VALEDICTORIAN 1987

Miss Mary-Ann
Cocchetto

It is with great pride that I stand before you as a representative of the graduating class of 1987. Seeing all of you here tonight, holding your diplomas, it is hard to believe that five years ago we were only just beginning. How fast the time passed while studying for exams, drafting up essays, making new friends, growing up.

Gone now, it once seemed those days would never pass. But time is never completely gone. Deeply imprinted on our minds are memories of the year we won the bowl and saw the fire engine parade through town, that endless day of initiation when, humbled and meek, we rolled pennies up the stairs with our noses, the chaos of Performance dress rehearsals followed by the success which glistened in the eyes of all of us on the final night or creating a prom and sharing that one special dream-like night with the friends we loved. Never forgotten are the individual successes whether they be the passing of that final calculus test, the sweet success of an OFSAA medal or the attainment of courage required to stand before a group of peers and allow yourself to be vulnerable.

We are not leaving Annandale tonight; we are taking it with us. As Tennyson said, "I am a part of all that I have met." We are as much a part of this school as it is a part of us.

Our years here gave us many things. Most obviously, our education. An excellent scholastic education illustrated by our high number of award winners and Ontario Scholars but also an education of morals and values. At Annandale we were taught not only to strive for success but to accept success or failure with equal grace. We learned to believe in ourselves and the others around us, a faith that will remain with us and guide us throughout our lives. Upon entering the work force, college or university, where one is so often just a face among many, one truly appreciates the intimacy of Annandale where each individual was valued for his own merit.

For all these things and for years of guidance and patience and listening and friendship, I must offer my gratitude to the teachers and staff. So many long hours and thankless tasks went unnoticed when we thought we were making all the sacrifices. The students of Annandale are fortunate to have such a qualified and caring staff; teachers who were willing to put up with us until they retired such as Mrs. Moore, Mrs. Hart and Mr. Parker and others who have given more to this school than any mention of the number of years spent here could ever imply.

But the greatest teachers of all and the ones who saw, perhaps the least gratitude are the parents. As you sit here tonight, feel pride not only in us but in yourselves for the excellent job you have done. It is your discipline and understanding and love which have created the society of tomorrow. To my parents and to all the parents I speak the words that must be on the minds of every grad tonight - Thank you. I could never have made it without you.

But now we have made it. We are the graduating class. Commencement is a beginning; the beginning of our futures. Fear not, we have been well prepared and, unlike the average, who saw "the shadow of an average man attempting the exceptional and ran," we may look forward to the future with courage and hope as a time to use the knowledge we have gained and to share our experience with others. Grads, tomorrow belongs to us for in ten years, we will run the world. In the face of failure or success we must not give up, but look instead at each new day as a challenge. For in the words of John F. Kennedy, "We have come too far, we have sacrificed too much, to disdain the future now."

To this year's grade 13 students - good luck. Make the most of your final year. So much is offered to you both academically and socially. Use it to your advantage. Make it a time to break down any barriers that stand between you. Do not waste time with petty arguments for the year is too short, and once it is gone it will never be yours again. I can only wish that you find as much happiness in your graduating year as I did in mine.

To the grads, thank you for giving me that happiness and for allowing me to see the beauty in all of you. What a special group you are! I look forward to the future with eagerness knowing that you are a part of it. Being chosen to speak for

you tonight is the greatest honour I could ever have been given. To each of you I will not say good-bye. You mean too much to ever say good-bye. Instead, farewell. May each of you fare well in all that you do and wherever you are. God bless you.

COMMENCEMENT '87

The happy graduates who carried home their S.S.G.D.'s and their S.S.H.G.D.'s were not the only people honoured at the Commencement exercises this year. The whole family that is Annandale - Graduates, Students, Teachers, Administrators, Parents - all of us were saying good-bye to the man who had organized Commencement for the last ten years and the man who greeted us daily on the morning announcements - MR. WES PARKER. Last year's TATLER was dedicated to Mr. Parker and during the evening Editor JONATHAN STOVER presented Mr. Parker with a specially stamped copy along with copies for each of his children and a gift from the TATLER in recognition of his years at Annandale.

MR. PARKER - WE WILL MISS YOU!

Is what I tell them.
"Then I can have some fun!"
I reassure them. Or is it me?

Because she is closer to her dream
Than I am to mine.
She's soon off to new beginnings,
And new experiences.

While I'm left here.
A junior
Jealous
Of her seniority.

Jealous only because
She just happened
To be born
First.

ANNANDALE ADMINISTRATION

I commend the *Tatler* staff for their success in providing such a fine yearbook - prized today and cherished tomorrow. My yearbook collection dates back through my career as a teacher, through university days right back to my time as a Grade 9 student and regardless of which document I pick, I am filled with warm feelings of association as the faces of colleagues and students shine back at me. *Tatler '88* has captured through individual student and staff photos, team and club pictures, candid shots of school life, and yes, even the extensive advertising, the vitality that makes Annandale such a great school.

Particular thanks for our yearbook are extended to *Tatler* editors Sue Pinter and Tricia Moir. In the absence of Mr. Stover for a period critical to the development of the *Tatler* the co-editors provided the drive to keep this production on schedule. Thank you for your efforts to maintain the tradition of excellence for which the *Tatler* is known.

G.A. Pearson

Principal G.A. Pearson

Vice-Principal D. Humphrey

When I told my grandfather (after graduating from Tillsonburg District High School, now Annandale) that I was going to Teachers' College, he queried: "Why do you want to be a dusty old school teacher?" He had not had the opportunity to go beyond grade school: for him education was blackboards, chalk, books and hard desks; all of which he perceived to be dull and boring.

He had been deprived of experiencing education as it should be: ideas, questions, debate, problem solving, challenge, competition, achieving goals, relationships, even answers - a total people experience.

This is what epitomizes ANNANDALE. It is a people place! The students, teachers, office, cafeteria and custodial staffs: these are ANNANDALE. There is a bond that exists here that is special and unique. 1987-88 has been another chapter in a saga that is full of history . . . and even a few legends. Enjoy this record of Annandale's story and cherish it. It tells of another great year in a great school.

D. Humphrey

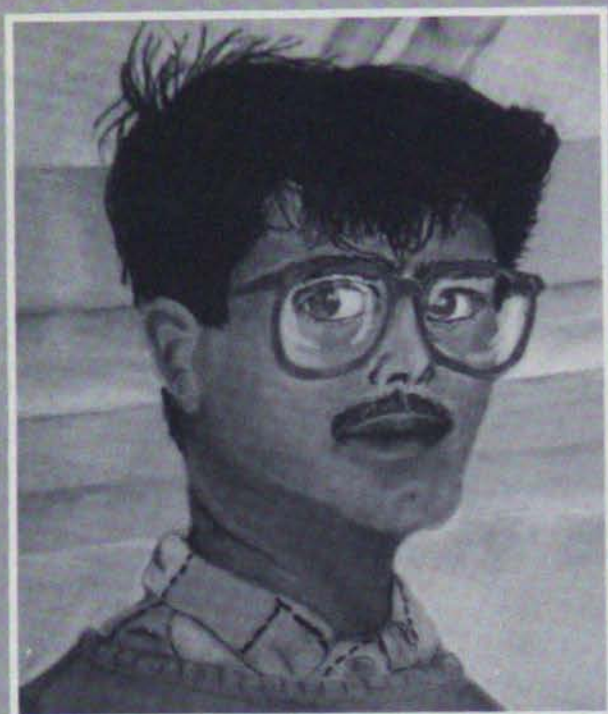

WILL THE REAL "DON RABB" PLEASE RAISE HIS HAND . . .

Mr. Rabb, thank you for your 28 years of teaching at Annandale. Your influence on the Science Department has had a lasting effect on Annandale's academic reputation. Your high standards and your sense of preparedness will remain with all of us!

We hope that your retirement will bring all of the contentment and enjoyment that you anticipate. Certainly, your garden will become a Tillsonburg "tourist attraction" with more time to lavish upon it. We will miss you in the classroom; we will miss you in the halls; but most of us will feel a special loss next Christmas when the organ for the carol sing is manned by someone else . . . Thank you for all the good times.

ART IS . . . EMOTION EXPRESSED . . .

THE POET

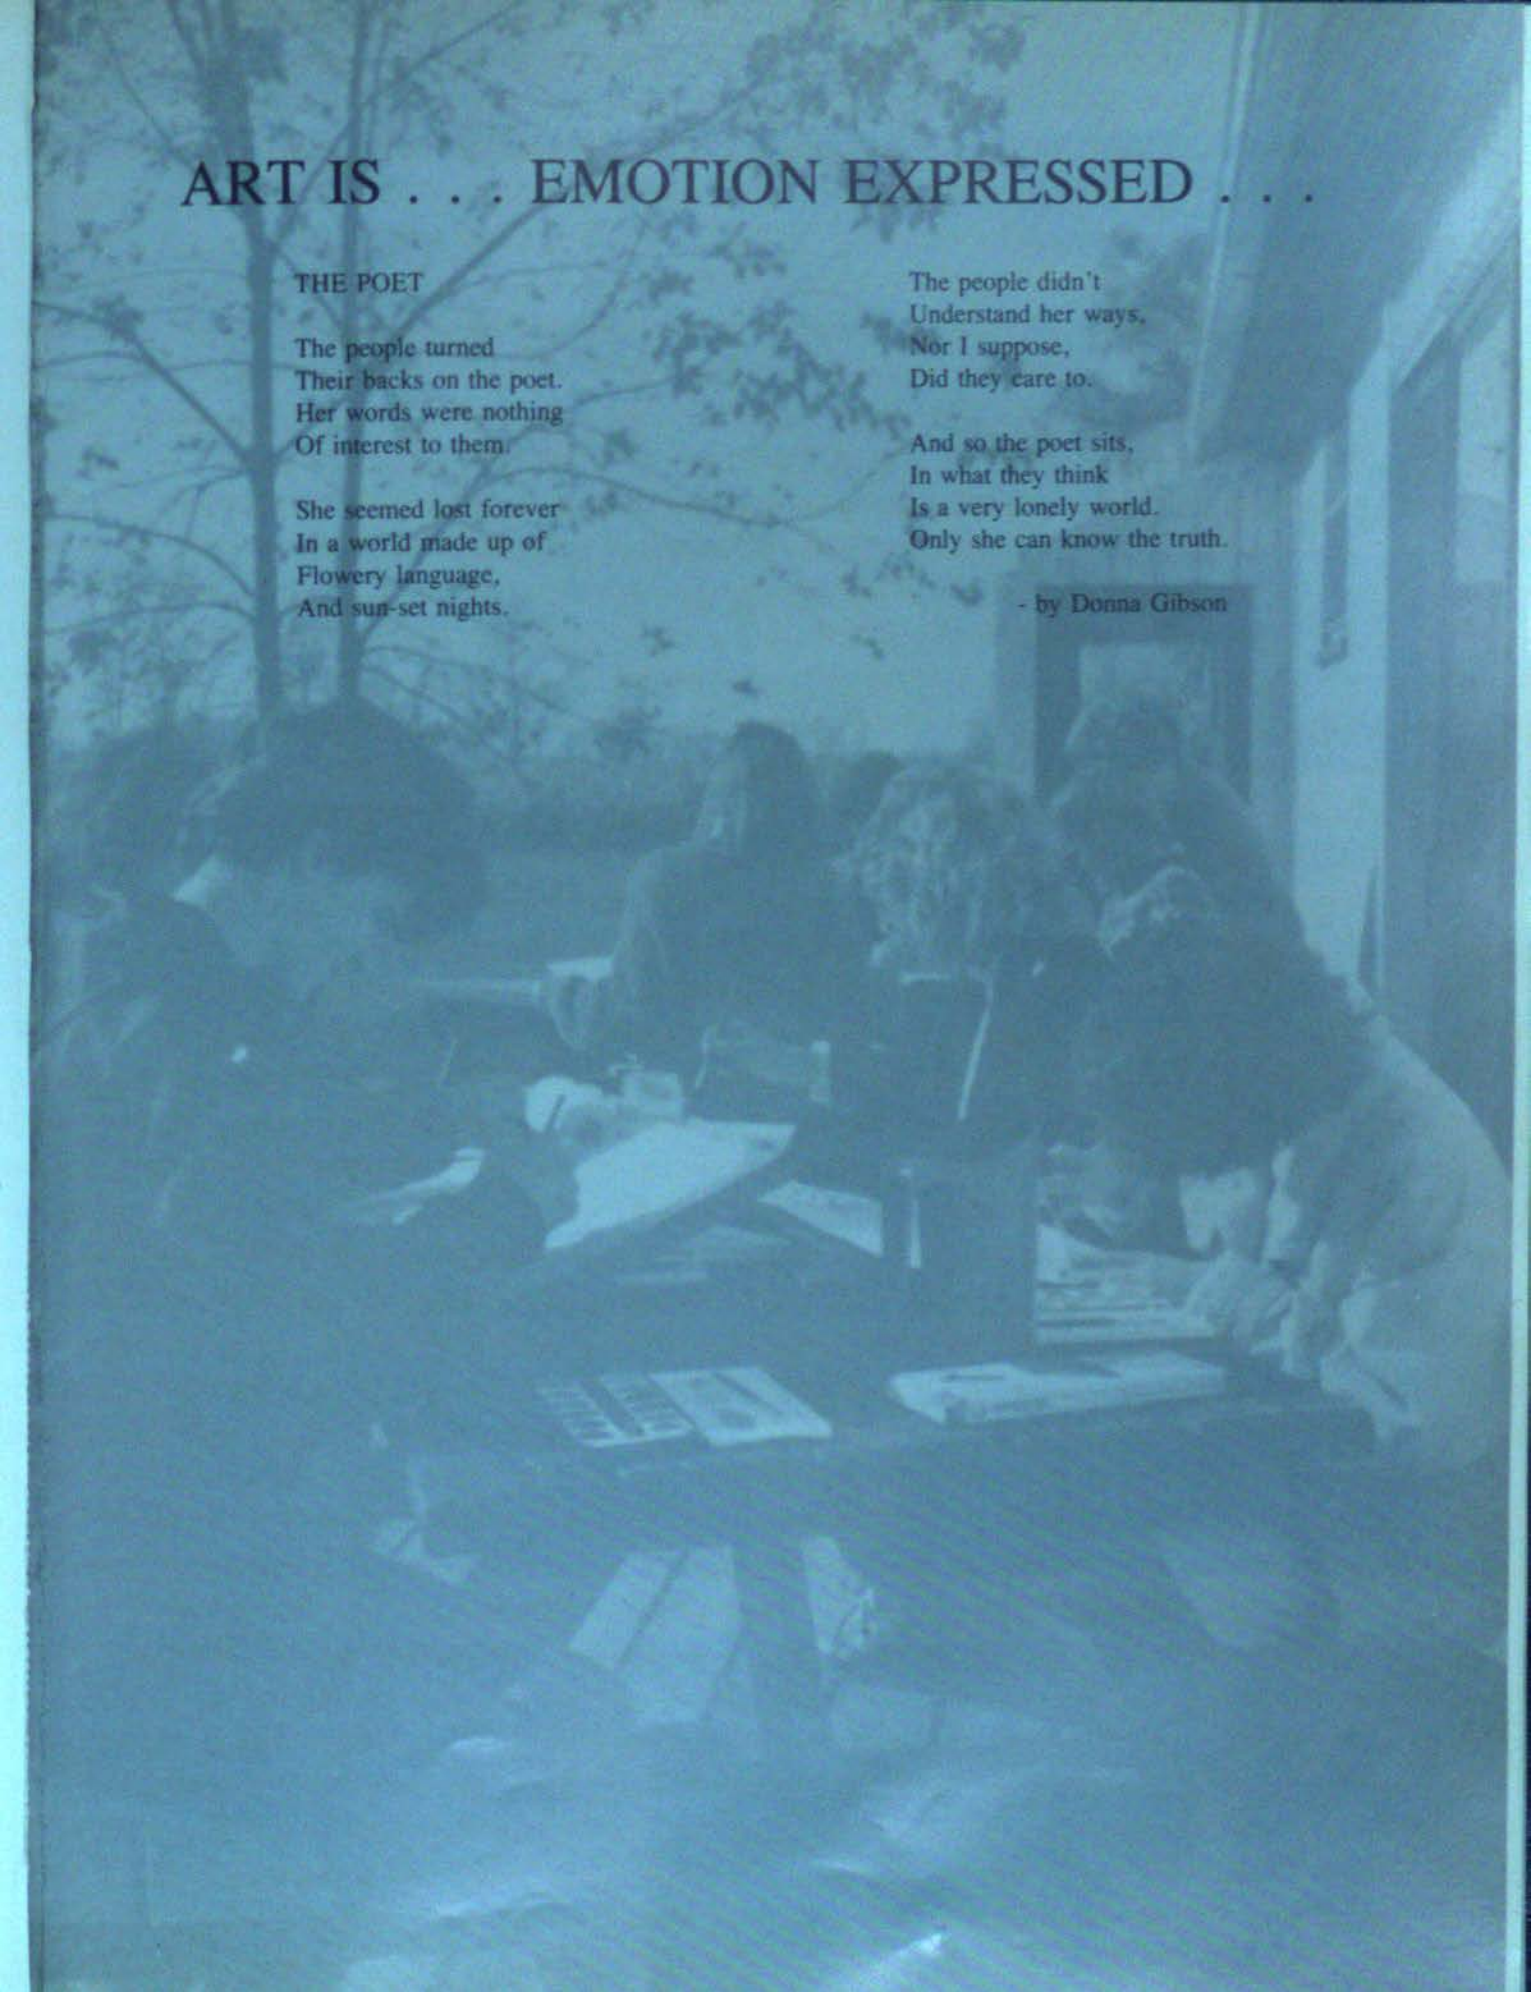

The people turned
Their backs on the poet.
Her words were nothing
Of interest to them.

She seemed lost forever
In a world made up of
Flowery language,
And sun-set nights.

The people didn't
Understand her ways,
Nor I suppose,
Did they care to.

And so the poet sits,
In what they think
Is a very lonely world.
Only she can know the truth.

We had a great season, finishing second in regular-season play but first in Oxford after the county tournament. We won our own tournament and finished tied for first in the Oxford-Elgin Championship Play-offs only to be relegated into a semi-final against Ingersoll. The match went three games with the tough seesaw final slipping away to the Ingersoll squad 15-11. It was a tough and heart-breaking way to end our WOSSA hopes, especially knowing that we were one of the best teams in Western Ontario but that we would not have a shot at WOSSA "honours".

A special "Thank You" to our graduating captain, Ben Mahony; we will miss his court leadership and team spirit. Best wishes to our graduates: Rick Lamb who gave us two years of great serving and excellent defence; Neal Koppens for a great playoff; and Chris Kyriakopoulos for his dedication and specialty serving.

As for the rest - we will be back - and we will go to OFSSA. Thanks to Kathy and Christine for the many hours of scoring, nail-biting, and nervous support on the bench. Lastly, to Jeroen, my assistant and friend who gave his time freely to support, cheer, coach, and console in time of need, thank you.

Thank you all for an extremely satisfying season.

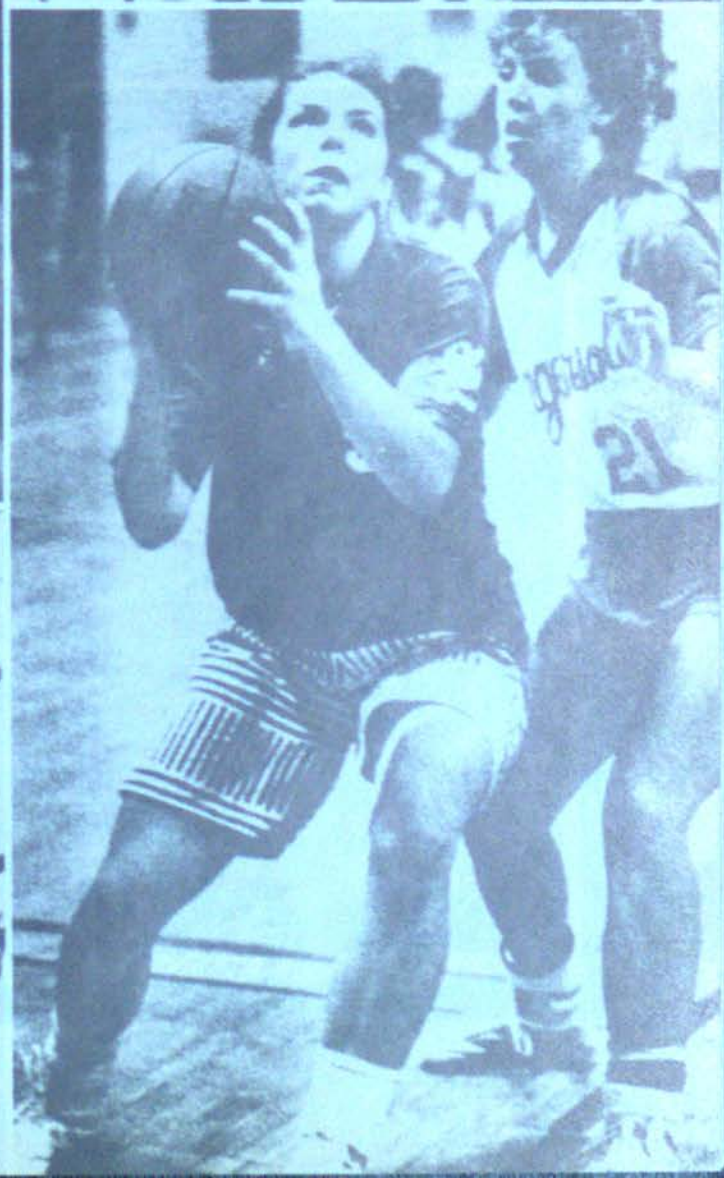

Coach Ches Sulkowski

ACADEMIC ACHIEVEMENT AWARDS ASSEMBLY

Now it's official! The ACADEMIC ACHIEVEMENT AWARDS programme is a tradition. On November 6th, 1987 (Commencement Day), Annandale High School held its second full-morning assembly to honour the top students in our school.

Again, all students who received Honour Standing on their reports received framed certificates. Students receiving the highest mark in a credit received certificates noting that fact. The top three students at each year and each level were awarded plaques to symbolize their achievements with the top student in each grade having her/ his name inscribed on the permanent plaque.

Special thanks to Principal G.A. Pearson and the Academic Achievement Awards Committee for continuing this worthwhile programme. Committee members include Miss K. Jurjevich, Mrs. N. MacKenzie, Mrs. M. Derksen, Mr. T. Hanyk and Mr. A.R. Stover.

THANK YOU

... from All of Us
Who Still Love
Football!

Jason Puhr

Until the "Summer of 1987", Tillsonburg and Area kids (like the one drawn here by Junior Gemini Co-Captain Jason Puhr) expected to be able to play football when they went to high school, just the same way they expected to play the many, many other sports offered through the GEMINI programme.

The first warnings that this would not be the case sent many student athletes and many parents into shock. The response from the community was dramatic and heart-warming for those involved with the programmes at ANNANDALE and GLENDALE over the years.

However, there would not have been a chance for the alumni to speak . . . and give . . . if it had not been for the GEMINI ALUMNI COMMITTEE pictured on the preceding pages. Football, as late as September 1st, 1987, was a "no go" situation. By the second week in September, it was decided that a senior team could be outfitted, and by the first day of classes, all concerned took the big gamble and declared that there would be two teams even though there still wasn't enough money to pay for the equipment fully.

To the Committee . . . and to all the people who cared enough to donate money or a helmet or other equipment, our thanks.

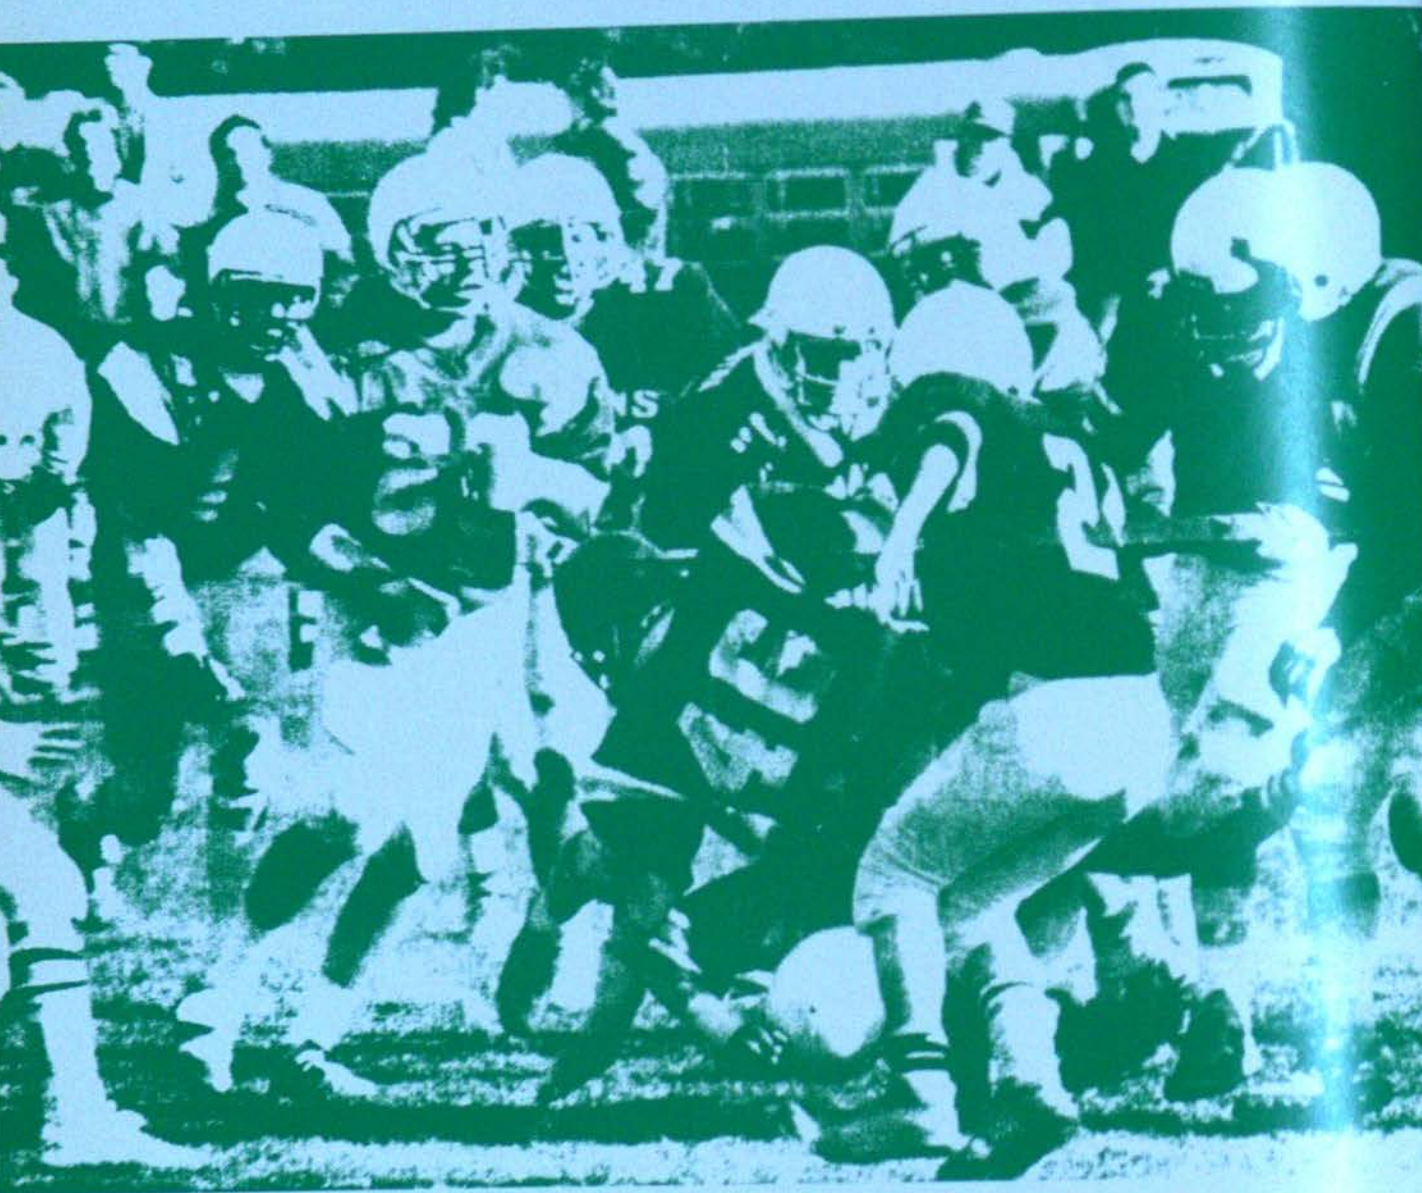

The players, coaches, and fans of the present day promise to work honestly and to care. That's all that the programmes ever asked. Victory comes only as the after-effect of that effort.

THE GEMINI ARE BACK!

Gemini Co-Captain Tom Hovorka follows the offensive-line surge to score as the Junior Gemini go to the Bowl for the first Tillsonburg appearance since the double-bowl win in 1984.

HOMECOMING '87

SENIOR GEMINI FOOTBALL

Front Row - Rob Gibbons, Mark Lawson, Andrew Karagias, Jim Lonsbary, Mark Dejaegher, Leo Roose, Aad VanLeeuwen, Chris O'Rourke, Dave Theissler, Dean Keba, Rob Hawley, Manager Greg Sol. Back Row - Coach Harvey Cowan, Jeff Dingwell, Chris Conroy, Jody Rice, Mike Chevers, Jamie Pattyn, Dino Kiriakopoulos, Mike Steyaert, Steve Sowa, Greg Crossett, Mark Boughner, Brad Clarke, Dana Boughner, Steve Lonsbary, Chris Hayward, Ron Nezezon, Steve Balega, Darryl Nesplic, Chad Lamoure, Darryl Vandervan, Coach Fred DeVriendt. Absent - Coach Mike Chevers, Chris Mulhern, Mike Gowette, Corey Hill.

Thanks to the Alumni Association, monies were raised to purchase the necessary equipment so that the senior football program was able to continue. All the team members extend their appreciation.

As the season progressed, we saw the growth of team spirit. Many close games were the order of the day. To the graduating team members we extend our best wishes - may you take your desire and hard work from your football experience into other facets of society - making it a better place for all!

H. COWAN, Coach

The Senior Gemini played tough, aggressive football for the full seven-game season, missing wins in three games by less than a touchdown. They defeated the joint WCI/CASS team in both regular season and play-off games and their bid for an Oxford-Elgin Bowl berth saw the dream evaporate when they ran out of downs on the Huron Park fifteen yard line late in the game on a drive that would have meant victory.

The senior program needs more players: injuries still play too great a role in deciding the outcome of their games. Too many players had to play "hurt" in order to field a competitive team.

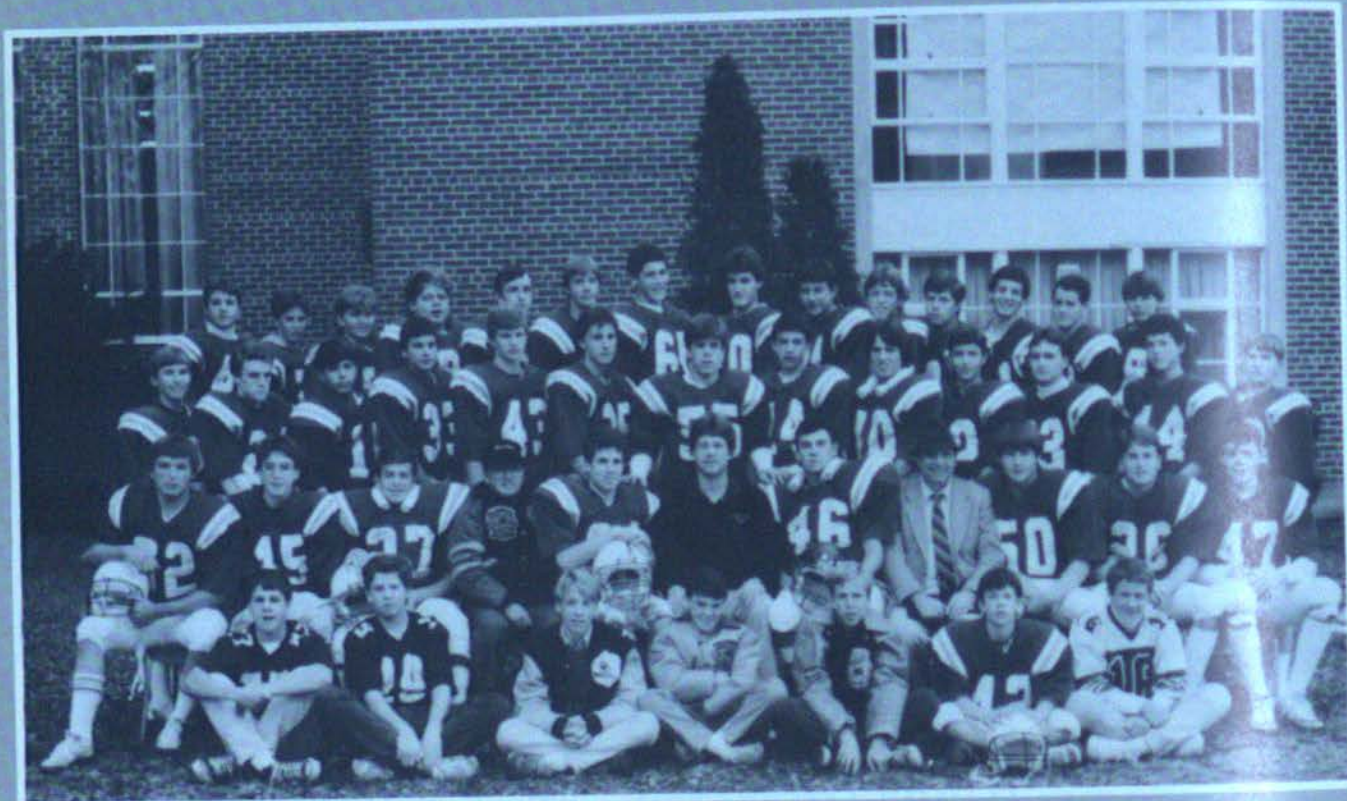

Next year with the crop of Bowl-experienced juniors moving up and no rumours of cancellation of the program, the competition for positions should be keen and the senior coaches should have the luxury of "depth charts" for the first time since the Bow Champions of 1984.

Good luck, guys!

TO THE ALUMNI ASSOCIATION: "Thanks for the Season!"

JUNIOR GEMINI FOOTBALL

Front Row - Derek DeDobbelaer, Jamie Tutt, Aaron Seymour, Manager Scott Baird, Jason Lester, Scott Curtis, Mike Pinter, Second Row - Abe Klassens, Tim Hayward, Co-Capt. Jason Puhr, Coach Wayne Coyle, Co-Capt. Kevin Thurston, Coach Phil Decker, Co-Capt. Tom Hovorka, Coach Arn Stover, Co-Capt. Pete Zvanitajs, Scott DeCloeit, Mark Kassner. Third Row - Richard Rohrer, Greg Czichrak, Andrew Bloom, Mark Losker, Ron Vanderhaeghe, Dan LaCourciere, Ché Marshall, Mark Cassone, Blair Oatman, Steve Szikszay, Scott Ryder, Luke Palmer, Ron Rohrer, Back Row - Peter Stubbs, Scott Harris, Gord Tilton, Dave Milton, Gabor Pusztahegyí, Jason Meyer, Ben Hiscock, Shawn Walton, Don Hollain, Jeff Cowan, Jeff Mirth, Jeff Whitesell, Mark Austin, John Demaiter.

The Junior and Senior Gemini Football Teams owe their season to the Gemini Alumni Association headed by Cindy and John Bes, Steve McQueen, Marty Hildebrant, John Puhr, Jr., and Brad Sergeant and the 60 or more alumni who donated money or helmets to put the teams on the field this year. As late as the first week in September, it was believed that the Gemini might field only a single team and it wasn't until the first week of school that the decision was made to go with two teams.

To these devoted people, our thanks.

The 1987 season did not look too promising because, first, we had an equipment shortage and we did not know whether we would be able to dress a junior team; and, secondly, we had only a few third-year returnees. However, the desire to learn football and the willingness to work in practice was there in the rookie players and, as soon as the Alumni Association gave us the chance to play, we tried hard.

Our coaches, Mr. Arn Stover, Mr. Wayne Coyle, and Mr. Phil Decker told us right from the start that nothing would be handed to us and that we would have to work hard both in practice and as a team on the field. We were not a team blessed with either experience or size, but from the great coaching and our own eagerness to develop as football players, we became a team to be reckoned with.

We fell sixteen seconds short of an Oxford-Elgin Bowl victory, but we remained proud of our efforts because a winning season was brought back to the Gemini Junior program after two years of going winless.

A lot of friendships were made and a lot of tears were shed at the end of our season. We worked hard to get where we did and to lose on a fluke play broke a lot of hearts.

The Junior Gemini would like to thank the coaches for being so patient and understanding throughout the year. They taught us to win with class and to lose like gentlemen, lessons we will carry in our hearts even off the football field. They were more than coaches; they were friends.

Great times will always be remembered from this season!

TOM HOVORKA, Co-Capt.

So much learned! So much still to learn.

The report card for most junior football teams . . . but this year more true than ever. Two inexperienced quarterbacks who learn - their trade under fire. A defence that could not maintain its concentration for a whole game but learned enough to hold the undefeated Bowl Champions from CECI to a single offensive touchdown as they shut down the St. Thomas school's vaunted outside attack. Some superb athletes who had to grow to the point that they were willing to sacrifice their own accomplishments to the good of the team and who had to learn to "lead" . . . and who did both.

Moments of joy: for some, a first victory after careers that numbered 11 losses and a tie. The first trip down Broadway after an out-of-town win. A victory in the Oxford Bowl . . . played before our own fans. A gut-wrenching loss in the final seconds of the Bowl on a mistake. Tears. But, more importantly, friendships, learning, growth, understanding. It was a fine season . . . in the tradition of Tillsonburg teams of the past. Hold your heads high!

As a graduating co-captain of the Senior Girls' Basketball team, it is my delight to enter this write-up. We played very well this year -- only one game short of going to OFSSA.

I would personally like to thank Mr. MacKenzie and Mrs. Zvanitajs, our coaches for their outstanding efforts. I wish all the best for the graduating players, Colleen and Christine. Western will never be the same. I will deeply miss playing with Christine, Colleen and Cheryl because we have been together for at least five years.

I hope for the best for the team next year!

The 1987-88 Junior Basketball season saw the team take the same path as in the last two seasons. After a second-place finish (8 wins and 2 losses) in Oxford County, the team defeated the first-place Elgin squad in the Oxford-Elgin semi-final. The girls were defeated in the final by a taller, more experienced I.D.C.I. team.

The Gemini performed well at WOSSA by advancing to the second round before losing to St. Pat's of Sarnia.

The girls would like to thank the staff of both schools, the students and the parents for their support over the year. Good luck and skills to the girls moving up to senior ball next year. Your efforts will be missed but never forgotten.

The Gemini Midgets finished Oxford County play in first place with a perfect 6-0 mark. They played a strong St. Joes team in the Oxford-Elgin semi-final and in a close contest the Gemini were victorious. In the Oxford-Elgin final the team played well for three quarters but tired in the fourth and lost to a very good East Elgin squad. All in all, the girls' season was very successful and the junior team next year looks forward to seeing the faces of many of these girls out to practice in September.

CHAD WEILER WINS OXFORD-ELGIN

CROSS COUNTRY

MEMBERS INCLUDE: Brock Horton, Caroline Sitts, Holly Woods, Mark Biro, Eric Keeble, Trevor Lamoure, Jeff Luyt, Cindy Kyle, Jeremy Holmes, Dave McCague, Kevin Mulhern, Rob Garon, Denise Durst, Jane Ann Hogarth, Tina Keeble, Kathy Morling, Jodi Puhr, Dan Cassidy, Brent Darley, Jason Humphrey, Chad Weiler, Wilna Carrier, Carrie Konig.

After picking up gold medals in 1984 and 1985 and a silver in 1986 at the Ontario Finals, Tillsonburg Gemini Cross Country runners reached another milestone in 1988 by sending two teams to OFSAA. Both the Senior Boys Team consisting of Kevin Mulhern, Rob Garon, Dave McCague, Brock Horton, and Jerry Holmes and the Midget Girls Team of Holly Woods, Wilna Carrier, Cindy Kyte, Caroline Sitts, and Carrie Konig placed sixth in the event.

En route to these finals the teams each won at the Oxford-Elgin Championships and placed second at WOSSA.

The Midget Boys team of Chad Weiler, Dan Cassidy, Jason Humphrey, Brent Darley, and Hollis Clark also won Oxford-Elgin but were just nosed out of a berth at OFSAA by Saunders of London.

Kathy Morling, Denise Durst, Tina Keeble, Jane Ann Hogarth and Jodi Puhr combined to win the Senior Girls title at Oxford-Elgin but faded to seventh at WOSSA.

The Junior Boys team had to put in a strong effort to gain a third place at Oxford-Elgin. Mark Biro, Trevor Lamoure, Jeff Luyt, and Eric Keeble made up the team.

Congratulations go to Chad Weiler, our lone individual winner at Oxford-Elgin.

EUNIKA STEVULA WINS WOSSA GOLD

GEMINI TENNIS

MEMBERS OF THE 1987-88 GEMINI TENNIS TEAM: Eunika Stevula, Chris Kyriakopoulos, Danielle VanDaele, Leslie Pal, Carolyn Donaldson, Trevor VanDaele, Scott Willson, Dino Kiriakopoulos, Jeff Size, Marcie Meharg, John Kyriakopoulos, Scott Harmon, Eric Erme, Kathleen VanHooren, Lianne Cook, and Cathy Thomas.

Our Gemini tennis teams produced one of our most successful seasons ever. The senior boys' and girls' teams swept the team championships for the second year in a row in our Oxford-Elgin Conference. Eunika Stevula and Chris Kyriakopoulos both successfully defended their senior singles titles. Eunika represented our conference at WOSSA and won the girls' singles title, which is our conference's first-ever WOSSA championship. Danielle VanDaele and Leslie Pal reached the Conference Finals in girls' doubles and Carolyn Donaldson reached the semi-finals in mixed doubles. In senior boys, Trevor VanDaele and Scott Willson reached the conference finals in boys' doubles and Dino Kiriakopoulos reached the semi-finals in mixed doubles.

The junior boys team won the junior boys Oxford-Elgin team championship with a good solid team effort. Jeff Size combined with Marnie Meharg to win the mixed doubles championship. John Kyriakopoulos was a finalist in boys' singles, and Scott Harmon and Eric Erme reached the semi-finals in boys' doubles. The girls' junior team was led by Marnie Meharg with a win in mixed doubles. Kathleen Van Hooren reached the semi-finals in singles and Lianne Cook and Cathy Thomas were finalists in girls' doubles. The junior girls finished in second place overall.

Overall, the Gemini tennis team won three individual Ox-El championships, three team championships and placed second in one team championship.

Gemini Tennis graduates several people this year. Chris Kyriakopoulos and Carolyn Donaldson have both won three O-E titles in their high school careers. Chris has been part of two boys' team championships and Carol has been part of five team championships. Danielle VanDaele has been part of four girls' team championships. Leslie Pal, a rookie senior, helped out this year and was part of a senior girls' championship. We thank these people for their dedication, effort and leadership during their high school tennis careers.

We have many returnees for next year and we feel our excellent tradition in tennis will continue. Eunika Stevula is our outstanding contribution award winner this year.

Senior girls' volleyball met with varied success this year. The team saw its season come to a close after a gruelling quarter-final play at Oxford-Elgin. The team improved throughout the season and despite the losses experienced, still showed much spirit and had fun. This year's squad contained many skilled athletes. Graduating are co-captains Linda Stover and Christine Vallee, as well as Karen Schroder, Leslie Pal, Lisa Alexander and Sue Triska. Remaining, however, is a strong group to carry on the fine Gemini tradition. The best of luck to those graduating, and to next's years squad who will be losing an energetic and dedicated coach. Sincere thanks and gratitude to Miss Munnoch for her endless contributions to the success of this year's volleyball team, and previous years' teams.

The Junior Girls' Volleyball team had a successful season despite the many coaching changes they experienced. The players adapted well and finished league play in second place, which advanced them to Oxford-Elgin playoffs. At Oxford-Elgin they had an up and down day, finishing fourth overall. A highlight of the season was capturing the pennant at our own Tillsonburg Tournament and all things considered, they should be congratulated for a job well done.

Best wishes for next year!

Their superb team spirit and uncompromising determination earned them the Oxford-Elgin title! Congratulations girls and coaches.

MR. O'ROURKE RETIRES FROM COACHING

Mr. Brian O'Rourke hung up his whistle and vacated his customary coach's chair at court-side at the end of the 1987-88 season. For the hundreds of GRIFFINS and GEMINI that he coached over 20 years, the decision to retire is bittersweet. There is every wish for a happy and restful vacation away from the pressures of provincial-level competition; however, there is also a sadness to see one of the finest high school basketball coaches in Canada call an end to his career.

Mr. O'Rourke turned out superb teams that challenged the best in the province at All-Ontario "AAA" tournaments year after year. Many of his graduates have gone on to successful university competition and at least one, Chris Coulthard, is now coaching university ball at Wilfrid Laurier.

One of the most gratifying experiences of his coaching career had to be his successful partnerships with sons Shawn, Scott and Chris in their search for excellence on the court.

We thank you, Mr. O'Rourke, for all of the magnificent memories. We will miss your fire and determination next year.

Mr. Brian O'Rourke

"He's excellent, very intense." -
quoted from David Coulthard

PACKED STANDS HAVE FOLLOWED MR. O'ROURKE'S TEAMS FOR THE PAST 20 YEARS. 1988 WAS NO DIFFERENT!

Dedication, discipline, and a sense of playing together as a team epitomized our team this year. We played 33 games this year, posting a very fine 25-8 win-loss record against the best we could find to play.

The Gemini won the Tillsonburg Classic, Oxford Championship with a 10-0 record, and finally the Oxford-Elgin Conference Championship with a 3-0 record in tournament play. At WOSSA, we lost to Sarnia Northern in the semi-finals.

Our team this year played with intensity and had excellent team balance with every team member making a contribution.

I am very proud of these young men and feel that this team is one of the finest I have ever coached. I would like to thank all those who helped make our season so successful - the parents, Jeff Tribe, Fred DeVriendt who prepared the way, and Brian O'Rourke for simply being who he is.

I feel I must say a few words about Brian O'Rourke who is retiring from coaching after a long and very successful coaching career. Brian has shown the way - his intensity, his care, and his love for working with young people, not just in the game of basketball, but in the game of life. Brian is one of those who only come along so often and I am proud that I have been touched by him.

MIDGET BOYS' BASKETBALL

OXFORD COUNTY CHAMPIONS

The Midget Boys basketball team had a successful season winning Oxford County and losing the Oxford-Elgin Championship in a very close contest. The team also participated in four tournaments and developed well over the season.

Team members included Jason Arnold, Jason Humphrey, Jason DeFauw, Shannon McGlynn, Brent Austin, Gabor Pusztahegyi, and Sean Duncan.
Thanks for a fine season

GEMINI WRESTLING

The past season was a rough one for the Gemini Wrestlers. In November, the outlook was very good - only two athletes graduated from a team that finished third at Oxford-Elgin and tenth at WOSSA. Surely the 1987/88 season would be a vintage one. However, injuries and other factors decimated the team.

Kevin Thurston, Marc Austin and Jeff Whitesell - all exceptional rookies last year, suffered injuries or illness and were out for the season; Scott Baird's knee injury prevented him from reaching his potential and four others did not return from last year's team for various reasons. A number of good rookies, led by Pat Light, Jamie Noels, Trevor Waite, Thi Thau, Dan Gagnon and Ben Hiscock helped to rejuvenate the team. The veterans were solid for the most part: Jamie Mendonca, Mike Sauka, T.J. Racine, Seb Fardella, Jeff Size, Dave Woon and Ron Oxley, although some did not reach their full potential. Mike Sauka finished first at Oxford-Elgin and the team was third again. Pat Light was first at the Oxford-Elgin Novice Tournament. Mike Sauka and T.J. Racine finished with gold at Valley Heights and Ron Oxley and Jamie Mendonca did the same at the Water-main Classic in Kitchener.

Overall the team wrestled 321 matches and won 163 of them. Jamie Mendonca had a record of 31 wins and 7 losses to lead the Gems, while Pat Light had the most pins - 15 - to go with a first year record of 21-12. The team won three dual meets and lost three and were third at Oxford-Elgin and at Valley Heights.

W. Zvanitajs, Coach.

LISA WINS OFSSA GOLD GEMINI SWIM TEAM

TEAM ROSTER: Jeff Size, Allan Conroy, Greg Sol, George Moore, Matt DeLaere, Darryl Nesplic, Craig Nesplic, Lisa Chisholm, Kathy Morling, Kate DeDecker, Jill Brown, Samantha Dawley, Jane Hogarth, Allison Zadow, Trish VanLeeuwen, Caroline Sitts, Dawn Hutchison, Carrie Oatman, Kim Pettman.

The Gemini swimmers kept their streak alive in 1988 of once again bringing home medals from the provincial championships.

This year makes the fourth consecutive season that they have won medals at OFSAA and for the last three years it has been GOLD.

Lisa Chisholm was the big winner in '88, capturing the 50 metre butterfly event after earlier placing fifth in the 100 metres individual medley event.

Lisa also helped the medley relay team to a second place along with Jane Hogarth, Trish VanLeeuwen and Samantha Dawley.

In the carded section of the provincial championships for students who are members of CASA teams such as the Tillsonburg Torpedoes, the freestyle relay team of Kathy Morling and Dawn Hutchison and two who moved up a category, Lisa and Trish VanLeeuwen, was second, and the same group finished fourth in the medley relay.

Kathy Morling was sixth in the 100 metres butterfly in the carded section.

Students are the coaches of this sport. This year the Gemini swimmers received good leadership from a pair of graduating co-coaches, Lisa Chisholm and Kathy Morling. Their leadership set by example and dedication in 6:30 a.m. practices was appreciated.

- Mr. John Morling, Advisor

GYMNASTICS

Being the only team in the WOSSA district this year created several problems for the 1987-88 gymnastics team. Nevertheless, a dedicated group of gymnasts proved their strength, competing with great success in Toronto, Waterford, and in OFFSA, at Chatham. The team is congratulated for their individual efforts and achievements and for the support they offered each other as members of a team.

Miss Hawkins (aka: Mrs. Nimmo)

Editor's Note: The school will miss Mrs. Nimmo's involvement with many, many school activities, one of the most important being her coaching of Gymnastics.

This year's girls' curling team placed first in Oxford County with 6 wins and 2 losses. Best wishes are extended to Holly Johnson, the girls' skip, who leaves us after five years of curling.

The boys' team started the season on a winning note but failed to keep their momentum alive and ended with a 3-5 season. With all team members returning, more success is anticipated next year.

Our season was the most successful one to date for Gemini Handball. With a number of new girls playing for the team for the first time, the Gemini finished a strong second in their region and this qualified the team for the Ontario High School Championships. The girls playing with strong goaltending, solid defense and a fast break offense made it to the final four playoff round. They lost by 3 goals to the eventual Ontario Champs, Markham High School. With a strong nucleus of girls returning next year, the 88-89 season looks very promising.

One special note of appreciation is extended to graduating captain Karen Schroder. Her leadership, competitive spirit and high standard of play over the last three years has been instrumental in promoting the sport. We will miss watching her talented play next year and wish her all the best!

GEMINI BOYS' HANDBALL

TEAM ROSTER: Jason Nevill, Rob Gofton, Neal Koppens, Pat Spanjers, Andrew Karagias, Chris Conroy, Aad VanLeeuwen, Chad Lamoure, Brendan Healey, John Szucs, Jason Wingrove, Jay Ankersmit, Alex Verschuren, Mr. Macovik (coach).

The boys team finished first in the south western region and this qualified the team for the Ontario Championships. The team had a tough schedule in round robin play and combined with a number of injuries to key players did not qualify for the playoff round of the tournament. "Rookies" played a key role in the success the team had this year and with a good number of these "rookies" returning next year the team can expect to improve upon accomplishments achieved this year. Still it was a fine season for a rebuilding year.

The Gemini girls soccer team had a very successful year but were unfortunately "robbed" of a play-off position!! The squad was made up of an enthusiastic, spirited group and were very enjoyable to work with at all times. The senior boys' soccer team enjoyed a successful 1987-88 season finishing with a 4-4 record. This record allowed the senior Gems to claim second place in the five team league. With the majority of the players returning next year, a strong showing is expected for the new season. Well done, boys!

We finished the season with a three win, four loss record which was disappointing considering that we had beaten the eventual Oxford Champs *twice* in league play. That really indicated an inconsistency in effort. We never knew until game time which of those teams would show up. Considering a very late practise start due to lack of numbers - it spelled our season. I do thank the members who gave all, in practise and play - your efforts will be richly rewarded next season.

The Gemini Rowing Team enjoyed a very successful year in competition. The team had many new members and many returning members who strengthened the team.

In the junior division all novice guys and girls crews did extremely well often placing ahead of more experienced crews. The senior crews, both male and female, also did very well and came home with several medals.

Special mention goes to Jenn Theissler and Sandy McClintock who had a great season in their senior women's heavy pair, and placed fifth at the Canadian High School Championships. Other rowers who deserve special mention were the junior girls crew as they will be the base of the team in the future. Craig Ross and Aaron Carroll also did extremely well for their first year of competitive sculling. The two combined to race as a senior heavy men's double. Although competition is fierce in this division, Craig and Aaron held their own and had many superb performances. This year provided several rewarding experiences for all members. Many thanks (thank you, thank you, thank you) go to Mr. Bruce Gibson who not only taught us to row but taught us a little about ourselves.

BECKY TAKES REGIONAL GOLD GEMINI TRACK & FIELD

The most outstanding performances of the 1988 Track and Field season would have to be Brock Horton's triple gold at Oxford-Elgin; Jodi Pühr's electronically timed 25.03 200 meters at the regionals; Joey White's 11.4 second 100 meters; Paul Haley's 15.4 seconds in the 100 meter hurdles; Becky Coward's 1.65 meters at OFFSA; Kevin Mulhern's 6.34 minutes at the 2000 steeple; Brent Darley's 52.9 400 meter race at the regionals and Jason Ehl's 3.15 meter pole vault at WOSSA.

Overall this season the teams did outstanding jobs. The Midget girls, Midget boys, Junior boys and the Boys overall (midget, junior and senior) won Oxford Elgin team Championships. A superb performance!

SENIOR BADMINTON

JUNIOR BADMINTON

TEAM ROSTER: Jason Arnold, Elaine Wallington, Christine Roczen, Sherri Dejaegher, Crystal Cameron, John Kyriakopoulos, Julie Koprach, Ché Marshall, Jim Homenuik, Jason DeFauw, Scott Baird, Coach Wayne Coyle.

The badminton season started right after March Break and during the season all members had large amounts of fun but at the same time remained competitive. It was decided at the beginning of the season their goal was to have one team member represent Gemini in WOSSA. Julie Koprach achieved this goal in the Junior Girls' Singles category. Sherri Dejaegher and Christine Roczen also did well as they placed third in Oxford Elgin in the junior girls doubles. In the Boys Single division John Kyriakopoulos also captured a third. All Gemini students are encouraged to come out and join the team next year. Special thanks to Mr. Coyle who devoted a lot of time and energy to making the team as successful as they were.

STUDENT COUNCIL

Student Council Exec: Mrs. Derksen, staff advisor; Trevor VanDaele, Treas./Sec.; Ashif Somani, Executive; Dino Kiriakopoulos, Vice-President; Derek Nunn, President; Steve Lonsbary, Sec./Treas.; Tara DeRyk, Executive; Leanne Mahwhiney, Executive; Kara Smith, Executive.

The 1987-88 Student Council Executive worked hard to raise the funds necessary to support the various clubs and activities. They promoted the sale of items from "Ye Olde Gift Shoppe", organized and ran seven successful dances and helped a huge number of students to purchase school jackets. In addition to raising money, they attended a leadership retreat in the fall and went on to organize two successful retreats, one for potential Student Council candidates and another for the newly elected Student Council executives.

The class representatives did their part as well. In addition to working at the dances and other activities, they attended meetings and contributed to the decision making process. All in all, the 87/88 student council provided the leadership necessary in any school year.

M. Derksen, Advisor

CLASS REPRESENTATIVES

The class reps worked hard this year. They assisted the Student Council by working at dances and other school activities. They were a big help with the fundraiser by collecting money and encouraging their classmates. They attended meetings and helped the Student Council whenever possible. Their contribution helped make 1987-88 a very successful year.

OUTERS CLUB

Once again the Outers Club has had a very successful year. Some activities that the students participated in were horseback riding and curling.

In early March some of the senior students went on a four-day winter camp-out in South River. The excursion was to Project D.A.R.E. which is a type of motivational camp. Many different skills were tested and some new activities were tried. The highlight of this trip was going through an aerial course 80 feet above the ground which combined many of the skills learned.

The canoe trip has been postponed to the fall due to busy schedules, but the members are looking forward to the four-day holiday.

Overall, the Outers Club has had a lot of fun this past year and is looking forward to next year's activities.

SPIRIT SOCIETY

Sue Pinter, Jason Puhr, Jenn Theissler, Paul Demaiter, Sheri Schmedt. Absent Munir Noor-mohamed, president.

The Spirit Society was busy all year long making many posters to decorate the halls of Annandale. The members worked under the leadership of Munir Noormohomed.

DANCE CLUB

The Dance club was one of the new clubs that started this year. It was under the direction of Miss Hawkins. The girls learned to choreograph standard dances and many new routines.

Kim Demaitre, Marianne Rohrer, Eunika Stevula, Debbie Varga, Jeanine Donck, Vicky Roose, Miss Hawkins (leader).

The Drama cast included: Sheri Schmedt, Marnie Friesen, Heather Wood, Niki Rohrer, Kathy Hodson, Marianne Rohrer, Jen Hardy, Tricia Moir. Absent: Mr. Moir (Staff Advisor) and Marilyn Miller

This year Annandale entered two plays in the Sears Drama Festival at Brantford St. John's. A lot of hard work was done in preparation for this competition and it paid off. Both plays turned out well. Kathy Hodson won an award as student director and Marnie Friesen won an award for acting.

In addition to practicing for games and competitions, they ran a coffee service for the night school patrons at Glendale High School. They are always looking for new recruits so if you are interested in gymnastics, have a strong voice, and have the time to commit to a very demanding schedule, the Gemini Cheerleaders need you.

Fred Meulemeester accepts an award from Roland Gifford, president of the Michigan Professional Photographers.

Fred Meulemeester - L.P.P.O.

Fred Meulemeester started as a part time photographer in 1971 photographing weddings and portraits. He moved to Tillsonburg, Ontario in 1973 where he has served the community and surrounding area. Fred has attended a large number of workshops and seminars, including one of the best schools in the U.S.A. the Winona International School of Professional Photography.

He is also a member of the Professional Photographers of Canada and the Professional Photographers of America. In 1987-88 Fred served as Branch Treasurer on the Board of Directors with the Western Branch of the Professional Photographers of Ontario. In 1987 he served as Program Director for the P.P.O. Convention held in London, Ontario.

Fred feels that because of the many conventions and especially participation in print show competition that it has improved his quality of photography.

In 1986 Fred submitted 10 prints for P.P.O. qualification program and had his submission accepted, which gave him an L.P.P.O. status, which means Licentiate Professional Photographer of Ontario. Also the same year he took first place in the open category at International Day, a convention combining Ontario and New York State. As well he took a first in the following three categories - Wedding, Portrait and Commercial and Best in Show in Windsor, Ontario Branch of the P.P.O.

In 1988 at the P.P.O. Convention Fred took 3 awards of merit and was also awarded a Kodak Gallery Award. This award is one of the highest awards bestowed upon a photographer - only four Kodak Gallery awards are presented a year in Ontario.

Because of his involvement in photography on a professional level Fred's Photography Studio is dedicated to high standards in fine portraiture and personal friendly service. Fred's aim is to keep on refining and improving his skills.

Fred's work combines classical tradition with the newest techniques which are relaxed and natural in keeping with today's lifestyle, yet have the look of rare oil paintings.

A portrait by Fred is like owning an original masterpiece.

A portrait to express your personality -

- taken with your favorite car
 - your favorite pet
 - are you into sports?
 - Bring your tennis racket
 - Come dressed in your cheerleading outfit
 - Or just bring your favourite brothers and sisters.
- Remember your parents can buy anything you can give them - except a portrait of their children.

"Thank You for Allowing Our Business to Do Your Grad Pictures and Your Student Photos."

From the Tillsonburg News:
Shutterbug Shuts Out Other Contestants

There is more to being a professional photographer than telling kids to keep their eye on the birdie.

One Tillsonburg photographer knows that very well. So well, in fact, his shutter prowess has earned several awards.

Fred Meulemeester, of Fred's Photography, won nine awards at the Professional Photographers of Michigan convention April 11 to 14. And, he recently earned licensing status from the Professional Photographers of Ontario (PPO).

The PPO has more than 400 members across the province. It provides professional performance and business standards for the industry and offers educational activities for professional photographers.

Mr. Meulemeester has been a PPO member since 1976, serving on the board of directors for the Western Ontario branch for five years. He is now treasurer.

Fred's Photography this month won two awards of merit at the PPO's 103rd

annual convention at Fanshawe College in London. Ten qualified Masters and Craftsmen of Photographic Arts judged more than 200 prints at that competition, finding only half the entries good enough to hang in the show.

Participation in conventions and seminars is one of the best ways photographers can learn and improve, Mr. Meulemeester said. That involvement helped him gain licensee status and he is the only Tillsonburg-area photographer to earn

that right.

The Michigan exhibition judges selected two of Mr. Meulemeester's photographs as best in their category. One, titled Watching Time Fly, was a commercial photograph for Munro's Jewellers. A striking shot of a Quebec church, titled Reflections of Old Quebec, won a second award of excellence.

Other Fred's Photography prints won five awards of merit, one award of honour and one first in commercial photography.

“PERFORMANCE
'88”

THE EMCEES Kathy Hodson - Greg Crossett - Chris Conroy - Leslie Pal
Chris Hayward - Derek Nunn - Niki Rohrer

This year PERFORMANCE took on an unusual aspect. It was the first "Stoverless" PERFORMANCE we ever had at Annandale and we missed an essential part of what this event is all about. As director, producer and co-ordinator, I quickly learned how many different areas of concern there are that make up PERFORMANCE. Many, indeed most, of these areas were the responsibilities of Mr. and Mrs. Stover.

To fill the void, PERFORMANCE '88 was even more student-orientated than was the normal situation in the past. The students' efforts, coupled with the assistance of Mr. DeDecker, Mrs. Vandermeersch, Mr. Sulkowski, Mr. Pearson and Mr. Humphrey, made my job much easier. A special thanks to Mr. John Puhr, Jr. who made it possible for us to use our temperamental sound system. Also, Mrs. Heather Couse must be thanked for the time and effort she put into getting our programs out on time. All of the students involved were important to the success of PERFORMANCE '88, but Jodi Puhr, Stew Sowa ("a man for all seasons"), Carolyn Donaldson (our graphic designer) and Tricia Moir (who spent as much or more time than I) receive my special thanks.

Another change from past PERFORMANCES was the fact that we ran two nights rather than three. Despite this, we had good-sized audiences who were very appreciative of the efforts of both the performers and the various crews. What did not change was the quality, caring and effort of the entertainers and crew alike.

The spirit of Mr. and Mrs. Stover was indeed kept alive and flourished through the students.

Despite some breaks with tradition (some of which were unavoidable), the real tradition of PERFORMANCE continued on, thanks to the commitment of students and staff. For those graduating, thank you for everything; I am sure that those remaining will carry on the "PERFORMANCE tradition".

- MR. IAN MOIR

EXCHANGE STUDENT 1987-88
JEROEN VERSTEEG

As most people probably noticed I was this year's exchange student at Annandale. I spent this year in grade twelve and thirteen. This year was the weirdest and the best. I would like to thank my host families, my teachers, all my friends and Mickey Mouse for all the things they did for me. Without all those people -- I would have never had so much fun and would never have learned so much. Don't worry, Tillsonburg, I will return, but 'til that time, remember my favorite line: IT AIN'T MUCH IF IT AIN'T DUTCH. Thanks for everything, Tillsonburg. I will never forget you.

Poetry is . . . LOVE

FOOLISH HEART

Whispered words
Tug at my foolish heart
My mind,
My emotions,
Quickly part.

- by Sheri Schmedt

KALEIDOSCOPE

With you,
Life is a kaleidoscope.
It's full of vibrant oranges,
Electrifying blues and bright reds.

And with each turn
Of the barrel,
The patterns and colours,
Seemed to get even more beautiful.

But now it's over.
No more vibrant oranges,
Or electrifying blues,
And bright reds.

The magic of the kaleidoscope
Is gone now,
Leaving my life,
Black and white again.

- by Donna Gibson

long is her golden hair
beautiful, curly and blond:
her have I loved.

by Jake Fehr

HEART-BREAKING

I heard a whisper
as soft wind swept my tears
with gentle wisps
across my cheeks
in the breeze of the night.
The leaves were swaying on the trees;
almost dancing,
humming a low murmur
as if singing me a lullaby.
Your words were
so softly spoken
and filled with tenderness
that I nearly forgot you were speaking.
I did not know
that your whisper was a cry.
You were breaking
and you were bleeding
but I taught you to be strong,
so you slowly
and painfully died.

And at the end
I felt your weeping down deep inside of me
and now that you're gone
I can feel nothing
but emptiness.

- by Michelle Chiasson

FOR GREG . . .

All it took
was just one look
for you to capture me.

And all it would take
is just three words
for you to make me stay.

- by Michelle Chiasson

I COULD NEVER

I could take all roses
and burn them to the ground
yet you would still possess
the lip of the blood-red rose

I could bury all sweet scent
within the stench of hell
but you would still create
the fragrance of the room

I could take all the good
and cast it into rain
but I could never touch
or wipe your tear away

- by Michelle Chiasson

SWEET DREAMS

Blossomy,
Billowy,
Purple haze,
Sweetly, smell my dreams
Of lilac-filled days.

- by Sheri Schmedt

LONELY HEART

Born lonely heart,
No one can share an existence.
Die lonely heart.

- by Sheri Schmedt

I am so much like you.
I love what you love,
I want what you want,
I need you
like you need me.
I believe that nothing can separate us.
I know that things will change
and I understand that time will move quickly
but I know
that our love will guide us,
because we have something
that others can only dream of.

- by Michelle Chiasson

COOL NIGHT

Come to me cool night
On silent wings.
Bring a bed of velvet moss
And whisper sinful things.

- by Sheri Schmedt

UNTIL OUR EYES MEET AGAIN

You stand
Bathed in the moonlight
In the garden
Fully in love with me.

Your lips
Curl in a small smile
Holding meaning
I'll only know in my heart.

Our eyes
Have locked forever it seems.
Our hearts,
Joined for the length of eternity.

The magic,
Like smoke from distant fires,
Disappears for the moment.
Disappears to return when our eyes meet again.

You slam
Your locker door with a bang.
I walk away,
Back to my class, where I'll dream of you.

Until our eyes
Meet again, sweet prince,
May my heart
Be with you always.

- by Donna Gibson

MR. DON RABB

Mr. Donovan ("Don" in student references) Rabb leaves teaching after 28 years at Annandale and one at Glendale. Mr. Rabb has taught Biology and Science to hundreds of students. One, Mrs. Irene Vandermeersch, made this comment in the OSSTF Bulletin for May. "In short, Don has given of himself in such a grand way that he will never be forgotten by student and teacher alike. A little bit of himself has gone with countless people as they begin their chosen careers, including his own love, the teaching profession." The TATLER echoes those sentiments! See also page 47 for a retrospective of Mr. Rabb's career.

Mr. John Finlay retires this year as Superintendent of Education for the O.C.B.E. Many of his professional associates will miss him greatly for he succeeded where many administrators fail once they leave the classroom. He always forced himself to remember the day-to-day situations and he took himself into the classroom with joy and vigour whenever his other duties allowed. A superb English Teacher and department head, he retained the enthusiasm he displayed in the classroom as he moved through the administrative chain, never forgetting that the system was established only as a servant to the students not *vice versa*. If we can judge, retirement will not be a restful venture; more a change of venue and focus for one of Oxford County's "best".

MR. JOHN FINLAY

MISS LORRIE MILLER

Miss Lorrie Miller came to Annandale when our student-teacher ratio was re-assessed last October and we added new teachers. Although she taught only a half-time schedule, her personality and enthusiasm made her a favourite with students and teachers alike. We are pleased that she will teach science full time next year. We are less pleased that it will take place at Ingersoll rather than Annandale. We will miss you!

MRS. MARGARET VERES

Mrs. Margaret Veres transferred to Annandale from IDCI as a Phys. Ed. instructor for the 1987-88 school year. Next year she returns to Ingersoll. However, her calm (and "calming") influence in the classroom and her gentle, friendly manner will be missed by everyone.

MRS. LOUISE RICHARDSON

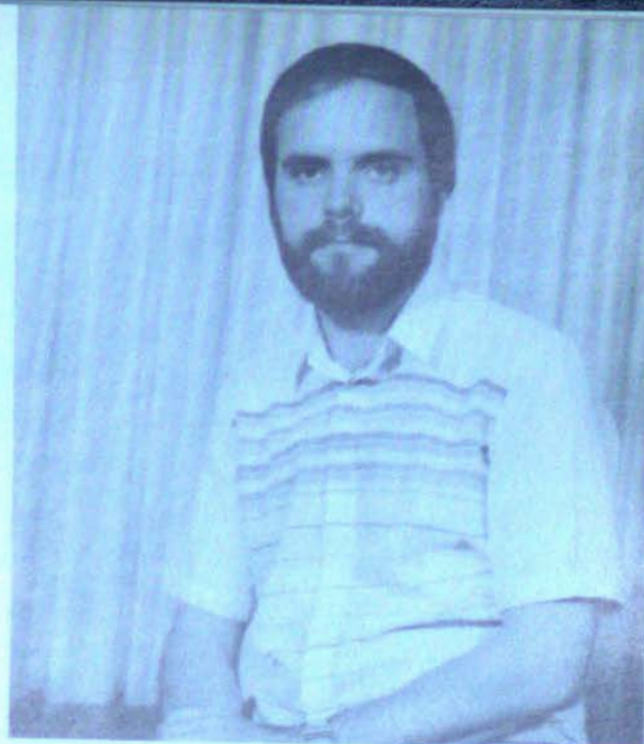

Mrs. Louise Richardson spent only one year at Annandale as an Art and English teacher after her transfer from Maple Lane. She liked her secondary school experience so much that she has now moved to Norwich District High School as chairman of the Art Department. We wish you every success.

"MISS J"

Miss Karen Jurjevich leaves us after eight years as teacher of Phys. Ed. and English, head of Phys. Ed. and head of Guidance. "Miss J" will walk down the aisle this July, taking up residence with her new husband in Toronto where she will continue her career climb as sports mistress at the prestigious private girls' school, Havergal. Thanks, Miss J, for all your time and energy! Annandale will seem terribly different without you!

MR. DAVE PALMER

Mr. Dave Palmer has finally received his own computer set-up at Glendale and will teach full time there next year. However, we expect to see him often in the hallways and main office as he and Mr. Bauer integrate the computer systems even further. Mr. Palmer has been a valued member of the Mathematics and Computer departments for the past eight years. Our sense of loss is somewhat blunted by our realization that he will remain involved in extra-curricular activities involving both schools and that we will see his friendly smile often in the coming months. Enjoy the new equipment!

MISS NICKI MUNNOCH

Miss Nicki Munnoch has taken a year's leave of absence to pursue post-graduate studies at a university after three years as a teacher and, this past year, head of Phys. Ed. Miss Munnoch has had a strong influence upon the intramural and varsity sports programs at the school and her friendly smile will be missed greatly at Annandale. We expect . . . we hope . . . that she will return next year.

MS. JACKIE CAMPBELL

Mrs. Jackie Campbell (Ballantyne) was slated to return to Annandale in the fall of 1988 at the end of her three-year Leave of Absence. However, she and husband Peter Campbell (well known to students who graduated from the Tillsonburg Public School system and equally well known as a basketball coach to Tillsonburg sports fans) have made career decisions to remain in Sudbury on the faculty of Laurentian University. Our best wishes go with you both!

MS. CATHY ROBINSON-BURCH

Mrs. Cathy Robinson-Burch has accepted the headship of the Special Education Department at W.C.I. beginning next fall. Mrs. Robinson-Burch has taught the enrichment program at Annandale and Glendale for the last three years. Good luck in your new posting!

MISS KAREN HAWKINS

Miss Karen Hawkins came to us two years ago as a Drama and English teacher. Her high expectations and her involvement in drama productions, intra-mural sports and gymnastics have made her a vital force around Annandale. She became "Mrs. Nimmo" in June, however, and she and her husband will move to British Columbia during the summer where he will continue his law career and she will give inspiration to a different group of students and athletes. Much joy!

TATLER '88 - a record of the 1987-88 school year at Annandale. We hope that you will find our efforts helpful in reminding you of the school year just finished.

The TATLER staff pictured above (at least most of them got there for the picture . . . Mr. Stover was still home recuperating) spent many hours pondering, considering, discussing, working at, and searching desperately for pictures and write-ups for the TATLER.

Sometimes, we failed to record the year the way we had hoped: write-ups or team rosters never were handed in; pictures were not taken or mysteriously disappeared.

We had great difficulty meeting our first deadline and almost lost our two-page colour layout that replaced our liner and our second unit of spot colour (the green) which we had intended to use for the classes section this year. A last-minute reprieve engineered by our new Jostens representative, Ms. Mary Marrin allowed us to send some last-minute selections. We hope they come out fairly well.

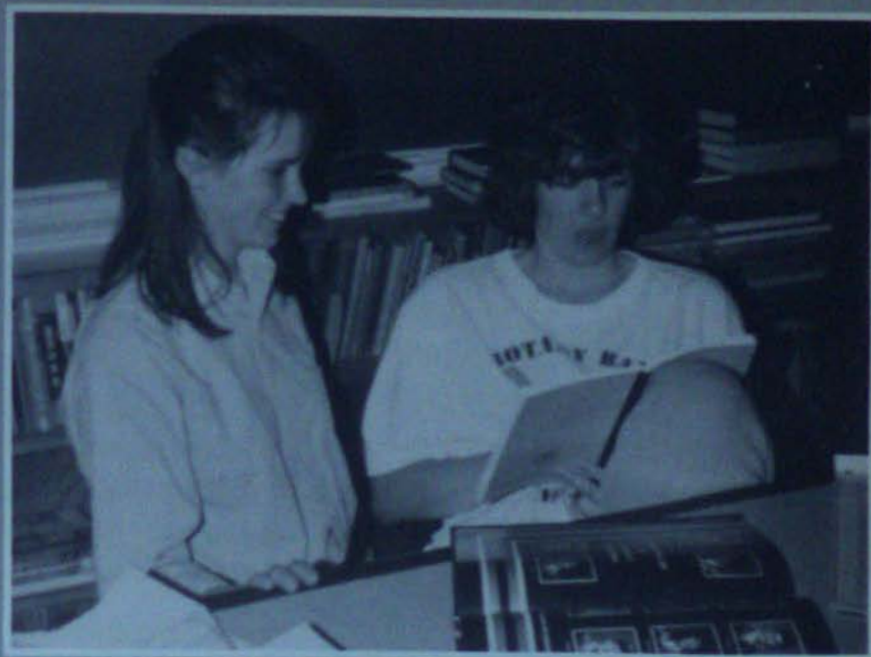

During Mr. Stover's absence for his operation and recuperation, we were helped a great deal by Mr. Humphrey who set up all of our club and team picture-taking with Fred's Photography; by Mr. Pearson who helped us organize our sales campaign; by Mr. Pellizzari who looked after all of our banking and financial problems; and by Mrs. Stover who carried our questions and returned with answers when we were stumped.

Thank you to everyone who made our task possible. Our apologies for those uncompleted portions of the book where a write-up is missing, a team roster is incomplete, or a picture was never taken. We wish that everyone believed in the importance of a yearbook as much as we do, but some people just don't!

Well, the year has finally come to an end and we have finished most of the *Tatler*. At some points during the year, I didn't think we would, but we did!!

I would like to thank my co-editor, Tricia; we had a great year. A big thanks and appreciation goes to Marilyn, who was there when I needed her most. Also I would like to thank Jenn, Annette, Lori, Jen, Niki, Christine, Sheri, Mr. Pearson, Mr. Humphrey, Mrs. Stover, and last, but never least, Mr. Stover. THANKS. Without you there would be no book. You might have been away for most of the school year but you were with the *Tatler* staff in spirit.

SUE PINTER

I really don't know what to say so I will keep it simple. It was really a hard year with Mr. Stover gone. His absence helped me appreciate all the things that I took for granted and made me more knowledgeable about them.

There are so many things I want to say to you, Sue, but I don't know how. The one thing that everyone should know is that you were always there. It is good to have someone who is so dedicated to something so important to the school. I only wish that there were more people like you in the lower grades to follow in your footsteps to keep the *Tatler* alive.

To those dedicated, hard-working people and friends - Jenn Theissler, Jen (with one 'N') Hardy, and Marilyn Miller, who put up with me and helped in so many ways, thank you so much for everything that you've done!

To Mandy, Karinna, Lori, Christine, Stew, Sheri, Annette, Niki and all the people on the editorial and advertising staff, remember that there's some of you in this book too! Every little bit counts!

To you, the readers, the *Tatler* staff hopes that you find the 1988 *Tatler* enjoyable.

TRICIA MOIR

TATLER SALES REPRESENTATIVES

The TATLER staff aided by Mr. Pearson and Mr. Pellizzari organized the sales campaign this year with total sales to June of approximately 325 copies.

Sue Pinter took responsibility for the day-to-day accounting and banking and did an excellent job. She was helped by Marilyn Miller.

Tricia Moir organized all of the data regarding installment plan purchases and personalized books . . . a huge task.

IT WAS A VERY GOOD YEAR!

This year's TATLER advertising campaign did not begin until May 16th because of Mr. Stover's operation and absence from school. The 34 people who took part in the campaign did a splendid job as they sold over \$5,500.00 worth of advertising in a four-week period. Advertising teams of two or three people made 26 organized "visits" to anywhere from 12 to 20 businesses or professional offices in the same area.

The leading salesperson this year was Leslie Pal, a graduating student, who helped to sell \$715.00 worth of advertisements in the Industrial Park.

The second highest total went to the team of Brent Collins and Cyndi Rushton who sold \$670.00 in advertising in the downtown core. Deb Corner and Sharon Van Quaethem, both Grade 13 students reached a total of \$580.00 while Shannon Cattle and Dawn Hutchison teamed up for \$560.00 in total sales. Both are in Grade 11.

Lori Coppens teamed with two sets of partners to bring in \$480.00 while Chris Conroy had a one-day total of \$415.00.

A group of Grade 9 students were very successful in the advertising game with Stephanie Green combining with two partners for \$400.00 and Stacey Rice and Emily O'Sullivan teaming for total sales of \$385.00

Stewart Sowa had a one-day total of \$340.00; Rhonda Mirth and Tanya Nevill sold \$335.00 in advertising; Donna Gibson and Cindy Friedrich teamed for \$330.00; while Leanne Mawhiney and Cheryl Vilez brought in a one-day total of \$315.00.

Annette Mudge with \$310.00, Caroline Sitts, Chris Mulhern, Jeroen Versteeg, Dino Kiriakopoulos and Derek Nunn all helped teams with sales of \$300.00.

Lori Godfree combined with two partners for sales of \$255.00 while Heather Wood, Kathy Hodson and Mary Nichol teamed for sales of \$215.00. Elizabeth Hallows brought in a total of \$185.00; Mandy Ketchabaw, \$175.00; Karen Baird, \$100.00; Niki Rohrer, \$75.00; and Roger Charby, \$70.00.

This was by far the most successful sale of recent years.

We thank the businesses and professional offices of Tillsonburg and District for once again helping TATLER through a tough time.

Thank You . . . for a Superb Job

“THUS SPAKE ZARATHUSTRA”

As most of you who ever read this page know, I am involved in three major extra-curricular activities. When it came time to hand out participation certificates on the last day of school, I was struck by a strange “difference” in the terminology used for the three. Kids “play” football although the effort given to preparing for that “play” is great in many cases. Students “are in” PERFORMANCE. Again, the work element of building sets, changing lights, setting up sound systems, even rehearsing, is masked by the language used.

TATLER has no such euphemisms: people WORK on the TATLER. All year at workshops, in advertising campaigns, selling the book (with such difficulty sometimes!), the operative wording is, “Are you going to WORK on TATLER tonight?”

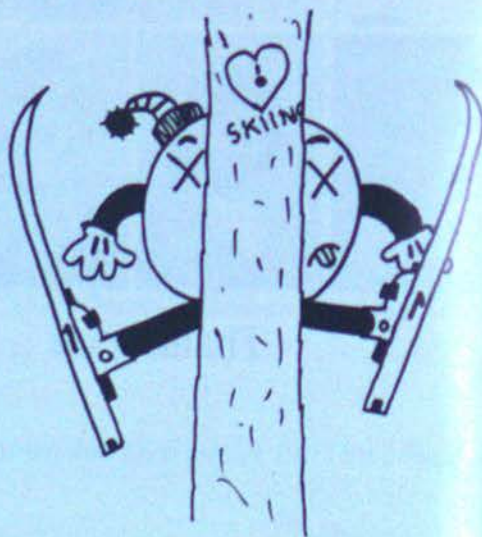

We have fun too . . . but the responsibility for such an expensive venture is taken seriously by all of us. That’s why the “thank you’s” are so strong. Sometimes, people passing Room 30 at 4:45 p.m. focus only on the ghetto blaster and shrug their shoulders thinking that a bunch of kids (one very old “kid”) are goofing off. Probably the cartoon at the top of the page contains the stereotype.

Whenever we have a misspelled name or don’t have a write-up or picture . . . or mix up names, we consider it disaster. The cartoon at the bottom of the page comes close to the way we view mistakes or omissions. However, when one views the challenge realistically, it is impossible to have NO errors in a 192-page book, printed out of town (because of costs) with no proofreading capability. We would have less if promised write-ups and promised pictures reached us on time instead of adding to the pressure of publication by backing up against our deadlines.

AND THAT’S ENOUGH OF THAT!

Special thanks to JEFF TRIBE of the TILLSONBURG NEWS for his help with pictures. Without FRED MEEULEMEESTER of FRED’S PHOTOGRAPHY there would be no book. The TATLER was never more fortunate than the day that Mr. Meeulemeester received the contract for School and Grad photos. He carries his responsibility far beyond the requested limits.

For the kids who work on TATLER, my appreciation and my respect. It is an honourable, worthwhile activity. We need new faces from different grades next year in order to continue. Probably they will appear! They always have!

THANK YOU . . .

To TRICIA MOIR and SUE PINTER, co-editors, for "keeping the faith" while I was away . . . for getting photos taken, for selling the book, for keeping punctilious records, and for turning out the necessary copy to meet those first deadlines.

To MR. PEARSON, MR. HUMPHREY and MR. PELLIZZARI for all their help during my convalescence.

To MS. BECKY STOVER . . . without whose help I could not have returned to school . . . the lady who has made TATLER possible for many years by "covering" for me on so many other occasions.

Finally, to SUE PINTER, ANNETTE MUDGE, LORI CUPPIN, MARLYN MITCHELL, and PAUL THEISSLER . . . who gave up three weeks of summer vacation so that I could have a room of my own. Know this: "There would have been no yearbook this year without you." I hope you had those six long days in Room 40 turning out page after page of beauty. I hope you enjoyed it.

Autographs

A special place for you to collect those all-important messages and signatures. We hope that you enjoy TATLER '88 and find many memories captured inside that can stay with you for the rest of your lives.
