember the hectic search for a spotlight!

Remember the frantic frustrations of rehearsals when no one knew for sure whether the acts would work!

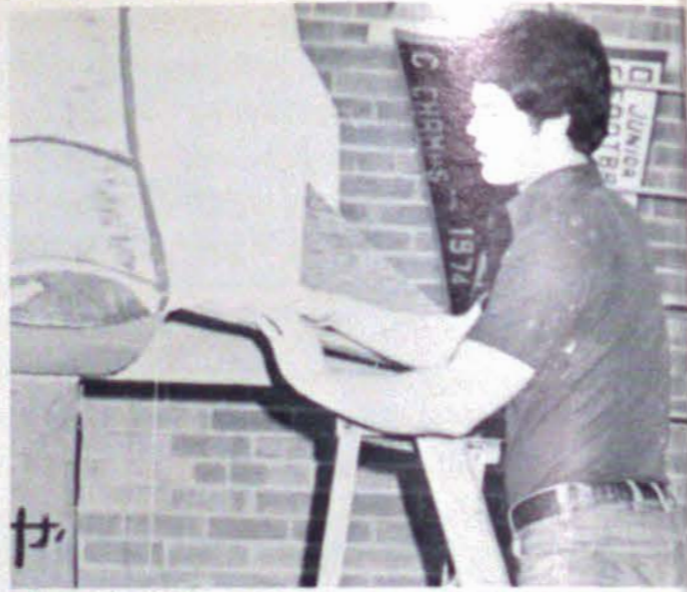

Remember Kathy's three standing ovations; the beautiful sound of Rob's folk song stylings; the crazy chase through the audience as Schlemelia caught Jeff; the sound and visual image of Tammy, Laurie, Linda and Terry as they made their debut. Remember the beauty of Doug's and Mike's songs. Remember the impossible juggling act done by Mrs. Schulze as she put on three plays; Mr. Moir's ingenuity in using stage and gym floor for all his acts; Mr. DeDecker's quiet control of his stage crew; the smiles on the faces of Pam Harris, Mr. Pellizzari and Mr. Stover when they counted the final crowd.

Remember Sherry deciding what we would do to eliminate another bottleneck on stage. Remember the strange exhilaration of singing "O Canada" from the front of the gym. Remember the party at Mike's.

Mock U. N.  
Assembly  
Annandale - 1978

This year was a very hectic but enjoyable year for the U.N. Club. The grade thirteen girls proved to be the life of the club, as usual. Their spirit and enthusiasm will be greatly missed next year. At the end of April, Deb, Cam and myself organized the fourteenth annual Model United Nations Assembly. Eight different schools attended the assembly which proved to be very successful. Prof. Carl Gringstaff from the University of Western Ontario was the guest speaker at our banquet. Deb Singer presented Mr. J. Armstrong, our staff advisor with a gift for his guidance and, his ability to bail us out of trouble when we needed it. I would like to take this space to thank Mr. Armstrong, Cam, Deb, Jane and the rest of the members of the U.N. for making this year a success and very worth while. The best of luck to next year's U.N. Executive.

THANK - YOU

## Inter-School Christian Fellowship

FIRST ROW: Dianne Knowles, Sharon Hutchison, Ruth Stanley, Cathy Carson, Mary Beth Twinem, Melody Popham, John Twinem.  
SECOND ROW: Suzanne Pettman, Richard Fuller, Robert Dreyer, Terry Sanderson, Cheryl Sanderson.

The Interschool Christian Fellowship Club became more involved in school activities this year. Each week the club met to share what God was doing in everyone's life and also to share and learn from the Bible. The club presented a simple meaningful play during the Christmas assembly to display the real meaning of Christmas. Thanks to all the teachers and students who came out to support this group and who helped to make it a success. God Bless.

O Annandale forever more  
Long after high school days;  
Our hearts belong to Black and Gold  
Our heads we bow in praise.  
Through victory and through defeat,  
We will strive to conquer all.  
As one we will come, as one we will go;  
The years will hold us true.

Dear Annandale:

The end of '78 is drawing near and it will soon be time to begin a new year. If I may, I would like to give some advice.

Get involved in something at school. You will find that you'll enjoy school-life, and have something to look forward to. If you do get involved, you will be able to identify yourself truly as a member of the "Student Body". You will meet people and find new interests. There are many clubs to choose from, and I think it is absolutely essential for grade 9 and 10 students to participate and discover what school spirit is all about.

A Cheerleader is to arouse spirit and keep it going. That is what we tried to do this year. But it was harder this year than any year before. If Annandale spirit is to live on at all, it is going to need help from many students. It starts with concern, and care, and teamwork. In '77 we were a family. Perhaps, if we try, we can make every year "The Year of The Black."

Always yours,  
 Melody McAvany  
 Captain

# Senior Girls' Basketball

FIRST ROW: Dale Dennis, Chris Kleer, Rita Kish, Mary Ann VanderGriendt, Lisa Ort, Jill George, Pam Mabee.  
SECOND ROW: Joanne Armstrong, Connie Grabstas, Jane Loncke, Karen Fruetel, Brenda McMahon, Connie Ross, Mr. Moir.

The 1977 Senior Panther Team exhibited continuing enthusiasm throughout the regular season. Although not reaching the play-offs, the capturing of the Glendale Classic Consolation title, with a victory in the final over CASS, our long time rival, provided the highlight for the season.

The experience of playing Panther basketball for five years has brought with it many happy moments and has made me proud to have attended Annandale. The defeats as well as the victories have taught me valuable lessons of what being a team member is really all about and I'm sure this feeling is shared by the other graduating members as well.

Throughout their high school careers, Pam Mabee, Rita Kish, Chris Kleer, Connie Grabstas, Sandy Shepherd and Connie Ross have contributed greatly to the basketball program. All should be commended for their achievements.

On behalf of the entire Senior team I'd like to thank Mr. Moir for his unending patience and understanding. A special thanks also to him for taking out his frustrations on a towel instead of the team members.

To next year's team the best of luck, and keep playing with that true Panther spirit!

Jane Loncke

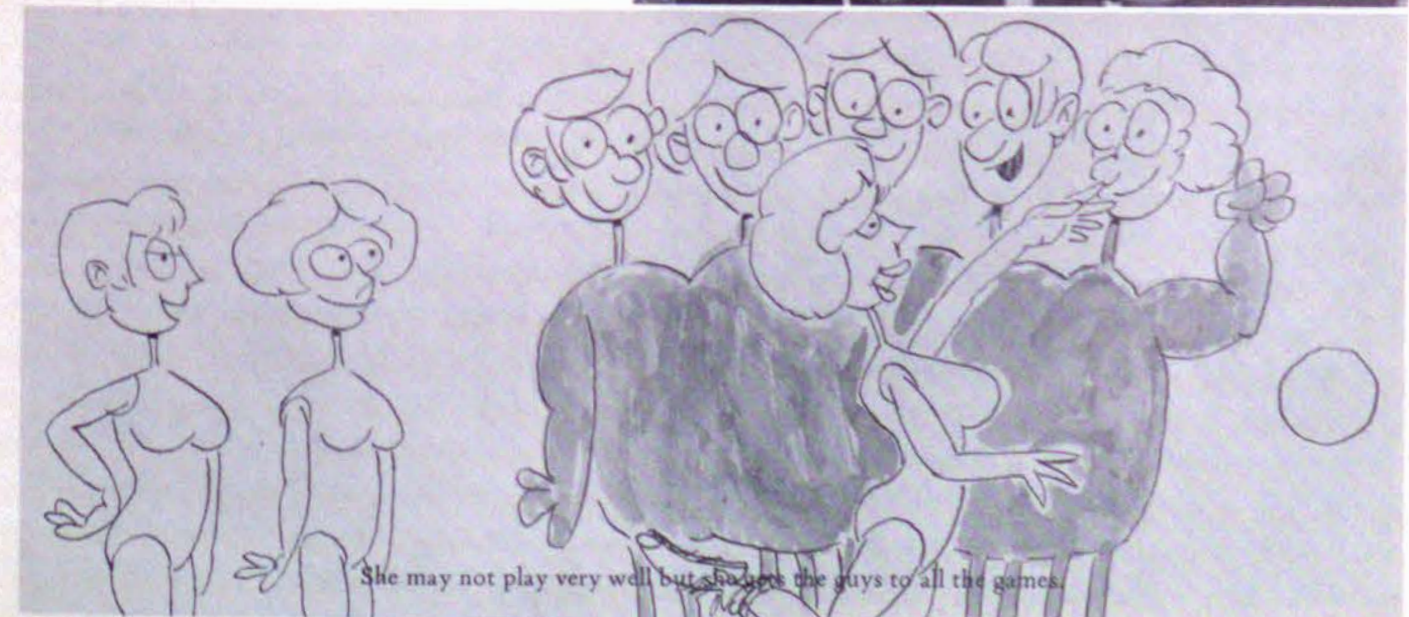

## COACH'S COMMENT

Despite having a relatively poor year compared to past seasons, there were highlights and bright spots. The Senior Panthers won the consolation championships at the Glendale Tournament and defeated our old nemesis CASS twice - the first time that that had happened. Even in a losing season, the team managed to maintain a feeling of "family", which is a very important part of the Senior Panther experience.

Leaving us this year are Chris Kleer, Rita Kish, Connie Ross, Pam Mabee, Connie Grabstas, and captain Jane Loncke. These players will be missed. A strong nucleus is left: Mary Ann VanderGriendt, Karen Fruetel, Jill George, Lisa Ort and Brenda McMahon. This experience plus some good juniors augurs well for next season.

#### COACH'S COMMENTS

My first thoughts of our season linger on moments of intense excitement, feelings of joy, sometimes deep frustration and many intervals of satisfaction and disappointment. Over all, it proved to be an emotionally enjoyable season.

Our league record was impressive (10-3) with an exciting victory over CASS to advance us into the semi-finals of Oxford-Elgin. We also reached the finals in our own tournament and were ousted from Oxford-Elgin by a close 49-44 score to Central Elgin. The team, from a coaching stand point, was a very challenging, stimulating and rewarding experience.

Thank you, girls.  
C. Sulkowski

## Junior Girls' Basketball

Last year the junior girls all agreed that it was a most satisfying season. This year, we, the Junior Panthers, believe that we may not have achieved our goal of W.O.S.S.A. "AA" but we found the meaning of a "team". We worked together and also had fun.

By the end of the season, we still did not have all of our basketball talents in use, but believe us, if we had a longer season, W.O.S.S.A. "AA" would have been in our hands.

We finished our league with 8 wins and 3 losses which put us into a play-off against C.A.S.S. for second place. That play-off was a total team effort and victory. We then headed to Oxford-Elgin which was held in Aylmer. With a very tense last quarter we lost to Central Elgin. That game knocked us out of O.E. and we were then finished with our basketball season for another year.

We would like to thank Mr. Sulkowski for his time and effort and Annandale for their support.

Jr. Girls

## Cross-Country

The Cross-Country Team would like to thank its coach, Mr. Donaldson, for the time he spent setting up training programmes and laying out running courses.

Although a small club this year, our athletes were very dedicated. At Oxford-Elgin, our girls negotiated the woody trails very well. One or two places were all that prevented some girls from going to WOSSA. In the boys' division, the only member to qualify for WOSSA was Ian Mitchell by placing 8th. At WOSSA, he placed a respectable 36th. The rest of the boys ran well also. John Popham was unfortunately out of the competition due to an injury. The cross-country program is looking forward to better things next year.

# Tennis Club

Tom Allin, Steve Molnar, Mr. Donaldson, Brad Sergeant, Bob Patterson.

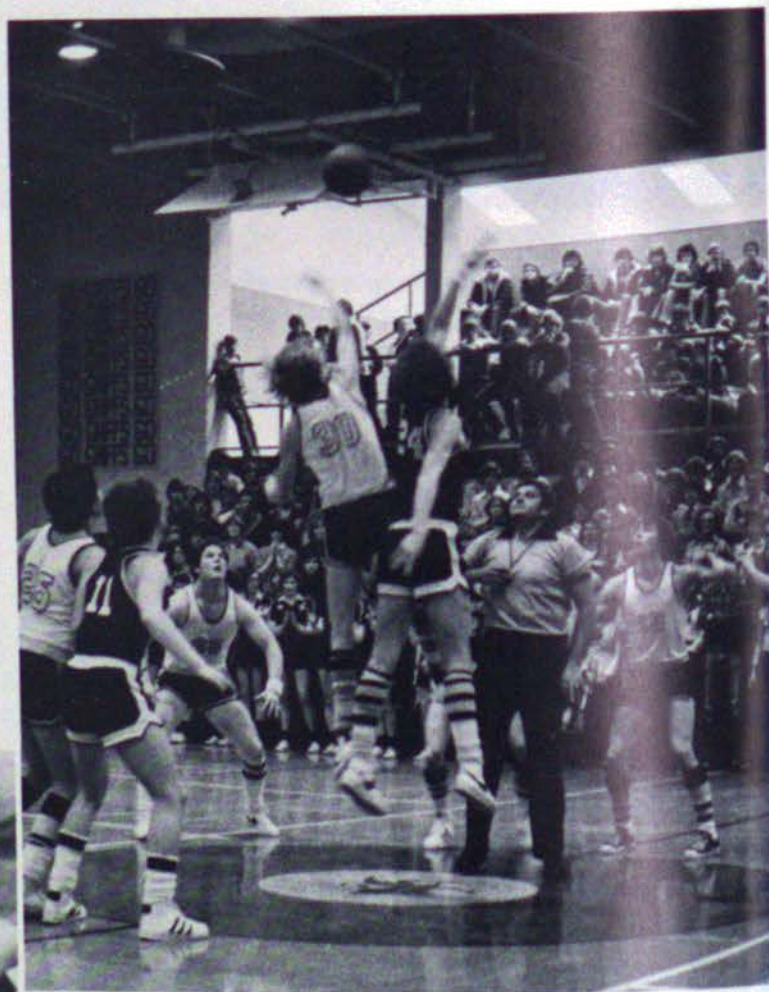

Great serve !

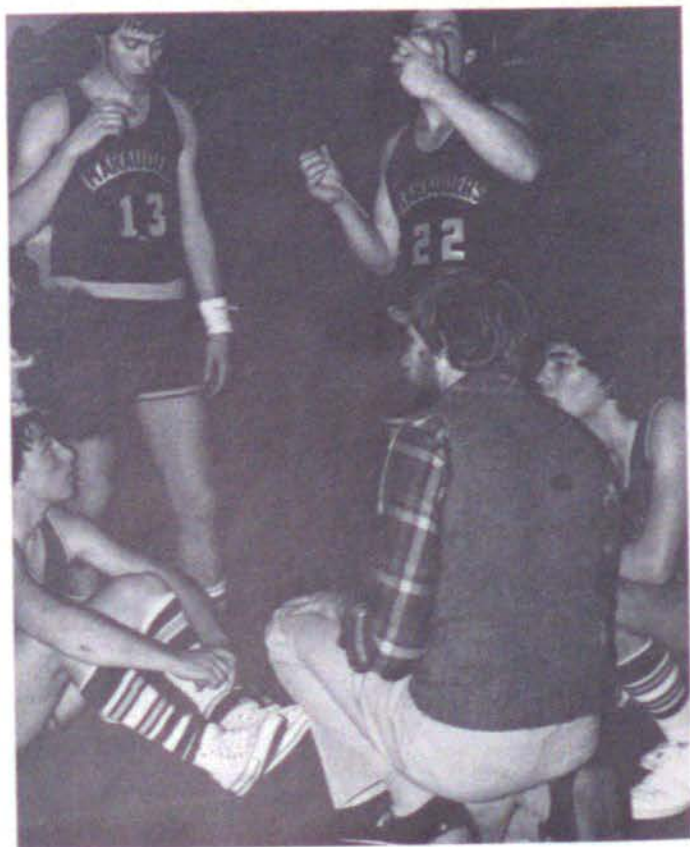

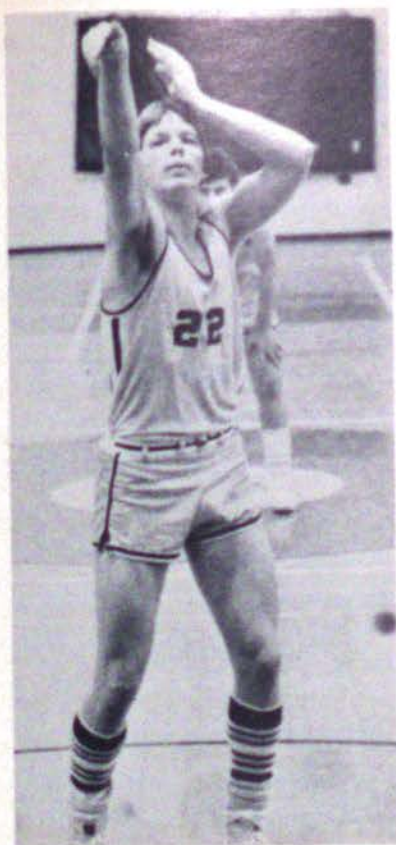

Boys' Tennis was very successful this year. We were defending Doubles Champions and successfully defended our title. Brad Sergeant was part of this winning combination for the second year in a row. Steve Molnar achieved his first Ox-El Championship in tennis and played very well. In Boys' singles Tom Allin reached the finals and played very well losing to a strong ranked player. Tom was the most improved player this year and should be a strong contender next year.

FIFTH ROW: Paul Hanson, Paul Burns, Rob Bes, Jim Dertinger, Rick Pasztor, Ken Craven, Doug Rankin, Al Livingstone.

The Annandale Senior Marauders had a successful season. The team finished the regular season in second place with a 5-1 win-loss record. The only defeat was a loss to Huron Park.

The second place finish earned the team the right to play in the Oxford County Playoff against Huron Park. The game was played on a wet and muddy day at Huron Park. Unfortunately, the Marauders were victims of three big plays and lost 18-1.

The season was also important in another way. When the players came out for football they played as a bunch of individuals. But after the first Huron Park game the guys developed into a unified team. This development made the 77-78 edition of the Senior Football Marauders successful.

The Marauders played excellent football most of the year. It was rewarding and satisfying to see the improvement to a high level of achievement during the course of the year. The biggest lesson learned was that each player must do his very best in every single play if we are to aspire to championship level.

Mr. Burleigh

This year's team lacked the depth and experience of the previous year, but, in a very honest way, demonstrated determination, courage, excellence and a respect for one another. I was proud to be a part of the team.

Mr. Parker

I was very proud to be associated with Marauder football this season. It was an enjoyable learning experience. The discipline, effort and pride exhibited by the individual team members ranks with the traditional football of Annandale.

Best wishes are extended to those graduating seniors who made such great contributions to the football program. Continued effort on the part of returning and new players will enable us to remain competitive in the future.

Mr. Wilson

# Junior Marauders 1977

The season began with us not actually knowing what we had for 1977, except the Marauder spirit and two superb coaches. We had no three year returnees, so we struggled into the season with many first year ball players.

On our opener, we met the Glendale Griffins and won impressively, 42-0. The next two games against Norwich and W.C.I. produced little difficulty. Travelling to Huron Park we played a strong game winning 18-1. At C.A.S.S. we fell to a 14-14 tie as the result of over confidence. Yet our record advanced us to the Oxford County finals. On a cold, wet day we met our strongest opponents, Huron Park. Both teams played well but one team had to win. It turned out to be the Pups with a score of 12-6.

The Junior Marauders of '77 lost as the score indicates, but won in an important way. We the young Juniors have learned something very important in defeat that cannot be found without the experience of it.

Appreciation must go to Mr. & Mrs. Molnar for the supper party that they treated us with.

Mr. Stover and Mr. DeVriendt deserve the team's greatest gratitude; for these two men have taught us so much more than just football. THANK YOU again.

There is no one on this year's Junior Marauders with more than one year of experience in organized football. However, we had an undefeated season (five wins - one tie) and only missed the Bowl by a very narrow margin when Huron Park Pups played their best game of the season to knock us out in a cold, wet game on the Glendale field in the Oxford County Final.

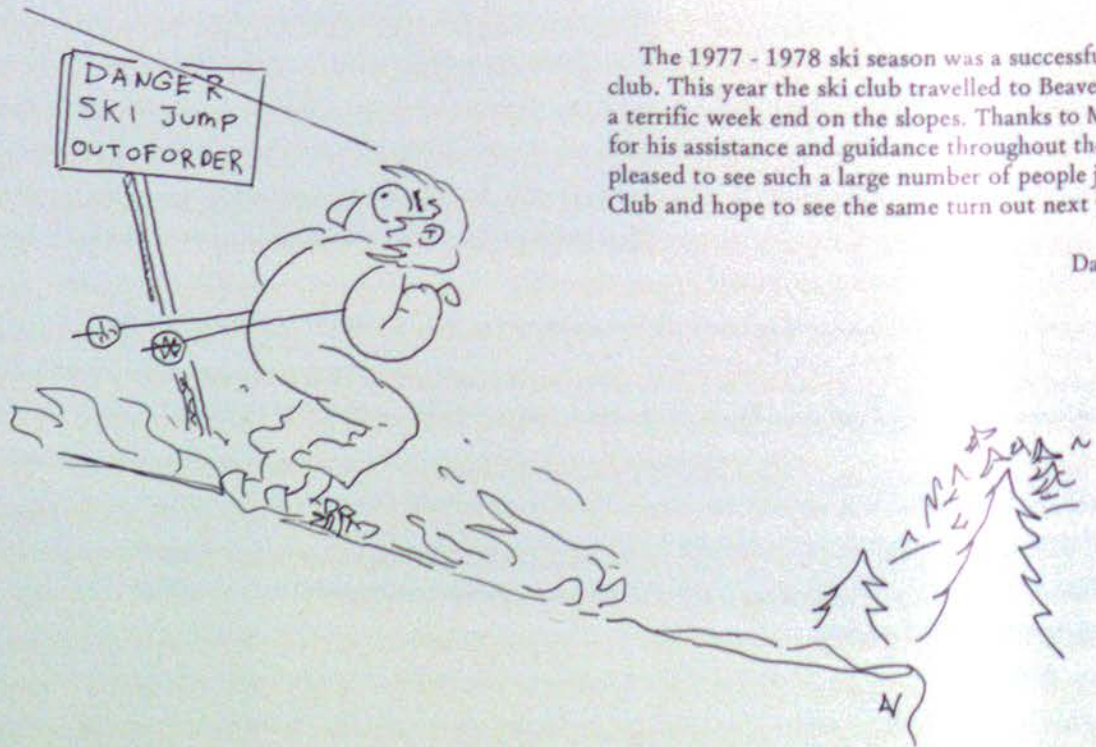

It really bothered us, playing away from home all the time, and we are looking forward to coming home to Annandale next year.

For years, we have commented upon the quality of players that we coach at Annandale. This year, in defeat, that quality was just as apparent as it has ever been in victory. The team received superb leadership from its captains and the team, being very young and inexperienced, worked exceptionally hard, turning what should have been a series of defeats into a championship challenge. If it had not been for injuries to key players, the impossible dream might have come true. However, victory is not nearly as important as the sense of togetherness and concern that this team developed. They emerged as MARAUDERS in the fullest sense of what that word means.

# Ski Club

The 1977 - 1978 ski season was a successful one for the club. This year the ski club travelled to Beaver Valley for a terrific week end on the slopes. Thanks to Mr. Sharp for his assistance and guidance throughout the year. I was pleased to see such a large number of people join the Ski Club and hope to see the same turn out next year.

Dave Demeyer

## Curling Club

The 1978 curling season was very successful. The girls' team finished with a win-loss record of 9 - 1, standing first in Oxford. The boys had a record of 9 - 3, finished second in Oxford. Both teams advanced to Oxford-Elgin, but were unable to qualify for W.O.S.S.A.

Due to Mr. Wilson's determination, many new members came out. Although most of the team is leaving, the club should be very strong in the future. On behalf of all of the members graduating, I would like to thank Mr. Wilson for his interest and dedication.

THANK YOU

### COACH'S COMMENT

Once again Annandale curling teams had a relatively successful season. Best wishes are extended to graduating members - Trish, Patti, Leslie, David, Doug and Larry.

We have attracted a number of grade nine and ten students over the current year. This will enable us to remain competitive in the future.

The most important aspect, however, is that the majority of participants have fun. Hopefully, this will continue into the future.

## COACH'S COMMENT

This year's senior team finished with a very respectable 18-7 record including an 8-4 record in league play. It was a season of near greatness as we suffered some defeats by one or two points in key ball games. We were Consolation Finalists in the Glendale Classic, Consolation Champions in the Saunders Invitational, and WOSSA Finalists. The team played tough ball and were in every game that they played. Mention must be made of our fine playing graduating seniors- Doug Hevenor, Brad Sergeant, Steve Broad, and John Bes, who provided inspiration and leadership through their years at Annandale. I am proud to have known these fine young men who have accomplished so much during their careers in high school activities. The rest of the team will return next year and resume our quest for quality, performance and effort.

J. Donaldson

This year the Senior Basketball team played with confidence and determination en route to a 17-8 win-loss season record. Although we did not retain our All-Ontario championship, we still managed to provide the school with a fine brand of exciting basketball.

In league play we finished with a respectable 8-4 record. Three of our four losses were by four points or less; a one point loss to College Ave. and three and four point losses to our cross-town rivals, Glendale.

During the season, we participated in two tournaments, and we were successful in reaching the consolation finals in both. The Tillsonburg Classic was our first tournament, and in it we suffered defeats to both Clarke Road and Chatam Kent, only gaining one victory which was over Lambton Central. In our second invitational we lost our opening game by one point to the host school, Saunders of London. After our opening round loss we beat Strathroy and East Elgin and returned home Consolation Champions.

The team also competed in WOSSA which was held in St. Thomas at Central Elgin. In our opener we defeated a hustling Regina Mundi team and then in the semi-finals we came out ahead of North Middlesex, allowing us to enter the finals. In the finals, we faced a strong Central Elgin team and after a hard fought contest, we were defeated 44-42. The victory enabled the Titans to advance to the All-Ontario tournament in Acton.

In closing we would like to thank Mr. Donaldson for his time and hard work involved in the coaching of the Senior team. As well, we would like to thank the cheerleaders and fans for their encouragement and support throughout the season.

THIRD ROW: Dan Fulop, Pat Decraemer, Maurice Verhoeve, Mr. Burleigh.  
ABSENT: Archie Verhoeve.

This year we had a lot of size on the Junior Basketball team. With the experience of our two captains, Richard and Rob, we had a very productive season. With their leadership we made it to the Oxford-Elgin final only to be defeated by the Parkside Pups in a hard fought battle. After another week of hard practice we found ourselves in the WOSSA Championships. We had a very close team by now and won WOSSA easily. We would like to thank Mr. Burleigh who was a very excellent coach and also Mr. DeVriendt for the time he spent with us. Our thanks also to the fans that supported us all year.

The Junior Basketball Team

### COACH'S COMMENT

The Junior Boys' Basketball team developed into one of the top teams in Western Ontario. That includes 'A', 'AA', 'AAA'. Their play in WOSSA 'A' championships indicated a poise and a maturity that is the goal of all teams. Had they been as healthy physically in the Oxford-Elgin Championships, there is no doubt in my mind that they would have won that championship also.

Mr. Burleigh

THIRD ROW: Mr. Sharp, Mr. Warnock.

The Midget Marauders had an enjoyable season this year. In league play, we ended up with a 5-3 win-loss record. Our only losses were to W.C.I. and twice to Glendale. In the Oxford County final, we tried to avenge our previous losses, but dropped a hard-fought battle. We also participated in the Purple and Gold tournament in Aylmer. All the Midget Marauders would like to thank Mr. Warnock and Mr. Sharp for their efforts as first year coaches.

Midget Marauders, 1977-78

#### COACHES' COMMENTS

An enthusiastic group of newcomers combined with a number of veterans for a very successful season of midget basketball. The players worked hard, braving the early morning winter cold, and by the end of the season a real sense of being a team had developed. For many it was their first chance to represent Annandale, but their success this season gives us hope for even greater things from them in the future.

FIRST ROW: Chris Kleer, Rita Kish, Kathy McMurchy, Jamie Walker.  
SECOND ROW: Marlene Ross, Lisa Ort, Kathy Vanderhaeghe, Brenda McMahon, Sandy Sutton, Joanne Armstrong, Mrs. MacKenzie.

We have had a good season this year. Finishing third in Oxford County, we weren't able to advance to Oxford-Elgin. We gained a lot of experience as we travelled to an Ingersoll Invitational and also to a tournament at York University. We'd like to thank all the people who assisted in scorekeeping and managing the team, but we'd like to especially thank one person, our coach, Mrs. MacKenzie. At this time, we'd also like to say a special good-bye and good-luck to her in her new school.

Sandy Sutton, Co-Captain.

## COACH'S COMMENT

We finished third in Oxford-Elgin, and we had a lot of fun mixed with hard work. We achieved the unexpected result of having won against each team we played in both Oxford and Elgin counties at least one time. Thanks for a fine season.

**SECOND ROW:** Tracy DeSutter, Kathy Mathews, Sandy Hodson, Sue Berlet, Florentine Matejcek.

Junior Volleyball had quite a successful season this year. The team consisted of many new players. We played Ingersoll so that third place in Oxford County could be decided, a representative was sent to play in Oxford County. We were defeated but the team tried hard and the score was very close. The team would like to thank all their supporters and hope that they will continue to support the team in the future. We would also like to thank Miss Stock for her time and effort.

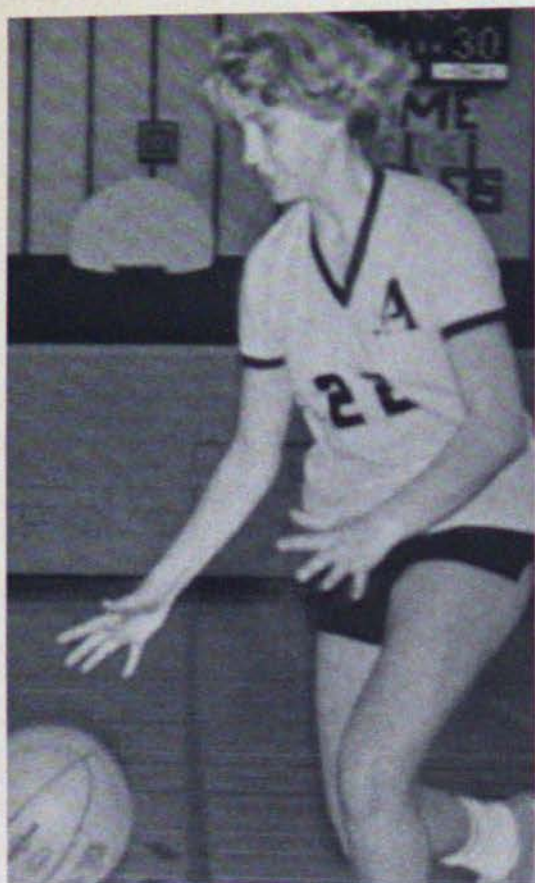

Sue Berlet

## COACH'S COMMENT

This year's junior team began the season as a "green" group more than half were first year players. Nevertheless, within two weeks they were settling into a consistent routine, game after game. The junior division of Oxford was noted for closely-matched competition. Never before had we played as many extra-point tiebreakers. On the final day of competition, we found our team tied for 3rd place in the league. A sudden-death match gave us a narrow victory, and the right to proceed into the finals.

# Track and Field

FIRST ROW: Laurie Payne, Sherry Barber, Joanne Armstong, Carmen VanHove, Tracy DeSutter, Kelly Palmer, Patti Turner.  
SECOND ROW: Mr. Burleigh, Leslie Luciani, Nancy Wylie, Jeannette Weil, Randi Irvine, Kim Zamecnik.  
THIRD ROW: Pam Wylie, Gail Cowell, Carol Verscheuren, Karen Fruetel, Carine Doods, Carolyn Rachar, Florentine Matejcek, Mr. Donaldson.

The Track and Field season was very rewarding as we achieved excellence in many areas. There was a team and caring effort which carried us to the overall Boys' Oxford-Elgin Championship. Individually many of our athletes proved they were of provincial quality.

Mr. J. Donaldson

We are increasing in numbers as well as improving our achievement levels in both girls and boys programs. The overall championship achieved this year was due to the leadership of our senior experienced track and field athletes. It was most rewarding to be associated with them all, both boys and girls.

# Soccer

FIRST ROW: Frank Kovari, Ayaz Chatur, Greg Efstatheu, Greg Efstatheu, Bill Collier, Pat DeCraemer, John Twinem.

SECOND ROW: Mr. Sulkowski, George Ambrus, Les Besenyodi, Steve Broad, Peter Everitt, Ken Craven, John Sergeant, Rick Wolf, Dave Ferrie, Adam White.

The Soccer Marauders experienced a somewhat trying season the past year. Our final record was 3 wins, 2 ties, and 3 losses which put us in a tie for third position in the final standings.

In a season full of many controversies and unsportsmanlike actions, the Marauders continued to display good sportsmanship in true Annandale fashion. We were in contention for a play-off spot for the most part of the season but in the end our play-off drive fell just short.

Our thanks go to Mr. Sulkowski for the excellent job he did moulding the young team into a strong, unified force and improving on our skills.

Although we didn't make the play-offs, the Soccer Marauders displayed the kind of class whether in victory or defeat which any school should be proud of. Since the team was a very young team it looks like Annandale's soccer teams of the future can only improve.

## COACH'S COMMENT

It was another closely contested and hard playing season and unfortunately for the Marauders they were again edged out on the point standing. But off the score sheet they were by far the best soccer team. When it came to playing the game they always expressed desire and good sportsmanship, always fine ball control and team play and lastly always a sincere respect for the game and other players. I was extremely proud of this team. They continued to play soccer under many trying and difficult situations and always left the field with their heads up high. These are qualities of true Marauders and a blessing to stand behind them as a coach. Thank you for the season.

C. Sulkowski

# Gymnastics

Karen Chalk, Diane Dalby, Heather Partlo, Monica Fruetel, Lori Tutt, Carolyn Sandham.

Although this year was not the best competitive year the team has enjoyed, we did have some successes. The team members were Lori Tutt and Monica Freutel in the intermediate division and Carolyn Sandham and Karen Chalk in the junior division. At the Oxford County meet Monica placed third in vaulting and fourth in the floor exercise. Carolyn was eighth on the floor and fourth in the balance beam. Both girls then advanced to Oxford-Elgin competition. In this competition, Monica placed fifth in the vaulting and was an alternate for W.O.S.S.A. Mrs. Moir and I would like to thank Monica, Lori, Karen and Carolyn for their hard work over the year.

- I. Moir

## Badminton

FRONT ROW: Michelle Hall, Heather DeBrabender, Angela Yake, Lissa Wylie, Robyn Hevenor, Ayaz Chatur, Chantelle McCann, Matt Austin.

SECOND ROW: Mr. Sharpe, Kelly Young, Sharon Hutchison, Les Besenyodi, Guy Martin, Barry Booth, Kevin Godin, Laurie Hallows, Miss Dunlop.

THIRD ROW: Kim McMurchy, Lori Cservid, Carolyn Kish.

The Badminton Club had a successful 1977-78 season. Both Junior and Senior teams attended Oxford-Elgin this year. Les, Ayaz, Guy, Kim, Lori, Karen, Angela, Heather, Matt, and Kevin put forth excellent efforts at the tournaments. We thank the other members who turned out Tuesday nights to practise, and also thanks goes to Mr. Sharpe and Miss Dunlop.

## O. A. L. C. Representative

O.A.L.C. (Ontario Athletic Leadership Camp) is an experience any athlete would treasure. My opportunity to attend such a unique camp as O.A.L.C. leaves me with rewarding and beneficial memories.

O.A.L.C. is located near Lake Couchiching. Over 240 athletes are brought together to compete and share the various skills each athlete possesses.

The other girls are fantastic and the counsellors are excellent instructors as well as good friends to all of the girls.

To the girl who will be chosen to attend O.A.L.C. this year, good luck and congratulations!

To be chosen to participate with other athletes from all over Ontario is an honour I owe to Annandale. Thank you. The leadership qualities that I obtained, the athletic techniques that I learned, and the new many friends that I acquired I accept for myself.

Once again, I thank you, Annandale for letting me experience the joy that athletics can offer.

Dale Dennis

This past summer I was very fortunate to have the opportunity to attend the Ontario Athletic Leadership Camp at Lake Couchiching. When I first arrived, I was nervous and somewhat scared because of some of the stories that past representatives relayed to me. I quickly lost these feelings on the first day when I met my fellow campers and our very capable and understanding counsellors.

During the stay all campers were involved in five sports of their own choice, and were instructed by expert counsellors. Although improvement of the basic sports skills was stressed at camp, the improvement of leadership qualities was the main objective. I did gain very valuable and appreciated sports instruction at O.A.L.C., but the relationships created at camp are and always will be most lasting memories of my stay at O.A.L.C.

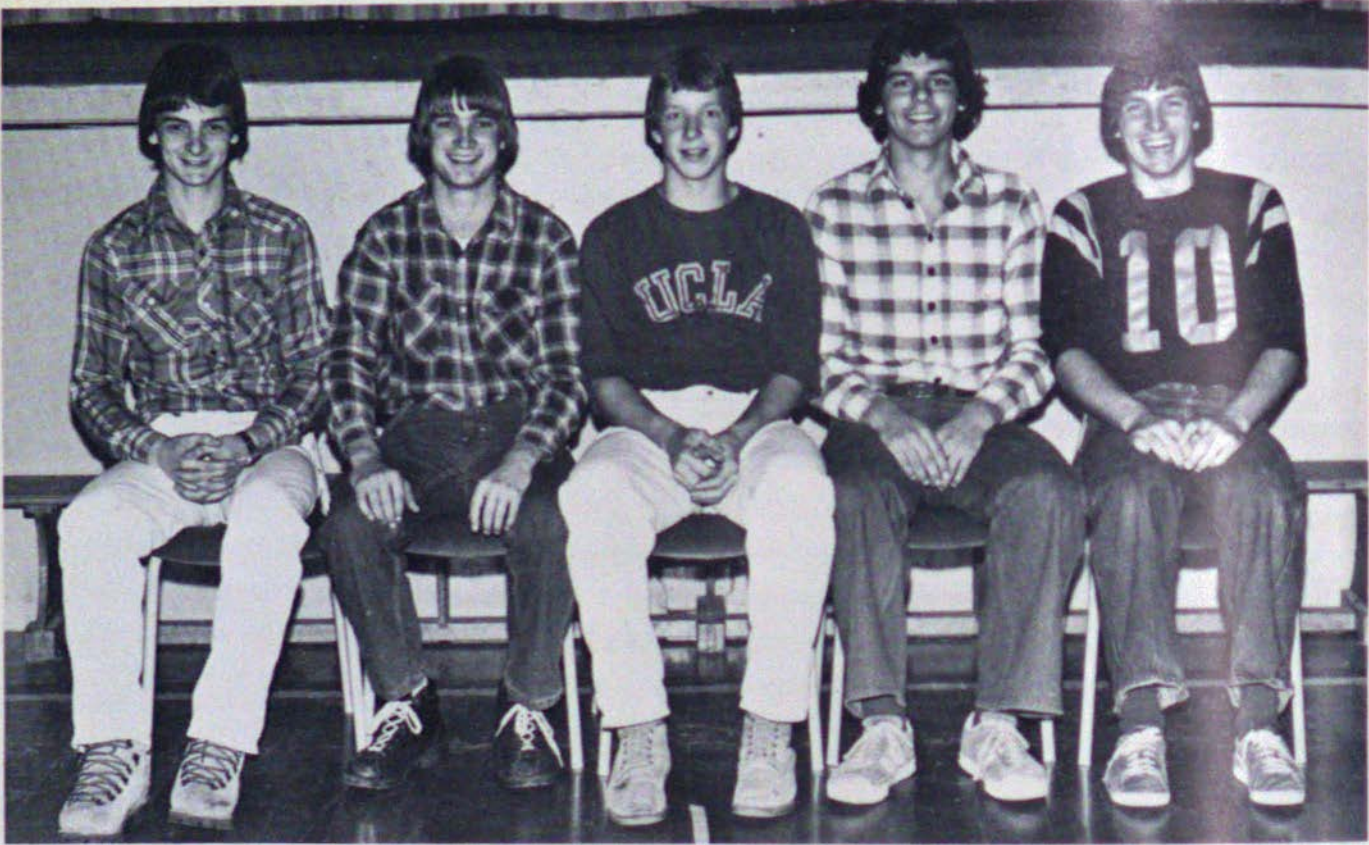

I begin to realize how good human nature is, when I have living memories of people caring together for two weeks and forming such strong personal relationships.

I would like to thank Annandale High School for sending me and for giving me this once-in-a-lifetime opportunity which I will always remember.

Glen Gilvesy

## **Time to make up your mind**

You're ready to take on the world. Looking around for the right spot. And you want to be sure in your own mind that you're making the best decision.

We're looking for people who can make decisions; who like to tackle problems and come up with the right answers.

We believe a job well done deserves good pay and we pay for performance.

Come and talk with us.

# Which is your most useful book?

We think it might be a little blue one with a Bank of Montreal M on the cover. It's the book that means you are planning for the future. We'd like to help you with your plans. So, if you have any money questions (or even if you don't), come in and ask us about the useful little blue book.

Let's talk!

Musical Instruments

"I am a farmer, I live by the sea, my family and me. Age 25 Virgo, Gemini rising moon in Cancer.

MUSICIAN: Music is the vehicle in which you drive around a feeling.

VOCALIST: Voice is the free instrument, the unlimiting factor.

WRITER: I have a shelf full of good dusty songs. My latest tune is invariably the best. I can't relate to myself in terms of adjectives.

PERFORMER: A performer is a catalyst, an axis for the listener's energies.

CANADIAN: It's a fine country, still fairly free. With care we can keep it free. We are not being careful now - I've been at this for eight years, writing, playing, winning, losing, looks like it's my life."

"The Indians, first seeing in us their lost white brothers who would establish the universal pattern of creation, had then projected onto us the causes of our universal failure. We in turn projected on them our own fears of the mysterious spirit-of-place of the new continent and of the inimical forces of nature within us. So it was that we both, the red and the white, project upon each other the repressed dark shadow of our dual nature, bringing forth the tragedy of America."

## THE ORGAN LOFT

21 Brock St. E. - Tillsonburg  
LOWREY ORGANS  
SALES - SERVICE - LESSONS

1. In the beginning man created God; and in the image of man created he Him.
2. And man gave unto God a multitude of names, that he might be Lord over all the earth when it was suited to man.
3. And on the seven millionth day man rested and did lean heavily upon his God and saw that it was good.
4. And man formed aqualung of the dust of the ground, and a host of others listened unto his kind.
5. And these lesser men man did cast into the void. And some were burned; and some were put apart from their kind.
6. And man became the God that he had created and with his miracles did rule over all the earth.
7. But as all these things did come to pass, the spirit that did cause man to create his God lived on within all men: even within Aqualung.
8. And man saw it not.
9. But for Christ's sake, he'd better start looking."
