## EDITORS' COMMENTS

Lori Graves

Laurie MacFarlane

Although our school year has been completed, we are still hard at work completing the 1982 Tatler. We can only hope that our book this year will match the excellence of the books produced by past editors.

It is hard to condense an entire year of learning, sports, clubs and activities into 192 pages but we feel we have displayed the spirit of Annandale as best we could.

We have tried to show Annandale as the school we have known and been a part of for the last four years.

We have many people who have contributed to the Tatler and without them our book would not be possible.

First, there were quite a few people who were here almost every time we met to work on the Tatler. They were all a great help. Some have worked on the Tatler for two or three years whereas for others it was their first year with us. Thanks to Susan MacFarlane, Kathy Nunn, Sherry Sandham, Jane Anderson, Kim Holmes, and Chris Neale.

Our thanks to Carolyn Wiggers who came out when we needed her to get the last pages done.

To the students who came out to do the pages which pertained to their own activities, thank you.

Pictures and artwork are a very necessary part of a successful yearbook. We wouldn't have had these pictures if it wasn't for John Dean, Greg Bennett, Randy Helsdon and Mr. Sulkowski. Thank you.

We owe a special "thank you" to our staff advisors, Mr. Stover, Mrs. Stover and Mr. Pellizzari. We greatly appreciated your dedication and if our book is a success, a great deal of the credit goes to you.

We have both really enjoyed working on the Tatler this year and in the past three years. Our experiences will benefit us in our future endeavors.

The best of luck to next year's editors.

Thank you

# A MESSAGE FROM THE PRINCIPAL

According to Webster's Dictionary, a yearbook is a publication that brings "information on its subject up to date". This school's yearbook has been entitled the "Tatler". Although this word was not to be found in my dictionary, I have assumed that the connection is with the word "tattle" which refers to gossip or idle talk.

It has been said many times by many different people that the best years of a person's life are his/her school years. If this is the case, then something of this period will be worth remembering. Whether it be trivia, gossip, an article or a picture, the yearbook will almost surely bring back fond memories, be a reminder of a treasured friend, or, in some way, bring a sparkle to the eye or a smile to the face.

Regardless of what it is that touches the individual, roots are very important. Yours are likely here at Annandale. I hope that this school has been good to you. Usually we reap what we sow. If you have sowed in abundance - tried to get the most out of your studies, the clubs available, the social activities, and the athletic programme - your harvest will be bountiful. You will likely become the sensitive, active, hard-working person that to-day's society so badly needs.

The future is yours. Get involved - be ready for it. All the best in your future endeavours.

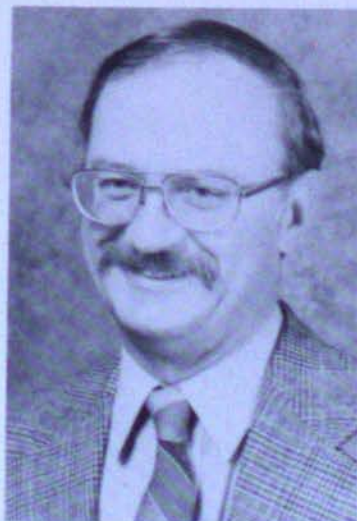

R.R. MacKenzie

# FROM THE VICE- PRINCIPAL

I am pleased to have this opportunity to extend my best wishes to the graduates of Annandale. May you carry away from this school an enthusiasm for life-long learning.

## IN MEMORIAM

The school year past was a difficult and sad one at times for the Annandale Students and Staff. We lost four very close friends - Carl Balazs, William Orr, Michael Socha and Michael Wilcox.

The suddenness of each of these deaths added to our sense of loss. We were not prepared ... we could not be prepared.

The Annandale family expresses its deepest sympathy to the members of the families involved. We share with you in your grief; we echo your prayers.

### CARL BALAZS

1958-1982

An Annandale graduate, well-remembered for his involvement in sports and his friendly, open personality. His friendship will be sorely missed.

Died as the result of an automobile accident, March 14, 1982.

## **WILLIAM ORR**

1922-1981

Head of the Science Department at Glendale H.S.; a former teacher at Annandale after coming to Canada from his native Scotland.

A true friend ... a fine gentleman ... a superb teacher.

Passed away October 9, 1981, of a heart attack as he prepared to return to teaching after a period of convalescence.

## **MICHAEL SOCHA**

1965-1981

A Gendale student whose death affected all of us deeply because we knew him and his family so well.

A friendly, happy young man who will be greatly missed.

Died November 11, 1981, following a motorcycle accident.

## **MICHAEL WILCOX**

1960-1981

A former Annandale student, and a graduate of Norwich District High School.

Michael's involvement with sports and his enthusiastic and caring attitude toward life touched us all.

Died November 10, 1981, following surgery at Victoria Hospital, London.

Mrs. Carmichael - her last day of school.

## **GOOD-BYE ... AND GOOD LUCK!!**

The Annandale High School family will miss Mrs. Honor Carmichael's pleasant smile and enthusiastic friendliness next year when she will retire. Mrs. Carmichael has been Head of the Commercial Department here at Annandale for four years, but she has had a long acquaintance with the school as her children attended classes here. Mrs. Carmichael organized the "Work Week Experience" for commercial students so that they could get practical experience in the field of work that they hoped to enter. She also encouraged involvement by students in the countywide typing and accounting contests with excellent success for the Annandale entrants.

In the past, Mrs. Carmichael was a secretary with Anglo Canadian Insurance here in Tillsonburg before turning to teaching in Ingersoll where she was involved with guidance counselling as well as business courses.

In the future, Mrs. Carmichael intends to spend more time with her family, her husband, Red, her three sons and their wives and her one granddaughter. She has a cottage in northern Ontario and she has commented that it will be nice this coming fall to be able to stay when everyone else returns to school. She really enjoys cross-country skiing and hiking and has a myriad of interests to keep her busy during her retirement.

We wish her every happiness in her retirement.

We say farewell to Mr. Steve Blasko who has been with us here at Annandale for the past two years as Vice-Principal.

Popular with both staff and students, Mr. Blasko brought a fine sense of humour and a real sense of fairness to his difficult job. He always had time to discuss problems, and he maintained a nice balance between discipline and understanding at all times. We will miss him greatly.

However, our loss is the gain of Tagwi Secondary School in the Glengarry-Dundas-Storemont area where he has accepted the principalship of a 600-student school which presents a fully bilingual programme in completely air-conditioned surroundings.

We wish Mr. Blasko every success in his new job. Considering some of the advantages, we may even ask to go along.

Mr. Blasko - "Bon Voyage".

Mr. Warnock - "We'll be seeing you ..."

Our final farewell is to Mr. Al Warnock who has been with us here at Annandale in the Commercial Department for several years. Mr. Warnock is a fine young teacher and a dedicated coach, handling Midget Boys' and Junior Girls' Basketball over the past few years. We are sorry that he fell victim to the numbers game caused by declining enrolments, but we are pleased that our "Good-bye" is only a partial one as his transfer has only carried him across town to our sister-school Glendale. He has assured his friends that he will be back each night for basketball practices.

We hope so ... and we further hope that the same transfer policies that necessitated a move for 1982-83 may bring Mr. Warnock back to the Annandale family very soon.

# COMMENCEMENT

# VALEDICTORY ADDRESS

It is a great honour having been chosen by the 1981 Graduating Class of Annandale High School to give the valedictorian address on behalf of them.

We have spent at least one quarter of our learning careers within the walls of this school. Over the past four, five and six years spent at Annandale, there have been fun times, not only in the classrooms, but on the playing fields in various student clubs and also away from the school.

I believe that one of the most crucial years had to be Grade Nine. In 1976, --- bright eyed students walked into Annandale for what was to be their first of many school days here. We were small as a group and the rest of the school made that known to us as we gained the infamous label, "minor niners". On one particular day in October, we were driven into slavery for the benefit of our fellow, but much older schoolmates. They allowed us the privileges of carrying all their books to classes, as well as performing certain deeds, which I cannot mention in the context of this address. Not dismayed, we knew we were now a part of Annandale, and we looked forward to the next year, when we could torment a new batch of "minor niners". We became involved in the making of new friends through schoolwork, extracurricular activities and if I remember correctly, a few, very small and peaceful house parties.

The next two years propelled us forward through vast quantities of knowledge. The "Year of the Black" brought the school close together through competitive sports.

Until Grade Twelve, school felt as if it would never end. We kept returning year after year knowing that maybe someday we would reach the final goal of high school: GRADUATION. Now it was time to make some of the most important decisions we shall face in our entire lifetime.

The final year was one of the most enjoyable and satisfying years of our educational careers. The workload increased somewhat, but we knew that our "number one" priority was our homework. We couldn't go a day without opening a book! But mixed in with all this work, there were also moments of play. The theatrically inclined Grads put on a Grad Assembly which will be hard to match for many years to come.

Last June, we reached the home stretch of high school as the days quickly began to drift by. We attended our final classes, wrote our final exams, emptied our lockers, and left Annandale for the new world awaiting us, outside these walls.

The Graduating Class of 1981 has separated with each one of us going our own way. This evening, we are reunited in order that we receive diplomas, signifying our graduation from Annandale. This important document informs us that we have been promoted from high school to the outside world. We should continue to broaden our horizons in hope that we will have a positive effect on happenings in our respective communities. In the future, our children will hopefully be able to go through the same worthwhile system of learning as we have had the opportunity of doing here at Annandale.

At this time, on behalf of the 1981 Graduating Class, I would like to thank the teaching staff of Annandale. You have provided us with a vast variety of personal knowledge as well as text book theories over the years. I did receive an anonymous phone call which promised revenge if I got out of line when talking about the teachers. During the past few years at Annandale our teachers have been excellent! They have put out much time and effort in order that we could be present at this graduation tonight to receive our diplomas. Without them making sure we were at their classes, we might have been in for many dull years at Annandale. We might have missed Mr. Birtwell's fire extinguisher fiasco back in Grade nine science. Also, we would have missed Mr. Sharp's clinic on wrestling holds in Grade Ten health classes. But, we did indeed make it to these classes and we thank you for all the help you gave throughout the years.

In closing, I believe that the Graduating Class of 1981 will be successful throughout life, given the knowledge we obtained from Annandale. There are many fond memories that can be cherished from the years at Annandale. Hopefully, these memories, along with the many friendships gained, will continue on with us through the coming years.

## THE INVADERS

They approach  
quietly, stealthily  
grinning  
snickering  
nearer and nearer

the rugged terrain  
senses their presence  
attempts to resist  
in vain

sounds cease  
animals retreat  
few daring to look back  
powerless against them

They move mechanically  
taunting  
teasing  
Their voices sound the challenge

They stop - absorb the scene  
sun-blinded  
They proceed  
confident, relentless

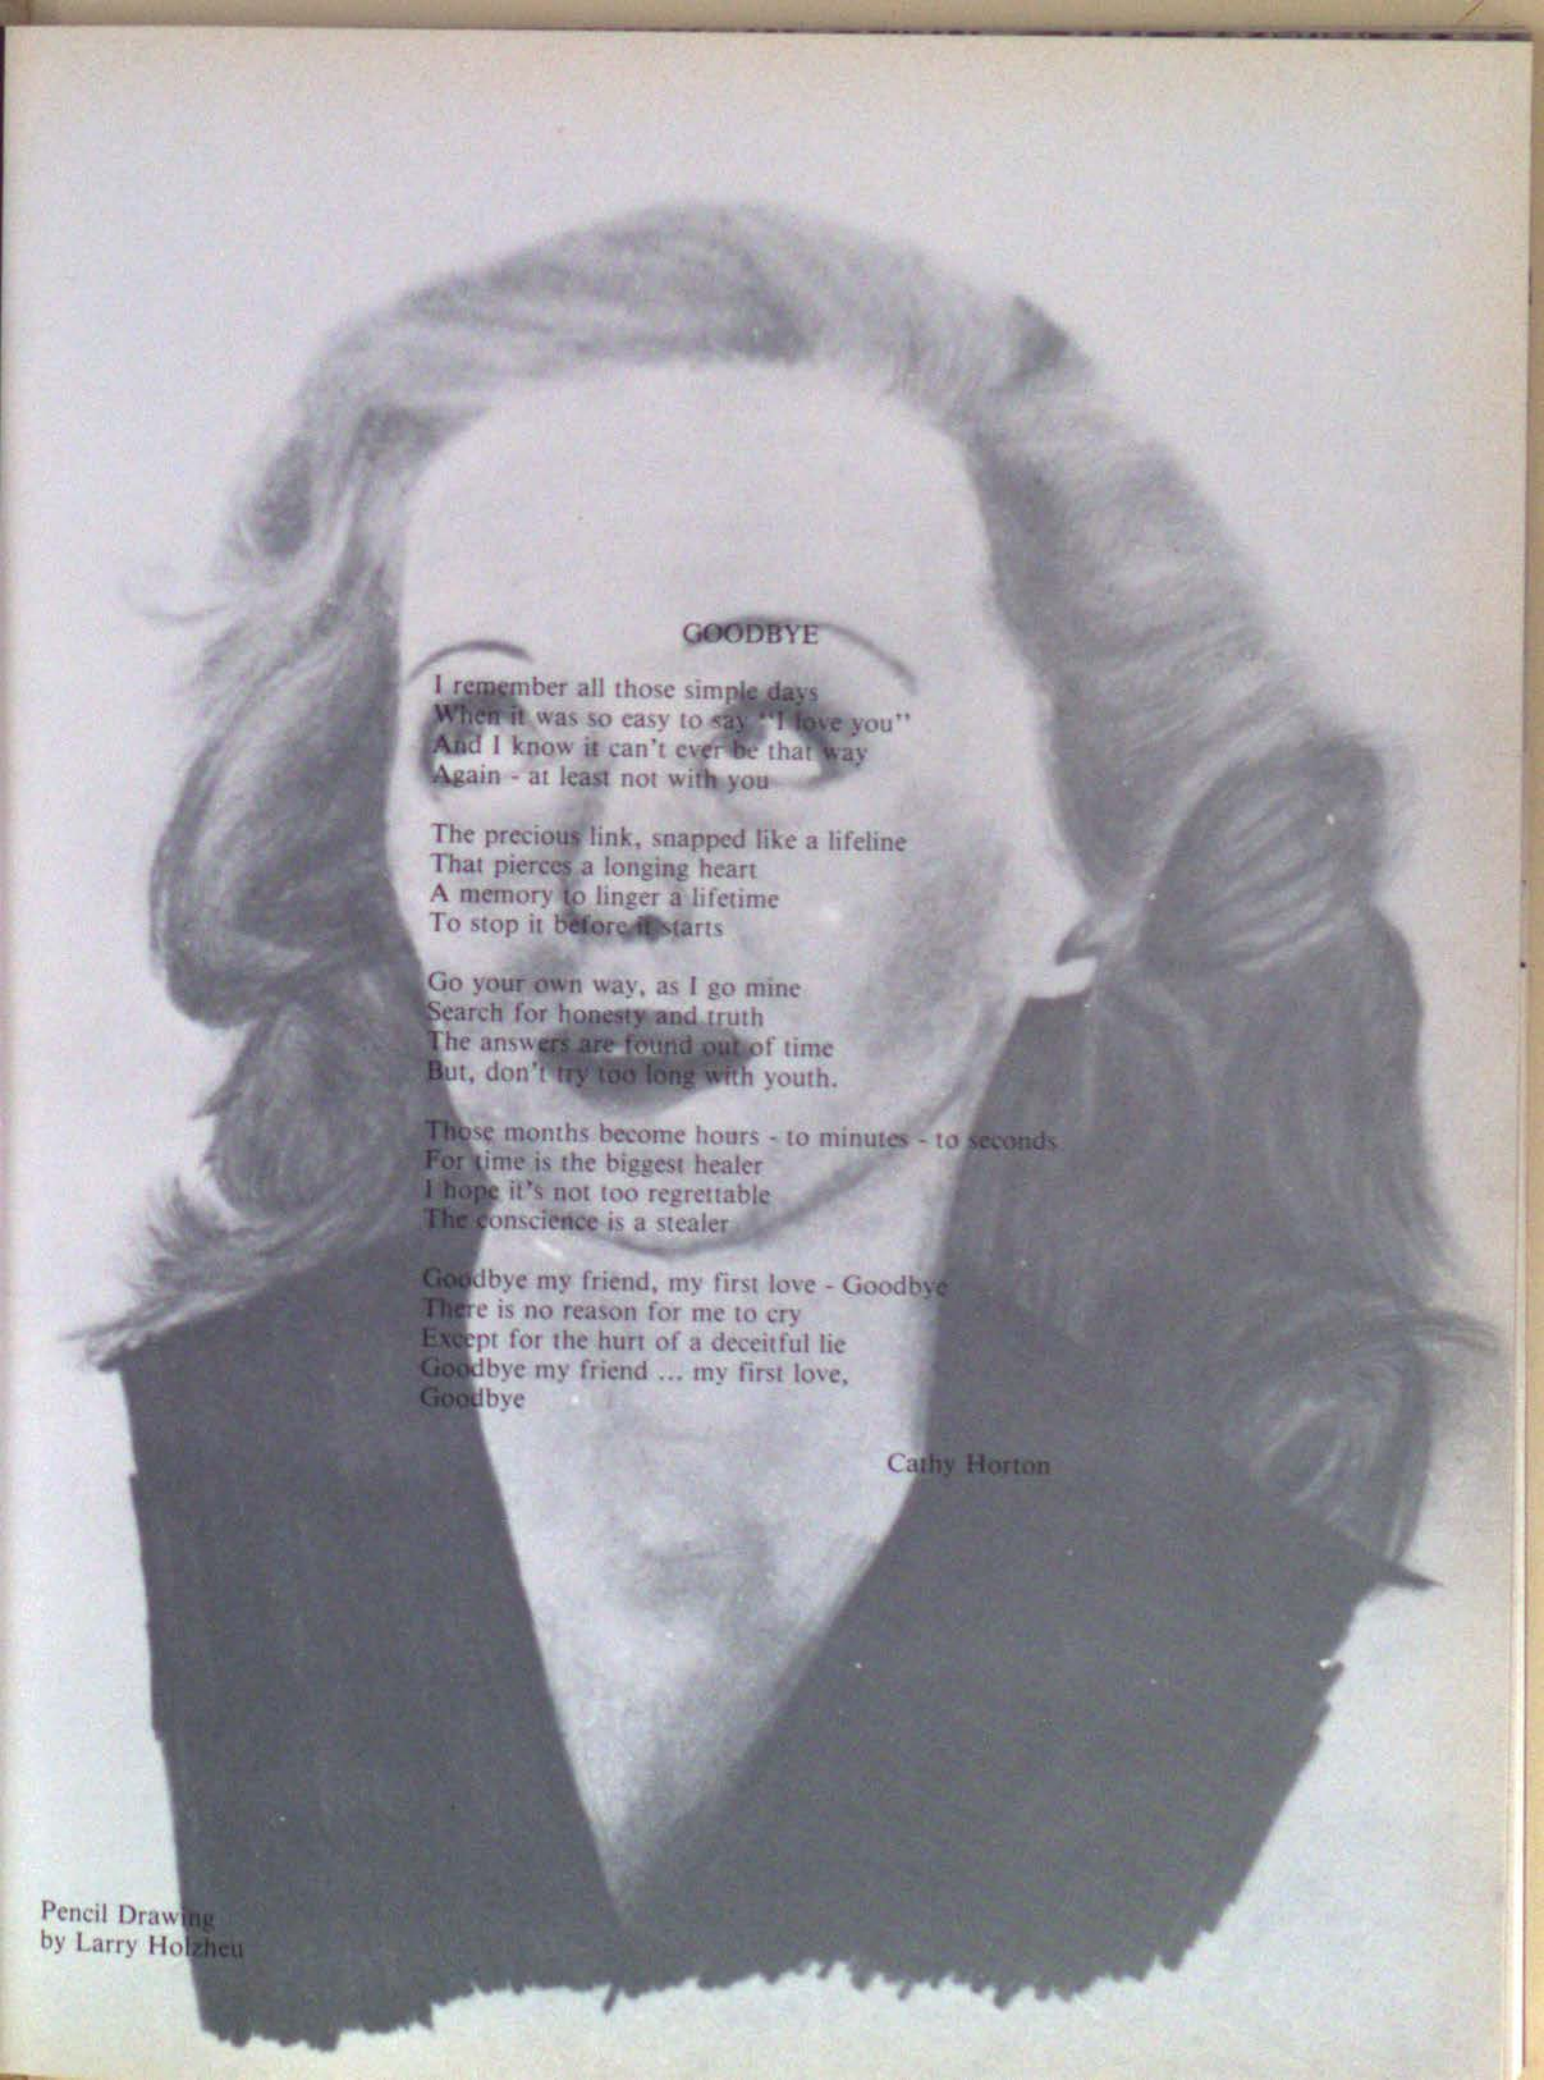

heads held high  
daring to confront this land - Canada  
levelling  
dilling  
destroying

foraging to the outskirts of this land  
the Bulldozer  
the Crane  
invaders of the wilderness

far from the shouts and protests of the people  
Who want Canada  
to be Canada

Susan MacFarlane

GOODBYE

I remember all those simple days  
When it was so easy to say "I love you"  
And I know it can't ever be that way  
Again - at least not with you

The precious link, snapped like a lifeline  
That pierces a longing heart  
A memory to linger a lifetime  
To stop it before it starts

Go your own way, as I go mine  
Search for honesty and truth  
The answers are found out of time  
But, don't try too long with youth.

Those months become hours - to minutes - to seconds  
For time is the biggest healer  
I hope it's not too regrettable  
The conscience is a stealer

Goodbye my friend, my first love - Goodbye  
There is no reason for me to cry  
Except for the hurt of a deceitful lie  
Goodbye my friend ... my first love,  
Goodbye

Cathy Horton

ME, MYSELF AND I

We are all hiding like timid squirrels.  
Like the ostrich we have our heads in the sand.  
Our true selves are never seen.  
Sometimes not even by ourselves.

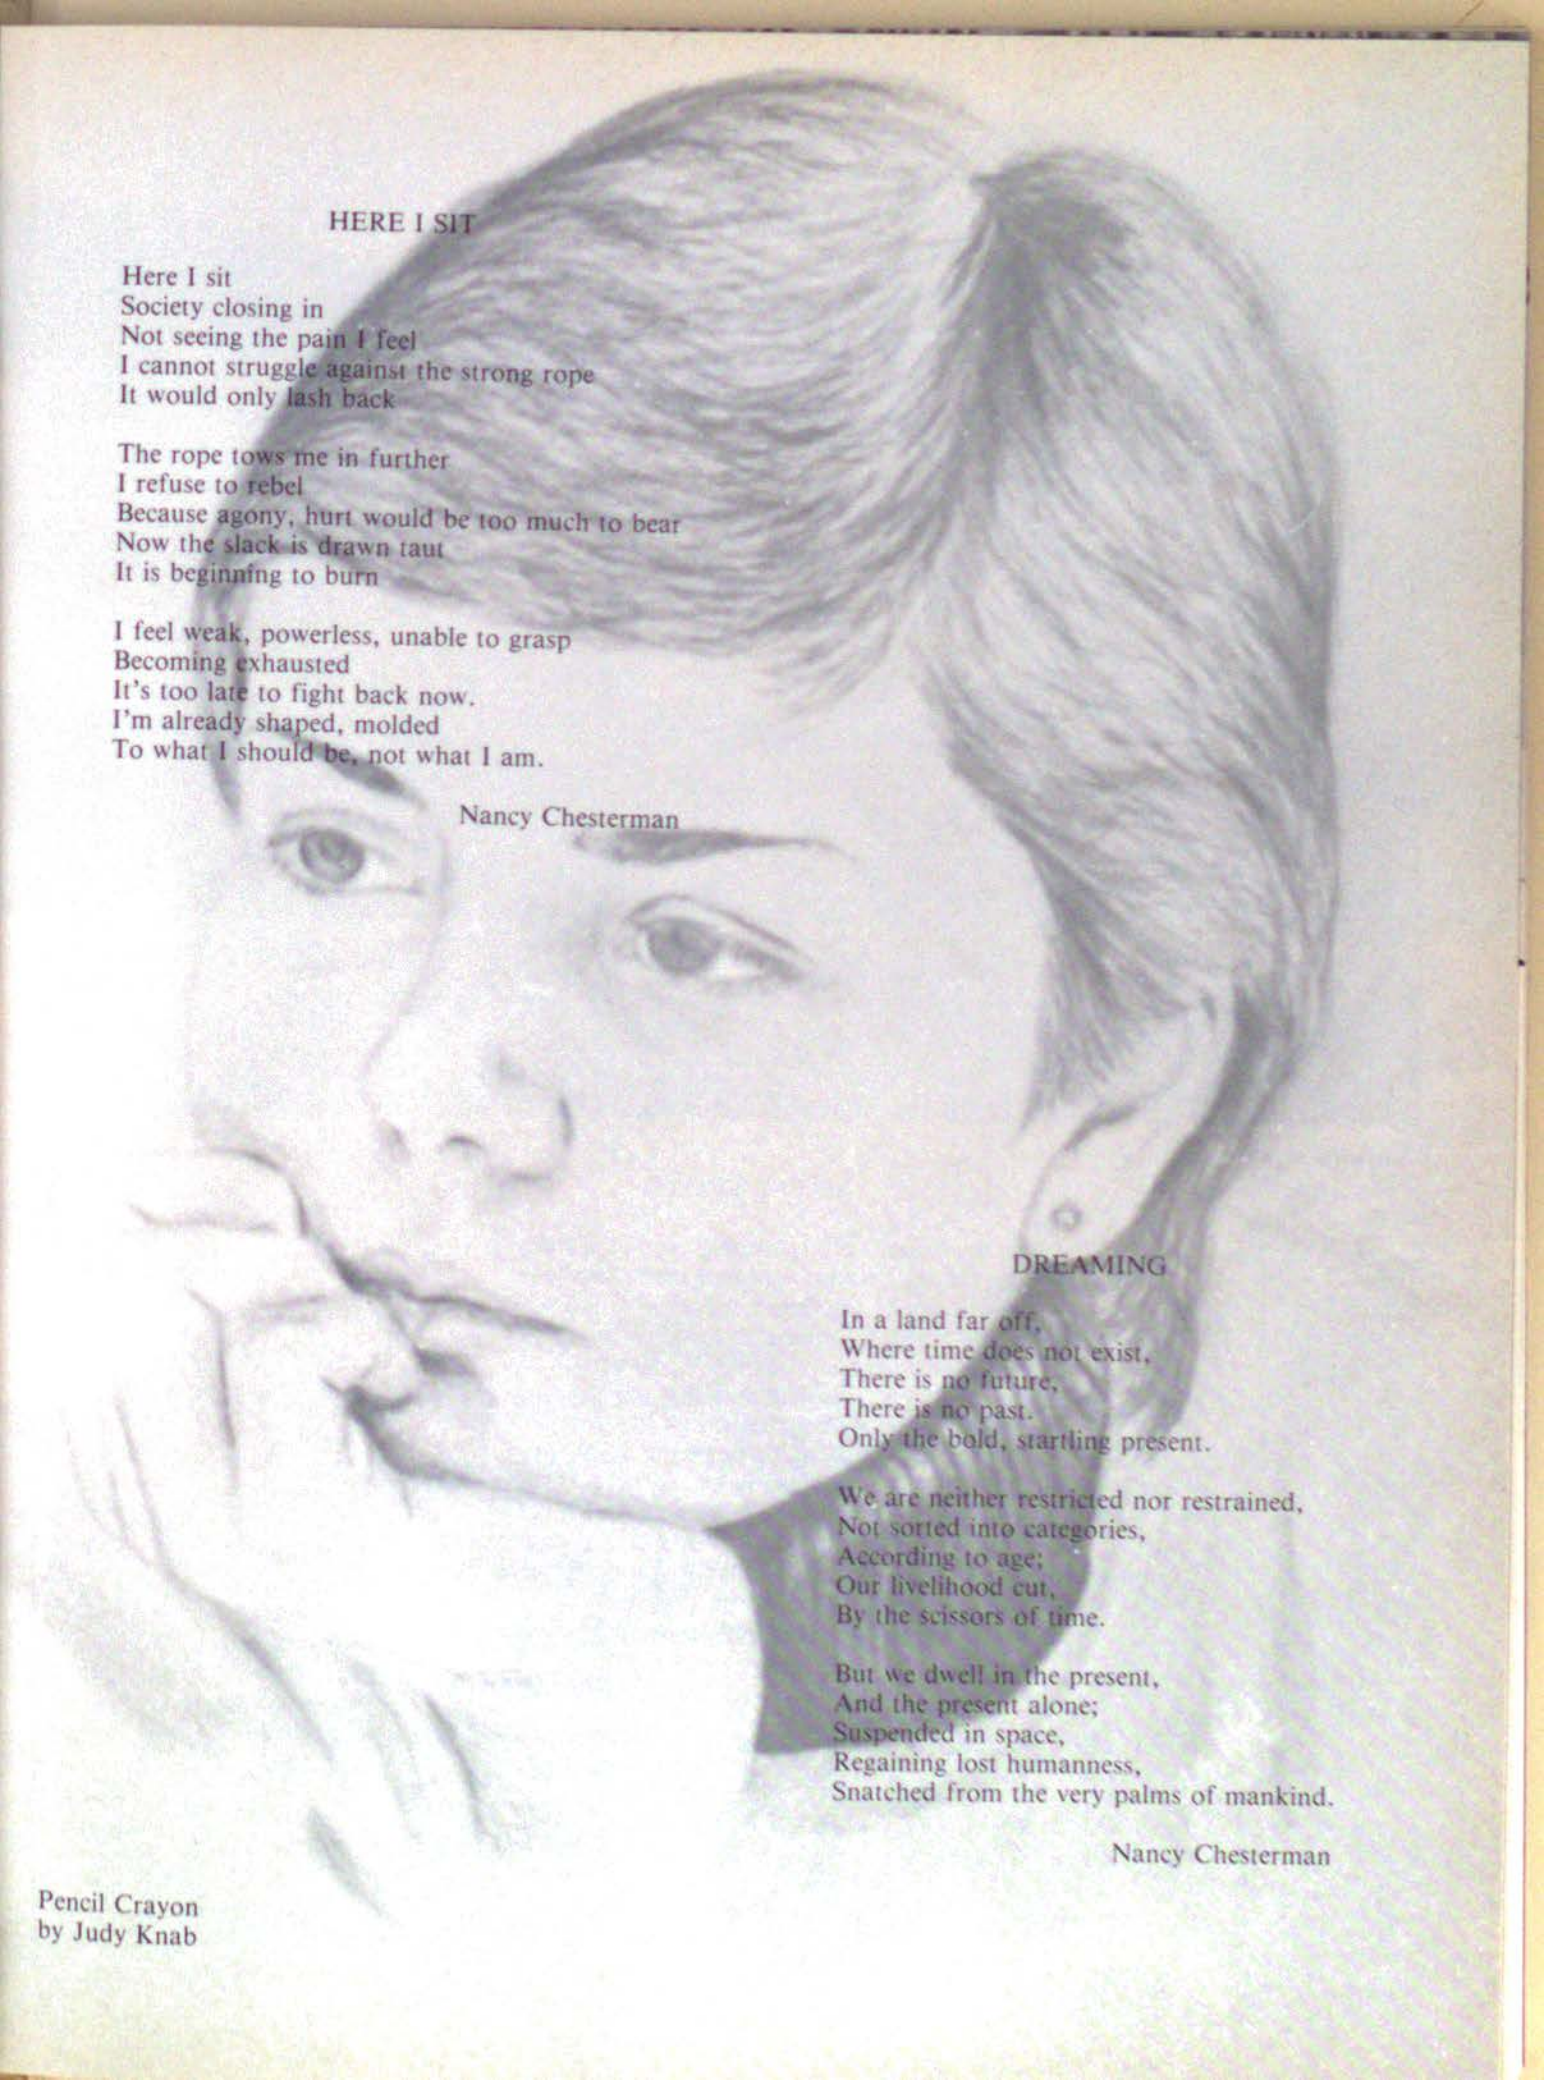

We can be compassionate and loving.  
We can be cruel and hateful.  
But we never become what we really are.

Some have tried to find themselves,  
But few have succeeded.  
Because no matter how hard we try,  
We are still afraid of what we may discover.  
If we ever meet our real selves,  
We are afraid of finding uncontrolled evil.  
We are afraid of finding someone we hate.

So we stay hidden,  
For ignorance is bliss.  
Or is it?

by Cathy Squires

HERE I SIT

Here I sit  
Society closing in  
Not seeing the pain I feel  
I cannot struggle against the strong rope  
It would only lash back

The rope tows me in further  
I refuse to rebel  
Because agony, hurt would be too much to bear  
Now the slack is drawn taut  
It is beginning to burn

I feel weak, powerless, unable to grasp  
Becoming exhausted  
It's too late to fight back now.  
I'm already shaped, molded  
To what I should be, not what I am.

Nancy Chesterman

DREAMING

In a land far off,  
Where time does not exist,  
There is no future,  
There is no past.  
Only the bold, startling present.

We are neither restricted nor restrained,  
Not sorted into categories,  
According to age;  
Our livelihood cut,  
By the scissors of time.

But we dwell in the present,  
And the present alone;  
Suspended in space,  
Regaining lost humanness,  
Snatched from the very palms of mankind.

#### MAPLE GROVE

I love the Grove with spreading maples watching  
Where Huron's waters toss and foam and roar;  
My memories of the Grove will be e're lasting  
Like azure waters lapping shingled shore.  
My ancestors founded this idyllic paradise,  
I sense still their presence amongst the towering trees.  
In spring the banks of trilliums will entice  
A solitary soul strolling through the maple keys.  
A rainbow of colours gently kisses the darkening lake  
As I meander through the golden-ribboned sand -  
The flaming globe dissolves slowly in the water's wake  
Only we can know the beauty of this never-never land.  
Now I will walk along the sun-drenched land  
Leaving my golden footprints in the shimmering sand.

#### YOU AND I

Sometimes it is hard to express my  
Thoughts,  
But you understand my silence.  
Sometimes it is hard to express my  
Sorrow,  
But you understand my tears.  
Sometimes it is hard to express my  
Needs,  
But you understand my wants.  
Sometimes it is hard to express my  
Bitterness,  
But you understand my anger.

Sometimes it is hard to express my  
Desires,  
But you understand my dreams.  
Sometimes it is hard to express my  
Happiness,  
But you understand my laughter.  
Yet it is always easy to say,  
"I love you,"  
And you understand this too.

Linda Ball

## CRAZY 'BOUT YOU

Running in circles  
Wasting my time;  
Following footsteps,  
I seem to lose mine!  
Cheerfully laughing,  
Nothing to say;  
Being self conscious  
Again today.

Forgetting important things,  
Dropping my things;  
Oh, the fun  
That happiness brings!  
Chattering lightly,  
Floating on air;  
Sliding on rainbows  
That aren't really there.

Bumping into walls,  
Not feeling the pain;  
Hearing the pitter-patter,  
Not seeing the rain.

My only excuse  
For the weird things I do  
Is simply because  
I'm crazy 'bout you.

Every year at this time the Annandale High School Gymnasium disappears and in its place for one magic night, a romantic ballroom appears. This year the transformation was astounding as the fairytale setting of "Cinderella" came alive before the eyes of the enchanted dancers.

The glass slipper ... and the crown ... went to Miss Heather DeBrabander who was named Prom Queen by a vote of the student body. Her escort, Matt Austin and Miss DeBrabander re-opened the ball after the crowning with the first dance.

Special thanks for an absolutely beautiful evening go to Prom Decorating Chairman John Bamford and the dedicated crew of decorators (mostly grads) who lavished so many hours of artistic effort upon the old gym to create this one magic evening. The over-100 couples who attended know that the effort was worthwhile.

## PERFORMANCE 82

"PERFORMANCE is alive ... and well ... and living at ANNANDALE." This year we had more people involved in production and performing than ever before. Altogether there were over 200 students and staff who helped in some way - over 40 percent of the school population. The other area of "growth" involved the breadth of our "PERFORMANCE 82" show. We presented two serious plays from EDA 401, "Impromptu" by Tad Mosel, which had been presented earlier at the Regional Drama Festival; and "I Bring You Flowers" by William Lang. Two students, Julie Johnson and Dave Vallee, presented original monologues. We added "dance" to our repertoire with the "Fame" and "Let's Get Physical" groups. We juggled three bands and all of their equipment on the stage, featuring "Hydraulic Duck - Phase II", "The Green Apple Band", and "Evasive Action", which acted as our show-starter for three nights. And finally we balanced a programme of 16 variety and comedy acts over the four nights.

PERFORMANCE 82 marked the last involvement in the show for a number of graduating students (unless they come back; some do!) All spoke at the cast party after the Friday night show and four were centred out for the special honour of a PERFORMANCE SCHOLARSHIP to be awarded at the 1982 Commencement.

Honoured were JOE BARZO, "Captain Courageous" and ticket salesman extraordinaire; JOHN BAMFORD, Technical Director and "drum-man" for EVASIVE ACTION, who also displayed amazing comic flair in this year's show; PAT McMAHON, Stage Manager for two years, also renowned for his singing and poetic abilities; and DAVE STOVER, Producer of the 1982 show and emcee for two years.

## MY PERFORMANCE

The stage is empty.  
The last act over.  
Only slowly moving bodies  
Conduct themselves behind stage  
As the last act comes to an end.  
In some other world or era of time,  
A time which is of the past,  
A not so distant past,  
As in that of only a couple of days or so  
Comes to the mind of the back-stage bodies.  
A theme of play, comedy, dance or song  
Which only left perfect memories  
As in those of happiness and joy  
And love  
Are portrayed in the mind.  
This love is of people,  
Friendship.  
Friendship built on a trust of loyalty  
And a will and want to help others.  
A Friendship so powerful  
That it can only last forever  
For it's built so strong.

Reality occurs again  
Within only slowly moving bodies  
A sudden realization  
Please no,  
It can't be over.  
The play, comedy, dance or song.  
It is over.  
A memory in the heart,  
A pacing quiet body behind the curtain.  
A pacing quiet mind within the realm  
Of the soul  
Can now only lose contact with the reality now  
To look back on what has happened  
An inexplicable time element  
Please no  
It can't be over.

# ANNANDALE STUDENT COUNCIL - 1981-82

Joe Dingwell - President

Kelly Everitt

Marianne Sanderson

Carolyn Wiggers

This past year the Student Council at Annandale played a key role in the organization and administration of school activities. It ran the major fund-raising campaign of the year - the annual sale of chocolate bars. The Council Executive and the class representatives also developed an activities budget, making grants to each school organization after hearing presentations and requests. One of the biggest responsibilities for the Student Council was the funding of the various integration expenditures.

On the social side, this year's Council did an excellent job on Grade Nine Initiation, the Winter Carnival, Fun Day in the spring and a full complement of dances, concluded by the May 28th "At Home" which was a fabulous success.

This year's Council took on many responsibilities around the school (such as the operation of the Coke Machine) and, although the jobs were hardly ever romantic, they were necessary, and they led to a smoothly-run student government with a minimum of fuss or bother.

Special thanks goes to Student Council President Joe Dingwell for his industrious leadership; to Vice-President Kelly Everitt for her many unselfish hours of involvement. Other executive members, Marianne Sanderson, Deb Jeffery, Lisa Condon, Carolyn Wiggers, Steve Gofton, and Greg Berlett also deserve great credit for the work they put into the Council in 1981-82. Our final thanks go to our Staff Advisor, Mr. MacKenzie, who was involved in all of our plans and gave so much of his time and ideas to our various enterprises.

This year's Grad Council was very active under the enthusiastic guidance of our Staff Advisor, Mr. John Birtwell. Spaghetti Night was a great success, with almost every member of the graduating class helping out.

The real challenge of the year was the Grad Assembly in February. With such sparkling entertainment as "Reach for the Bottom", the Grade 13 Ballet Troupe and the introduction of "Captain Courageous", the assembly was proclaimed "the best ever" by many viewers. The many rehearsals were well worthwhile.

Grad Day in May, involving some "teaching" and some planned noon-hour activities, was a bit of an anti-climax, but the Grad Banquet featuring Jane Loncke as the guest speaker was well-attended and provided a fitting conclusion for the year.

Our special thanks to Mr. Birtwell for all his help.

## WILDERNESS CLUB

LEFT TO RIGHT: Sherry Lane, Paula Rice, Kathy Nunn, John Helsdon, Heather Scott, Deneen Bull, Trish Papas, Jackie Cowan, Margo DeBrabander, Mr. Palmer, Cheryl VanDaele.

This year the Wilderness Club from Annandale and the Outers Club from Glendale were united. The combined ideas have made this year our most active. The year's activities included horseback riding, hiking on the Bruce Trail, curling, swimming, cross-country and down-hill skiing, and snowshoeing. The highlight of the year is the canoe trip after exams in June. Extensive planning is done for this trip including twelve weeks of swimming and canoeing instruction.

The club is very well suited to the student who wants to experience the outdoors in different ways. In future years the Club will hopefully grow as more students come to understand their relationship with the wilderness and the experiences that it has to offer.

FOURTH ROW: Connie Popham, Theresa Janscurak, Theresa Rockx, Sherry Lane, Brad Mills, Bob Steyaert, Doug Burns, Mike Tutt, Cheryl VanDaele, Nancy Janscurak, Ken Walker.

The United Nations had a very successful year. I was pleased with the number of new students who came out this year. It seems that in the past our numbers have dwindled but this year I'm proud to say we had quite a number of new students as well as the old ones come out.

The highlight this year was the integrated assembly held here at Annandale. Students from six area schools as well as from Mississauga attended the two-day event held January 28 and 29.

Members of the club also attended assemblies in Woodstock, Norwich and Aylmer. Four members were given the opportunity to go to Toronto and participate in SOMA, an assembly involving students from across Southern Ontario.

I owe a lot to Mr. Armstrong for assisting me throughout the year in clearing up problems which I had to deal with.

Special thanks goes to Glendale Executive for making the Tillsonburg Assembly one of the best this year.

Also thank you to the Annandale Executive for all your help throughout the year.

## COMPUTER CLUB

The Computer Club meets regularly on Tuesdays and Thursdays after school throughout the year. Its main purpose is just to have fun, and fun we have! At least once a month we have playoffs in our more popular games, such as "Space Invaders" and "Tank Battle". To save money, we type out games instead of buying them on tape. To raise funds for a voice-box for our computer system; we had a record draw, which was quite successful.

In the months to come, we hope to be experimenting with voice control and voice response from the computer.

The Senior Gemini Cheerleaders have worked very hard this year in supporting the Tillsonburg teams and also for competition. We travelled to London last October to the Purple and White competition, placing first in the semi-finals. The seniors worked extremely hard for the preparation of the finals, but fell a few points behind from placing third. We then competed in the first annual Tillsonburg Town Centre competition, placing second.

Now the cheerleaders are practising for Oxford-Elgin competition in St. Thomas. We hope to represent our school well, and do our best.

The senior cheerleaders have spent a lot of time in supporting the Senior Gemini teams, and this has proved to be very worthwhile. We would like to wish the future squads the best of luck!

This year's Junior Gemini Cheerleaders had only two returnees from the 1980-81 squad so there was a great amount of practice to set up the formations and pyramids necessary for games. The two co-captains, Kelly Collins and Elaine Hanlon, along with staff advisor Miss Robinson helped at practices all year and the results were obvious in the excellent leadership given by the girls in cheering on the junior and midget teams.

This was the second year of amalgamation for the Tillsonburg Gemini; therefore, this was a true test to see if the system would really work. Everyone stuck together, played hard, and most of all had fun. The year was rewarding learning experience to be remembered by all.

All of the Gemini would like to extend a warm "Thanks" to the fans and cheerleaders who were always there with their support and spirit.

To our three unselfish coaches, Mr. Burleigh, Mr. Wilson and Mr. Macovik, who cared so much and who received so little consolation, we would like to express our utmost appreciation for keeping the enthusiasm alive on the football field.

## COACH'S COMMENT

No one enjoyed the 1-5 record, but I did enjoy the efforts of the kids to improve, meet new challenges and work together. We believe that making the effort to win separates winners from losers - there were no losers on our team.

R. Burleigh

## COACHES' COMMENTS

The 81-82 season for the Gemini was a long one. The team experienced tough competition from everyone in the league. Although their record did not qualify them for post-season play, there is always something positive to get out of any endeavour. They learned the importance of playing a full four quarters of football, conditioning and "team" play.

This positive attitude will accompany the nucleus of ball players for next year's team.

Together with this year's excellent graduating juniors, the 82-83 season looks bright.

To the graduates, our best wishes. The returning players and coaches appreciated your efforts.

Special appreciation goes to the Athletic Society, Spirit Society, staff, parents, students, and the always vocal and hard-working cheerleaders for their support during a tough season.

It is never easy to lose. However, this year's Junior Gemini team had nothing to be ashamed of. It played an undefeated season, swept through the Oxford play-downs giving up a single touchdown, and then, against a fine Arthur Voaden squad, lost by a single touchdown in the muddy going at Pinnacore Park after fighting back from a two-touchdown deficit at the end of the first quarter.

Most teams would have given up early in the game after the two long runs; this team never did give up ... even when the fatigue started to take its toll.

We are very proud of these boys and hope that other Gemini teams will play to their level in the future.

Mr. DeVriendt  
Mr. Stover

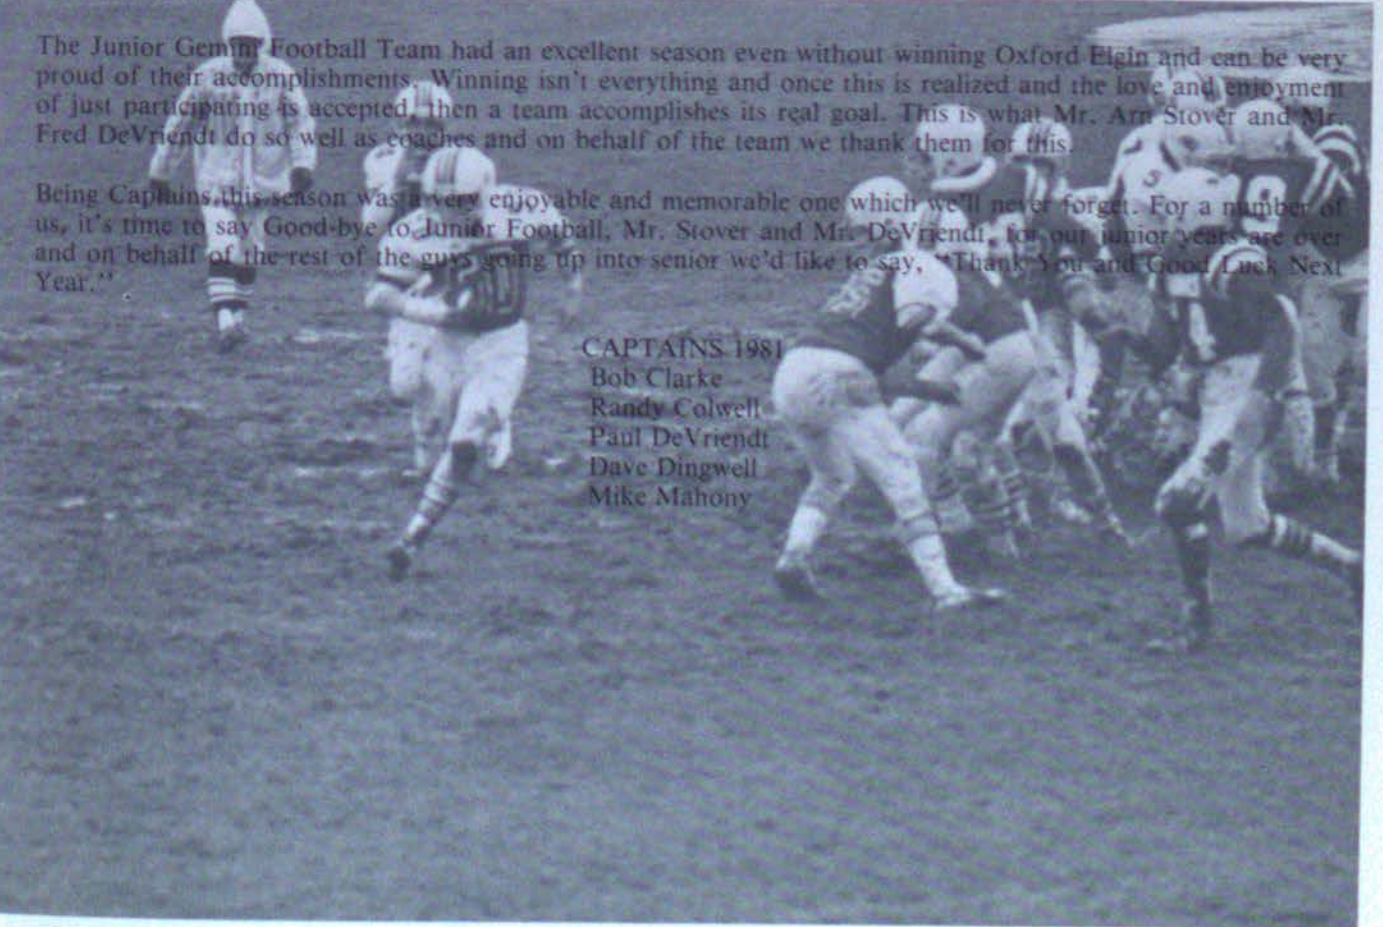

The Junior Gemini Football Team had experience, size, and the excellent skills given to them by their two coaches, A. Stover and F. DeVriendt. The team was a powerful and explosive machine. It seemed as if nothing could go wrong for the black, green and white team from Tillsonburg.

The season started off for the Gemini in Woodstock, where they defeated the Red Devils. The Gems had no problem with the inexperienced C.A.S.S. team 56-0 and went on to defeat their rivals at Huron Park 12-0 in the snow at Woodstock. They finished their season beating Ingersoll 4-0.

But the season was just starting all over again going into the playoffs. Three weeks of hard practise set up victories over Ingersoll 52-0 in the Oxford semi-final and 22-6 over W.C.I. for the Oxford championship.

A number of players for the second time in two years went to the Oxford-Elgin Bowl. This time, though the Gemini were to feel the other side of the coin as the Junior Gems were defeated by a good Arthur Voaden team. The fans were treated to an excellent game of football, both teams doing what they could on a terrible field. This was no excuse for the Gemini though, because that day the better team won. The Arthur Voaden Vikings wanted to win more than the Tillsonburg Gemini. We could blame no one for the loss but ourselves and this loss would be with us until another season.

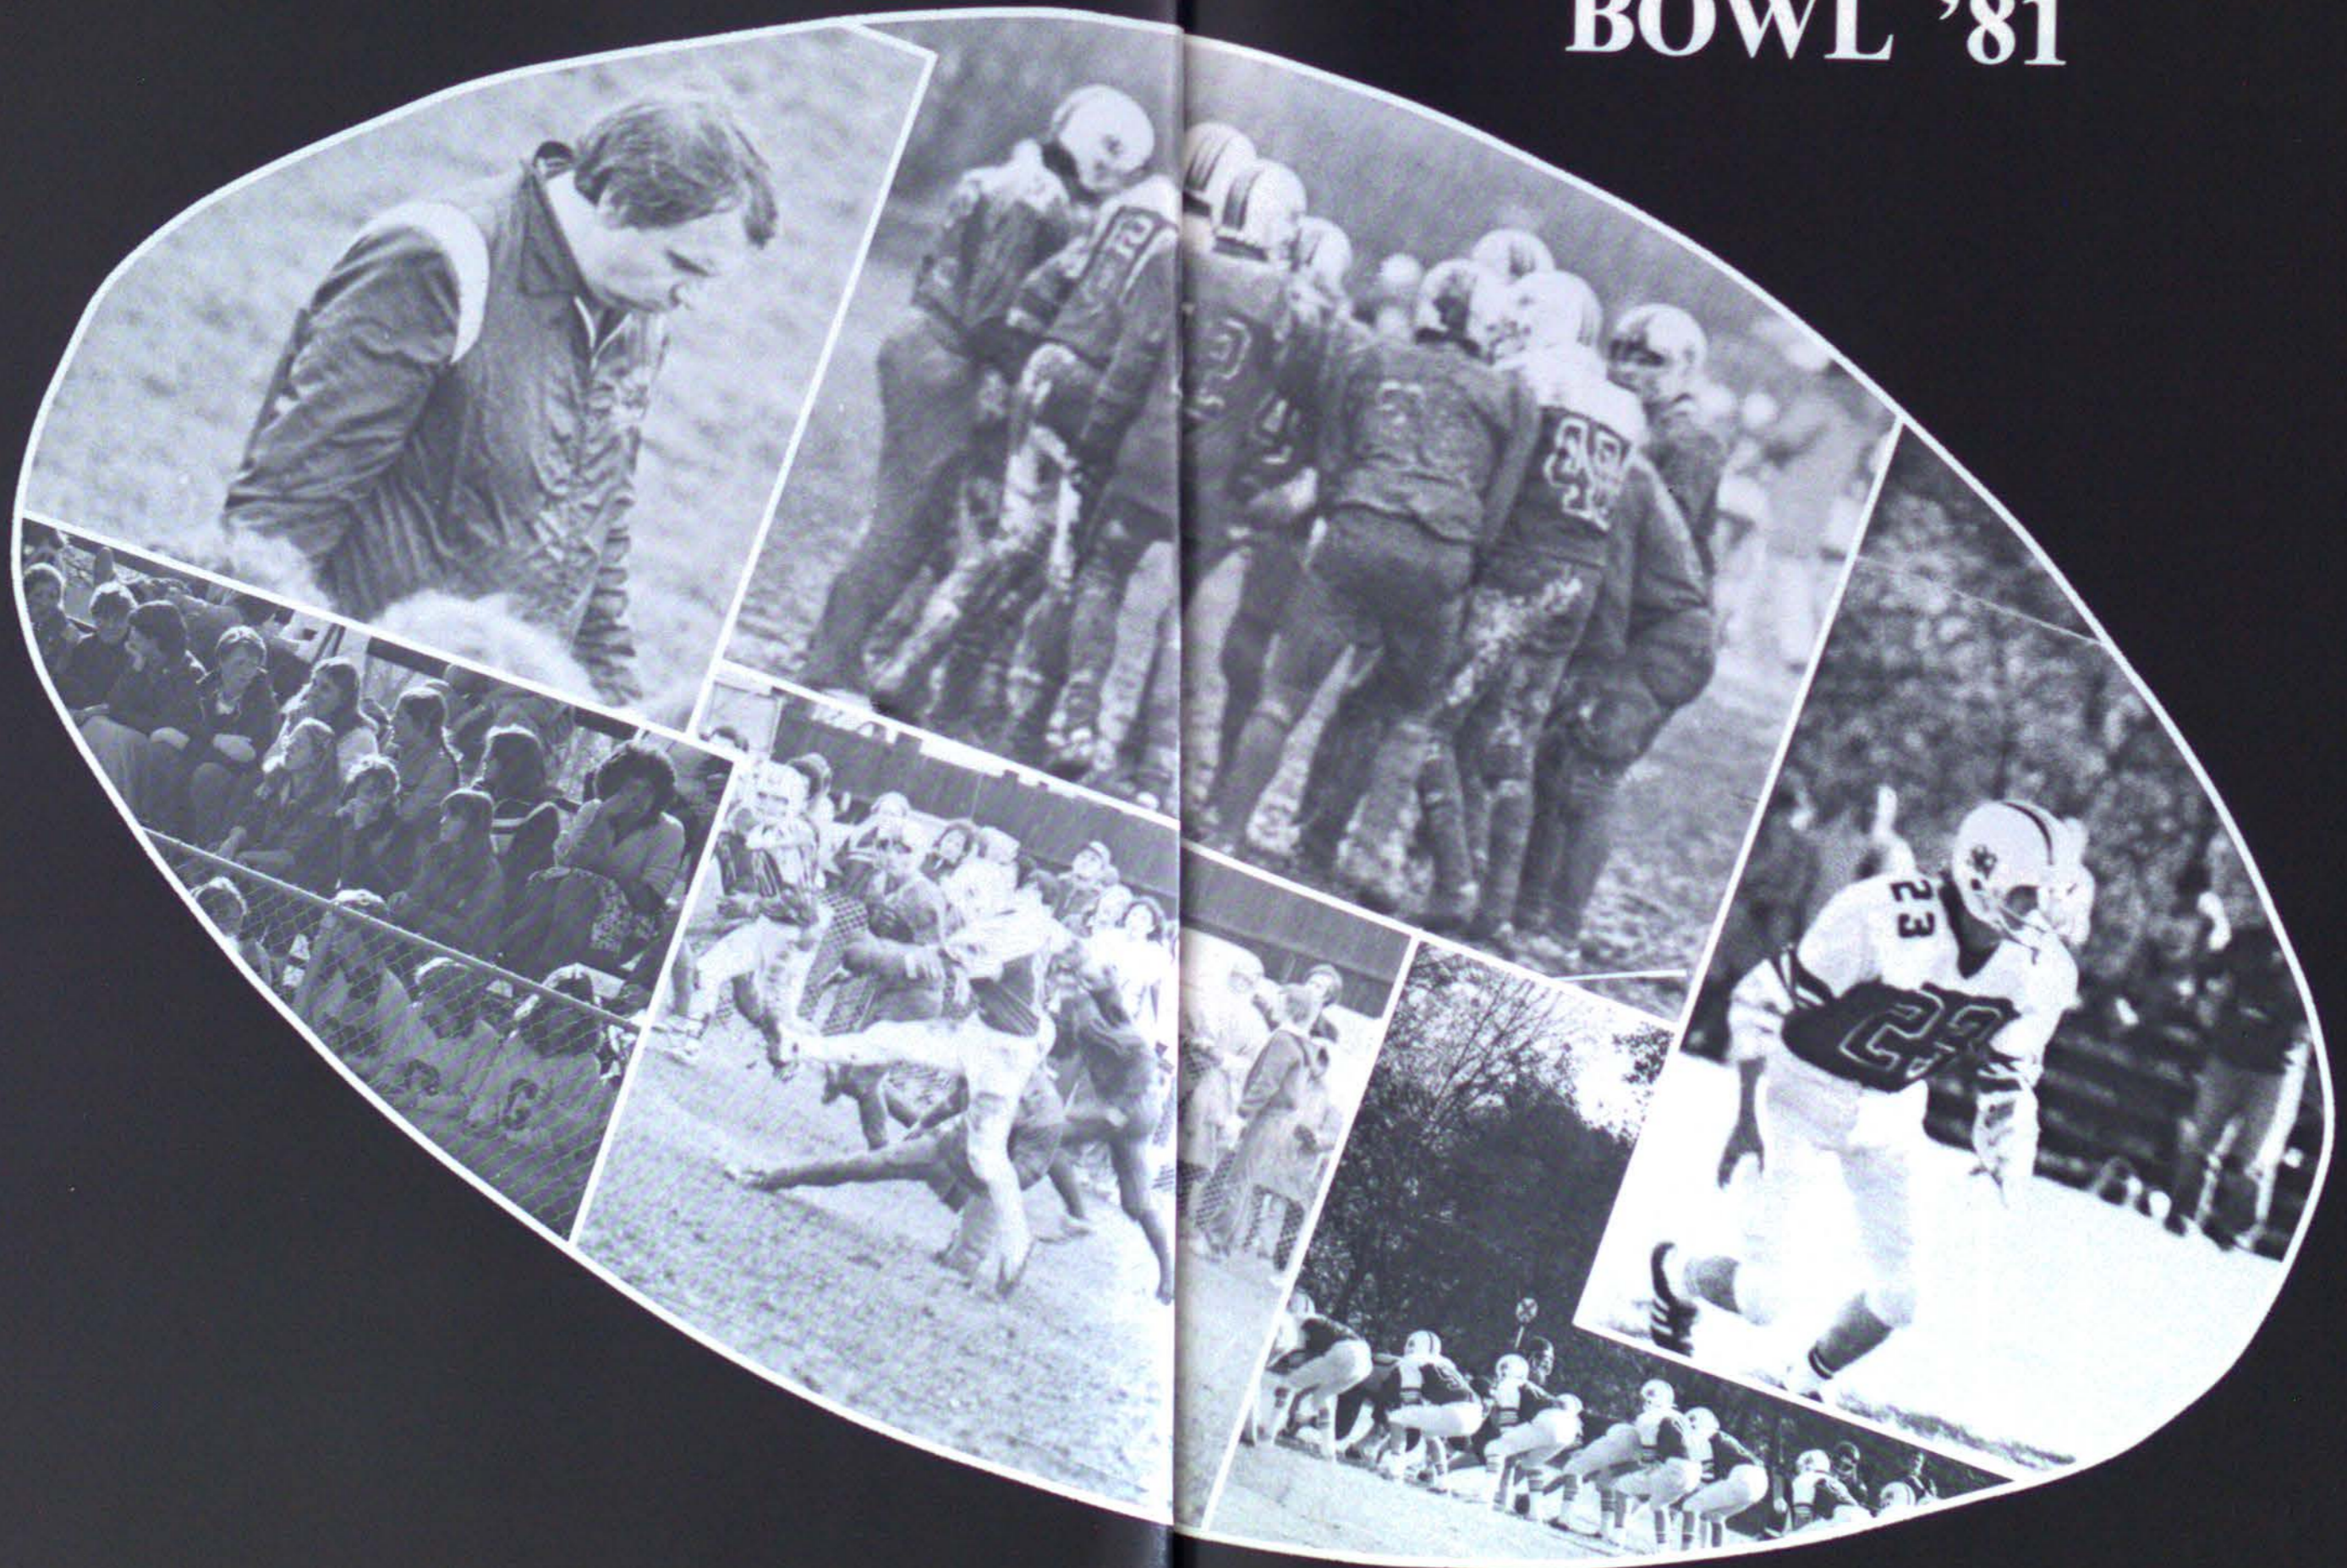

The Junior Gemini Football Team had an excellent season even without winning Oxford Elgin and can be very proud of their accomplishments. Winning isn't everything and once this is realized and the love and enjoyment of just participating is accepted, then a team accomplishes its real goal. This is what Mr. Arn Stover and Mr. Fred DeVriendt do so well as coaches and on behalf of the team we thank them for this.

Being Captains this season was a very enjoyable and memorable one which we'll never forget. For a number of us, it's time to say Good-bye to Junior Football, Mr. Stover and Mr. DeVriendt, for our junior years are over and on behalf of the rest of the guys going up into senior we'd like to say, "Thank You and Good Luck Next Year."

COACHES: Mrs. Zvanitajs and Mr. MacKenzie.

This year's Senior Girls' Basketball Team enjoyed the benefits of a fairly rewarding season. We advanced into Oxford-Elgin with a perfect season record, subsequently capturing the Oxford-Elgin title. WOSSA playdowns served as a very tough test. However, with hard work and determination, the team reached the finals where it lost by only a few points.

To our coaches, Mr. MacKenzie and Mrs. Zvanitajs, we would like to express our gratitude, for their presence was felt both on and off the court. Their dedication surpassed the bounds expected of ordinary coaches, and this, we feel, warrants special attention. We feel that they have established worthwhile standards for future Gemini teams to strive for. For these reasons we would like to extend to them a special "Thank you".

## COACH'S COMMENT

The 1981 Senior Girls' Basketball Team was a "Gem" in the truest sense of the word. It played a very exciting brand of basketball, and, in the end, had an exceptional won-lost record.

Early in the year it was determined that overall team size and team speed would not allow for either a passive defensive style or reliance on a patterned half-court offense. Because of this, the team became fast-break oriented and relied on running, aggressiveness, and transition style basketball. This style was responsible for the free-wheeling, fast moving, high-scoring games that characterized the girls' play this past season.

A veteran team bolstered by the maturing of a small number of junior graduates, the Gemini piled up 21 wins in 26 games. The girls won Oxford County, the Oxford-Elgin championship, were WOSSA finalists, Purple and White Tournament finalists and Tillsonburg High Schools Invitational consolation champions.

The special strength of this team was its depth and the ability of different players to come forth and make their presence felt when it was needed. The Gemini were captained by Tracy DeSutter, Deb Mahony and Carmen Van Hove. Offensively, although everybody contributed, the leadership role fell to Tracy DeSutter and Nancy Lohuis. In the rebounding department, Leslie Kamps and Deb Mahony sparkled. Finally, the ball control game was in the very capable hands of Carmen VanHove ably assisted by Julie Ghesquiere.

Many key performers have played their last games for the Gemini. Quality players such as Tracy DeSutter, Sandy Hodson, Leslie Kamps, Deb Mahony, Teresa Marozan, and Carmen VanHove will be sorely missed. A strong and talented nucleus will return, however. This augurs well for next year.

All of the girls should be congratulated on a job well done.

Mr. MacKenzie.

This year's Junior Girls' Basketball Team had a very exciting and satisfying season although we did not go as far as we would have liked. We were a very young team consisting of seven Grade Nines, five Grade Tens and only three Grade Elevens. In league play, we were 9-1, and that put us in a tie for first place with Huron Park. In the play-off, the Gemini came up with a strong win and emerged as Oxford County Champions.

In Oxford-Elgin we played a fairly close game against St. Joes, but we ended our season there as we were a bit flat.

We played in several tournaments during the year and we improved each time out. We had a lot of close games in tournaments that were lost by one or two points, mostly because of inexperience.

The team would like to thank our captain, Nancy Bridle, because without her leadership we would have fallen apart as a team several times. She provided a great amount of spirit for all of us. Finally, we would like to thank our devoted coach, Mr. Warnock. He contributed a lot of his time to our team and made it a very enjoyable season for us.

## COACH'S COMMENT

This year's team had a great deal of enthusiasm but little experience. We spent most of the year making mistakes and then learning from them. I would like to express my thanks to all of the girls for a most enjoyable season.

## OXFORD-ELGIN SENIOR TEAM CHAMPIONS

This year was most successful for the Gymnastic Team both in the quantity and the quality of the competitors. In the Junior division, first year competitors, the team of Ann Hildebrant, Lisa Williams, Margo DeBrabander, Sherry Wilson, Kim De Rouchie and Marnie Parsons placed third in Oxford-Elgin competition. Individually Lisa placed fifth on the Uneven Bars and Anne was champion in Vaulting and on Uneven Bars to qualify for WOSSA. Anne placed second in the individual All-Around Championship.

Though Sue Biro and Jane Charlton were the only members of the Intermediate team, they still placed third in team competition. Jane was third and Sue sixth in Individual All-Around.

The senior B team of Yasmin Sparks, Bev VanDoninck, Sue Healey and Monica Oke were Oxford-Elgin Champions, a first for a Tillsonburg team. Individually, all four events were won by Gemini gymnasts and of the sixteen positions available for WOSSA the team held eleven of them to control this division. Yasmin led the way as

champion in Balance Beam, Vaulting and Floor Exercise plus a second on Uneven Bars to win the Individual All-Around title. Right behind was Bev who was champion on Uneven Bars, second on Floor Exercise, third in Vaulting and fourth on Balance Beam to place second in Individual All-Around. Sue placed third on Floor, and sixth in Balance Beam, Uneven Bars and Vaulting to place third All-Around. Monica placed second on Beam, fourth on Floor and was fourth All-Around.

At WOSSA Anne was champion in Vaulting and on Uneven Bars in the Junior division. In Senior B Yasmin was Vaulting champion and second in Balance Beam as well as second in the All-Around. Bev was second on Floor and third on Uneven Bars and placed fourth in the All-Around. All three gymnasts advanced to OFSAA where they performed well with Anne placing fourth in Vaulting.

We were very pleased with our gymnasts and we wish to thank them for their efforts. With only Monica graduating and some promising gymnasts entering grade nine this coming year, the programme looks even stronger in the future.

By the time the month of January rolled around, the Senior Gemini Basketball Team began to play "beautiful music" on the fields of friendly strife. Every league game was another "sweet song" and in two well-orchestrated performances in the Oxford-Elgin Championships at Gendale, the Senior Gemini quintet drummed out two decisive victories over the heir-apparent, Central-Elgin Titans in the semis, 66-52, and the Parkside Stampeder, 62-49. Then, in the WOSSA "AAA" Semi-final at U.W.O.'s Alumni Hall, the Gems pulled out a scintillating upset victory over number one ranked Clarke Road Trojans, 44-40. However, the victory song was not sung again for the valiant Gemini Squad as two starters, because of injuries, were forced to sit out of the championship game and this resulted in a heart-breaking loss to Sarnia Northern, 41-37.

The Gemini went on to the OFSAA "AAA" Western Regional at the University of Windsor's St. Denis Hall and came within an "inch" of upsetting the number three ranked team in the province; however, the Gemini lost to Cameron Heights of Kitchener, 52-48. This has ended an exciting season for the Gemini - a team that had 27 victories and 9 defeats and could be characterized as having "True Grit".

Six graduates leave the Tillsonburg High Schools for further education and they will be greatly missed in the Gemini line-up. Shawn O'Rourke, twin brother Scott, Jerry Vermeeren, David Bossy, Marcel Schroeder, and Brian Van Quaethem leave the Gemini programme "winners", and it is their hope that the 1982-83 Gemini squad will experience continued success in the future.

The members of the Gemini teams wish to extend appreciation to all those who supported them throughout the season.

## COACHES' COMMENT

This year's Junior Basketball Team once again had a very successful season. We were undefeated in regular play, finishing 10-0. In the Oxford-Elgin championships, we defeated East-Elgin in the semi-final and lost to Central Elgin in a hard fought final championship game. We were finalists in 5 tournaments, playing against the better teams in the province. Our overall record was 23-7.

As coaches, we were extremely proud of this team's effort, cooperation and enthusiasm. We believe this young and inexperienced team continued to develop their level of play throughout the season. This team had good depth and will provide a solid foundation for the Tilsonburg Gemini basketball program for the future.

Mr. J. Donaldson  
 Mr. F. DeVriendt

The Junior Gemini Basketball Team had a very enjoyable and successful season. Competing in many tournaments, we were never quite able to come out on top even though we continually reached the finals. We learned many new skills and ideas and we would like to thank Mr. Donaldson and Mr. DeVriendt for everything they taught us and for a very worthwhile season.

Paul DeVriendt

## MIDGET GEMINI BASKETBALL

FRONT ROW: Steve Simon, Ron VanMoerkerke.

BACK ROW: Mike Demaree, Sean Gardner, Chris DeVriendt, Mr. Burleigh, Louis Vegh, Manager; Jamie Bray, Jeff Arbing, Tim Healey.

ABSENT: Joe Juhasz, Ted Karagias.

This excellent young basketball team had difficulty finding opposition within the immediate area, but Coach Bob Burleigh took them to many tournaments to expose them to the tough play they would have to face in an Oxford-Elgin final.

To Coach Burleigh go the thanks of this entire team for his insistence upon individual effort, honest team play, and the development of fundamental basketball skills. All of the boys matured well under his guidance.

### COACH'S COMMENT

They were a fun bunch of kids who met the challenge of excellent basketball by the end of the year. The Midget Gemini defeated the top teams from Windsor, Sarnia, Chatham, and London in winning tournaments in Chatham, Sarnia, and Tillsonburg. They knocked off the top junior team in Norfolk County before easily winning the Oxford-Elgin Championship over Central Elgin.

# SENIOR GEMINI VOLLEYBALL

FRONT ROW: Lydia Zamecnic, Wendy Ghesquiere, Diane Wardle, Patti Adlington, Linda Ball, Katie Nelson.

BACK ROW: Cindy Gordon, Lisa Condon, Nancy Lohuis, Sandra Hodson, Tracy DeSutter, Linda Ghesquiere, Miss Ballantyne.

This year's Senior Girls' Volleyball Team had a great deal of potential. However, this potential always seemed to fall short of a championship by the loss of one match. Although we reached the finals at many tournaments, including Oxford-Elgin, we succeeded in winning only one tournament, the Tillsonburg Invitational. This year's team is still fairly young, with only two graduating members, so that perhaps next year a championship will belong to the Gemini in this sport.

We would like to thank our scorers and lines people whose services and time were greatly appreciated. Our gratitude is also extended to our few but loyal supporters who discovered that volleyball is a challenging and exciting sport. Our final and most important tribute belongs to Miss Ballantyne who gave so much of her time and effort to our team. She succeeded in developing each member's volleyball skills without destroying the pleasure of the sport. We only regret that we could not produce more championships to repay her for all of her effort.

Sandra Hodson  
Tracy DeSutter

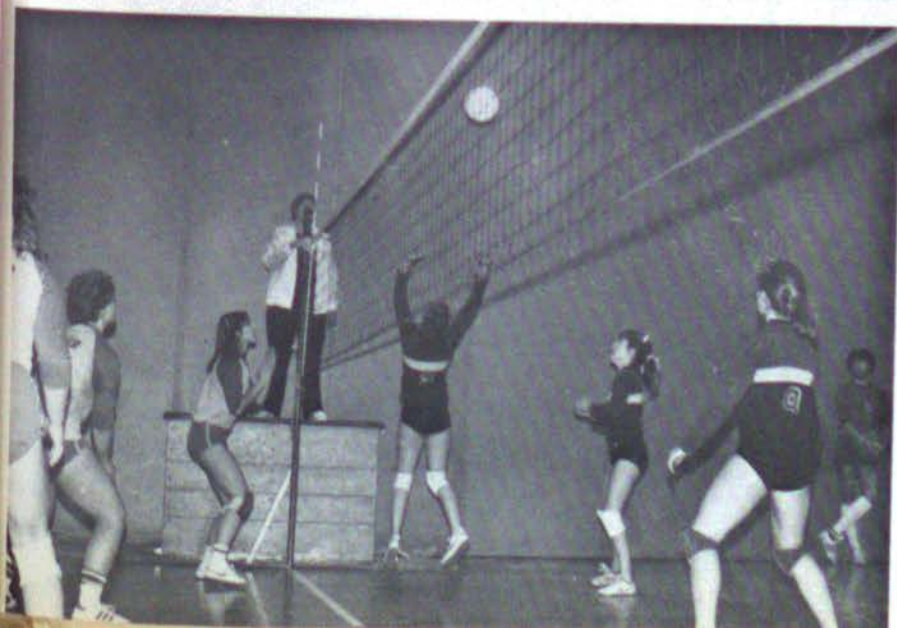

## COACH'S COMMENTS

The senior girls' volleyball team this year was a truly talented group of young athletes who knew how to play the game of volleyball with excitement. Their season record was excellent, going into Oxford-Elgin with a nine win, one loss record and meeting their arch rivals in a tight final game for the Oxford-Elgin championship with Ingersoll taking the edge. The girls advanced to WOSSA where they played some great volleyball and showed that they were true contenders with the province's best. The team was one I truly enjoyed coaching and I look forward to seeing ALL of them back with the exception of our graduating players Trace and Hoddy. Good old persistent work and team spirit were the backbone of this year's Senior Girls' Volleyball Team and a coach cannot ask for more than that. Congratulations and thank you girls for a season of many good memories!

## TEAM ROSTER

Lesley McDermid, Co-Captain; Heather Davidson, Co-Captain; Joanne Fazakas, Michele DeSutter, Deb Vilez, Lisa Austin, Dianne Preston, Tracy McMillan, Carolynne Feeney, Anne Hildebrant, Sheryl Hoorelbeke, Anne Lanthier, Missy Gehring, Kelly Spencer, Manager; Pam Fletcher, Scorer; Miss Jurjevich, Coach.

The Junior Girls' Volleyball Team had an action-packed season although it ended on a disappointing note. The teams in the Oxford Conference were fairly equal. The top three teams advanced to the Oxford-Elgin Championship Tournament. We tied for third, but because we had more points scored against us than the other team, we lost our chance to continue what looked like a promising "second chance" for us.

Our best showing in the several tournaments that we played came in the Brantford Tournament against Huron Park. The games were close, tense, and exciting. Although we lost the final match, it was one of our best efforts.

Our coach, "Miss J", worked us hard, and we are sorry that we could not win a championship for her. She was a great coach and a good friend to all of us. Thanks again, Miss Jurjevich, for spending so much time with us.

## BADMINTON CLUB

The Badminton Club which meets every Tuesday night at Annandale is composed of approximately 35 students from both schools, Mr. Blacklock and Miss Dunlop are the staff advisors. The students who participate in this activity do not have to be great badminton players - many play for the exercise, the enjoyment of the sport and a break from the books. Those interested may try out for the Oxford-Elgin Team.

### COACH'S COMMENT

I was very fortunate over the past year to be able to play for the Junior Gemini Soccer team. The good fortune came not only by compiling a winning record, but also from being able to play the game with a bunch of talented friends. The best of these talents was brought out by a confidence in ourselves and our teammates. You were a great team!

As for coach DeDecker, I would like to congratulate him on a job well done and thank him for putting forth the effort needed to coach a team. Thank you, sir.

In a season with just one loss the feelings of the team can only be captured in a quote from Bob Clarke. "Jeepers! We should have won Oxford-Elgin".

Scott Gofton

The 1982 Junior Gemini soccer team was as close to a dream team (in the eyes of their coach) as any coach could hope for. Of the twenty-six talented and enthusiastic boys who tried out, the sixteen in the photo comprised the 1982 Oxford County Champions.

Ron VanMoerkerke, playing his first season, set a new Gemini soccer record with 5 shut out victories.

Contributing to this strong defence were the fullbacks, Dave Moylan, Sean Gardner, Bill Clarke, big-foot Randy Colwell and the human dynamo, Bob Clarke. These players were big, fast, strong, aggressive, and skilful and our team's solid foundation.

Our front line runners and strikers, Jim Troyer, Steve Simon, Jim Takacs, Gary VanMoerkerke, Dan Efstatheu and Darwin VanWynsberghe managed not only to draw a crowd of defenders but also put on quite a display of speed and skill. Beautiful plays such as Steve Simon's crosses and Gary VanMoerkerke's headers have set a high standard for future Gemini teams to emulate.

Our team's heart was the midfield corps of Tim Rowland and co-captains Brad Loveday and Scott Gofton. Tim, in his first year, played solidly in every game, while Scott is a sure tackler and an excellent field general. To Brad goes much of the credit for the Gemini dominance of the Oxford Conference. He was named Most Valuable Player. The coach would like to thank each of these boys for his loyalty and effort which made the season both memorable and enjoyable.

Mr. DeDecker

FRONT ROW: Brad Bartlett, Carey Speirs, George Mendonca, Scott Simmons, Gary Mattan, Anthony Simon, Dave Stephan.

Our 1982 season did not turn out the way we had hoped. We were eliminated from playoffs by one regular-season point. The team was very competitive and illustrated much sportsmanship. I would like to take this opportunity, on behalf of the team, to thank Mr. Sulkowski for a job well done. I would also like to wish next year's team the best of luck.

Carey Speirs

## COACH'S COMMENT

I would like to thank this year's squad for an exciting season of soccer. We had a good year, finishing second in our league with only a single point dividing the top teams. We had a 5-1-2 record and lost only two games by a one goal difference. I would also like to congratulate our grads Marcel Schroeder, Dave Stephen, Steve Gofton and John Twinem for their outstanding contributions to our program over the years and a special thanks is in order to our two graduating captains, Carey Speirs and Brian VanQuaethem whose leadership carried our club through a-tough season. A warm thanks to two rookie grads, Brad Bartlett and Gary Mattan for your sincere efforts and entertaining brand of soccer.

## OXFORD- ELGIN TENNIS TEAM

TILLSONBURG GEMINI TENNIS TEAM 1981-1982

This year's team continued to have a winning tradition. The strength of our program was evident in the junior events with the girls leading the way. We won four Oxford-Elgin Championships. Three of the championships were at the junior level. Lisa Dalby and Jennifer Johnson won the junior girls' doubles. Elaine Kiriakopoulos won the junior girls' singles. Mona Sabat and Dale Nurse won the junior mixed doubles. In senior competition, Geoff Kilner and Lesley McDermid won the senior mixed doubles for the second year in a row. All our team members will be returning except Matt Austin; so next year's team should be quite strong.

Matt Austin is graduating and has contributed much help to our tennis program during his five year tenure with the team - we wish him well in his future activities.

Believe it, or not ... a fabulous eight-ender.

This year we had an active involvement in our curling program. The intramurals as well as the interschool competitions were very strong and quite active.

Because of the large involvement, we were able to establish two travelling teams in both boys' and girls' competitions. The second team in both boys and girls did quite well in exhibition play within the county.

The first girls' team came up against very stiff competition in the county but gained very valuable experience.

The first boys' team started the year with a second place finish in our district in the Ontario Curling Association's Schoolboy Playdowns.

Emerging Oxford champions with a 7-1 record, the Gemini boys travelled to Oxford-Elgin competition. Here we lost a close final to a strong Parkside team.

Again in WOSSA competition we took a silver medal losing another very close match to Parkside in the finals.

All around, the season was a big success for all involved and everyone had lots of fun, with the boys advancing as far as any Tillsonburg team had ever gone.

A special thanks must go to Mr. Wilson and Miss Howison for their time, dedication and expert coaching.

## COACH'S COMMENT

The boys' interschool curling team completed their most successful season in several years as Oxford County Champions, Oxford-Elgin Finalists, Ontario Curling Association District Finalists and WOSSA Finalists. They represented Tillsonburg well.

At times there were frustrations, but mostly success and, always, a lot of fun.

Thanks, guys.  
Mr. Wilson

It was an excellent Track and Field season for a lot of fun-loving, hardworking athletes. There were the usual disappointments due to injury and illness, but also there were a few surprises as our Tillsonburg athletes set a number of personal and meet records.

Individually, Denise Fillion and Dave Burleigh led the way as they each set three records. Denise set records in the long jump (5.17 m.), the 100 m. hurdles (15.4 sec.), and the 400 m. (59.1 sec.) at the Oxford-Elgin Championships.

Dave Burleigh set pole vault records at the Cornelius Relays (3.60 m.), the Oxford-Elgin Championships (3.52 m.) and the OFSSA West Regional Championship (3.51 m.).

Denise and Darryl Claringbold were Oxford-Elgin Individual Champions as Denise piled up the three firsts mentioned above and Darryl won three firsts in the Midget Boys' 400 metres, 800 metres and 1,500 metres.

The Senior Girls (all five of them!) won the WOSSA Team Championship.

The Senior Girls' 4 x 400 metres Relay Team should get special recognition for their excellent time of 4:03 and a sixth place finish at the OFSSA Championships.

## NO INTEREST

Just sitting in the auditorium is so damn boring  
When that speaker can't keep one person's interest  
For a fraction of a second.

(No offense to those who CAN do so)  
All that comes out is a blah monotone  
With no feeling at all.

(No doubt similar to the rest of his life)  
Why are we subjected to this  
When we have such young innocent minds  
Ready to learn,

Eager to learn in most cases.  
(I'm sure the speaker would object to that!)

Nevertheless, we quietly look content,  
Pretending to understand.

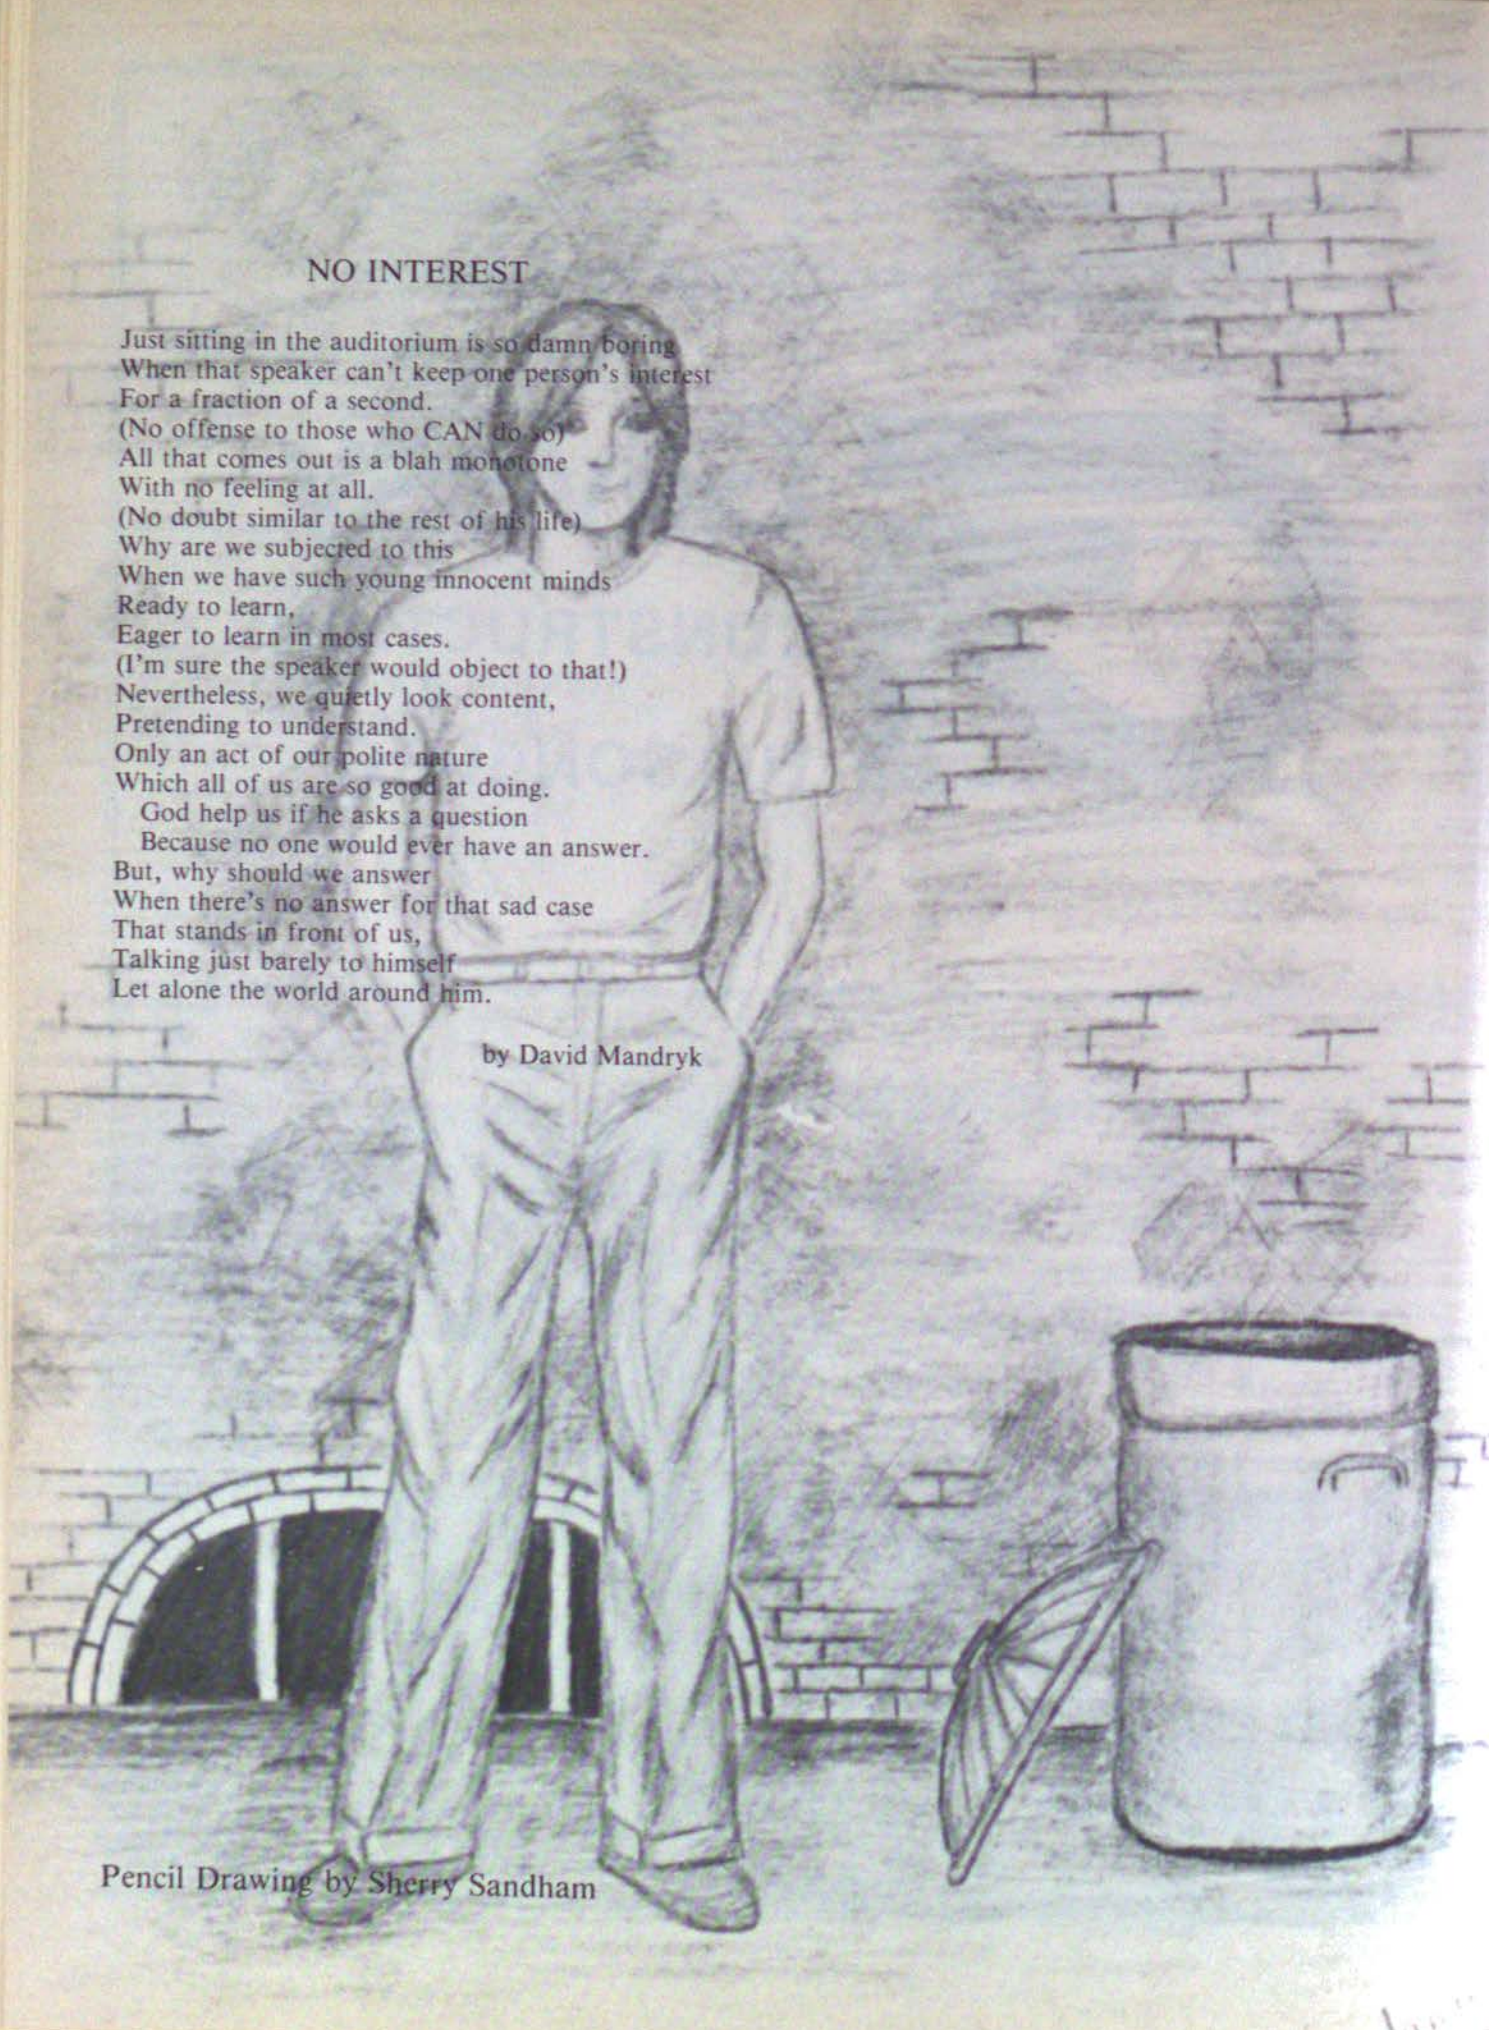

Only an act of our polite nature  
Which all of us are so good at doing.

God help us if he asks a question  
Because no one would ever have an answer.

But, why should we answer  
When there's no answer for that sad case  
That stands in front of us,  
Talking just barely to himself  
Let alone the world around him.

## GLORIOUS GAME

The set attack of opposing teams  
Head to head,  
Both wanting an object of little value  
To any common person standing on the street.  
But the ball is gold to the possessing team.  
A symbol of success and pride.

A line up of forces like gunner  
Wanting to fire their bodies into their opponents  
With speed and accuracy to an open field,  
Or close off that on-coming runner  
Who cradles the baby in his arms.

A fake a sweep,  
The football spars,  
A perfect throw,  
He leaps into the air to lose contact of earthly hands.  
And joins the free space the on-coming ball spins through.  
He has to stay with reality by keeping calm,  
This is hard to do when one feels so majestic  
And free.  
He eyes the ball, the crowd eyes him,  
A splendid catch.

Then with force, comes through a blinding hit.  
Muscles grind,  
Grunt!  
One heaping mass falls down to the ground,  
A white and black striped man enters the scene, he looks  
"Who has the ball?" the eager crowd shouts.  
The other team does, turnover!  
There's now a celebration of other sides,  
Never a totally satisfied soul in the crowd,  
At least not until the end of the game, maybe,  
But there's always excitement  
In that glorious game of contact.

## THOUGHTS FROM A SMALL ROOM ...

The comments of a staff advisor: probably the least read page in the whole Tatler. However, certain things need to be said. First the "Thank You's" ... and there are many!

To Lori Graves and Laurie MacFarlane. This year's Tatler was almost an impossible task; integration has made the whole process much more difficult with write-ups disappearing, coaches and staff advisors unavailable, pictures postponed because the Annandale (or the Glendale) kids weren't told ... etc., etc., etc. Thanks for persevering ... with good humour. We finally won!

To my Grade 11 "mafia" who will run the book next year, my greatest thanks possible. Without you, there would be no Tatler. Next year, these four people will form the Editorial Board for Tatler 83 with JANE ANDERSON as Production Manager; SHERRY SANDHAM as Managing Editor; and SUSAN MacFARLANE and KATHY NUNN as Co-Editors.

Photography for a 192-page book is almost impossible. Mr. Sulkowski organized a Camera Club this year, and three Grade 9 and 10 boys turned out most of the pictures in this book. As they gain experience, we will really have fun. My thanks to John Dean, Greg Bennett, and, most of all, Randy Helsdon for putting up with all of my complaints and yelling. Great job!

We also owe photographic thanks to Rob Clark who covered certain activities as a personal favour. Four students provided photos of activities that had not been covered. Special thanks to Laurie Payne, Sandi Biro and Heather DeBrabander for Prom pictures; and to Chris Oatman for general photos. Fred's Photography and The Tillsonburg News are extremely nice to us, providing pictures that we needed desperately.

To my wife, my thanks for putting up with all the hours that the Tatler takes and for helping out when we had to have extra work done. To Mr. Pellizzari, who looks after the finances of every organization in the school, thanks again for caring for the Tatler so well.

And finally, to Dave Stover, who ran the business end of the Tatler completely; who brought us back to solvency from a large debt built up last year; and who never asked me for help ... just his friends in Grade 13 ... I give my thanks and my sincere respect.

Next year, Staff Advisors and Coaches will have to maintain closer communications with both the Tatler and the Annona. Both books went to press with write-ups and pictures missing. Often, the students involved at both schools had asked and asked ... but somehow the promised picture or story never appeared.

To those coaches and staff advisors who did help out on the first request (and that's the majority!), our thanks. We hope that you are happy with the coverage that your activity received.

Finally, my sincere appreciation to "my kids". As I did my final proof-reading, I discovered their dedication. A lot of whispering and giggling became clearer. I accept your compliment with pride. A great amount of love and care goes into this book. It has to ... if it is to represent what is good and lasting about Annandale.

## TATLER ADVERTISING

This year, more than 50 students were involved in the advertising blitz to cover Tillsonburg and the surrounding communities. This voluntary help made the Tatler possible. We also owe a great vote of "Thanks" to all the businesses and professional people who still care enough about a high school yearbook to support it in the fashion that they did in 1981-82 in a time period characterized as "a tightened economy". Their generosity allowed us to print our book.

All of the following (and perhaps others!) took part in our advertising campaign. THANK YOU.

## BUSINESS MANAGER'S MESSAGE

And so we come to the end ...

The end of the book, and the end of our years at Annandale High School. It will be at least five months after the end of the 1981/82 school year when the yearbook arrives back from the printers for the eagerly-awaited first reading. I imagine people will still turn the pages -- searching for old memories, old times, old friends -- for decades to come, at noisy reunions and in quiet moments of remembering at home.

But to the specifics at hand ---

My thanks as business manager to all those who went out advertising during the year; who acted as homeroom representatives during the sales campaign; who helped out any way they could.

And, of course, thank you to all the merchants and professional people of the town. Economically, 1982 will not be remembered as the best of times -- as I write, unemployment stands at 11 per cent, inflation at 12, the prime interest rate at 18. But despite it all, the community came through and total advertising sales exceeded any expectations we might have had. Thank you.

Thank you, too, to all those who bought copies of the 1982 Tatler. That includes about four-fifths of the population of the school -- and, in a school as small as Annandale, practically everyone has to buy a copy if the price is not to soar out of sight entirely.

A special thanks to Mr. Arn Stover. (The relationship goes back a bit farther than a year on the Tatler ...) He predicted solvency even at the start -- and I think we got there. (Almost anyway.) And to Mr. Pellizzari who handled all the banking transactions skilfully and efficiently.

Finally, some general comments. It was a good five years. We all survived, had a pretty good time -- and, I suspect, got a high school education the equal of any in the province. I imagine the high points and the low points and the activities (Performance, sports, the Prom, and Mr. DeDecker's rocketry experiment in grade 13 physics) will be remembered for a long time. I hope so.

And, of course, we'll be back ... if only to check on whether the bench has been released from bondage yet.

For all the cast of dozens, then, as we go to join the cast of thousands that is life ... thank you, Annandale, for the time spent here before we were carried onward and away.

July, 1982

Dave Stover

## THANK YOU

... to all the citizens of the Annandale community who helped put this book together and who made it possible by buying a copy, and ... to all of the citizens of the larger Tillsonburg and District community who supported our yearbook and all of our other activities in 1981-82.

... The photograph above seems symbolic of that close interdependence between the two communities.
