WASSER

Tatler 1980

**Annandale H.S.
Tillsonburg**

**This year the Tatler is
dedicated to our past ...**

Traditions that were.

Editor's Message

Over the past year, the Tatler has come to mean a great deal to me - not only the book itself, but the people who worked on it with me. A lot of work has been put into this finished product. The work that was done in Room 30, however, was the easier part of the job. The hard part was chasing down the people who were supposed to be handing in comments, pictures and ads. However, as I am writing this, almost everything has been handed in and we are nearing our final few pages. (We've already missed our final deadline.)

Assembling the yearbook requires a lot of workers and work hours. I wish to thank everyone who came out to help. Some people, however, deserve special thanks.

Kelly Everitt, Laurie MacFarlane and Lori Graves not only worked hard after school hours, but Kelly came out after school was over for the year. Their conscientious work was

really appreciated.

I would like to thank Mrs. Carmichael's typing class. They helped us meet a deadline when there was still a lot of typing left.

Also, thanks are extended to Mr. Sulkowski's art students and the English students who submitted their works for the Arts Section.

Lori Ormerod deserves sincere thanks. She worked long and hard on the advertising campaign. She arranged it well, so that everything could get finished in the approved time. Thanks also to her advertisers.

The Camera Club is a very important part of the yearbook. Pictures are always needed to complete the book. I would like to thank the photographers for the pictures they gave us. However, one photographer deserves special praise - Mike Fruetel. Mike put up with my constant bugging and bitching. He took and developed pictures whenever we needed them. He was there when the others failed to be. We couldn't have finished the book without him.

The Tillsonburg News was also essential to our success. Many times I ran over there to get pictures and information to complete a section. Thank you for caring enough to help.

Thanks to Mr. Pellizzari for managing our money so well. He not only helped us, but he worked with Lori on the advertising campaign.

Not so much thanks as appreciation is due to Robyn and Teresa. When it is a matter of getting things done, I can become quite bossy. I appreciate them putting up with me and my ways. I think we've managed well and have come out of the job better than we went into it.

Finally, I would like to thank Mr. Stover. When Robyn, Teresa and I accepted the job as editors, Mr. Stover was not sure he would be returning as advisor this year. When he did, we were very relieved. He knew all the tricks of the trade and passed them on to us. He was always there to encourage us when we were ready to give up. Thank-you.

In closing, I would like to congratulate all the graduates leaving Annandale and to wish the staff who are leaving Annandale the best of luck in the future. Good luck Annandale on the new program next year and thank-you for five good years.

Editor's Message

Thinking back over the years I have worked on the Tatler gives me a feeling of nostalgia. All the memories I have from working on the yearbook are valuable ones.

However, worrying about the deadlines that were to be met and troubles of getting pictures and articles are the problems we faced this year. Our reward is to see the finished effort and the satisfaction of everything that we have learned from our jobs.

The people I have come to know by working with the Tatler have meant a lot to me over the years. I will always remember my time spent working with them.

This year Leigh, Teresa and I have had to face the task of being the co-editors. It seemed as though there were many times when none of us knew what we were doing but we managed, especially with the help of Mr. and Mrs. Stover. I have enjoyed my time working with these people and grew dependent on their skills.

Leigh with her way of making everything look good and her great concern for this book must be praised as a good working partner and friend.

Teresa was the person who most often saved us from missing deadlines because of her typing skills and efficiency. Also, Teresa, thanks for putting up with me; you've got a lot of patience.

Mr. and Mrs. Stover were two people who really held this year's Tatler together by their concern and guidance. I would like to give a special thanks to Mr. Stover; if you don't stay with the yearbook its chance for lasting many more years is slim.

Two other very special people who put a great deal of hard work into our Tatler have been Mr. Pellizzari and Lori Ormerod. These two make a fine pair as the heads of Tatler advertising. Their dedication is what we need more of by the people of Annandale.

Mike Fruetel saved us when we needed pictures the most. Sacrificing time and putting up with the three pushy co-editors makes Mike's job especially appreciated. I would also like to thank Rob Clark for his contribution as a photographer. Rob, please continue helping the Tatler next year.

Since this message is becoming longer than I had expected I will end by giving another special thanks to everyone who helped with this year's Tatler. I am relieved to see more people from the younger grades become involved; they can hopefully carry on the tradition of the Tatler.

Good luck, Teresa.
Co-editor, Robyn Hevenor

Editor's Message

After another year of hard work, the 1980 Tatler is almost completed. Most of you probably don't realize how much effort, how much time and how many people it took to put together this yearbook. I am very thankful to all those who spent their spare time up in Room 30 helping to put this book together.

First, thanks to my co-editors, Robyn and Leigh. Without them, there couldn't have been a 1980 Tatler.

We couldn't have a yearbook without pictures. Thanks to the camera club for all the pictures they contributed, and especially to Mike Fruetel, for his excellent photography. He spent a lot of time taking and developing pictures; helping whenever asked so that we could have pictures when they were needed.

Thanks also to the Tillsonburg News Office. They put up with our constant pestering for pictures.

Thanks to Kelly Everitt, Lori Graves and Laurie Macfarlane, who gave up other activities in order to give us their much needed help. Their efficiency and reliability made things a lot easier. It's comforting to know that these people will be here again next year to help with another Tatler.

Thanks to all those people who, although they didn't get involved during the year, came in to help after the school year was finished. This help was greatly appreciated and I hope to see these people out to work on next year's Tatler.

Lori Ormerod was in charge of Tatler Advertising this year. She did an excellent job and I am deeply grateful to her. Without this advertising, there would be no Tatler.

Mrs. Carmichael and her typing class gave us a lot of help by typing out pages for us. They saved us many hours of typing. Thank you.

Thanks to Mr. Sulkowski and his art students for the artwork they contributed to the Tatler. Thanks also to the English teachers and students who gave us poems to be printed in the Tatler.

Thanks to Mr. Pelizzari and Mrs. Stover for the time they spent at school helping us.

And last, but not least, thanks to Mr. Stover for all the time he put in helping us, when he could have been doing other things. He never got mad at us for forgetting to do something or for doing something that we shouldn't have done. He was always there when we needed help. Thanks for putting up with us.

Teresa Baxter

... from the Staff Advisors

The only fact that one can be certain about when he starts in to thank a large group of people is that someone will be omitted. However, that cannot be helped and we must at least make the effort because the people mentioned below (and those missed), made the book possible.

Leigh Graham gave us leadership, discipline and determination this year. Without her, we would never have met a deadline or have completed the Tatler.

Robyn Hevenor has worked on the Tatler since Grade 9. Her concern, her involvement and her sensitivity gave a quality to this book that could not have been achieved without her.

Teresa Baxter, who will be Editor-in-chief of the 1981 Tatler, gave us all a sense of dedication and continuity. She worked at every aspect of the book from advertising to layout, from sales promotions to typing.

To our three co-editors, our sincere thanks.

Lori Ormerod brought a sense of order and discipline and a personality which thrives on hard work and challenge to her position as Business Manager. The Tatler has become big business as total expenditures top \$8,000 each year. Once again, Tillsonburg and the surrounding communities supported us generously. However, it was Lori and her organization and effort that made the book financially possible.

Many thanks for a job well done.

All the students who worked on advertising or editorial portions of the 1980 Tatler - it is more yours than anyone else's.

To Mr. John J. Lessif owner-manager of McDonald's who aided us in our sales promotions - thank you!

To Doug Smith, Jim Hevenor, Kathy May and Karen Monck and to their bosses at the Tillsonburg News - Bill Pratt and Chuck McKnight - thank you for all the pictures, and all the time and all the annoyances that you put up with so acceptingly.

To Mrs. Carmichael and her typing classes our appreciation for helping us through a difficult time.

To the Staff and Administration - our apologies for any inconveniences and our thanks to those who helped with names and write-ups without having to be reminded three or four times.

To everyone who bought an advertisement - THANK YOU ... this is the best community in Canada. It really does care about its kids.

To those who bought a TATLER - 1980: We hope you enjoy it.

Principal's Message

R.R. MacKenzie

What's in a name? A lot of people here at Annandale would say "Plenty", and rightfully so. Many years and considerable effort have gone into the development and cultivation of this school's names and traditions, and many from among you, because of integration, are concerned that all that has been built up over the years will be lost.

Of late, we have heard a lot about the "Last of the Black". Certainly it is true that the black will no longer stand alone as it has in the past. Beginning this year, as you are aware, it began to stand proudly alongside of the green of our cross-town friends and long time rivals. What has happened, in my estimation has been outstanding.

As I look at the marks of our graduating students, it is evident that they have remained on a high level. Our clubs have continued to be active during the initial period of the integration changeover, and our teams have excelled on both the field and the court. Certainly we could not have hoped for a better conclusion to the "Marauder-Panther" era.

Even while the "Black" was putting the final touches on its impressive thirty year career, the Black and Green was making an auspicious debut. I honestly believe that those of you who are returning know enough about what the traditions are all about to see that they are carried forward under the new "Gemini" banner.

It is my hope - indeed my expectation" - that the best of both schools will be retained and utilized as a jumping-off point for even bigger and better accomplishments. The ingredients are there. The challenge is yours.

Vice Principal's Message

Mr. G. Hagerman

Once again another group of young people has passed through Annandale. In some ways they are a special group. They have launched the integration programme - both academically and athletically. This programme, although not terribly revolutionary, is unique in Ontario. I hope that this was just one of many new experiences that Annandale provided for its students.

One of the most important things, I believe, for secondary school graduates to remember is that graduation is merely the beginning. Whether you are continuing to higher education, entering the world of work, or travelling, the future holds many exciting experiences for you. Don't be afraid to taste these experiences and continue to grow as a person. If you do, then Annandale has done its job well.

A Message From the Director of Education

Mr. J. Young

When one considers the value of education in the waning years of the twentieth century, it seems appropriate indeed to consider the old parable of the talents, a story which most of us learned as small children.

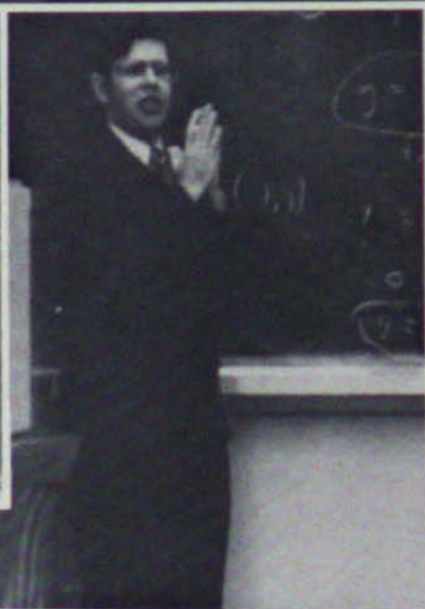

How does it apply? Look around you! Listen to the words of many a cynic!

Yes, there are people who possess a B.A. and are driving cabs or washing dishes. Yes, there are people who can say with a degree of accuracy that some of the biggest fools they know are educated individuals.

Education of itself is often over-rated. If it is buried like the talents in the Bible, it cannot be effective in your life. If indeed you have a warehouse of facts but don't know how to put them to use in the world, you are well on the way to becoming one of those educated fools.

It is my sincere hope that when students graduate from Annandale High School, they realize fully that education is only a key to open doors. It is not a guarantee of anything by itself. Once the doors of opportunity are opened, many factors will determine your success in life. What you make of yourself will depend upon the characteristics you have developed in the pursuit of your educational diploma. Hopefully, your credentials may be accompanied by some of the crucial determinants for a successful life - ambition, integrity, humanity, dependability, and flexibility. In that way, your "talents" will be invested and reap dividends for you in the lifetime ahead.

To Mr. Hall With Love

There is no good way
to say Good-bye to a
Friend.

Miss Dean

After teaching business courses at Annandale for years, Miss Dean is retiring. As she was an excellent teacher, we are sorry to see her leave and wish her the best of luck in whatever the future brings her.

Miss Swance

As "the nice lady in the cafeteria" who didn't get angry with us when we held up the line for ten minutes trying to decide what we wanted for lunch, or when we paid for a \$1.50 lunch in nickles and dimes, Mrs. Swance has made many friends in her twenty-seven and a half years of feeding the constantly hungry students at Annandale. We are sorry to see her go and wish her a happy retirement, and good luck wherever her future plans take her.

Mr. Grose

As the environmental science teacher at Annandale, Mr. Grose has been like "Father Nature" - taking the students on field trips and teaching them everything there is to know about nature. We hope that he will feel much better after his year's leave of absence and we will look forward to his return in 1981-82.

Mr. Casey

Although he didn't play a large part in extracurricular activities while at Annandale, the students will miss Mr. Casey greatly as our shop teacher. He has decided to leave Annandale to accept a teaching job at Norwich and we are certain the students there will like him as much as we did. Good Luck!

Mr. Hagerman

Mr. Hagerman, after two years as our vice-principal is leaving for a year's leave of absence. We, at Annandale, wish him good luck in the future and are sorry to see him go.

Mrs. Brown

After teaching at Annandale for five years, Mrs. Brown has decided to take a year's leave of absence. We hope that she will come back to Annandale after this time.

Mrs. Morrison

After teaching for only one year at Annandale, Mrs. Morrison is leaving to teach at Norwich. We would like to wish her luck and happiness in her new job.

Miss MacKenzie

Miss MacKenzie was here at Annandale for only a short time. Although we did not get to know her well, we were sorry to see her leave.

Mrs. Balpataky

We at Annandale would like to thank Mrs. Balpataky for filling in for Mrs. Schulze during her absence. She came when she was needed and we appreciate this.

Dreamer of Dreams

We are all of us dreamers of dreams,
On visions our childhood is fed;
And the heart of the child is unhaunted, it seems,
By the ghosts of dreams that are dead.

From childhood to youth's but a span,
And the years of our life are soon sped;
But the youth is no longer a youth, but a man,
When the first of his dreams is dead.

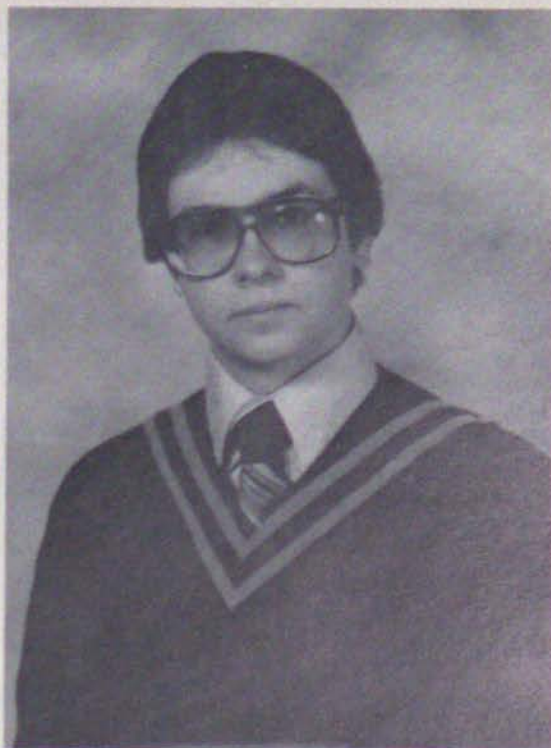

'Tis a cup of wormwood and gall,
When the doom of a great dream is said;
And the best of a man is under the pall,
When the best of his dreams is dead.

He may live on by compact and plan,
When the fine bloom of living is shed;
But God pity the little that's left of a man
When the last of his dreams is dead.

Let him show a brave face if he can,
Let him woo fame or fortune instead --
Yet there's not much to do but to bury a man
When the last of his dreams is dead.

William Herbert Carruth

Valedictory Address

John Popham

Mr. Chairman, platform guests, teachers, graduates, parents, ladies and gentlemen:

The following speech was not written entirely by myself; every graduate tonight contributed to this speech in one way or another. The majority of this advice came in the form of three small words. These words are "Don't be boring" and with this valuable advice, I will continue.

"Pleasure is something you take out of life, happiness is sharing." Annandale High School has taught all of us to share. The sense of sharing in this school has blossomed since our arrival in grade nine. Coming into grade nine, we were all nervous and anxious to see what awaited us in high school. We soon became part of the school, learning traditions and becoming involved in its activities. Needless to say the nervousness soon disappeared. With these experiences we were all part of a sharing community within our school.

Our teachers, seniors and peer group were all influential to us. To experience this sense of sharing, we all had to participate within the school. We found the more we participated (be it in the classroom, on the playing field or within the halls) the more prepared we were for later in life. This preparation helped in later years at Annandale, and now at university, college and in the working world.

These years we were constantly around and with people and every project, game or expedition was a group effort. Now, with new environments facing us and new challenges to be met, we find we are expected to be more self-sufficient. Annandale has prepared us to accept and overcome unfamiliar situations.

Although we now find we must rely more heavily on our own resources, the spirit and closeness we experienced throughout high school have not left us. Annandale gave us not only confidence as a group, but confidence in ourselves. It is said "Even on the right track you'll be run over if you just sit there." The graduates of Annandale High School are not sitting in any one spot but sharing and participating in our community today. This can only help improve the lives of people besides themselves.

On behalf of the Graduating Class of 1979 I would like to thank Annandale High School for preparing us for later on in life by stressing sharing and participation. We will always be grateful.

Thank you,
John Popham

**Our Prom Queen
Karen Ross**

I am a Rotary exchange student from Kanazawa, Japan. My home city Kanazawa has 400,000 people and we have the old castle and a famous park which is called Kenroku Park.

I came here for one year and I stayed with Mr. and Mrs. Benner, Mr. and Mrs. Sergeant, Mr. and Mrs. Morphey and Mr. and Mrs. Moore.

Everybody says, "It wasn't a cold winter", but I thought it was cold. Halloween, Thanksgiving Day and Easter were first time for me and they were fun. I liked pumpkin pie very much. I liked five days of school instead of six days of school. At my school I have to wear uniforms and the girls are not allowed to wear jewellery and make-up. We wear the same style after school. Clothes are less expensive in Canada.

I found that Canada is bigger than I imagined. In Japan we don't have big farms.

We have a McDonalds, Kentucky Fried Chicken, Mr. Donut and Dairy Queen in Japan. In my country we eat a lot of rice and seafood. I found a lot of different ways of cooking. I liked baked foods which we don't have in Japan.

Music is almost the same as here and my people like American music.

I was in the band at Glendale and I enjoyed playing in it.

I had a great time in Canada. (Tillsonburg) I'd like to come again.

Poetry is
a poem.

Poetry is
a ballad, sonnet, opera,
limerick, lullaby
or nursery rhyme.

Poetry is
a

Is This Life?

I walk along the stone-studded beach
With the water lapping at my feet,
And the wind kissing my face.
Is this life?

I walk through the country-side
With the birds flying so high,
And the trees billowing with pride.
Is this life?

I walk through the meadows green
With flowers not often seen,
And watch the colts frolicking.
Is this life?

I drive through the big town
With the roof of the car down
And the factories pouring out scum.
My lungs fill with pollution,
And my heart cries out
"This is life!"

Canada: The Land

Men have been this way
and gone again
leaving no trace of their presence.

The land - it exists.
It always has.
Eons-old, it exists:
tree-shrouded,
dark, mysterious,
cloaked in mist.

The men come, but it defies them.

The forest-floor, cool and
deep beneath
the trees, those forest giants,
the pillars straining to touch
the sky-blue ceiling.

Fern and moss and earth and shadow:
elemental things.
And the denizens of the forest, they are
here: muted, hidden - but here.

It is the forest, the deep, dark Canadian forest,
the land:
a thousand million years old.

It will still be here when we
and our kind
have met our destiny.

Dave Stover

In Its Waters

Bright sunlight reflects
off the surface of the stream.
In its waters I see Canada:
B.C.--a mystical forest;
Prairies--a vast blanket of golden wheat;
Territories wild
as the Arctic wind;
The rocky east coast,
sculptured by angry seas.
In the centre of this great land--
a deep dark forest, full of mystery
and wonder.
This is Canada.
And part of it is mine.

Spring in the Woods

The spring is tender in the woods today.
The sky an arching bow from rim to rim
Above an April world. And birds convey
A brilliant message from each greeny limb.
The flowering trees are little puffs of light,
Against the rich green velvet of the grass.
The April morning opens to invite
Wild flowers out along the way I pass.
Filled with new life, the trees stretch arms to pray,
In the spring that is tender in the woods today.

Loneliness

Voices fill your life with fun
You're part of one big group.
A few hours later, the party's done.
You're left with stillness.

A feeling comes over you
You're all alone, no one else.
Can this really be true?
You feel so lonesome.

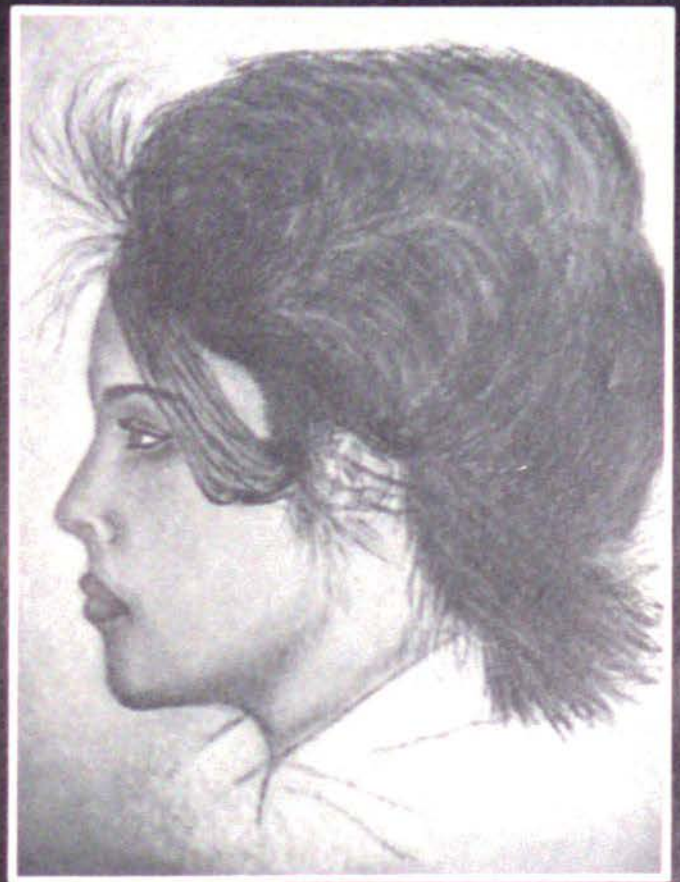

You walk around the block
Every person has someone else
They're happy every minute of the clock.
You're left alone with nobody.

The telephone rings, not for you
There's a knock on the door, no one.
The television looks good, it's all bad news.
The radio sounds dull and melancholy.

What's left? Everything's gone.
You retire to your room
And cry until early dawn
Will this turn out the same today?

Deb Adamson

A long, stretch of warm, soft sand
 lay before my eyes.
 Refreshing, clear water
 Sparkles before my eyes.
 People
 Old men and women,
 Young boys and girls
 relaxing in the soft sand
 and
 Splashing in the clear water
 before my eyes.
 Talking, screaming and laughter
 fill my ears.
 Actions of excitement and relaxation
 fill my eyes.
 Happiness, love and understanding
 fill my mind.

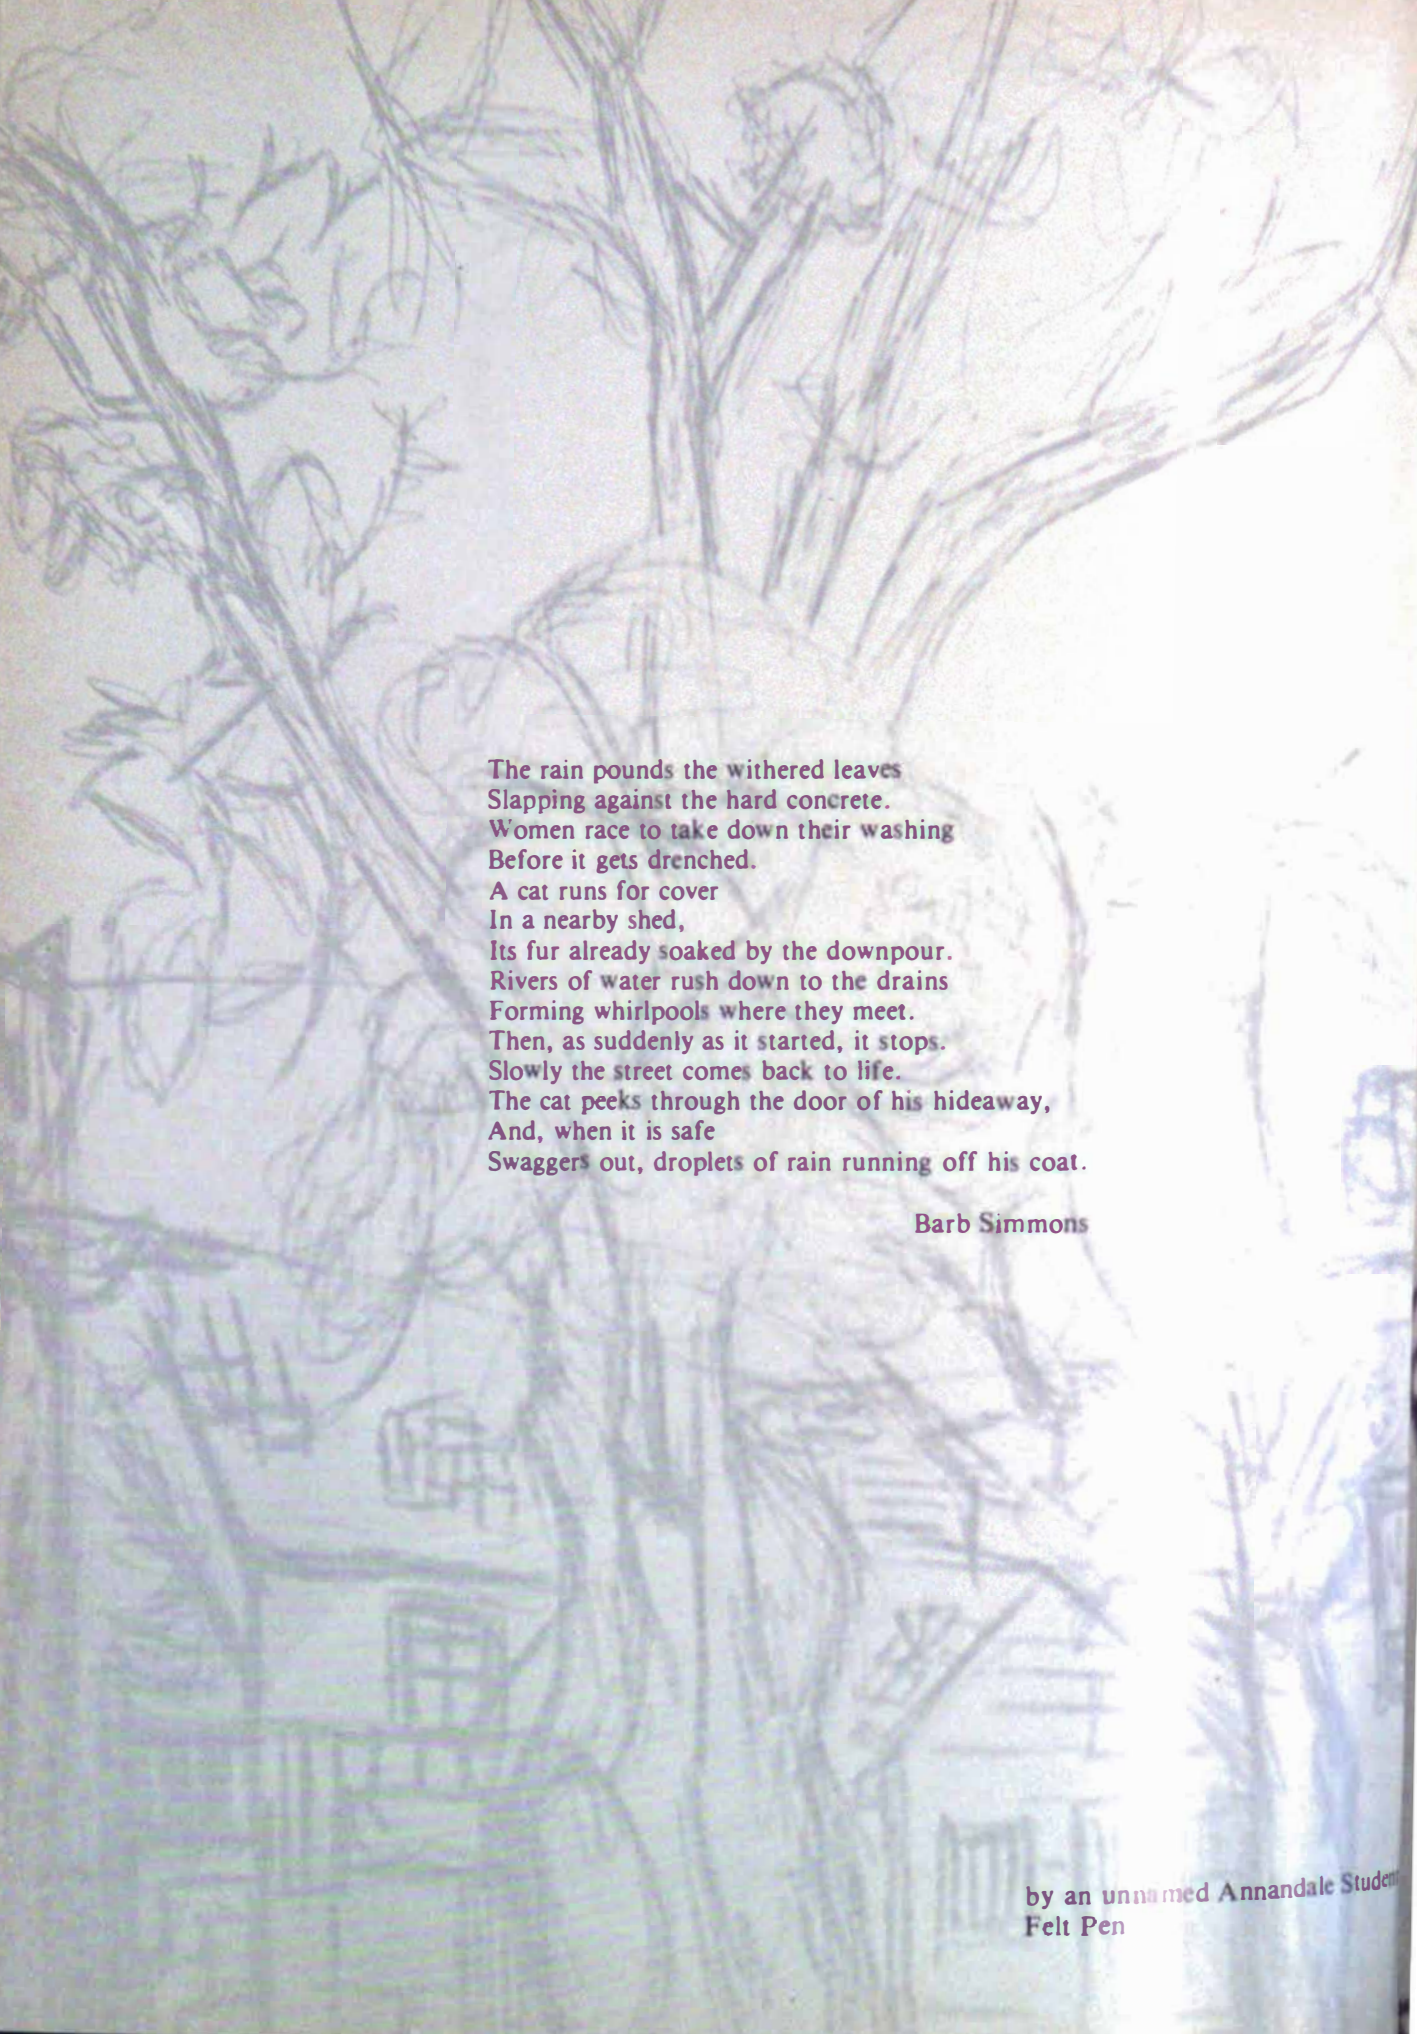

Dave Wong
Pastel

I too join the crowd,
 Getting the same enjoyment as the rest.
 The round, hot sun must be the reason.
 It has magical powers; rays of joy
 Which penetrate through everyone
 But not forever.
 The sun slowly fades away
 And so do the people.

Brilliant colours
 appear
 Portraying a picturesque
 landscape.
 Only for a while.
 A beautiful,
 peaceful
 tranquil
 while
 You understand this and
 take in all you can.
 Then it's gone.
 Not for long
 I'll remind you,
 For taking the sun's
 place is the
 round,
 white
 moon
 Contrasting with the
 dark,
 black
 sky.
 Again the mood
 appears and the
 night life
 begins.

Florentine Matejcek

The background of the page is a light-colored pencil sketch. It depicts a street scene with several trees on the left side, their branches and leaves rendered with fine lines. In the lower portion of the sketch, there are outlines of buildings or houses with windows. The overall style is delicate and artistic, typical of a student's drawing.

The rain pounds the withered leaves
Slapping against the hard concrete.
Women race to take down their washing
Before it gets drenched.
A cat runs for cover
In a nearby shed,
Its fur already soaked by the downpour.
Rivers of water rush down to the drains
Forming whirlpools where they meet.
Then, as suddenly as it started, it stops.
Slowly the street comes back to life.
The cat peeks through the door of his hideaway,
And, when it is safe
Swaggers out, droplets of rain running off his coat.

Lord, is it wrong?

Lord, is it wrong to fear my future,
To forget about my past,
And play with the present,
As if it will last forever?

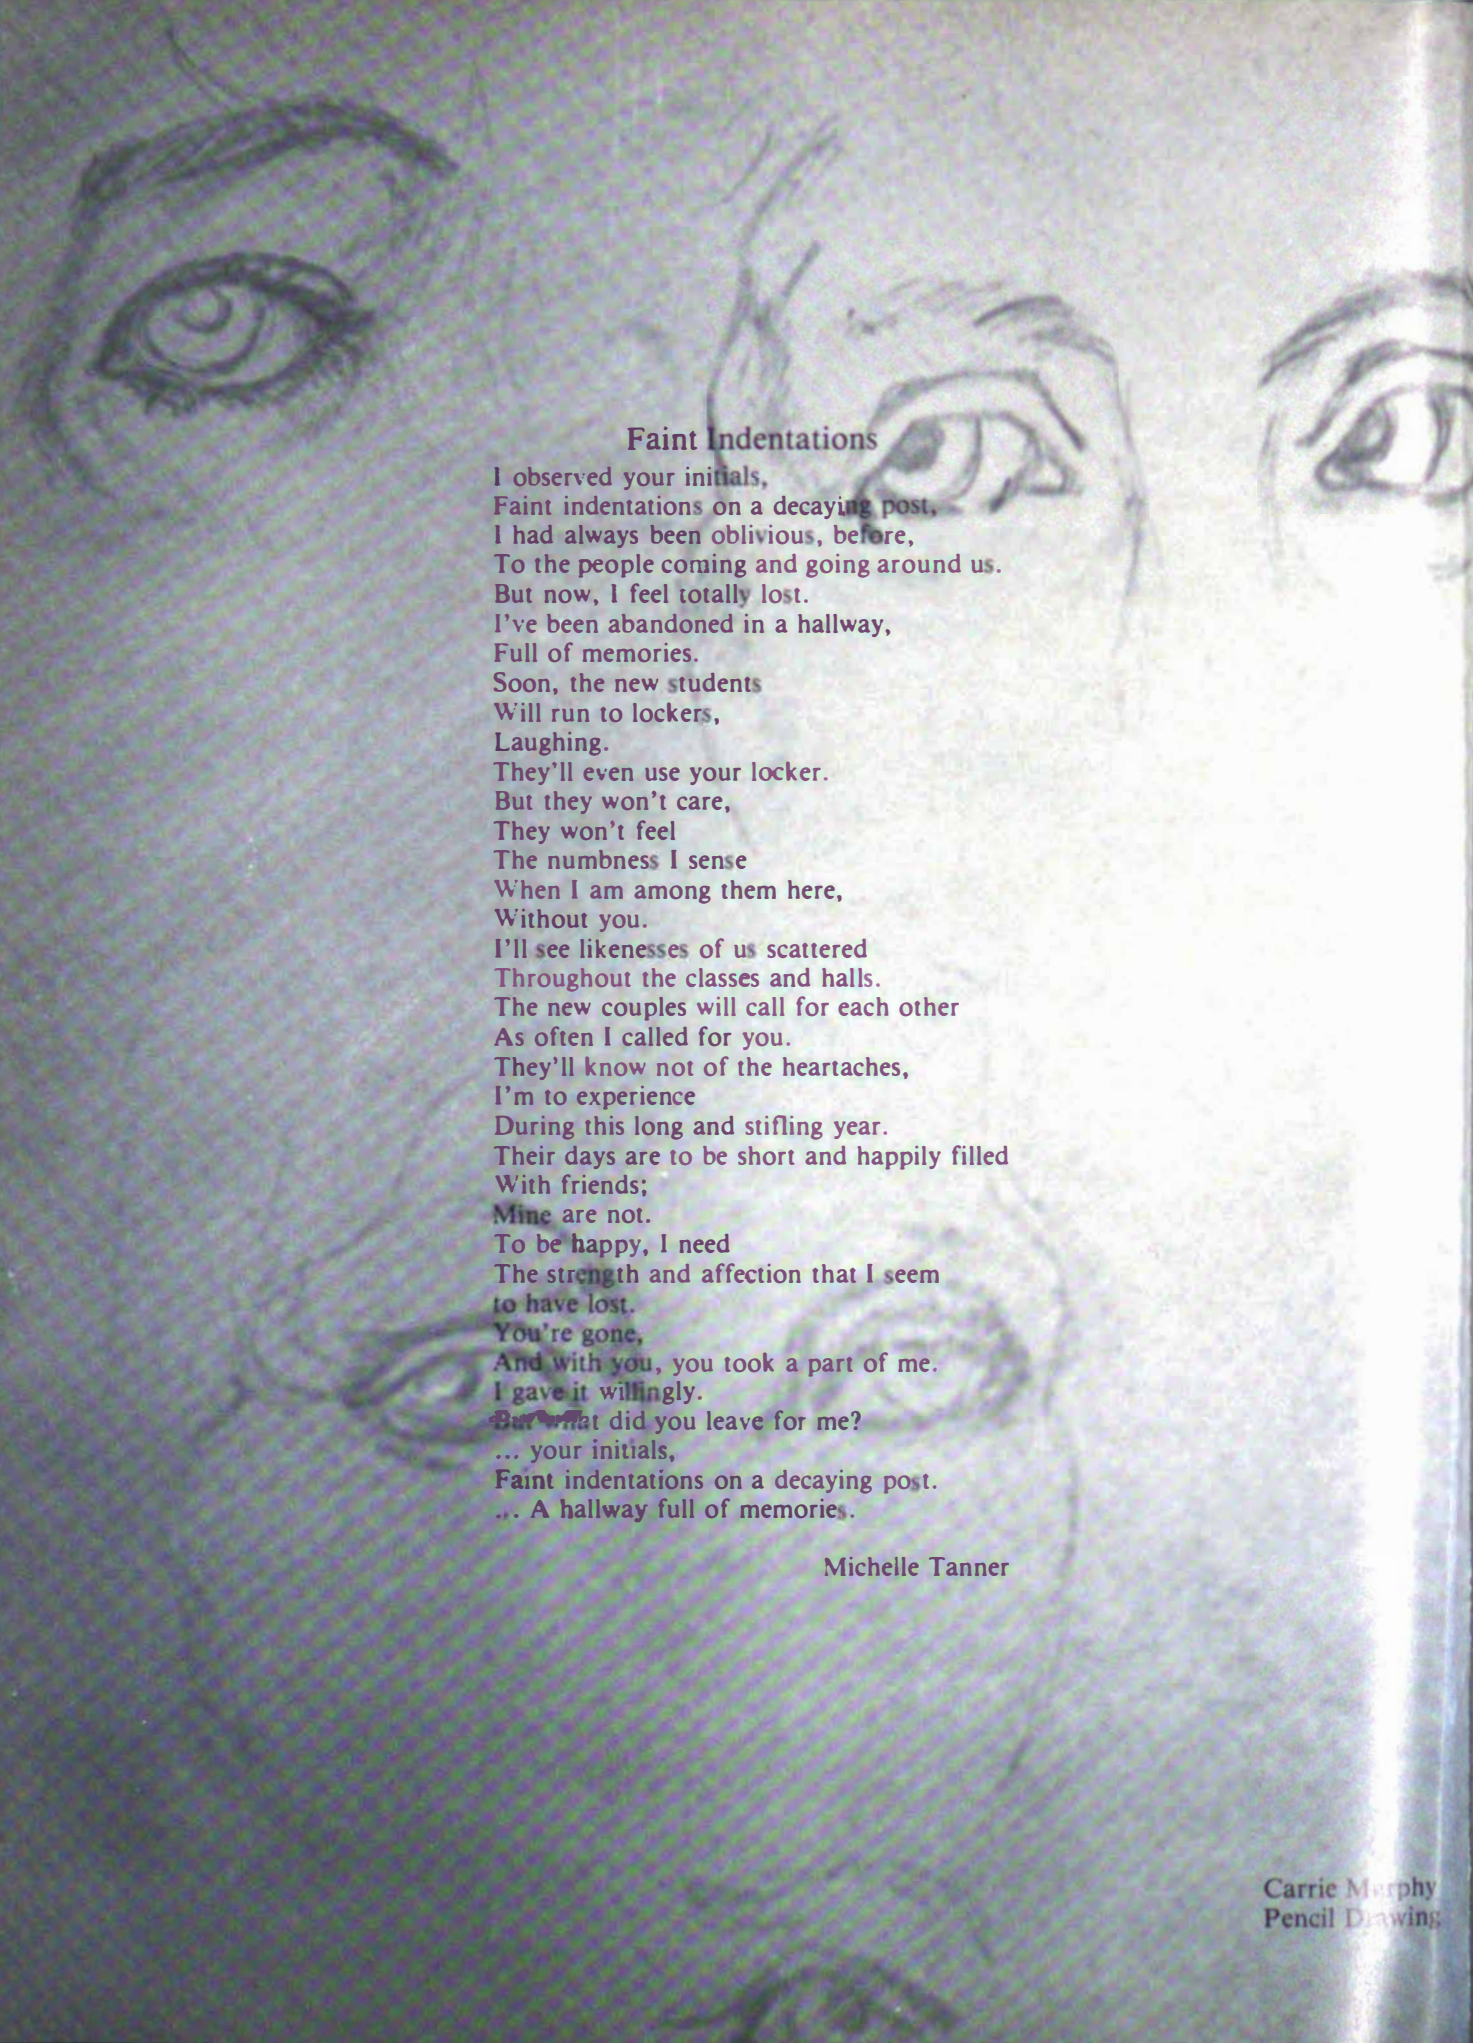

Lord, is it wrong to want to leave
And be on my own,
For my desire for independence
And, hopefully, newly gained respect?

Lord, is it wrong to want so many things,
When youth is here
And ambition takes over common sense
Which beats us to the winning point?

Lord, when is wrong righter than right?
Could it be when the moon is full?
For if it is, then I'll be awake
To make sure all my wrongs turn to rights.

Faint Indentations

I observed your initials,
Faint indentations on a decaying post,
I had always been oblivious, before,
To the people coming and going around us.
But now, I feel totally lost.
I've been abandoned in a hallway,
Full of memories.
Soon, the new students
Will run to lockers,
Laughing.
They'll even use your locker.
But they won't care,
They won't feel
The numbness I sense
When I am among them here,
Without you.
I'll see likenesses of us scattered
Throughout the classes and halls.
The new couples will call for each other
As often I called for you.
They'll know not of the heartaches,
I'm to experience
During this long and stifling year.
Their days are to be short and happily filled
With friends;
Mine are not.
To be happy, I need
The strength and affection that I seem
to have lost.
You're gone,
And with you, you took a part of me.
I gave it willingly.
~~But what~~ what did you leave for me?
... your initials,
Faint indentations on a decaying post.
... A hallway full of memories.

Michelle Tanner

That special way you say 'hello',
The way you smile when you see me,
The sparkle in your brown eyes.
The crazy way you tease me
And tickle just where it tickles the most.
The things you do
Just for me
Make me feel special.
You touch me gently, with love.
You care about me the way I am,
And love me for myself.

Painted Painter

Sadly painted.
As others force him to smile.
He leans against the wall.

Slowly,
with unnecessary ease,
he moves into the
crowd.

A lonely man
painted as a clown,
he makes others laugh.

But laugh to himself
he does not, for he cannot
smile in
reality.

The Mennonites

In horse and buggy
They come to town.
A people from a different culture,
A different time,
Dressed in black and grey.

So solemn.
So serious
Are they happy
Living in simplicity?

Our culture meets with theirs

Transacts
And sometimes
Tries to assimilate.
But they remain alone,
Untouched
And somehow, unworldly.

But in their world
They have our problems, our joys, our sadness.

They are different
And yet the same.

The Needless Death

I look down on my life below,
To watch the tears that overflow.
People come from far and wide,
To sympathize my suicide.

Why do these people sympathize?
I'm happy now, 'tis they that cry.
They bring me flowers when I am gone,
But when alive, they just pass on.

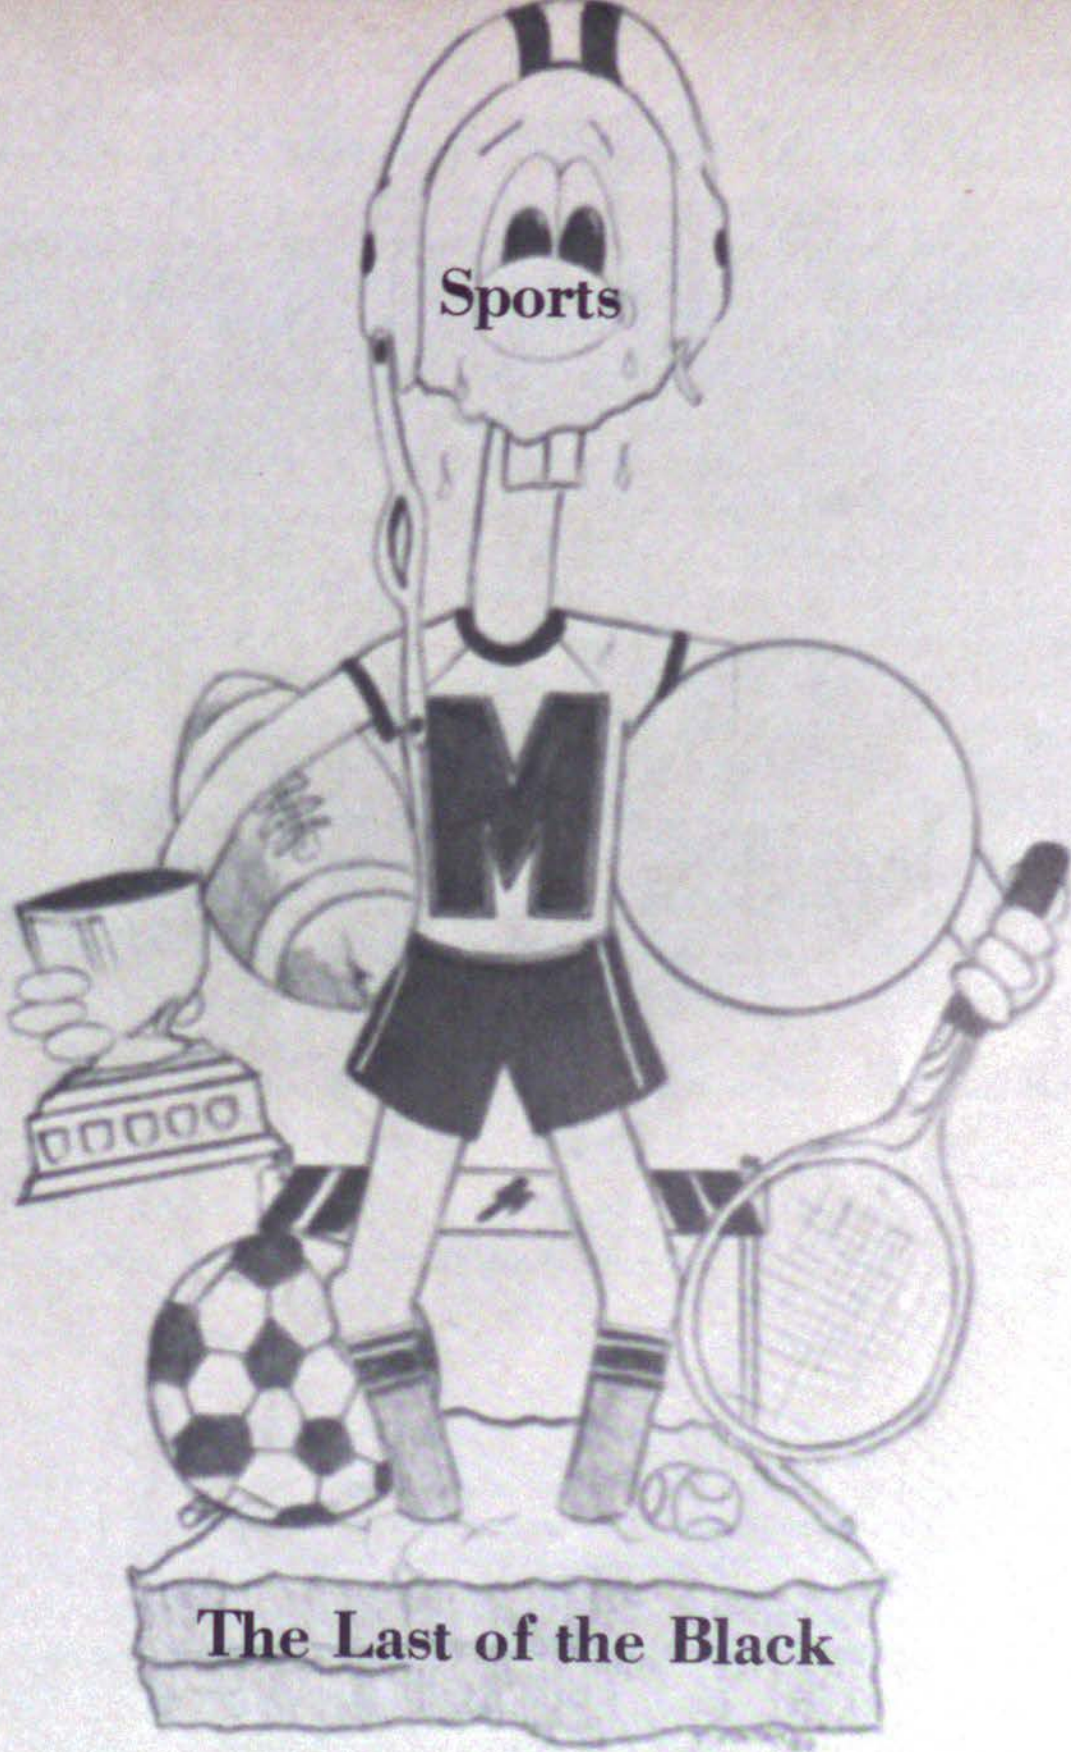

I was so lonely and afraid,
To watch my life just waste away.
No friends, no family; nothing to share,
No one to love, no one to care.

If I had known of all these friends,
My life would not have sadly ended.
For in my time, I'd not one rose,
Must one be dead before life grows?

This year the G.A.A. tried something new. Instead of just having four executives do all of the work, we got a class rep. from each home form. The girls participated in setting up intramurals, bake sales, selling at food booths for football and basketball games. Some more fund raisers were selling roses on Valentine's Day, having a dance, and sewing sweatsuits and sweaters with the new amalgamated colours. With all the money made, we were able to send a girl to O.A.L.C., put pictures of the girls' teams in the main hall and hold our last Athletic Banquet.

This past year the B.A.A. organized a very successful chocolate bar campaign to raise funds for boys' sports in the school. We also organized various other intramural activities throughout the year and we would like to express our thanks to Mr. Burleigh and all our supporters who allowed us to have a very successful year.

The 1979-80 cheerleading year has come to a successful end. The year brought many old traditions and many new changes. The amalgamation of the Annandale and Glendale cheerleaders began early in the year to cheer on the newly formed Tillsonburg teams. During the course of the year a carwash was held to raise money for new uniforms. The highlight of the year was taking first place at the Haldimand Norfolk cheerleading competition. Special thanks goes to Mrs. Crandall who through the year has offered her advice and support. Last but not least, thanks goes out to all the Annandale fans who helped us cheer on the last of the black.

The Final Game: "A Victorious End"

There was tension in the air that day;
"The Oxford Bowl" the reason.
We HAD to win this football game,
To end a perfect season.

Everyone dressed up that day,
- In black and gold of course.
We were gonna yell our heads off,
Even if it made us hoarse.

The pep rally in the morning,
Got us started with the cheers,
This was to be a day that Annandale,
Would remember for years and years.

We loaded on the buses
Headed for Pinafore Park,
Everyone was shouting and smiling,
As happy as a lark.

The weather was unforgiveable,
But our enthusiasm was never lax,
We just held up our trusty umbrellas,
To keep the wetness off our backs.

We stood around for awhile
While the junior game was ending,
Waiting for our seniors,
To come out and "do their thing."

Then all of a sudden we knew,
That now was the time to begin.
The teams ran out on the field,
And the screaming just made my head spin.

The ball went back and forth a lot,
From the first quarter to the third,
And although no score was shown yet,
Our cheers could still be heard.

Then all of a sudden it happened,
Down the field marched the gold and the black,
Overpowering the team called Parkside,
They kept pushing and forcing them back.

The seniors all took their positions,
Lining up straight in their rows,
Now was the time for action
With fourth down and one yard to go.

The ball was passed to Nemeth,
Who ploughed right through the guys.
By the time we saw the touchdown,
Our cheering was filling the skies.

Now if they could get the convert,
That would be just great,
And sure enough a pass to Craven,
Put us ahead by eight.

But we still had to hold them off,
For there was a quarter left to go.
The tension was still there,
Although it did not show.

Then suddenly Parkside got the ball,
Down the field they came;
If they got a touchdown now,
It would be a dreadful shame.

It was fourth down with one foot to go,
This was one of the key plays today.
But our defence held up their fight,
They pushed Parkside back all the way.

Within a matter of minutes,
We streamed down from the stands.
Cheering and laughing and crying,
Wildly clapping our hands.

The final score was Annandale eight,
Parkside had a zero.
To us it was like a fantasy,
All the players were the heroes.

The busride home was solemn,
With each one thinking alone,
And remembering all the love,
That the school as a whole had shown.

Football at Annandale has been a tradition,
That I hope will always stay,
It has meant a lot to many people,
Although in different ways.

So through the rain and cold that day
We cheered with vim and zest,
While our last Marauder team had won,
And showed that we're the BEST!

Tillsonburg Junior Gemini Basketball

FIRST ROW: Susan Mitchell, Debbie Dickinson, Jamie Mueller, Rob Tilson.

SECOND ROW: Roger Pettit, Paul Verscheure, David Bossy, Clay Hutcherson, John Oleka, John Moylan, Pat Wylie, Mr. DeVriendt, Mr. O'Rourke, Bob Davis, Dave Mandryk, Marcel Schroder, Scott O'Rourke, David Stephan, Shawn O'Rourke, Brad Bartlett.

"Nobody Does It Better!"

The 1979-80 basketball season was a first for Tillsonburg area followers in that the junior basketball quintet represented both Glendale and Annandale High Schools. The Junior Gems finished the season with an impressive 32 and 2 won-lost record in so doing won a total of four championships as well as a consolation title at the Wilfrid Laurier University Christmas Invitational. The high flying junior quintet took a 12-2 record into the month of January and then won 20 straight games en route to the Oxford Conference League Championship, the Oxford-Elgin Junior Boys' Championship, and the WOSSA "AAA" Championship. Added to these victories was the Tillsonburg Basketball Classic Championship.

In the Tillsonburg Classic the Gemini trimmed the Oakridge Oaks of London, bumped Stratford Central Northwestern Huskies in the semi-final contest and stopped a powerful Sarnia Central squad, 66-45 in the championship.

In the Oxford-Elgin Championship the Gemini defeated the Arthur Voaden Vikings of St. Thomas, 45-21, in the semis and then tripped an aggressive Huron Park team, 61-48, in the championship final.

In the WOSSA "AAA" Championships the Gemini experienced stage fright in the first game against London's Saunders Sabres as they fell behind 17-15 at the half but then outscored the Sabres in the second half to win the semi-final game, 44-33. In the championship game the Gems faced the London Conference Champs, the Laurier Rams. On this occasion the Rams were no match for the free-wheeling Gemini as the locals led at the half, 31-22, and then coasted to a 58-38 victory in the second half.

Coaches Fred DeVriendt and Brian O'Rourke could not be more pleased with the effort of their young charges. It is their hope in years to come that future Junior Gemini teams will be able to further develop the tradition that this year's team successfully attempted to begin.

All those associated with this first Gemini squad wish to thank, for their moral support, the cheerleaders from both schools as well as the students and staff from both Glendale and Annandale High Schools.

Senior Girls' Basketball

FIRST ROW: Randi Irvine.

SECOND ROW: Denise VanderGriendt, Lisa Ort, Mr. Moir, Brenda McMahon, Jeanette Weil.

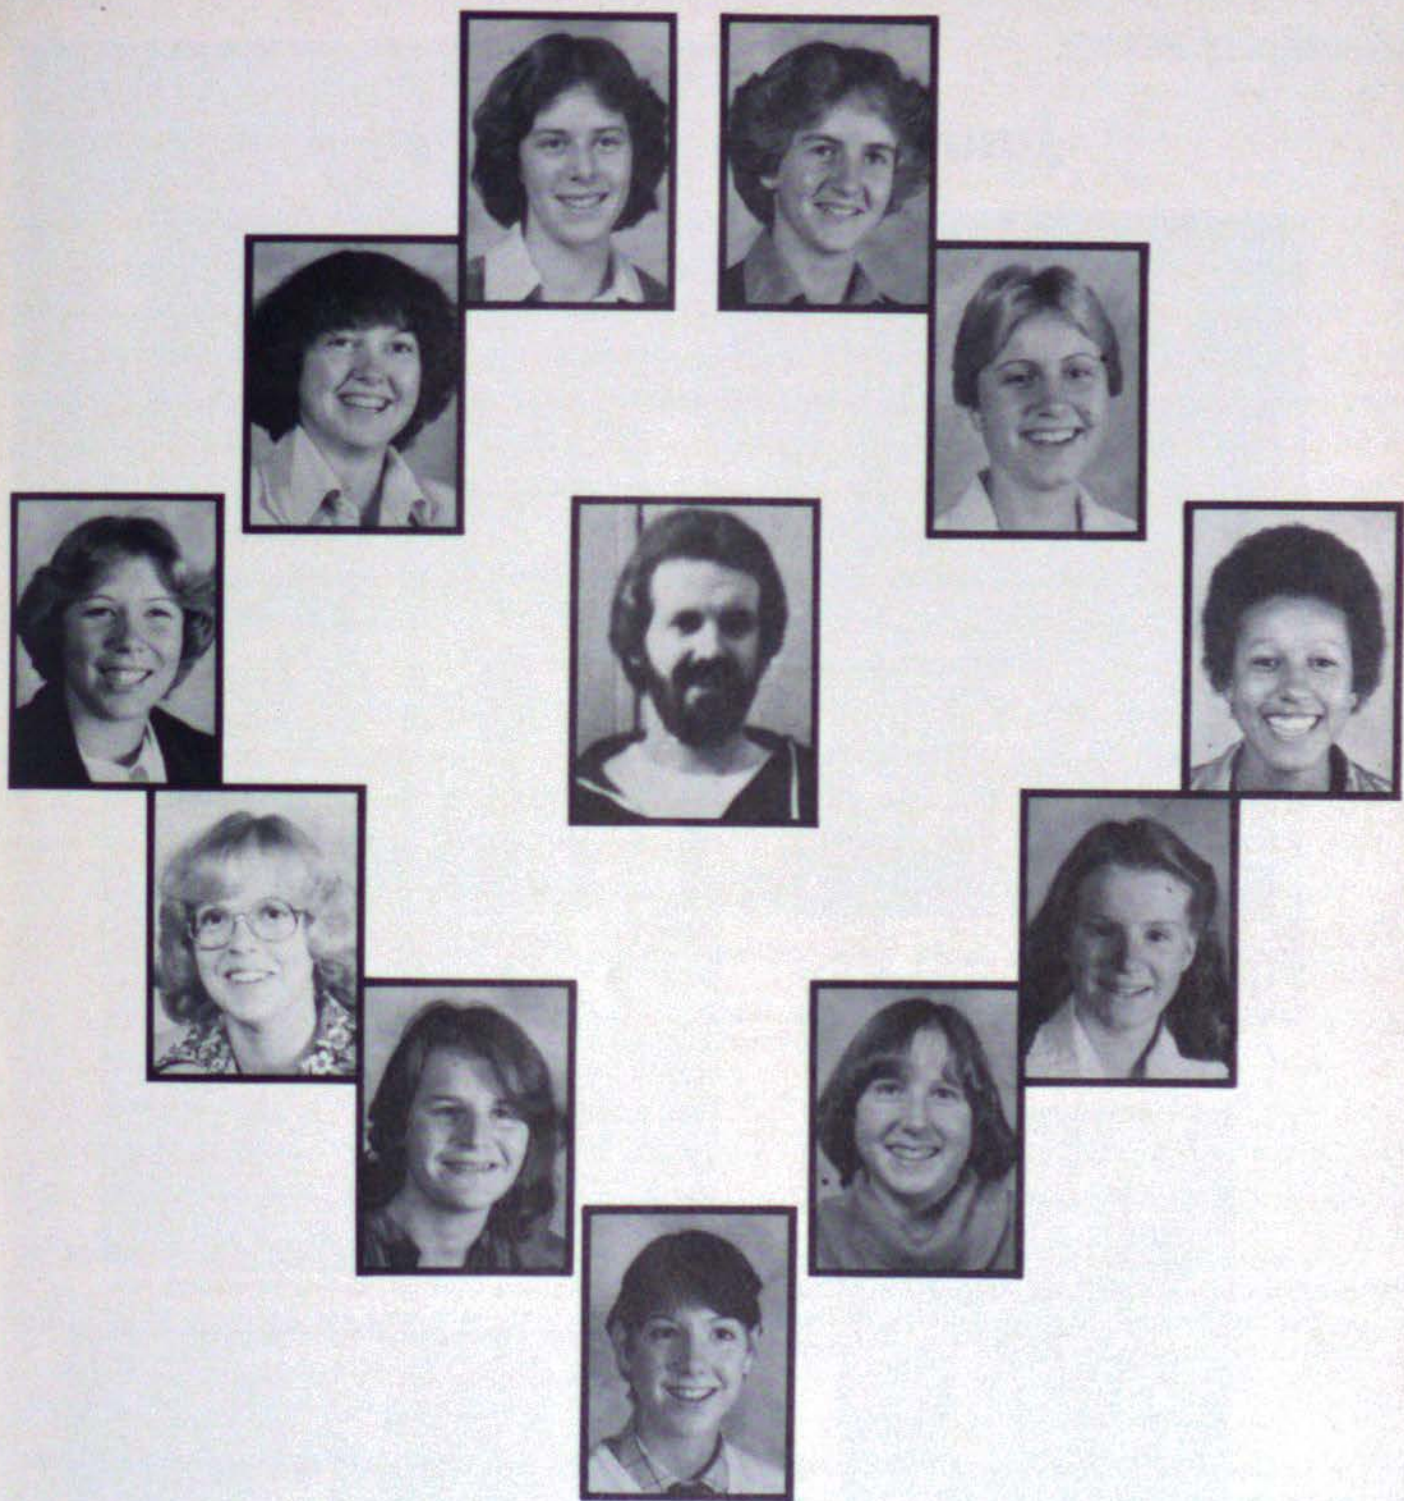

THIRD ROW: Sue Berlett, Flow Matejcek, Nancy Lanthier, Karen Ross, Gail Cowell.

ABSENT: Ann Martin.

It was an exciting season with two one-point losses, two overtime victories and a one-point victory. The regular season ended with a "must win" situation to advance to the play-offs. We won a hard fought game over our traditional rivals CASS to advance to Oxford-Elgin competition. Even though we didn't advance to WOSSA, the season was quite successful. I wish to thank the team, my managers Carole Simmons and Kerrie DeBuck (who were super) for an enjoyable LAST SEASON.

Mr. Moir

Hard work paid off for the Senior Panthers this year as we managed to capture second place in Oxford County. Playing with a small team gave everyone a change to play, so our success was a whole team effort. This year, being the last for the Senior Panthers, was special for the team as well as for Mr. Moir. Mr. Moir has coached the Panthers for many years and this was his last season. We would like to thank him for his caring and perseverance. Good luck to the amalgamated team next year.

We would like to thank these girls for representing Annandale and the Panther tradition so well this year with their basketball skills. Even though the team was small, they worked hard and made the last year of the Panthers one to be very proud of. We regret that we had no candid pictures of the senior team, but we wanted to make one final statement to Mr. Moir and this last PANTHER team to make them all realize how much we appreciated the quality of play and the sense of sportsmanship and care that all Panthers exhibited through the years.

Junior Girls' Basketball

FIRST ROW: Jeannie Bucke, Leslie McDermid, Carmen Van Hove, Lydia Zamecnik, Kim McClintock, Carol VanderGriendt.

SECOND ROW: Mr. Warnock, Teresa Jancsurak, Cindy Gordon, Tracy DeSutter, Sandra Hodson, Debbie Mics, Carolyn Wiggers, Charlotte Bes.

At the beginning of the season the team set five goals to achieve. Our goals were to win our own tournament, to be undefeated in our conference, to be Oxford-Elgin Champs, to be WOSSA Champs, and to have some fun. The fact that we achieved four out of five of those goals is a tribute to the hard work and dedication of the girls. Thanks a lot girls for making this a most enjoyable season.

Mr. Warnock

The Annandale Junior Panthers ended their year in a successful and rewarding season. This year the team came out on top through hard work, talent and excellent coaching, but also had a lot of fun.

We went to Oxford-Elgin undefeated and won this after a tough game. We then advanced to WOSSA "AA" but were defeated in the semi-finals. This ended the Junior Panther era.

We would like to thank the cheerleaders and fans, but most of all we thank Mr. Warnock, our coach, for the time and effort put into making the team what it was.

Senior Boys' Basketball

FIRST ROW: Ken Craven, Mr. Donaldson, Paul Molnar, Rob Gilvesy.
SECOND ROW: Archie Verhoeve, Rob Pasztor, Tom Allin, Richard Nemeth, John Csomos, Brian Rachar, Brian Van Quaethem, Joe Barzo, Manager; Bill Kalocsai, Trainer.
THIRD ROW: Danee Fulop, Geoff Watts.

In this, the final season of the Sr. Marauders basketball team, we finished with a 19-8 record. This is a good record; one which everyone can be proud of. Even though we did not win any championships this year, we were always in contention. We played with class and determination and our opponents always had stiff competition when facing us.

Several years ago, Annandale was not looked upon as a basketball power. Our football teams gained recognition, but our basketball teams were not as victorious. However, in recent years we have established ourselves as not only Oxford-Elgin and WOSSA powers, but also as all-Ontario contenders. We have one OFSSA championship and several other close calls. We have had very good records for the last five or six years. We have had a very good home court record; one loss in the last two years. This recognition in basketball came due to hard work on the players' parts, a good basketball system, that is good midget and junior teams, and a good coaching staff. When you combine all these factors you get teams like the ones in the last three or four years which belong on the court with any team in Ontario. We are proud to be the last links in this chain of success.

Our tradition will be taken into amalgamation by some of our returning players. This is a tradition of pride, achievement and hard work, which is as strong as any of our school's traditions. As the last of the Marauders we wish the best of luck to next year's amalgamated team.

Our special thanks go to Mr. Donaldson for this year and all the years that he put in to form teams of such calibre.

Ken Craven

Tillsonburg Junior Football

We didn't have a name; we weren't quite sure what our colours were (Sometimes referees referred to us as the "Green Team"; other times we were "The Black"); and for almost a month we didn't even know one another that well.

But by the end of the season, the Tillsonburg Juniors were Oxford County finalists, nipped in the mud by a Huron Park "Pups" team that went on to win the Oxford-Elgin Bowl. The boys from the two schools had successfully begun the integration program and had learned to play as a team, accepting victory and defeat in the proper way.

There were many highlights to this season of "beginnings". The first game victory over W.C.I. at the Glendale campus with the students from both schools joining together to cheer on a junior squad is an unforgettable image for many. Another memory that will stay with many of us for many years is the phenomenon of the "Double Pep Rally". Twice during the year, the players were welcomed in turn at Glendale and Annandale: the first time to initiate a season; the second time to support our efforts in the Oxford Championship. We thank the Student Councils and the Cheerleaders at both schools for organizing those rallies as they did a great deal to break down the strangeness and uniqueness of our position. The final memory is the most stirring. Thirteen bus-loads of students and teachers from the two schools accompanied us to Southside Park for the Junior Final against the experienced Huron Park squad.

We lost. No one can deny the scoreboard. But we also won as the boys were able to leave the field with tears of defeat but also great pride in what they had accomplished in one short season. Tillsonburg's football tradition is very safe in the hands of this group of young men.

The Captains

Because of the joint nature of our experiment and the need for strong leadership at all times, we named nine captains this season. Each of the boys cared about the program and the manner in which we played football. To them goes a great deal of the credit for a successful season. The special thanks of the coaches to Greg Bruckler, Tim Clark, Joe Dingwell, Willy Gehring, Randy Hildebrant, Dave Mandryk, Scott O'Rourke, David Stephan and Dave Stover. Most of them had to go both ways in the mud at Southside and they, and the whole team, matched the courage and the effort of any junior squad coached by us in past years.

FRONT ROW: Joe Dingwell, Dave Mandryk, Mr. DeVriendt, Scott O'Rourke, Randy Hildebrant, Mr. Zvanitajs, Greg Bruckler, Tim Clark, Mr. Stover, Dave Stover, Willy Gehring.

FOURTH ROW: Mike Tutt, Trainer; Jeff Vandelenoote, Rob Monk, Dan Efstatheu, Dave Houze, Brad Pifiefer, Rob Ort, Adam Whyte, Manager.

ABSENT: Greg Gordon, Glen Harley, Eric Hyatt, Jamie McMillan, Mike Powlak, Trainer; Anthony Simon, David Stephan, Pat Wyllie.

Special Thanks

To Adam Whyte, our manager, who had so much to do with the success of this experiment in integration, our thanks.

To his car, whose springs and shocks suffered so much every night, a speedy recovery.

Coach's Comment

It was a difficult season melding different traditions and different expectations and different approaches; however, it was worth it. Without integration a meaningful football experience would have been difficult at either school. With integration, the young men that we coached had a chance to develop their skills and to become involved in a program that gave the opportunity for both victory and defeat: all that any athlete should ask for.

We lost to a very experienced and very skilled Huron Park team. Mr. Jenkins and Mr. Majernik have every right to feel pride in the 1979 version of the "Pups" who later took the Oxford-Elgin Bowl in overtime.

But I am sure that I speak for Mr. DeVriendt and Mr. Zvanitajs when I state that we are just as proud of the efforts and results of the boys that we coached. They overcame so many symbolic years of separation to put together a competitive and tough team that they made the job of integration relatively simple for everyone else who follows. Integration does work. Tillsonburg teams will compete ... and compete meaningfully.

SECOND ROW: Kim Zamecnik, Ann Broad, Gail Cowell, Sue Berlet, Flo Matejcek, Kim Grundy, Laurie Demeyere.
ABSENT: Laurie Hallows, Sandra Roloson, Ann Martin, Manager.

The senior girls' volleyball team had an excellent season ending up league play with 11 wins and 1 loss and then going on to the Oxford County Tournament to become the Oxford county champions for 1980. The team went on to Oxford-Elgin and were defeated in tough semi-final action, a disappointment after an excellent league season. The team, however, still went on to represent Annandale at the WOSSA AA championships. Outside league play the senior girls took part in 5 invitational volleyball tournaments throughout southwestern Ontario. The team always showed well, making it to the semi-finals in all the tournaments and managing a victory at the Central Elgin Tournament as champions.

The team was an excellent group of volleyball players. They worked hard for their successes and Annandale should be proud of their senior girls' volleyball team.

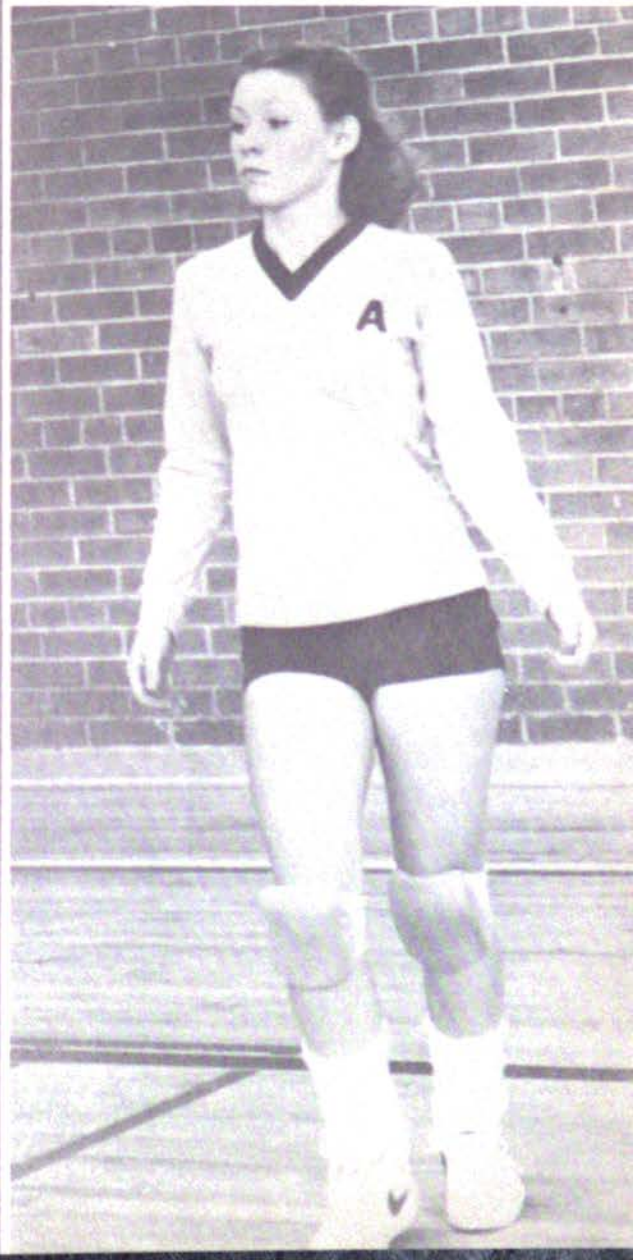

Miss Ballantyne

This was a very successful year for the senior girls' volleyball team. We ended the season, first in Oxford County and went on to Oxford-Elgin play-offs where we lost in the semis. With our third place finish in Oxford-Elgin play-offs we advanced to WOSSA AA. Our team this year was composed of some new players and also some players who have been on the team five years. These five year people were Lisa Ort, Laurie Hallows and myself.

Many people on the team are graduating this year.

"Thanks" goes to Miss Ballantyne as our new coach. Without her we couldn't have attained such a high standard of volleyball.

My warmest appreciation and hearty congratulations go out to a super group of athletes who demonstrated in true Annandale tradition the fine art of excellence in sport and made us all deeply proud of them. They were devastating in league play finishing with an impressive (22-2) record and as Oxford Tournament League Champions. They qualified in Oxford-Elgin and went all the way to finalists in the WOSSA "AA" Championships only to lose narrowly 17-15, 15-13 to Stratford Central. They were also Norfolk-Haldimand Tournament Champions.

Thank you for a wonderful season.

The Cross-Country Team, although small this year, put out some fine efforts. We were "off and running" at invitational meets almost weekly until Oxford-Elgin and WOSSA. Our two most successful runners this year were Scott Taylor and Doug Terry who placed well in all meets including top-five finishes in Oxford-Elgin and then on into WOSSA where both placed well in the rankings. We're hoping for even better things next year!

The common denominator for this year's team was the enjoyment of the sport. Everyone learned something more about soccer, and the positive attitude made it a successful season for all of us.

This was the first integrated girls' team; the togetherness of the team showed that integration will be positive and successful. With respect to the season, we nearly made the playoffs, but more important, we played well every game and improved as the season progressed. There is a large nucleus returning next year and more success will result for sure.

Mr. Palmer

This year was the first for the girls' amalgamated soccer team. We worked well as a team having a lot of fun, and at the same time thinking seriously about the game. We started slowly but the Gemini team fought hard, practised every night and managed to beat some of the best-rated teams. For most of our players this was their first year of playing soccer on a school team, and after this experience our team will be even stronger and more successful next year.

Soccer Marauders "Oxford-Elgin Champions 1980"

Our first and last county Soccer Crown. Congratulations, Marauders on a truly tremendous season.

This year's team was made up of a majority of very experienced players, all of whom provided the unity and leadership needed for a championship squad. A sincere thank you to the members of our team for making our "Last of the Black" season a most wonderfully rewarding and memorable experience.

Mr. Sulkowski

In this, "The Last Year of the Black", the Marauder Soccer team enjoyed its most successful and fulfilling season ever. Our final record was eight wins, one loss, and two ties. This is the best record in Annandale's soccer history. We usually have good records but have always come up short at playoff time. This year was different.

Our thanks go to Mr. Sulkowski, our excellent coach, who after five years of hard work and devotion to coaching at Annandale, finally had it pay off. He is one of the best coaches in the league. While helping to keep the team's spirit intact, he improved on our soccer skills and sportsmanship and molded the team into a unified club.

This year's Tennis Team represented both schools in Junior Competition and Annandale in Senior Competition. We were very successful in upholding the tradition of excellence that has been built up over the years. Steve Toth and Paul Molnar once again captured Oxford-Elgin Sr. Boys' Doubles (no other school has ever won this championship); Greg Berlet and Geoff Kilner took the Jr. Boys' Doubles Championship; Paul Verscheure was the runner-up in Jr. Boys' Singles; and Matt Austin, a junior-age player competing in Sr. Competition was eliminated by the eventual Sr. Boys' Singles champion. This was a tremendous showing once again and Annandale is proud of all these boys and their coach for their excellent efforts.

This is really a newly formed club consisting of many of last year's Visual Arts Outers. The club is instructed by Mr. Sulkowski and Mr. Palmer who conducted 20 (2 hour) swim sessions at our Community Centre. They provided instruction in Water Safety and Rescue, swimming and canoeing skills, boat safety and rescue, first aid and camping. All of this was preparation for our 5 day canoe trip to Northern Algonquin Park in the last week of June.

Bon Voyageur!! and a special thanks to the Community Centre supporters, Brad and Ian, and all those parents and people who helped make our program a successful one.

O.A.L.C. Representatives

1979

Rob Gilvesy

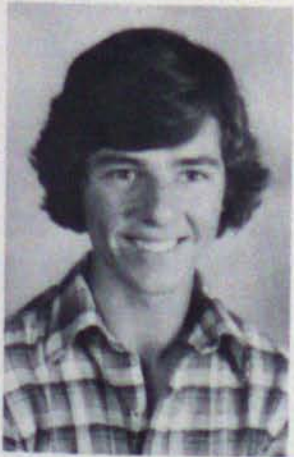

Last year, the two students that represented Annandale High School at Ontario Athletic Leadership camp were Rob Gilvesy and Flo Matejcek. We would just like to thank them for representing us so well.

Joe Barzo

This year Annandale's two representatives at Ontario Athletic Leadership camp will be Joe Barzo and Tracy DeSutter. We hope they enjoy themselves and bring some good tips back to the students at Tillsonburg.

Tracy DeSutter

Another award, Karen?

Well, I think "I" should win. After all, I look just like Howdy Doody ... don't I?

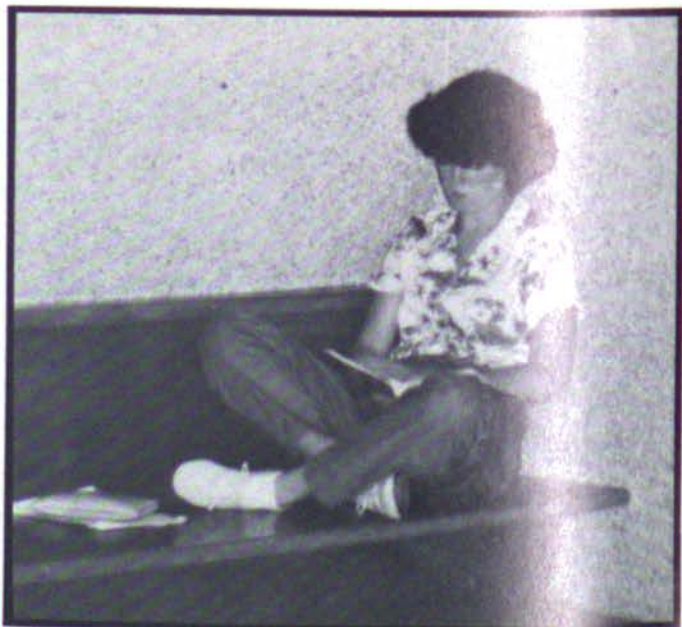

Annandale's own "Mr. Cool".

The great fork murderer strikes again!

Is that English or Playgirl you're studying, Judy?
Oh, Glen, you're soooo romantic!

Experience

Confused and isolated,
By unrealistic dreams,
I'm playing a game
Too dangerous to play,
Life is falling at my feet
Too heavy to pick up.
Yet
I continue,
Knowing destruction
Will defeat me.
Backing out no more.
Confronting life
Then,
Only experience will tell.

The Hiding Places

She goes to school
as happy as can be.
She smiles and laughs,
but if her friends could only see.
The day is done.
She goes home.
She searches the back of her mind
for memories lost.
She shuts her eyes tight.
A big tear rolls
silently down her cheek.

Julie Martin

Carrie Murphy
Pencil Drawing

I feel the cool, wet sand
Squeeze between my toes,
Trying to get into every wrinkle.
He is beside me, holding my hand,
Laughing at the way I wiggle my toes. So
He wiggles his, and sees the fun of it.
Suddenly I say 'let's go' and we race, me falling behind,
Him pulling me on
Until we stop.
I pull free,
Venturing into the waves,
Daring him to follow me, to
Try and throw me in.
Being the type
Who cannot resist a dare
He wades in,
Picks me up and ...
Gently drops me in the sand, Laughing.
'Wanna learn how we tackle?'
I resign myself to the role of student,
Feeling more like the football
Than a lineman.
We linger on the beach, piggyback,
Talking about anything and everything.
He's never taken a girl to the beach before ...

My Place

My only favoured place.
How beautiful the world can be:
Quiet, peaceful creek-side.

--Sherry Sandham

Clowns

Always making laughter
from the people all around
by being themselves.

--Jeannie Bucke

Tornado

After the whirlwinds,
I stopped and gazed around
To see one lone tree.

Remembrance

Alone in September
at our spot near the river:
Walking, I remember.

--Cheryl van Daele

With a restless heart
I gaze upon her beauty
patiently waiting ...

My Room

My room is my home:
my palace and my kingdom,

Advertising Manager's Message

I just want to express my sincere thanks to all the students that were concerned enough to take time off school to go out Tatler Advertising. Since advertising is one of the key factors to the success of our yearbook, it was great to see such a large number of you involved.

Again this year, a special thanks goes to Becky Atkinson for her individual performance in doing such a great job advertising.

Like last year, there was still some advertising left to complete in June. Thankfully there were still some students around to help me finish it up. I appreciate you giving your free time to come in, in the morning to help. Thank you: Paula Rice, Suzi VanHees, Pam Loucks, Kathy Pellizzari, Mark Burleigh and Dave Stover.

I also have a special thanks for Mr. Pellizzari and Mr. Stover for their helpful advice.

Another successful year for the Tatler! I wish good luck to next year's Tatler staff.

"I am a farmer, I live by the sea, my family and me. Age 25 Virgo, Gemini rising moon in Cancer.

MUSICIAN: Music is the vehicle in which you drive around a feeling.

VOCALIST: Voice is the free instrument, the unlimiting factor.

WRITER: I have a shelf full of good dusty songs. My latest tune is invariably the best. I can't relate to myself in terms of adjectives.

PERFORMER: A performer is a catalyst, an axis for the listener's energies.

CANADIAN: It's a fine country, still fairly free. With care we can keep it free. We are not being careful now - I've been at this for eight years, writing, playing, winning, losing, looks like it's my life."

Colonial Furniture-Appliances
Bedroom Furniture

"The Indians, first seeing in us their lost white brothers who would establish the universal pattern of creation, had then projected onto us the causes of our universal failure. We in turn projected on them our own fears of the mysterious spirit-of-place of the new continent and of the inimical forces of nature within us. So it was that we both, the red and the white, project upon each other the repressed dark shadow of our dual nature, bringing forth the tragedy of America."

THE ORGAN LOFT

LOWREY ORGANS
SALES - SERVICE - LESSONS

1. In the beginning man created God; and in the image of man created he Him.
2. And man gave unto God a multitude of names, that he might be Lord over all the earth when it was suited to man.
3. And on the seven millionth day man rested and did lean heavily upon his God and saw that it was good.
4. And man formed aqualung of the dust of the ground, and a host of others listened unto his kind.
5. And these lesser men man did cast into the void. And some were burned; and some were put apart from their kind.
6. And man became the God that he had created and with his miracles did rule over all the earth.
7. But as all these things did come to pass, the spirit that did cause man to create his God lived on within all men: even within Aqualung.
8. And man saw it not.
9. But for Christ's sake, he'd better start looking."
