Valedictory Address - 1982

JOHN BAMFORD
1982 VALEDICTORIAN

First of all, I would like to thank my fellow graduates for giving me the honour of representing the class of '82 as their valedictorian.

When I first sat down to write my valedictory address, I was overwhelmed by the task that was ahead of me. By using the definition of the word "valediction" as a basis, I began.

"Valediction"; a speech or statement made at a time of leaving, from the Latin word "Valedicere"; "to say farewell".

We are a class that saw Annandale through the transformation from Annandale High School to Tillsonburg High School. Due to the decrease in enrolment and the need for the option of course variety and athletic participation, Annandale and Glendale amalgamated to form one united body, Tillsonburg High School. To use the words of the Valedictorian of 1955, someone special to all of us, Mr. Arnold Stover, "We are establishing a tradition tonight and history of this school".

Deep in our hearts, we still hold the memories of the old Annandale traditions, but we have accepted the new Tillsonburg spirit. A new era has begun which must be upheld by our future graduates. For those that follow us, the joint system is working well; now it is up to you to make the bond even stronger.

In our four or five years spent at Annandale, we have learned to cope with life and its many challenges. Annandale has taught us the joys of victory and the way to meet defeat, if it should occur, with heads high, overcoming it, realizing the cause. From this comes a stronger, more aware individual.

The feeling of love and pride that generates from an Annandale graduate is due to the very special staff which goes out of its way to set good examples of leadership, friendship, and a feeling of well being. They have given us the requirements needed to succeed. Plato once called teachers, "those having torches to pass on to others."

As we accepted our diplomas tonight, in a way we were accepting the torches passed on to us by our teachers. But keep in mind our learning is not over. There is a saying, "Life itself can't give you joy unless you really will it; life just gives you time and space; it's up to you to fill it."

Even though we are such a diversified group, we have been drawn together by one common interest. This being Annandale. Through our many school projects and team activities, we have built bonds of friendship, and created memories that will stay with us throughout our lives.

We would like to thank our families and friends for the continuing love and support you are giving us; it is making the growing, maturing, and learning process easier. Now that most of us are away furthering our education, we realize how much we miss the warmth and comfort of home.

A TOAST TO THE SCHOOL - Presented by Marianne Sanderson

GRAD BANQUET 1983

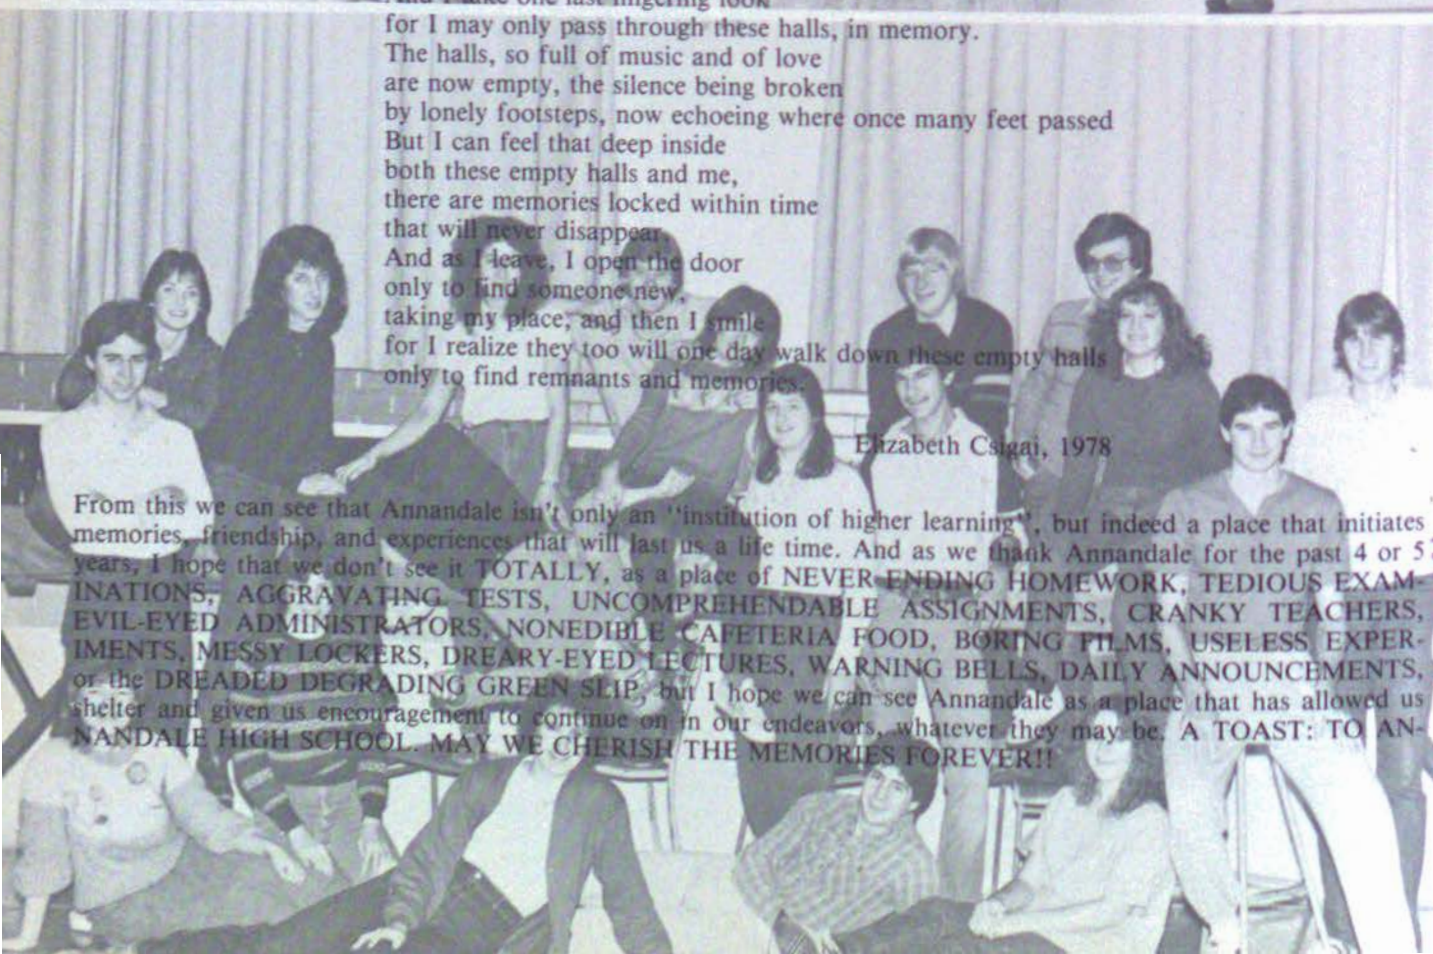

As we grads are busily winding down our last year here at Annandale, we are also preparing for next year's endeavors be they employment, university, or community college. However, at this time I think it appropriate to stop and look at what we grads are leaving behind. Of course, we are leaving a building full of teachers and students, but, we need not forget the many traditions that are memorable for all of us. For example, we are the last grad class that was introduced to the Marauders back in grade nine, and I think we should be very proud of the Marauders and proud that we had the opportunity to be a part of that tradition. Also within the last month, the Prom and Performance '83 have both passed through Annandale's halls to leave many joyous memories locked within all our minds.

I would like to read a poem that Liz Csigai wrote in 1978, her graduating year, to perhaps explain much better than I, what our school, Annandale, has left us and done for us.

EMPTY HALLS AND MEMORIES

I walk up and down these empty halls
which once were filled with joy and laughter,
only to find remnants and memories ...
of time lost,
but experiences gained.
And with a sigh of relief or remorse
I know not which,
I am afraid,
for the past few years have sheltered me
but taught me enough to travel on ...
And I take one last lingering look
for I may only pass through these halls, in memory.
The halls, so full of music and of love
are now empty, the silence being broken
by lonely footsteps, now echoing where once many feet passed
But I can feel that deep inside
both these empty halls and me,
there are memories locked within time
that will never disappear.
And as I leave, I open the door
only to find someone new,
taking my place, and then I smile
for I realize they too will one day walk down these empty halls
only to find remnants and memories.

Elizabeth Csigai, 1978

From this we can see that Annandale isn't only an "institution of higher learning", but indeed a place that initiates memories, friendship, and experiences that will last us a life time. And as we thank Annandale for the past 4 or 5 years, I hope that we don't see it TOTALLY, as a place of NEVER ENDING HOMEWORK, TEDIOUS EXAMINATIONS, AGGRAVATING TESTS, UNCOMPREHENDABLE ASSIGNMENTS, CRANKY TEACHERS, EVIL-EYED ADMINISTRATORS, NONEDIBLE CAFETERIA FOOD, BORING FILMS, USELESS EXPERIMENTS, MESSY LOCKERS, DREARY-EYED LECTURES, WARNING BELLS, DAILY ANNOUNCEMENTS, or the DREADED DEGRADING GREEN SLIP, but I hope we can see Annandale as a place that has allowed us shelter and given us encouragement to continue on in our endeavors, whatever they may be. A TOAST: TO ANNANDALE HIGH SCHOOL. MAY WE CHERISH THE MEMORIES FOREVER!!

Mr. Birtwell

This year's Grad Council has done an excellent job of organizing the usual selection of grad activities. The Spaghetti Night, run in conjunction with parents' night, afforded a good meal at a reasonable cost and at the same time allowed the Grads to raise money for their other activities. The Grad Assembly was especially well produced and was a good representation of the variety of talents which the Grads have.

Congratulations on a very satisfactory year and a job well-done.

Initiation Day - 1982

I liked Initiation Day because we got to dress up and act like total jerks. It isn't fun eating raw eggs, but I'm sure it's a good joke to laugh at. I can hardly wait for next year to laugh at those minor niners. I think new gags should be thought up such as jumping off stage with eggs in your armpits or throwing an egg to your partner and trying to catch it in your mouth. Those gags which have been used other years are getting too old. I think more and newer ones should be thought up.

Josh Whyte 9E

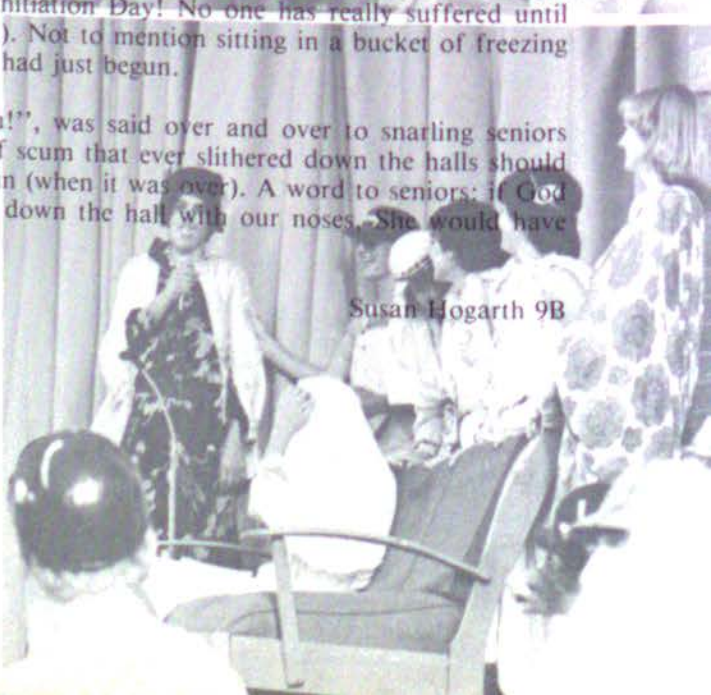

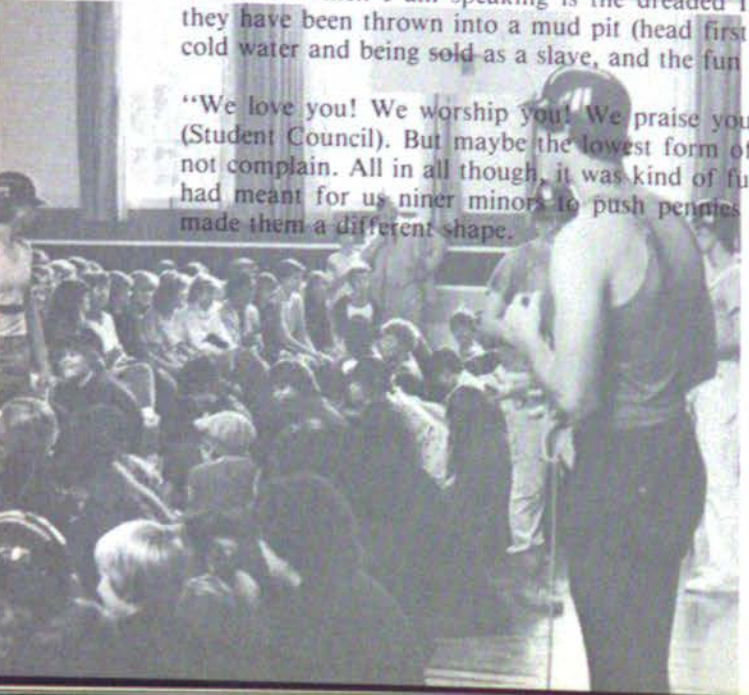

Out of all the horrors of today's world, one stands alone, under-rated. This horror, of which I am speaking, turns innocent students into beasts and groveling, humiliated, fools. Yes, this horror of which I am speaking is the dreaded Initiation Day! No one has really suffered until they have been thrown into a mud pit (head first). Not to mention sitting in a bucket of freezing cold water and being sold as a slave, and the fun had just begun.

"We love you! We worship you! We praise you!", was said over and over to snarling seniors (Student Council). But maybe the lowest form of scum that ever slithered down the halls should not complain. All in all though, it was kind of fun (when it was over). A word to seniors: if God had meant for us niner minors to push pennies down the hall with our noses, She would have made them a different shape.

Susan Hogarth 9B

The Grade Nine Oath

We, the ill mannered, obnoxious, stupid, minor niners, realize we are the lowest form of scum that has ever slithered through the halls of Annandale. We admit that we are so low that we would have trouble pole-vaulting an ant-hill in favourable wind conditions. We also admit that we are unworthy to grovel as the feet of the superior, intelligent, senior students.

We promise to remain as obscure as possible, so that the senior students will be allowed to forget our presence. We apologize for our inferiority to the rest of the school and someday in the far future we hope to attain one - one millionth of the character of the magnificent twelves and thirteens. We can only hope to improve ourselves by following the Niners' Laws.

1. We shall grow to our full height of 4' 2" by next week.
2. We shall teach ourselves to speak and not bark.
3. We shall make life easier for Mr. MacKenzie and Mr. Pearson.
4. We shall only speak when spoken to.
5. We shall follow all these rules.

We Praise You!

We Worship You!

and Most of All, We Love You!!

ABSENT: Patti Adlington, Secretary; Cathy Horton, Executive.

This year being a member of Student Council was a great honour as well as an excellent learning experience for me. I am very proud to have been associated with everyone on the Student Council, for without their support and cooperation many of our tasks would not have been possible.

This year's major fund-raising campaign was something new and different and without the entire council's dedication, the pledge-a-thon would not have been as successful.

We functioned this year together with the Student Parliament from Glendale on planning some services and events. I would like to thank Mr. Pellizzari who worked with the council to keep the financial books balanced and orderly.

Our staff advisor was Mr. MacKenzie and I would like to especially thank him for being there when we needed his aid and advice.

The entire Student Council would like to thank the staff and students of Annandale for their participation and support throughout the year.

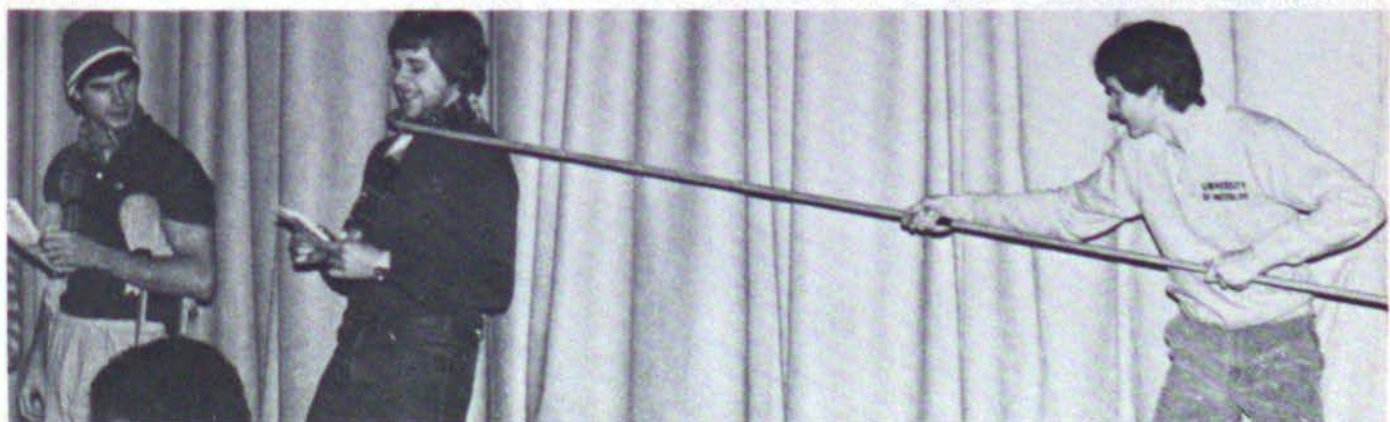

The events of this year have been very memorable and I will always treasure them. In closing I would like to wish the best of luck to next year's Student Council.

Rob Bamford, President.

Reach for the Top

Randy Long, Mr. Bauer, Laurie MacFarlane, Miss Dunlop, Tim Rowland.
ABSENT: Ken Walker.

The 1982-83 Reach for the Top team included Laurie MacFarlane, Tim Rowland, Randy Long, and Ken Walker. We also had six other students - Scott Gofton, Rick Cosby, Trish Papas, Mona Sabat, and Kim Chalk - who attended the practice sessions and provided good competition for the team members. Although we did not win our competition, we had fun and came close. Best of luck to Laurie who has been a member of the team for the past four years, and to our two-year members, Ken and Randy.

The United Nations Club

Once again the United Nations Club has had a successful year. It was good to see old members remain and new ones join, especially those from the lower grades.

The highlight of the year was a two-day assembly; this was held on February 3rd and 4th at Glendale. We put a lot of preparation and organization into the assembly. Many schools from the surrounding district attended the assembly. The club was invited to the Norwich and Woodstock assemblies during the year. This year we sent 7 delegates to a 4-day assembly, Soma; this was the largest assembly that Annandale attended.

I would like to thank the Annandale and Glendale executive councils for all the help they gave in making the club successful.

A special thanks goes to our staff advisor, Mr. Armstrong, and our Glendale advisor, Mr. Morling, for their guidance and help. Thanks to their support, problems were quickly cleared up, and projects ran smoothly.

The Wilderness Club was very active again this year. Although there never was much snow for skiing, we still had fun swimming, hiking, camping and canoeing. This year our swimming sessions focused on survival techniques and life-saving (and mouth-to-mouth.) Our big "adventure" this year will be a trip in June to Algonquin Park for a week of camping and canoeing. Thanks to Mr. Palmer, Miss Jurjevich and Mr. Thompson for everything they've done.

The Computer Club has an active membership of 30 students advised by Mr. Bauer, Mr. Jackson, and Mr. Palmer. Students file into the Computer Room whenever it is unlocked to learn as many electronic skills as possible ... but more importantly to keep up on the latest in computer games such as Pac Man, Space Invaders, etc. etc. The Club ran a booth at the Student Council Money Marathon called "Video Craze". It was one of the most popular booths of the night. We would ask more people to join the club but that would mean less computer time for each of us. So ...

The 1982 football season was one of the most satisfying I have ever experienced. The athletes successfully met as many challenges off the playing field this year as they did on the field.

The various disruptions during their season did not affect their attitude towards achieving an excellent level of individual and team play. Their victories in their league and play-off games on foreign fields were accomplished with fine team play, tough hitting, and at times, brilliant execution. The result of the Bowl game did not detract in any way from their season, but rather reflected their courage, and their loyalty to the ideals which are traditional in our football program. It will always be remembered that East-Elgin - an excellent football team - had a much longer and less stressful season to prepare for their Bowl. A great deal of appreciation is extended to Mr. Greg Wilson and Mr. Bill Thompson for their loyalty to the athletes and our football traditions. The kids will never forget what you did for them.

Mr. Burleigh

This will always be remembered as the year of the strike. Although it only affected the football program for one week, it ruined the first two weeks of preparation. It caused the whole county to fall behind in the schedule. For a while we were really afraid that the season would be a loss. When the program started back up, we eagerly jumped back in.

The season wasn't a total loss. We hit other teams with twice as much force. Our offence became a quick run-and-gun offence, while our defence held down most opposition efforts.

When Bowl time came around, and we were sitting on top of Oxford with one title in our belts, the coaches wondered if we should even enter the Bowl. We were small, with less experience and three weeks behind the East Elm Eagles. However, as a team we decided we wanted a try at it. Although the score didn't reflect it, the Bowl game paid off. As a team, we came together; as a team, we lost together; as a team, we cried together.

As for those who are graduating, football has been a great experience in our lives. It has brought together boys in grades nine and ten and from it men emerged, joined by an inseparable bond of friendship.

We would like to thank Mr. Burleigh, Mr. Wilson, and the new kid on the block, Mr. Thompson. We all hope that your future coaching endeavours will be enjoyable. To next year's team, good luck.

Mark Burleigh
Murray Pratt

SENIOR FOOTBALL

Considering the circumstances at the beginning of our season, one has to be extremely pleased with the success of the Tillsonburg Senior Gemini Football. A young team, with only a few established veterans, matured and convincingly established themselves as Oxford County Champions.

Best wishes and thanks to our graduates - Ed, Scott, Doug, Dave, Mike, Steve, Murray and Mark. I know our returnees and coaching staff eagerly anticipate the 1983-84 season.

G. Wilson

The Senior Gemini played with a great deal of enthusiasm. Although a young team, they had a lot of maturity and dedication. Their football games were exciting and enjoyable to watch and should prove even better next year with many players returning. They were a pleasure to be involved with as a coach.

OXFORD-ELGIN BOWL

We Lost.

COACHES' COMMENTS

For the second year in a row, it is necessary to seek meaning and worth in defeat. It is possible, especially with this fine group of Junior Gemini players who salvaged a really successful season from what we feared would be nothing at one point.

The threatened Teachers' Strike actually broke our preparations off just at the point that the new players were starting to understand the system. When we returned after the week of missed practices, we had lost several key prospects and the beginning players started all over again.

We were the class of the Oxford League; we, as coaches, were very proud of the effort and determination shown by all of our kids as they marched to five straight victories and the Oxford Championship.

Perhaps our decision to contest Oxford-Elgin was unwise; other teams had stated that they would not play a Bowl even if they won the championship. However, we felt an obligation to maintain the competition. The result was a bitter pill of lop-sided defeat that we had to swallow.

One player does not make a team, but sometimes one player is the necessary catalyst that allows everyone else to play to his capacity. Dave Burleigh was this necessary piece in the championship jigsaw puzzle and when he went down with a serious injury, the rest of the team just could not function at a level equal to the talented Central Elgin squad. However, we did not quit. We did not hang our heads, even when the score mounted. We kept on tackling and blocking and behind the heroic quarterbacking of Steve Simon, we kept on attacking right to the end.

We were very proud of these boys who built a season from nothing. We do not want them to remember the loss and the tears; rather we want them to remember the friendships and the hard work that we shared.

Especially, to our captains, our thanks: To Darren for caring so much about the beginning players who were with him on defence; to Ted, for the fire and competitive spirit that make a real champion; for Brad, whose pride and determination refuses to admit defeat; to David Ghesquiere, for finally fulfilling the promise that has been there for so long; and to Dave Burleigh, who learned to do it all this year, even to lead, only to discover that the fates do not always allow us to fulfill our dreams.

Thank you.

A.R. Stover and F.A. DeVriendt

The 1982 season was a very shaky and unsure one for the Junior Gemini football team. We did not know how we would do or even if we would have a season because of the possibility of a Teachers' Strike. Also, there were not many starters coming back from the previous year's Oxford County championship team.

The season was more successful than we had ever hoped. A lot of new players tried out for the team, and although the week of missed practices near the end of September meant that some kids did not stay with the team, we still turned out a good team as soon as the inexperienced players rounded into shape.

At times we were a bit disoriented, but all through the season and the Oxford County playdowns against our old rivals Haron Park, we were able to pull things together for the victory.

The Oxford-Elgin Bowl was a good experience, but a difficult one too, for all of us. We learned how much the break in the season had meant in preparation, and we learned that we needed to be at top form for every one of our starting players or else we did not have enough depth to compete evenly with the strong Central Elgin representative. When our quarterback and middle tertiary left the game on our first offensive series, we were able to hold in until the half; after that, however, the experienced Titans man-handled us.

We will never forget all of the people who supported us through the best of times and the worst of times. Especially, we would like to thank the two best coaches and friends that any team ever had. Also, we would like to thank all the players who came out for letting us have such a memorable final season in junior competition.

Brad Ball, Dave Burleigh, Dave Ghesquiere, Darren Jacko,
and Ted Karagias, Gemini Co-Captains, 1982.

Cheerleaders

BOTTOM TO TOP: Cindy McGlynn, Mary Ann Cocchetto, Rhonda Maeckelbergh, Leah Stroud, Shelley Stroud, Deb Gibson, Cheryl Pettman, Judie Coyle.
ABSENT: Deb Haak.
COACH: Miss Robinson.

The cheerleading season of 82/83 was a difficult, but enjoyable one. We were kept busy throughout the year as, for the first time, T.H.S. had a single cheerleading squad. This allowed Jr. and Sr. girls to cheer together, and the year proved to be successful.

One of the highlights of our season was placing fifth in the Arthur Voaden Invitational competition. The competition was a valuable experience, as our newcomers were able to see squads from all over Ontario in their best form.

Our season was cut short, due to the cancellation of the annual Oxford-Elgin competition - but we'll be back strong next year.

Thanks are given to Deb Haak, our captain for the season, and to Miss Robinson, our staff advisor.

A special thank you to Bernice Malcom, a former Tillsonburg cheerleader, who gave up her time to coach us, and to Mr. Burleigh who kept OUR spirit up throughout the year.

Keep up the good work Gemini fans; we'll see you at the game!

FOR ALWAYS CARING ... FOR ALWAYS CHEERING

Annandale G.A.A.

FRONT ROW: Lesley McDermid.

SECOND ROW: Mechelle DeSutter, Julie Ghesquiere, Tracy McMillan, Joanne Fazakas, Missy Gehring, Deb Vilez, Lisa Dalby, Annette Casey.

THIRD ROW: Cathy Habermehl, Charlotte Bes, Sheryl Hoorelbeke, Susan MacFarlane, Carolyn Wiggers, Nancy Jancsurak, Allison Derer, Patty Murphy, Elaine Kiriakopoulos.

FOURTH ROW: Sue Biro, Kelly Caddel, Sheryl Harley, Sheila Harley, Shelley Stroud, Rhonda Maeckelbergh, Cindy Meharg, Elizabeth Kilner, Nancy Chesterman, Laurie Vanderheide.

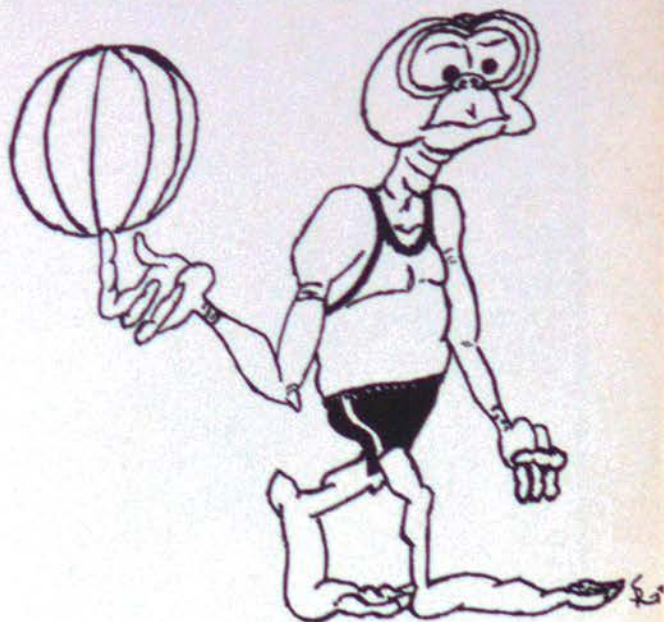

This year the G.A.A. has been very active at many Gemini sports events selling food and drink. At Easter, we sold cream eggs and raised a substantial amount of money to spend on girls' athletics. This year was a very successful one for the G.A.A. and all its members.

Boys' Athletic Association

FRONT ROW: Mark Payne, Dave Sinden, Paul DeVriendt, Mr. Burleigh, Dave Burleigh, Jeff Duncan, John Fazakas.
BACK ROW: Brian Nunn, Michael Burleigh, Drew Sinden, Craig Mabec, Mike Karagias, Rob Carrier, Ed Ketchabaw, George Virag.

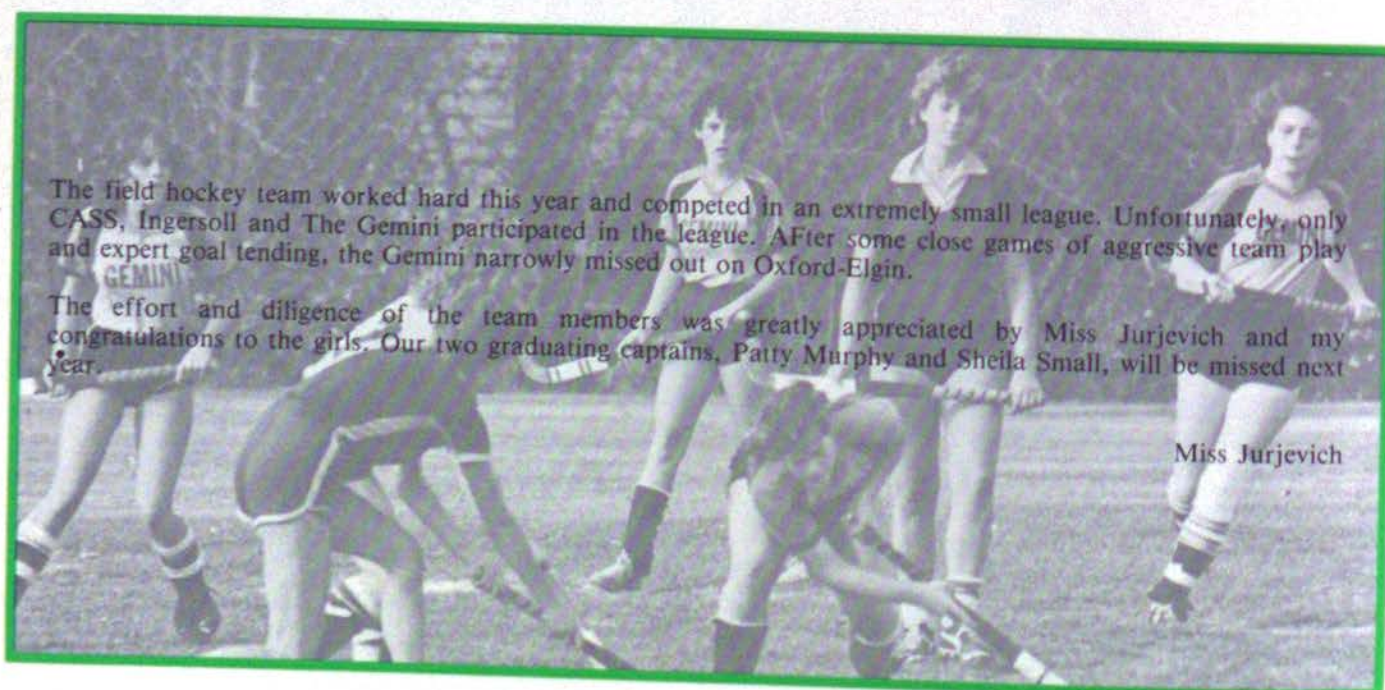

The B.A.A. helps to run intramural activities and raises money to help support some of the Boys' Phys. Ed. program - Fitness Trophies and Olympic Awards. They did an excellent job in organizing and running our "First Annual Penny Drive". They also assist tremendously in running inter-school activities, preparing for football games and assisting at track meets.

Gemini Field Hockey

BACK ROW: Laurie Vanderheide, Elizabeth Kilner, Sheila Small, Erin Hintz, Janet Vermeeren, Peggy Small, Elaine Hanlan, Patty Murphy, Cindy Meharg, Miss Jurjevich, Coach.
FRONT ROW: Jane Charlton, Virginia Harris, Carolyn Feeney, Zuleka Noormohamed, Suzi VanHees.

The field hockey team worked hard this year and competed in an extremely small league. Unfortunately, only CASS, Ingersoll and The Gemini participated in the league. After some close games of aggressive team play and expert goal tending, the Gemini narrowly missed out on Oxford-Elgin.

The effort and diligence of the team members was greatly appreciated by Miss Jurjevich and my congratulations to the girls. Our two graduating captains, Patty Murphy and Sheila Small, will be missed next year.

OXFORD-ELGIN CHAMPIONS

Gemini Tennis Team

LEFT TO RIGHT: Jennifer Johnson, Trisha Papas, Mona Sabet, Elaine Kiriakopoulos, Paul Verscheure, Mr. Donaldson, Geoff Kilner, Greg Berlet, Lesley McDermid, Lisa Dalby.

This year our Tennis Team again turned in a very strong performance. We entered 6 divisions of play at Oxford-Elgin, winning 5 titles and runner-up in the other.

Mona Sabet and Trish Papas won the Junior Girls' Doubles Championship. Lesley McDermid won the Sr. Girls' Singles Championship, Jennifer Johnson and Lisa Dalby won the Sr. Girls' Doubles Championship. Paul Verscheure and Greg Berlet won the Senior Boys' Doubles Championship. Elaine Kiriakopoulos and Geoff Kilner won the Senior Mixed Doubles Championship. Andrea Rooke was a finalist in the Junior Girls' Singles.

Geoff Kilner, Greg Berlet, and Paul Verscheure graduate, but all the girls will be returning.

Geoff Kilner completed a perfect high school career. In 5 years, Geoff was undefeated in Oxford-Elgin play, winning 5 OX-EL Championships.

Senior Girls' Basketball

BACK ROW: Mrs. Zvanitajs, Crystal Sowa, Deb Mies, Cindy Gordon, Missy Gehring, Carolyn Wiggers, Deb Becht, Mr. MacKenzie.
MIDDLE ROW: Lesley McDermid, Lydia Zamecnik, Cathy Scollosi, Mechele DeSutter, Nancy Bridle.
FRONT ROW: Julie Ghesquiere, Leslie Rachar.

It was a challenging season for the Senior Girls' Basketball Team this year. Due to there only being eleven people on the team with only two returning seniors, we had some difficulty in reaching the goals we would like to have achieved. In spite of these problems, our Oxford Conference record was 8 wins and 2 losses. We lost in the Semi-finals of Oxford Elgin competition to East Elgin, which prevented us from going to W.O.S.S.A.

We would like to extend a special thanks to our coaches, Mr. MacKenzie and Mrs. Zvanitajs for their time, patience and effort put forth for us. Thank you!

Julie Ghesquiere
Charlotte Bes

COACHES' COMMENTS

The word that might best be used to describe the outlook at the beginning of this year's basketball season would very probably have been "BLEAK". There were only two returnees from the previous year's championship team.

There were a lot of ragged edges in the beginning, but as the season progressed, the girls worked hard and improved greatly. In league play, the girls finished in second place with a very creditable eight victories as opposed to two losses. Overall they won eleven and lost five. They dropped a decision to East Elgin in the Oxford-Elgin semi-final.

All in all, the season has to be considered a success. Certainly the results were gratifying, and the girls should look on their performance over the year in a very positive way.

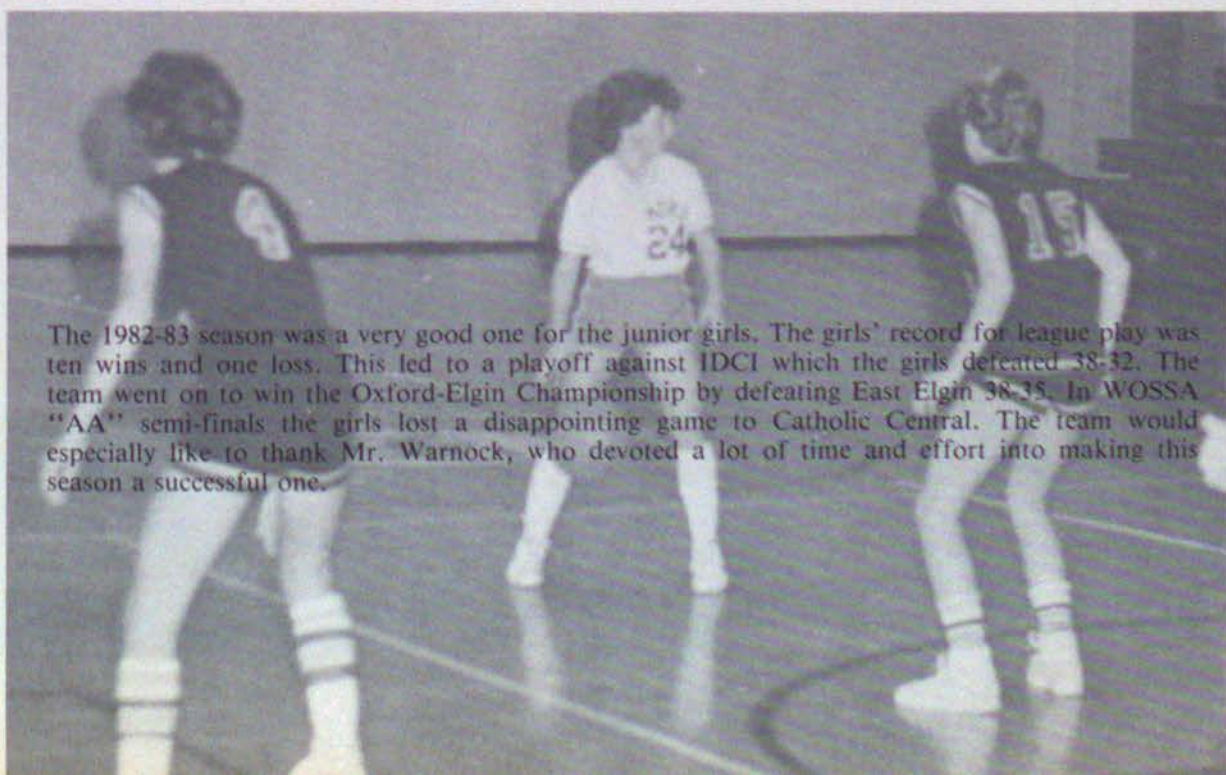

The girls are to be congratulated. They did a great job. The handful who will be returning next year will certainly form a solid nucleus on which to build. Once again, congratulations for a job well done.

BACK ROW: Mr. Warnock, Martha Watkins, Sheryl Hoorelbeke, Lisa Austin, Susan Barzo, Stacia Marizon, Kim Derook, Tracey McMillan, Deb Vilez, Elaine Kiriakopoulos, Shanna Rekstis.

The 1982-83 season was a very good one for the junior girls. The girls' record for league play was ten wins and one loss. This led to a playoff against IDCI which the girls defeated 38-32. The team went on to win the Oxford-Elgin Championship by defeating East Elgin 38-35. In WOSSA "AA" semi-finals the girls lost a disappointing game to Catholic Central. The team would especially like to thank Mr. Warnock, who devoted a lot of time and effort into making this season a successful one.

Go Gemini!

Midget Girls' Basketball

We had a very good season this year, winning all the games we played except for one. We got in a lot of practice time and learned many new skills which will certainly be beneficial in the future.

On behalf of the team this year we would like to thank our coach Nancy Burton. Even though it was her first year coaching, we think she did a great job.

Midget Girls' Volleyball

COACH'S COMMENT

This year was the first for the Midget Girls' Volleyball Team; thus we were a small group but we never lacked enthusiasm. The girls were out practicing at seven o'clock every morning, trying to improve their skills and techniques. I only regret that we couldn't organize more game situations but the ones they did play, were done with talent and success. I want to thank the girls for their determination and desire to play and wish all of them good luck next year.

JUNIOR SEASON

Despite tough competition, this year's team did well. Though all players got together for the first time at their first game, they soon fell together as a team and represented Tillsonburg well. The team would like to express its gratitude to our coach Mr. Adams for all his help and dedication. Thanks, Coach!

EDITOR'S NOTE:

We regret that no write-up on the Senior Gemini was handed in to our Sports Department. Please help us out next year.

Gemini Golf

The Gemini Golf Team participated in the annual Oxford-Elgin Golf tournament at at. Thomas Union Golf Club on September 16th and finished second out of the 10 schools that participated in the event. Leading the way for the Gemini were Jim Wallace, Jeff Smith, Tim Rowland, Andy Bulloch and Drew Sinden. The 1983-84 tournament will be held at the Tillsonburg Golf Club and a good showing by returning golfers, Jim Wallace, Drew Sinden, Tim Rowland and Andy Bulloch, could bring Tillsonburg its first golf championship in more than two decades.

Despite the relatively small numbers involved on the team, Coach Bud Wirth's Cross-Country athletes handled themselves well in competition this year with Denise Fillion bringing home the Senior Girls' Cross-Country Championship despite a very hilly Woodstock course and a wet, cold day for the competition. Kathy Nevill placed third in the Midget Girls' race with the Midget Girls coming in second overall. Kim and Lynn Humphrey were the other members of the Midget team. In Junior competition, Sheila Harley, Sheryl Harley and Linda McLellan placed second in team placings for another fine showing. All of the girls advanced to WOSSA.

In boys' competitions, Darren Ruyseveldt placed third in Midget, a very strong effort against a good field of runners.

Our special congratulations to Denise. As the TATLER went to press, it was announced that Denise had been named to the World University Games Team to take part in Universiade 83 at Edmonton this July. She is the youngest competitor ever named to the Canadian team - a very great honour - well deserved.

We are all very proud of your efforts ... and successes.

COACH'S COMMENT

The Tillsonburg Gemini Senior Boys' Basketball team ended its season bowing out to Windsor Herman in the West Regional semi-finals.

The season was one of triumph and accomplishment as the team compiled a 29-6 won-lost record. The team won the Oxford County championship with a 10-0 season record; the OX-EL championship with an overall 13-0 record in conference play; and the WOSSA "AAA" championship. In the OFSSA West Regionals they defeated Brantford Pauline Johnson advancing to the Regional Semi-Finals before losing to Windsor Herman.

During the year the team advanced to three tournament finals and two semi-finals against competition from all over the province. Brad Austin, Mark Burleigh, Brian Demaree and Chris Coyle all won all-star selections at various tournaments.

The team would like to thank all the people who supported our efforts so well and faithfully during the season.

As coach of the Senior Gemini I am proud of the fine young men who strove so hard and sacrificed so much to achieve this level of excellence.

Finally I would like to thank several people who did so much to ensure the success of the Gemini basketball program - Bob Burleigh for his years of coaching and organizing; Fred DeVriendt for his friendship, coaching and care; Brian O'Rourke for his care and devotion to basketball and young people.

The parents of our team gave of their family time and gave their support to us which made our season possible - thank you very much.

Mr. Donaldson

This year's team enjoyed a tremendously successful basketball season. We took part in six tournaments during the season and won five. Our over-all season record was 33 wins against a single defeat. Our only loss was to Brantford St. John's by a single point in the Tillsonburg Classic in December. We won the Laurier Lettermen Tournament, Saunder's Tournament, the Burger King Tournament, the Oxford-Elgin Championship and, finally, the WOSSA "AAA" championship against a very good Banting team.

COACH'S COMMENT

I was very impressed with the overall effort shown by this team during the season. They were a talented group of highly-skilled athletes who played extremely well as a team. They were willing to learn and worked hard at self-improvement. I must honestly say that this team is one of the best that I have ever coached. They typified so many of those qualities needed to win: excellent skill levels, good team rapport, and, most important, the willingness to make the effort to win.

BACK ROW: Andy Grabstas, Rob Carrier, Jeff Ryder, Steve Collins, Mr. Burleigh, Geoff Watts, John Condon, Tim DeRooke, Chris Kiriakopoulos, Leslie Ecker, Jeff Duncan.

At the beginning of the season it looked like a dismal year. Our first few practices went pretty badly but as the season progressed we started to pass and shoot a little better. Everyone on the team was putting a good effort forward. When it came to the tournaments, we were beaten by good teams.

Even though our record was 14-7, everyone still tried and in the end it paid off when we won Oxford Elgin after battling back from a 19 point deficit.

On behalf of the team, I would like to thank Mr. Burleigh for coaching a bunch of guys like us. He's a great coach and friend.

Jamie Bray, Captain.

COACH'S COMMENT

The Midget Boys' Basketball team had a 14-7 record this year. They played in tournaments in Chatham, London, Sarnia, Guelph and Tillsonburg.

In the Oxford league they went undefeated against Ingersoll and Huron Park, defeating Huron Park 49-38 in the Oxford County Championship.

They advanced to the Oxford-Elgin Championships and avenged an earlier loss to East Elgin with a tremendous comeback from a 19 point deficit to defeat the Aylmer team by one point with four seconds to go.

It was this intensity on defence and their intelligence on offense that allowed them to win the Oxford-Elgin Championship over their large, quick opponents.

They learned that while never quitting does not guarantee victory, victory never belongs to quitters.

Special thanks to my assistant coach, Geoff Watts, for helping so much and for maintaining his sense of humour.

BACK ROW: Miss Ballantyne, Patty Murphy, Nancy Chesterman, Missy Gehring, Cindy Gordon, Lesley McDermid, Joanne Fazakas, Laurie MacFarlane, Judy Biro.

Together, the Senior Girls' Volleyball Team worked well and had great potential. Although we had a slow start we ended up first place team in Oxford county. Looking back into the pages of Gemini history, our team kept up the tradition of spirit that Gemini teams have always shown.

We couldn't have done this though, without the excellent help from Judy and Laurie who followed us faithfully to all our tournaments and games. And last but not least, we would like to thank Miss Ballantyne. As our coach, she set excellent standards for us but still gave us enjoyment and fun. Finally, we wish next year's Gemini team all the best of luck and success.

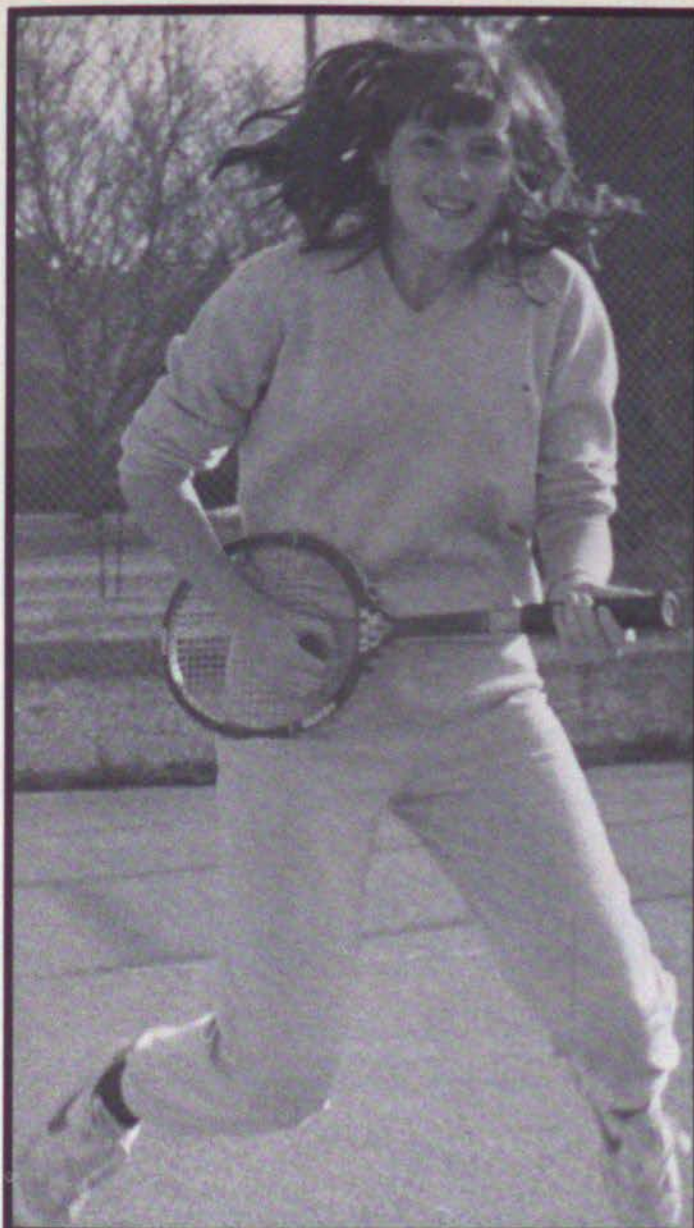

Linda Ball

COACH'S COMMENT

The Senior Girls' Volleyball Team did extremely well this year advancing to the Oxford-Elgin Tournament as the number one Oxford team with a no-loss record in their league play. Although the girls played good ball they were unable to stop their opposition in the semi final game, therefore ending their season. The girls, however, improved tremendously over the season and should be proud of their accomplishments.

The younger players and I would like to thank those graduating team members for their leadership and fine example and wish them all luck in their new chosen futures. Thank you - Linda Ghesquiere, Linda Ball, Katie Nelson, Diane Wardle, Patty Murphy and Nancy Chesterman. You were great!

It was a thoroughly enjoyable year, girls - I just hope I can have another "SPUNKY" Volleyball team like you guys again some year!!

COACH'S COMMENT

The Jr. Girls' Volleyball Team had a very successful year in their 1982-83 season. They were led by experienced players: the two captains, Deb Vilez and Tracy McMillan. In addition, Sheryl Hoorlebeke, Anne Hildebrant and Dianne Preston proved to be three capable second and third year players who sparked the team on. A powerful and reliable group of first year players rounded out this Jr. team to be an extremely competitive group of girls.

The team qualified for Oxford Elgin and after a tough day of competitive volleyball just missed a WOSSA berth.

The team always performed as an excellent group of athletes. Under the capable management of Sue Boyle, Isabel Szikora and Lisa Dalby, they proved to be an enjoyable group to coach.

The Gemini wrestling team had a very successful season this year finishing fourth overall at Oxford-Elgin with seven wrestlers; Ian Cardiff, Randy Grundy, Josh Whyte, Mark Hopper, Tim Colley, Dale Besenoydi and Pat Wyllie advancing to Wossa. Wyllie placed second and then advanced to OFSSA. The team also competed in the Valley Heights Invitational meet where Cardiff, Wyllie and John Gubesch all got bronze medals. With only three wrestlers graduating, we can look forward to another fine season next year.

COACH'S COMMENT

A good year for a rookie/sophomore team. We finished a strong 4th at Oxford Elgin. Pat's going to OFSSA was gratifying. Most of the team will return again next year,

Gemini Gymnastics

The 1982-83 Gymnastics team did a fantastic job this year. With the increase in number on our team came an even larger success rate in performances as we once again topped all previous efforts. Last year the Senior 'B' team captured the first Oxford Elgin Team Championship in the history of gymnastics at the Tillsonburg high schools. This year our gymnastics team captured three team championships plus another first for gymnastics in Tillsonburg. The Elite 'B' team captured the W.O.S.S.A. team championship and brought home a plaque to hang with our newly collected pennants.

Our junior team consisted of first year high school competitors and was led by all-round Junior Champion Nadine Sparks to win the Oxford-Elgin Junior Team Championship.

Our Elite 'B' team was led also by an all-round individual champion, Bev VanDoninck, plus very high placings won by all of the Elite 'B' members and we won the Oxford-Elgin Elite 'B' Team Championship. We all went on to W.O.S.S.A. and with our high success rate and strong effort won the W.O.S.S.A. Elite 'B' Team Championship. As a graduating team member there is, I am sure, a mutual feeling of pride and success among Kim Prouse, Sue Healey and myself, of leaving this school with that memory.

We all worked hard through a long season and we proudly took the Oxford Elgin Team Championship for the best team overall. We missed this title at W.O.S.S.A. by a very few points, but I know this goal will be achieved in the future because there are a number of great gymnasts rising through the ranks as we have seen.

Although we few long-time gymnasts (as well as long-time friends) will be graduating, I am sure the excellence in gymnastics in Tillsonburg will continue to develop. I would like to give a special thanks to Ian and Doreen Moir, two very dedicated and super coaches, for their long-time friendship and their great talent for coaching gymnastics.

COACHES' COMMENTS

This year was the most successful for the gymnastics team as a team. At Oxford-Elgin the Junior team won their division as did the Elite 'B' Team. These results coupled with the efforts of the Intermediate team resulted in our first Overall Team Championship.

Individually, Nadine Sparks was Junior All-Around Champion and Bev VanDoninck won the Elite 'B' Division. Bev and Kim Prouse split the event championships in Elite 'B' with Bev winning Bars and Floor and Kim placing first in Vault and Beam. Of the fourteen competitors, twelve qualified for W.O.S.S.A.

The Elite 'B' team of Bev VanDoninck, Kim Prouse, Yasmin Sparks, Sue Healey and Cheryl VanDaele captured the Team Championship from their toughest rivals South Huron. The Junior team missed a championship by less than a point.

Individually Bev won Elite 'B', Vault and also placed second all around. Shelley Whitesell placed third in Bars and along with Bev qualified for O.F.S.S.A. At O.F.S.S.A. Bev placed in the top ten in vaulting to complete a very successful year. Mrs. Moir and I would like to express our appreciation to the team for their efforts and for a very enjoyable season. To our graduating members, Yasmin, Kim and Sue, a special thanks; they will be greatly missed by everyone.

Kim Ormerod

OXFORD-ELGIN
IND. CHAMPION

The Gemini Badminton Team had a very successful season this year. At Oxford Elgin, Kim Ormerod placed first in the Junior girls' singles and Pam Watkins and Janet Vermeeren finished with a strong third place in the Girls' Doubles. In the senior division, Chris Coyle placed third while Vijay Pahan and Sue Hopkins placed fifth in the Mixed Doubles. Kim went on to earn a fifth place finish at WOSSA in Wingham.

The team would like to thank Mr. Wharram and Mr. Zvanitajs for all the time they spent coaching.

Sue Hopkins

COACH'S COMMENT

Kim's winning (result of hard work) in the Oxford-Elgin Singles and the third place of Pam and Janet along with the Junior Girls overall shows the strength of Girls' Badminton in Tillsonburg. Chris Coyle placed third in Senior Boys' Singles against tough competition. It was a good year.

CAPTAINS' COMMENTS

This year's soccer team played extremely well and enjoyed the season. Our record was four wins, one tie, and three losses. A large majority of our league games were played in the pouring rain. Although we put up a good fight, we just missed going to the Oxford-Elgin Playoffs. Many thanks to Mr. Palmer, our coach, and good luck to next year's team.

COACH'S COMMENT

This year we had a good turnout from both schools to form the team. The senior players were the real leaders of the team. I was very pleased with the two captains, Pat Murphy and Nancy Chesterman. This was their last year of five years on the team. I would like to take this opportunity to thank them for their leadership. There were a couple of other Gr. 13 students who deserve special mention, especially as this was their first year. Shelagh Small did an outstanding job in net and Kelly McLean was a starting fullback and played very well. There were many other players that made special contributions to the team. I am hoping to see all of the eligible players return next year with the addition of new young players.

Oh what a great ending to what was a wet and injury filled season! But in spite of all the bad weather and multitude of sprains, bruises and muscle pulls, this young and determined team knew what they wanted and played their hearts out to earn the Oxford Elgin crown. Thanks to the fine leadership and attitude of our three captains Mike Tutt, Scott Simmons and Anthony Simon and a crew of athletes who knew the meaning of practise, intensity and spirit, we fulfilled our dreams of being the best. Our warmest wishes and gratitude goes out to our graduating trio of Mike Tutt, Jim Terry and Danny Hornby. Thank you all for a great and immensely satisfying season.

COACH'S COMMENT

Both the 1981 and 1982 Junior Gems were undefeated in Oxford League play; however, the league consisted of only three teams. As late as April of 1983, it was doubtful there would be any league at all. Fortunately, an accommodation was reached with the Elgin schools and the Gems enjoyed a competitive season in a tough, eight-team league.

The Gemini net was guarded by Greg Mattan in the early going, and by veteran Ron Van Moerkerke in the latter part of the season. The team played with great confidence in front of Ron's mighty clearance kicks and elected him the winner of the team-contribution award.

The back four by the end of the season were Jerry Donck, Jim Hart, Ted Karagias, and Sean Gardner; all four played well with Sean anchoring the centre and booming goal kicks well out of harm's way.

Rookie Chris DeVriendt centred the midfield unit with tireless and sure play; he was teamed with two other hard-working and reliable midfielders, Chris Kiriakopoulos and Tim Rowland. Tim was the veteran at the position and was responsible for many of the set corners and free kicks.

The team was helped from time to time by the strong play of Ken Hanlon, Al Clarke, and Mike Verhoeve who came off the bench to score goals or to provide some fresh spirited play.

The goal-scoring department was monopolized by the abilities of Andy Bulloch and Steve Simon, the team's leading scorer. Both had the ability to carry the ball into the opponent's area and to engineer passes and crosses that made Gemini soccer exciting. Special congratulations are extended by the team to Steve Simon for his numerous goals and especially for his five-goal performance in one game, the last of the Oxford Final.

Special thanks to Sue Hopkins and Deb Haak, our team managers, for running our team with such style.

E. DeDecker

Gemini Curling

Geoff Kilner, Paul Verscheure, Bill Kalocsai, Paul Marsden, Rob Bamford, Suzie VanHees, Colleen Pearce, Pam Loucks, Elaine Kiriakopoulos, Deb Becht, Deb Haak, Mr. G. Wilson, Coach.

This year both Boys' and Girls' Gemini Curling teams fared well during the regular season, winning berths in the Oxford-Elgin championships. The girls placed third overall at the Tournament but the boys for the second year in a row were highly successful, advancing once again to WOSSA play before being beaten out. More important, the team brought home another Oxford-Elgin Championship to the Tillsonburg trophy cases.

Skip Paul Verscheure, Vice Geoff Kilner, Second Bill Kalocsai, lead Rob Bamford and alternate Paul Marsden, went undefeated at Oxford-Elgin. They began with a 10-4 win over Parkside, that was followed by a 9-2 victory over Oxford County rivals Norwich, and capped off with a slim 7-5 triumph against Central Elgin.

"It came right down to the last end and the last rock," said Verscheure about the game against Central Elgin.

"The Norwich game was a better game for the team," added the Gemini skip who is curling with the local high schools for the third year. "That's what got us psyched up. Geoff curled 91 per cent; that was our strong game but it wasn't our toughest."

"We knew we had to go out and be tough," commented Kilner the veteran of the team with five years experience.

The Gemini's success this curling season has not been limited strictly to their own league play. Over the Christmas Holidays they were finalists at the District 11 Ontario School Boys' Playdowns in Ingersoll, losing a close 4-2 decision to a Brantford rink.

The Gemini girls' team were also entered in the Oxford-Elgin finals but did not fare as well as their male counterparts.

They opened up with a 10-5 win over Parkside but then lost the next two, 10-6 to Ingersoll, and 8-5 to Central Elgin. That put them third overall behind Parkside and Ingersoll who qualified for WOSSA.

Coaches' Comments

This was the worst year for weather, for training, and for meets in a long long time. However, a large number of our athletes met the challenge of practice and excellence to achieve personal bests.

We set seven new records at Oxford Elgin and one at the OFSAA West Regional. Our school won the Midget Girls' team Championship, the Girls' Championship and the Overall Boys' and Girls' Championship.

The school coaching staff would like to express their appreciation to Dennis Fairall, Steve Martin and Brad Bennett for their fine assistance.

Our school hosted the WOSSA Championships and the OFSAA West Regional Championships. The convenors (J. Ballantyne, R. Burleigh, and D. Fairall) would like to sincerely thank Miss Lynne Dunlop for her invaluable assistance for the many hours of help with the meet and to Mrs. Gilbert for assisting Miss Dunlop in organizing the food booth.

A special thanks goes to all the students who officiated and worked in so many ways to make this the best Regional ever.

Special recognition goes to the school staff for their help, patience and understanding during the many interruptions during the meet.

OFSAA Regionals

At OFSAA Regionals here in Tillsonburg, Denise Fillion took three firsts and was the Individual Senior Champion as she won the hurdles in 14.8, the 400 metres in 56.6, and the long jump with a distance of 5.70 metres. She was part of the 4 X 400 metre relay team along with Cathy Horton, Kelly Turner, and Patti Adlington which placed fourth with a time of 4:04.8.

Mark Burleigh placed fourth in the Senior Boys' hurdles in 15.4. Murray Pratt was fifth in the long jump at 6.36 metres. Pat Wyllie hurled the senior shot 14.90 metres for fifth place.

Midget Kathy Nevill was fourth in the 800 metres with a PB of 2:23.5 and midget John Condon placed seventh in the pole vault with a leap of 2.75 metres.

OFSAA Meet

At OFSAA, the Gemini Team turned in creditable performances against the best athletes in the province. However, the Kitchener-based meet also brought keen disappointment as Denise Fillion pulled a muscle, an injury which held her to second place finishes in both the hurdles and the 400 metres and forced her to withdraw after a few strides in the 4 X 400 metres relay after she took the baton.

Mark Burleigh competed in the 110-metre hurdles; Murray Pratt in the long jump; Pat Wyllie in the shot put; John Condon in the pole vault; Kathy Nevill in the 800 metres; and Kelly Turner, Cathy Horton, and Patti Adlington in the 4 X 400 metres relay.

We were very proud to have so many provincial-class athletes on the Gemini Team this year.

Denise in Holland

To round off her spring season, Denise Fillion was selected to represent Canada in a three-country Heptathlon Competition in Holland early in June. Competing against Junior-Age Athletes from the Netherlands and Great Britain, Denise led the Canadian girls to a team championship winning a bronze medal and establishing a PB score in the seven-event competition.

Again, Denise did her coaches, her school, her town, and her country proud.

PERFORMANCE 83

Performance 83 kept alive the tradition of the last few years with enthusiasm and unique abilities. The DRAMA element may have been one of the strongest ever seen on the Annandale stage as several fine young actors made their final appearances: Kelly Everitt and Murray Pratt together for a final comic collaboration that they wrote themselves; Darwin Davies and Julie Johnson sharing the stage for the premiere of Ian Moir's "Time after Time"; Carolyn Wiggers and Melanie Bass struggling for audience attention with Molson Rabb in his acting debut in their play "Leave It to Vera"; and a very gifted troupe of Grade 12 and 13 students combining for a comic coup in Larry Holzheu's radio melodrama "On the Air".

Lisa Lofthouse, Laurie Garon, Jennifer Atkinson and Tammy Jackson all ended sparkling high school singing careers with some of them already establishing professional reputations.

Joel Taylor, Steve Gofton and Linda Ball picked up the responsibilities of production from last year's graduating team and with the help of a really fine stage crew, they made things run smoothly after a few first-night problems.

Some 200 plus students and teachers took part in Performance 83 - the jobs ranging all the way from actual performance to poster-painting, from ticket-sales to arranging the cast party. We sang; we danced; we played pianos, organs, drums, guitars, banjos, ukuleles, keyboards, violins; you name it - we did it!

Once again Performance Scholarship winners were named at the cast party: Sherry Sandham for three year's involvement in lighting and stage crew (and for this year appearing on stage as a delightful tulip); Kelly Everitt, Julie Johnson, and Murray Pratt for four years' involvement in drama and Performance at every level.

THE BOOK OF LIFE

Slowly turning
Page by page
The yellowing book
That held
Her life,
Each picture
Triggered
A thousand memories,
Every pressed flower,
Faded ribbon
Signified
An old beau
Or
A wedding,
Full of times past
She contemplated
The outcome of every "if"
And dreamed of younger days
As she rocked her
Last,
Few
Years
Away.

FRITZ

My cat, the king of the jungle, the royal feline,
Thinks he owns the place, as he stretches out
lazily on a dirty, old rug.

He doesn't have to worry about what's going on
in the world,
War, greed, hate, destruction;
They don't affect him in the least.

He wears a widespread grin on his pointed face,
Trying to look menacing, mean, and sly.

With not a care in the world, he spreads his body
over the rug - the most exercise he gets all day.

My cat constantly sings; his purr is a little motor
gaining a steady rhythm.

I call my cat but he is deaf to the world,
Lost in a world of sleep and relaxation.
But soon he changes his tune when he hears
the low grind of the can opener
Because now he knows it is his favorite time of the
day -
Mealtime.

MY FEELINGS IN POEMS

In a poem I hope,
To tell you more.
To show my feelings,
Not to hide.
The truth always shows,
Just read between the lines.
A personal meaning,
An experience to share.
Getting others' opinions,
So as to see myself.
With every poem,
I learn more in life.
So I share my life,
And share my poems with all.

Poem by Ken Walker

A ROSE

Love is a red rose,
Time to love and grow.
To pamper and water,
A rose to care for.
The rose may have thorns,
But they are part of the rose too.
So love is a red rose,
With all its beauty and mystery.

Poem by Ken Walker

SAVE THE BUTTERFLIES

Delicate, elusive,
The butterflies flutter
And waver at
The slightest change
In the afternoon breeze.
Equilibrium
Is restored,
And all is well.

The sun shines
And illuminates
The brightly coloured wisps
Of fragile silk,
Easily pierced
By a damaging thrust
Of an incautious branch.

Once again.
The winds shift
And the butterfly fights for survival.
Surely,
It must survive
Life would be flat
And pretty dull without
Butterflies.

GRADUATION 1983

Well, the year is almost over now
And many things have happened.
The four seasons have changed -
Just as many of our lives are about to change.
Many good-byes have started to be said
As we now realize this is it.
The doors of the place we often referred to
As a prison
Are now open -
But now we wish they weren't open so wide.
We are reluctant to take the first step,
For when we do, the doors will slowly close behind us.
And we will have nothing
But a reflection to reach out to.
These past few years have been a time of
Growing up and making friends.
And they have gone quickly,
Perhaps a little too quickly.
But come -
It's time to take the first step.
Many new steps will be taken
And many new acquaintances made.
But these new experiences and friends
Will never erase the memories of old ones,
That are cherished in my heart forever.

HE DRONED ON ...

I fought for clarity
my ears roared like the ocean,
my eyes fluttered closed,
 then open,
 then closed again.
I was drifting in the heat,
 which became a blanket.
The desk became a sea
His voice became a soothing murmur.
I became a voyager in a dream world.
 Reality interrupted my bliss
 with a jolt.
Humiliated,
I looked down at my book.
 Pretending to concentrate,
my eyelids grew heavy
 again.
Why is his voice more lulling
 than silence?

PERFORMANCE '83 ... One More Time!

Miss Lynne Dunlop

How else can we show how much we will miss her? Lady of a hundred different talents ... all used over the past few years to make Annandale a nicer and better place to be.

Librarian ... English teacher ... Coach of "Reach for the Top" ... Hot Dog Cooker Extraordinaire ... a soft touch when a dance needed a chaperone ... a friend. The last value is the most important. GLENDALE's gain is certainly ANNANDALE's loss.

We WILL miss you very, very much!!!

Mrs. Elaine Cougler

We are pleased that Mrs. Cougler was able to consolidate her timetable at Glendale so that she will remain full-time in Tillsonburg. We hope that she enjoyed her half timetable in the English Department at Annandale and many of us will have the pleasure of her company again when we travel across town on the Integration programme.

Good-Bye ...

Mr. Al Warnock

The North Country calls! One of Annandale's most popular teachers was transferred across town last summer to Glendale. However, we still saw a great deal of Mr. Warnock in our Staff Room, in our Halls, and in our Gym as he continued to coach Junior Girls' Basketball so well.

Now he and his wife and their two boys are returning to the Lakehead where the air is cleaner, the land is wilder, the fish are bigger and ... enough!

We will miss your gentle humour, your great care, and your deep red blush very much ... have a great time.

... Good Luck!!

Mr. Doug Ross

Over 30 years in the Tillsonburg secondary system - many of those years at ANNANDALE as a teacher, coach, head of the Math Department, and vice-principal ... Mr. Doug Ross epitomizes everything that is good about teaching.

A man of sharp, cutting wit which is evenly balanced by compassion and good humour, Mr. Ross has now concluded his career at Glendale High School. Many of us at Annandale were pleased to support Integration if for no other reason than to welcome Mr. Ross back "home".

His three daughters graduated from Annandale and his wife Sue must have always felt divided loyalties as long as the in-town rivalry was going on. The Annandale Family wishes both Mr. and Mrs. Ross a happy retirement and every best wish for the future.

Come Back to Visit ...

Mrs. Carole DeDecker

Mrs. DeDecker took maternity leave last year, leaving the English Department without one of its most popular teachers. She and Mr. DeDecker (That's Mr. "Ed" DeDecker - "the good-looking Mr. DeDecker", as he pointed out at the Soccer Pep Rally) are now the proud parents of a baby girl and the decision to stay at home for a while wasn't too difficult to make. Much happiness to the whole family!

Miss Karen Jurjevich

"MISS J" - leaving but also returning (we hope)! Miss Jurjevich has accepted a teaching fellowship at the University of British Columbia while she works on her M.A. in Phys. Ed.

We will miss her bright smile and enthusiastic involvement, but we know that she is pursuing a programme very important to her and her professional development and we wish her every success.

Principal's Comments

R.R. MacKenzie

Diamonds anybody? I've got to say that no one that I know would pass one up if it was virtually handed to her/him on a silver platter. Chances are, if you are reading this article, you didn't either. This is the "Diamond Anniversary" of the Tatler, and if you took the time, as I have, to compare our yearbook with not only those of yesteryear, but those of our present day counterparts, you would see what a gem it really is. What better time to speak of traditions and their importance than the present - on the occasion of the birthday of the Tatler.

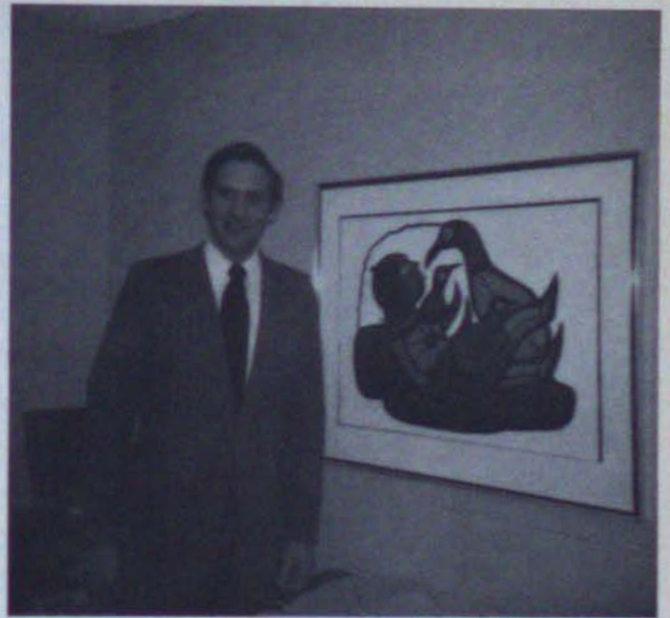

Traditions are extremely important to any school. Such things as attitude, pride, respect and spirit are very indebted to them. They are not made of bricks and mortar, but rather of sweat and tears. They emerge from those things which, because of great effort and dedication, have prevailed or been widely accepted, whether they be knowledge, belief or custom. It is this that is passed from school generation to school generation. Taking the Tatler as our example, just imagine the number of generations involved.

Most traditions have rather remote or inauspicious beginnings, but somehow, whatever it originally was on day one, it was worth working for; a very real commitment was required. You know, there isn't much reward, much less glory when you're fighting in the trenches, and you are up to your knees in mud. Despite this, keep in mind that it was only through hard work over a lengthy period of time that our reputations for academic excellence, outstanding sports teams, exceptional school spirit, and active support of school related activities and events were developed. Once again the Tatler gives testimony to the kind of unheralded effort that is necessary for this kind of development to take place.

Traditions, if they are to stand the test of time, have to develop and/or survive the changes that events can force on society over the years. Ours have grown or survived despite such happenings as the World Wars, the Great Depression, the present age of technology, and educationally, the Robarts Plan, the Credit System, and our own local Integration System. We are still academically sound, our teams are still forces to be reckoned with, and although our own particular brand of spirit is waning slightly, the Tatler continues to report and record as it always has done throughout its long and auspicious life time. Be aware, however, that our next hurdle has already loomed on the horizon. In September of 1984, this Province is scheduled to introduce some educational changes that could have far-reaching effects. Thus far our traditions have been both flexible and malleable enough to withstand such challenges.

Here's to our traditions; may they continue to thrive, and in particular on the occasion of its 75th anniversary, congratulations, and thanks for a job well done. May you enjoy an equally successful additional 75 years.

Vice-Principal's Comments

G.A. Pearson

It is a pleasure and a privilege to have been invited to write a message for Tatler '83. As each of us pours through our copy, our gratitude to the editors, their advisers and crew grows, page by page, for the many hours they have spent in preparing this chronicle of memories for us.

This window on the life and times of Annandale 1982-83, provides us with glimpses that recall the big moments that range from school wide achievements shared by all to our most private and intimate personal triumphs. At a time and place removed from Annandale 1983, this same window, clouded by time, may provide more of a reflection than a view into the school. The sight of acquaintances long forgotten, the re-reading of literary articles or the reviewing of the multitude of snapshots that recount the highlights of the year from orientation in "the pit", through athletic and assembly hall presentations to the Prom and Commencement may tug at our heart strings and bring a tear to our eyes. These moments of reflection may be all that is required for a re-evaluation of life styles and a reconsideration for the idealism of the youth of '83.

Regardless of when you read your Tatler '83, may it always bring a warm feeling of friendship to you.

Tatler Executive - 1982-83

Susan MacFarlane
Co-Editor

Being co-editors of the 1983 TATLER has not only been a great honour for both of us but it also has been a great pleasure. The year was a lot of fun and seemed to go by very quickly.

Both of us feel that this year's Tatler has been a success; a success that would not have been possible without the fantastic amount of help and support that we received from many people. Some who deserve special recognition because they were present for almost every workshop include Kim Holmes, Kim Chalk, Jon Stover, Shannon Ross, Mona Sabet and Trisha Papas.

Another special thanks must go to all of those who worked so hard downstairs in the dark room. The Camera Club did a great job for us and we want to name these excellent workers: Randy Helsdon, Jason Gilpin, Greg Bennett, and Brad Robinson. Thank you.

Even though at times it seemed as if we were moving a little too slowly, things were always accomplished and the book was finally finished. Although decisions were sometimes hard to make, everything always seemed to get better as soon as the pop, potato chips, and music entered the room. Nevertheless, an air-conditioner for Room 30 would be nice for next year.

We know it is not necessary because they were part of the "TATLER team" who planned and created this book, but these people should also be thanked.

* Jane Anderson, Production Manager, and Sherry Sandham, Managing Editor. Even though we had our minor disagreements, everything finally worked out perfectly.

* Mrs. Stover, Mr. Pellizzari, Mr. Sulkowski, and Rob Clark. Their greatly appreciated help made our work seem like nothing.

* Finally, we would like to thank Mr. Stover for everything that he has done for us. Although we tried to do the job a little more on our own, it always seemed that Mr. Stover was the one who pulled everything together.

Being co-editors has meant a lot to us this year and both of us look forward to working on TATLER '84.

Kathy Nunn and Susan MacFarlane

We did it and we are all still friends! We have completed one more edition of the Annandale TATLER: one more memorable and fun-filled school year caught in time. We tried to preserve it in this book and we hope that you will like it.

We worked through some rather tough times (especially when it came time to make decisions among the five of us). However, we finally came to agreement and a book was completed.

I would like to encourage as many younger students as possible to become involved with the TATLER. I have spent my last four years in Room 30 and I will cherish and remember all the good times (especially pigging out on chips and pop!)

Now I would like to express my thanks to the people who made this yearbook possible. Special thanks to the Camera Club, to Kim Holmes, Kim Chalk, Jon Stover, Jane Anderson, Susan MacFarlane, Kathy Nunn, and Mr. and Mrs. Stover for putting up with me and letting me be part. They were great fun to work with.

Lastly, good luck with the 1984 TATLER to co-editors Susan MacFarlane and Kathy Nunn. I will be leaving the Tillsonburg High Schools in 1983-84 to attend CASS in Woodstock. I will miss you all.

Sherry Sandham

A friend once told me that when writing a comment I should use the KISS system ("Keep it simple, stupid!"). I hope that I succeed.

This year got off to a slow start because of the possibility of a long-term strike and the continuing "curse" on the TATLER executive. After the threat of the strike was over and Kathy and I got well again, we began the long chore of getting this book out. I would like to thank all of those involved in Tatler Sales, especially Mr. Stover and Mr. Pellizzari.

There are also some people without whom the book could not have been completed. They gave their time and their dedication (even when school was out) to turn out this book. To Kim Holmes, Kim Chalk, Jon Stover, Shannon Ross, Trish Papas, and Mona Sabet, I thank you.

To my fellow editors, Sherry Sandham, Kathy Nunn, and Susan MacFarlane: you were great!

And, last but not least, a special thanks to Mr. and Mrs. Stover for everything!

This year has been a "slice", and I am looking forward to working on next year's book.

A few "Thank You's" that must be added.

- * To the teachers who helped with so many tedious chores, our gratitude.
- * To MR. BOB ATHERTON, our consultant from Inter-Collegiate. We drove you to the hospital, but we hope that you are now feeling much better.
- * To MR. BILL PRATT, MR. CHUCK McKNIGHT and the reporters and editorial staff of the TILLSONBURG NEWS for helping us so much.
- * To all of the students who took part in our book - by selling advertising, by working those long, unappreciated hours, by buying a book and paying for it without being chased down.
- * To the business and professional communities of Tillsonburg, for supporting us so well and for caring about this really important "learning experience".
- * To the "kids" pictured or named on the next two pages. The TATLER is yours ...
- * To the Gregory Studios and to Fred's Photography for their excellent help throughout the year.
- * To SHERRY, JANE, KATHY and SUSAN, for their efforts, their care, their involvement, and their good humour.
- * And that's all the space there is.
