# Principal's Address

Mr. W.R. Carrothers

A yearbook constitutes an important part of a student's high school career. It serves as a record of the achievements and activities for the year. In the years to come, it can be used to revisit and reminisce the many experiences and successes of the past year. The yearbook formally recognizes our graduates, acknowledging the time and effort they have spent on both classroom activities and extra-curricular activities. They are to be thanked for their contributions to the life and atmosphere of Annandale High School. I wish them success and happiness in all of their future endeavours. I also offer a special thanks to those students who have been involved in the production of this year's Tatler. Much time, effort, and skill are required to produce a successful yearbook, and the editorial staff are to be thanked for producing this record of the 1994-95 school year.

# Vice Principal's Address

Mr. D. Yates

Annandale High School 1994-95- an eventful year. The students and staff each year are challenged with change-new faces, new courses, new demands, and new expectations. Change stimulates learning, developing the abilities to respond appropriately in new situations.

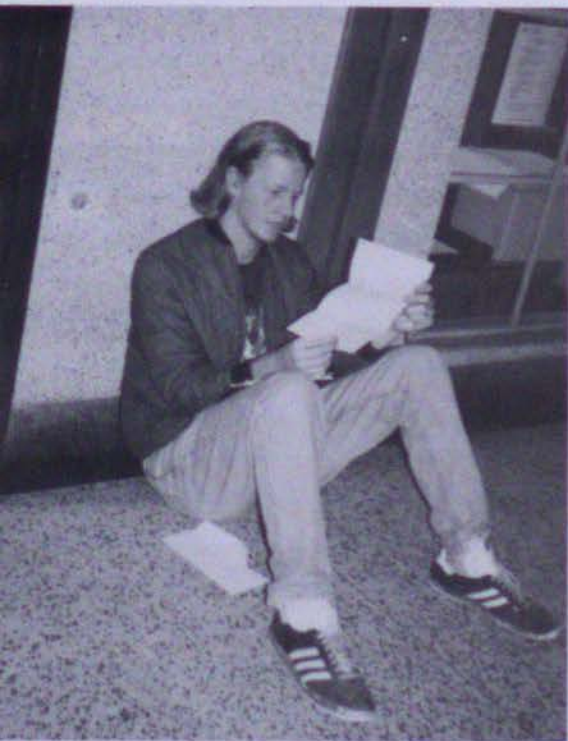

1994-95 is another year of change-restructuring, renovations, accomplishments, victories, losses, and near-misses. The key factor in all aspects is the ATTITUDE we (you and I) bring to each new challenge. Attitude is the sole factor we control. Therefore, be positive, open, and enthusiastic - you will be a catalyst for others.

I would like to say thank-you to the students and staff of Annandale High School - may you continue to glow and shine.

**BE A STUDENT ALWAYS**

(a person striving to learn)

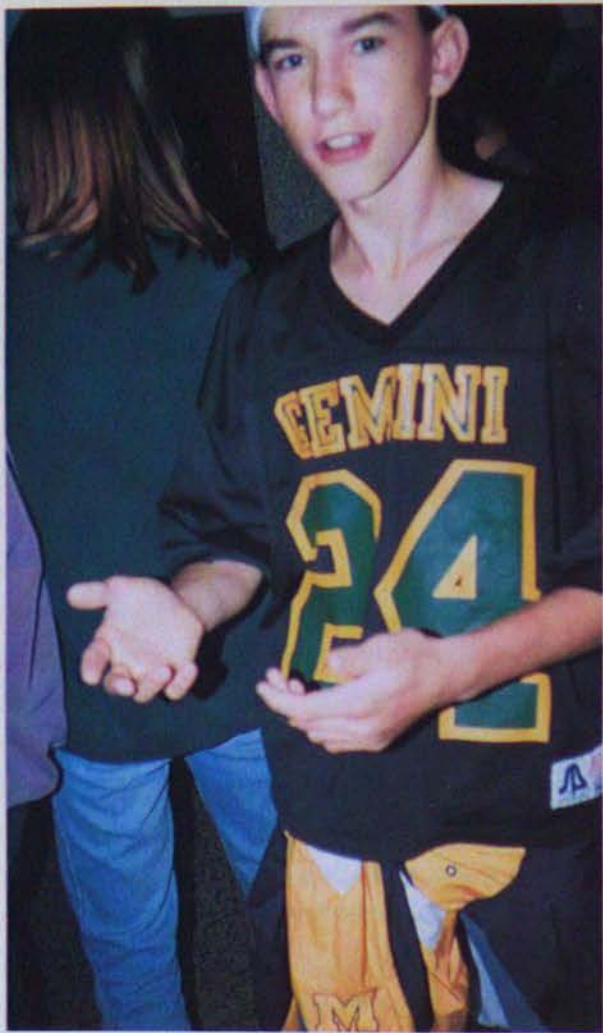

# Students' Council

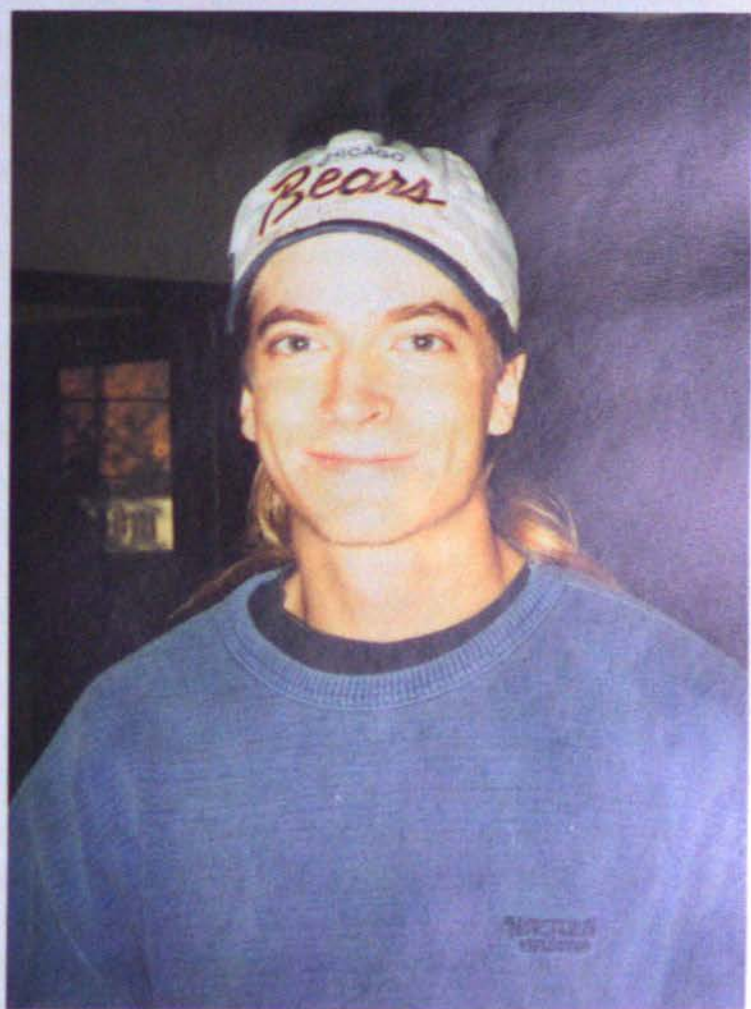

Jeff Austin  
Students' Council Prime Minister  
94/95

To the students of Annandale High School 94/95 - This is your book and these are your pages. These are the memories that have shaped you into the people you are today. This book will bring back all the times you loved and shared, times you will never forget. This book is dedicated to you, the people who make everything at this school possible. You are the special people who spend hours working, playing, studying, and growing. We've all spent days sliding in the mud, cheering at the game, dunking our favourite teachers, and going crazy just before Christmas break. All of the highs and all of the lows from the buzzer beater to handing in that last assignment. All of these things happen because of you. You are amazing people who go to an amazing school. Annandale is a special school, filled with tradition, excellence, love, creativity, and memories of a student, a student who holds a piece of Annandale in her or his heart forever.

I Believe.

## Again and Over

the vicious circles in which we live  
Everyone wants something but nothing to give  
Life's unpredictable, again that's a lie  
the sun always sets, the old always die  
the circle is broken, nothing the same  
chaos rules, we all hide in shame  
because like dinosaurs we'd cease to exist  
if the circle was broken, to which we all enlist

## Listen to Your Soul Speak

Listen to your soul speak.  
Hear your mind calling you.  
Hold back the urge to respond.  
You could keep your thoughts to yourself  
But why when you could share your  
feelings with the world.  
Even though your thoughts aren't shallow  
They are very far from deep.  
What might people think  
If you come across less than brilliant.  
But then again, not everybody can be as  
intelligent as I. You think to yourself  
My thoughts don't have to be, because  
I myself am very shallow, you admit to  
your subconscious.  
Things must change.  
I must pay attention to my inner self,  
and become one, a whole person.

Kristy Willaert

## Life Goes On

A few good men needed  
A few good men put at risk.  
Life goes on  
( for some )  
A few good men too young to die  
( by the standards of humanity )  
A few good men too old not to fight  
( by the standards of government ).  
Life goes on  
( for some )  
A few good men killed  
To prove that one country can  
Do more destruction than another.  
Life goes on  
( for some )  
A few good men paraded  
Around like toy soldiers, with bureaucracy  
At home beside their families playing  
The game.  
Life goes on  
( for some )  
A few good men needed,  
Put at risk,  
Killed.  
Too young to die,  
Too old not to fight,  
Toy soldiers.  
Life goes on  
( for some )

### Love

Look for it,  
It will never come.  
Seek out its pleasures,  
And it will never be found.

Ignore it,  
It will never leave.  
Hide from it,  
And it will find you.

Adam Cheney

### Words

Words cut through me  
Like icy night winds  
Across an empty  
Desert.  
Staggering alone in the  
Darkness  
Frozen fingers run up my back  
Chills

rush through my crying soul.

Dreaming the fantasy of

ESCAPE.

The desertion

leaves me yearning for the pounding  
clashes burning through crisp night air  
of the city.

Lights

Sounds

Actions

That never cease.

The constant release of hopeful emotion

INSTEAD

Blackness surrounds me  
into mass isolation  
distant

from propaganda.

Like dysentery

Or the lack of an atmosphere  
of carbon monoxide.

Beautiful  
Hell.

Chloe Shackelton

### Mixed Up

I can not smile,  
Yet, how can I cry?  
I walk the miles;  
Why not? And then again, why?  
The song is in my heart,  
Yet I've not learned to sing.  
The truth is still the truth,  
Yet lies cover everything.  
The sun glorifies the day  
Yet night time always comes;  
I slowly start to sway  
To the beating of the drums.  
The laughter's in my eyes  
Yet has not reached my smile  
For now I'm just too busy  
Walking another mile.

Ann Wall

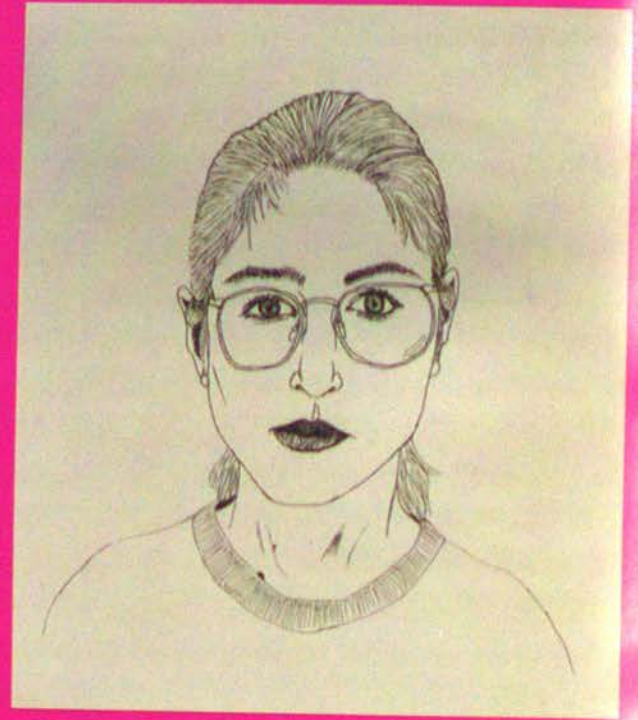

### Love Sees

Children, please, come sit by my fire,  
I'll tell you a story of one's desire.  
A spider spinning a web of gold,  
To be placed upon it, secrets never to be told.  
A kiss between a girl and her love,  
That sent her flying like a pure white dove.  
He, so brave, cunning, yet fair,  
Travelling where none would dare.  
Going deep into her heart,  
Piercing it with a Cupid's dart.  
She not knowing what he thinks,  
Only his kisses are what she drinks.  
The dreams of him that fill her mind,  
Hoping love is there to find.  
The fire burns with blinding light,  
For blind is love, except that night.

# VALEDICTORIAN

Good evening. It is my absolute pleasure to speak to you tonight. I have been given the extreme honour of speaking on behalf of the graduating class of 1994. It is such a great feeling to look over this beautiful crowd and see the smiling faces of fellow grads (in those snazzy caps, staff) and proud family members. Unfortunately, some grads were unable to attend due to distance or other circumstances, but our thoughts are with them tonight. I welcome you here tonight, to celebrate with us, the graduating class of 1994.

We have four, five, or some of us six great years at Annandale... it is as simple as that. At Annandale, the learning went beyond the classroom because there was much more to school than state, illustrate, and elaborate with Mr. Palmer, grammar with Mrs. Stover, and the civil war with Mr. Overbaugh. Sure these were important, but these are not the lessons that we will remember most. We learned to slide in the mud, take orders from others at "Rent-A-Grad," even if it did mean exposing our more feminine side. We learned to stay warm at those rainy Bowl games, and run on 0 hours of sleep after the infamous all-nighters. Looking back, we were bossed around, cold, wet, dirty, and tired-those are the things that memories are made of!!

Even after five years, there are still some unanswered questions-like what did Mrs. Crandall look like with her hair down? Or why is it that the cafeteria advertises spaghetti and meatballs when they are really tiny pieces of sausage and finally who is Marcel Meteriore??? Perhaps some of these are best left unanswered, but the fact is there is so much more we have to learn... the world is full of answers, waiting to be discovered. Perhaps one of us will find a cure for cancer, or maybe, the next James Joyce is among us-it is up to us. The future is ours.

There are so many people to thank. Perhaps the most important people to be thanked are our families. Take the time to thank them and tell them you love them, because they have made you what you are today... and I think we have made them proud.

Let me take you back to grade nine... There was an excitement about grade nine. We were finally in high school and there was something that drove us out of bed at 6:00 in the morning to style our hair for two hours before going to school. It was the same enthusiasm that drove us en masse to the mall for lunch and no matter how greasy it was or how much we complained, we ordered it everyday-NICK'S PIZZA!!!! We gossiped as we searched for a place to sit and made plans for Friday night... THE DANCE... We would arrive at quarter to eight sharp and wait outside for the doors to open. Once inside we searched for a dance partner for Stairway To Heaven-height was not a factor, who cares if your partner was only four foot nine? As the years passed, the memories grew and so did we. We began to spend more and more time at the school; we got involved in intramurals, clubs and sports. For many of us, Annandale became a second home. By the time grade thirteen came, the 6:00 mornings turned into 8:00 mornings followed by twenty minutes of snooze button tag. Breakfast was not a concern because we could always have cookies and milk during home room. Dressed in sweat clothes, complete with baseball cap and we headed to school. And as for lunch we headed to the cafeteria where we would sit at our usual table to

finish last night's homework or cram for the quiz next class. Even though we had definitely changed since grade nine, the excitement returned, a new excitement for what lay ahead. In June we would all start a new chapter in our lives.

Take a look around you - many of these people were strangers to you before grade nine and in five short years they have become your best friends-high school has the amazing power of bringing people together. There is a real sense of belonging, we all are part of this graduating class, of the Annandale tradition and of this circle of friends. Our close knit group would not be complete without every individual. We need each other; we need the memories because they have made us who we are.

In closing I would like to share with you a book which is very appropriate for tonight... Dr. Seuss wrote this book for his son when he graduated from high school, so here are some pages of it from me to you.

Oh the places you'll go...

Congratulations!

Today is your day,

You're off to great places!

You're off and away!

You'll look up and down streets, look 'em over with care,

About some you will say, "I don't chose to go there,"

With your head full of brains and your shoes full of feet,

You're too smart to go down any not-so-good street,

KID, YOU'LL MOVE MOUNTAINS!

To the graduating class of 1994, I wish nothing but the best... Take care.

MISS KRISTEN SMITH was selected by the graduating class of 1994 as their valedictorian.

## Janitorial Staff

Our school is always clean and tidy. This is due to our dedicated janitorial staff. Thanks for picking up our left behind trash and for making Annandale an attractive place to come to each day. THANKS AGAIN FOR ALL YOUR HELP!!

## Secretaries

We owe a huge thanks to this year's secretarial staff. They are constantly organizing, filing, and answering the phones. Throughout all of this, we appreciate your ability to be sincere and genuinely kind. We hope that Mrs. Watson, Mrs. Roesch, Mrs. Demeulemeester, and Mrs. Vanhoucke can accompany us when we venture over to Glendale next year. We wish them the very best in all their future endeavours.

## Cafeteria Staff

Thanks again to the tireless, determined and uplifting efforts of the cafeteria staff (Gail and Laurie). From your delectable cookies, to your tantalizing "Taco Tuesdays," our mouths water every time we walk past the cafeteria. We hope that your future cooking endeavors are as successful as they have been here at Annandale. WE HOPE YOUR LIVES CONTINUE TO BE MMM MMM GOOD!!!

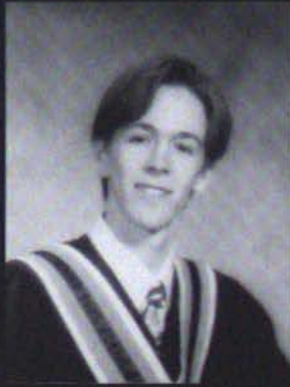

CELEBRATING

OUR

CO-CURRICULAR

ACTIVITIES

## Announcements

Rise and shine. Every morning, these students, Kevin McLean and Chris Gray, help brighten our day with their enthusiastic announcements. Whether it be a Red Green day or a Scottish soccer team practice, they add something special to our day. Thanks guys, for a superlative job, and keep up the great work!!!

Kevin and Chris take a quick break and flash their "pearly whites" for Tatler photography.

## Last Chance

Thanks to these students, we had a "Last Chance" to remember and support our Annandale Store. They allowed us to purchase sentimental clothes that we will treasure for many years. Each item sold will remind us of our sensational years at Annandale High.

A great big thanks goes out to Michelle Roswell, Chris Cerna, Mr. Vanslyke, and Dawn Poole for all of their help with the "last chance" store!

## Squash Club

Again, the squash club is a huge success. Coached by Mr. Rabb, the squash club meets during the week to practice their squash techniques during a friendly game with each other. They get a lot of exercise and have a lot of fun. They meet at the Tillsonburg Community Centre courts.

Members Include: Joe Foris, Ryan Oehm, Stacey Wolfe. Coach Mr. Rabb, and Greg Robinson. The Tatler Staff wish the squash club the very best of luck in all their future squash endeavors.

## Expressions

This year's Expressions team set a huge goal in front of them. This goal was to make TWO books!! It took a lot of work, but this dedicated team managed to pull it off. The poetry contest went extremely well, and it was very difficult to pick a winner. The junior winner was Ben Kelly, for his fabulous poem, "Anguish". The senior winner was Joy Harvey, for her timely poem "Wish List". Congratulations must also go out to all the entrants of the contest.

Members include: Melissa Montgomery, Pamela Vermeersch, Jenn Pokorny, Melissa Underhill, Mr. Palmer, Andrew Kesteloot, Paul deDecker, and Ross Eckrot. Absent: Shawn Boka

## A/V Club

Without this club, we wouldn't be able to see Mr. Palmer's Aerosmith videos, Mr. Birtwell's "Introducing Biology", Mr. Overbaugh's "Witness", or any other movies in class. Thank you for your dedication and all your hard work.

A HUGE thank you must go out to Lisa Morgan and Christopher VanEenoo for their fantastic work on the school sign. Whether it be telling us about an upcoming holiday or telling us to "shake our tailfeathers" at a future dance, they kept us well informed. Thanks again for a job well done!!!

Members Lisa Morgan and Christopher VanEenoo are hard at work. I wonder if they've had any offers from "Wheel of Fortune"

## Fishing Club

The fishing club was kept busy this year by helping the MNR collect trout eggs for hatcheries, visiting the Toronto Sportsman Show and, of course, fishing. The year ended with the annual fishing charter on Lake Erie.

## MOGA!!!

Moga Madness is a special event held across Canada, and for the last two years, students at Annandale have anticipated and participated in Canada's Most Outrageous Group Activities! And of course this year was no exception. With the help of our MOGA council, we experienced one of the best years ever. Getting our favorite teachers wet in the dunk tank and sliding down a river of water, jello, and whipped cream. Way to go guys! You did an excellent job!!!!!!

# A EUROPE TRIP

March 10-18, 1995

On Friday March 10th 1995, a group of adventurous students arrived in London England. There they visited Windsor Castle, London Bridge, Tower of London, Big Ben, Buckingham Palace, Trafalgar Square, and much more! On the way to the English Channel, the group made a quick stop at Canterbury. From there it was on to Dover, where a ferry was taken to France . . .

# Quebec '95

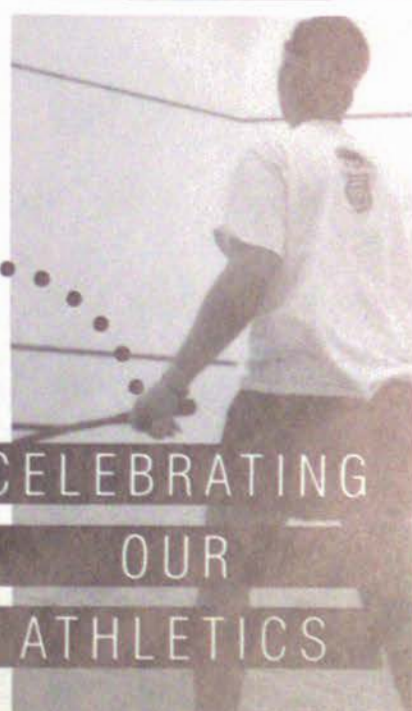

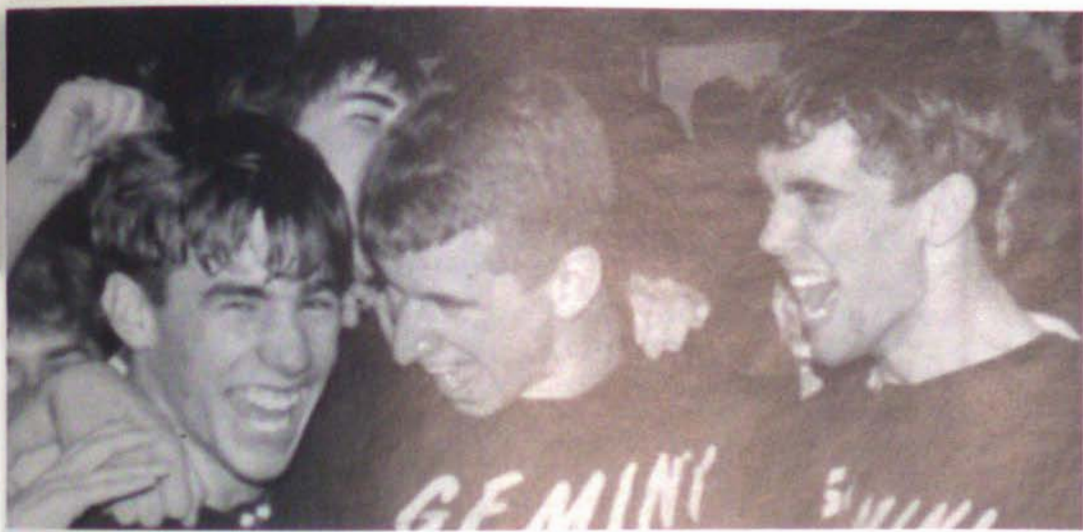

On March 1, 1995, students from FSF1W and FSF2A1 travelled to Quebec City to experience a new culture. Thirty-four of our grade nine and ten students participated in fun activities such as visiting a bee museum and a 3-D multi-media show. They enjoyed Chez-Marie's bread oven and listening to a "Legends of Quebec" presentation.

One highlight of the trip was a

trip to "Les Galleries de la Capitale", a shopping mall with a fun-fair inside. On the last day, each student was paired with a Quebecois student. This gave our students a chance to practice their French. The students had a wonderful time (despite the cold weather) and one student summed up her emotions by saying "I love it here. Can't we stay for just one more week?"

Students having fun. Quebec- in all her glory!! Au revoir!!

CELEBRATING  
OUR  
ATHLETICS

# Junior Boys Football Team

The Junior Boys Football Team had a very successful season. The coaching staff was a blend of veterans and less experienced people just as the team was. Mr. Coyle, Mr. DeVriendt and Mr. Stover brought over ninety years of coaching experience in football to the Junior Gemini, while Mr. Moir in his third year and Mr. Puhr, a former player, in his first year, rounded out the staff. The players ranged from grade nine to grade eleven.

The team played Huron Park, CASS and St. Mary's in a home and home schedule and defeated all three each time to finish 6-0 in league play. In the Oxford Playoffs the Gems stretched their record to 8-0 by eliminating St. Mary's and Huron Park. The Oxford-El-

gin Bowl matched the Parkside Colts against the Junior Gems. It was a game of two halves, the first belonging to Tillsonburg, the second to Parkside. Just as the final result two years before the Colts held on for a one point victory.

The coaching staff wish to thank the players, team officials and managers for a great season and wish them luck whether they are seniors or juniors in the '95 season.

J.I. Moir, coach

---

The Junior Football Team consisted of many talented young players that made Annandale and Glendale proud.

The junior football team are ready for action in a home game at Annandale!

It was a struggle for the ball as a senior Gem tries to score a touchdown during an exciting game on the football field.

## Senior Boys Football Team

Rebounding from a building year in 1993, the Senior Football Team members approached the 1994 season with eagerness and in good condition (for most!!), with 12 players having attended camps at UWO and McMaster and some conducting their own summer fitness program. We completed the season with 33 players. Special thanks goes to managers, Julie Boutin, Stacy Young, and Suzanna Davies. Volunteer community coaches, Greg Fidler and Mike Chevers provided extremely valuable coaching assistance. A definite season highlight was playing a game at WLU's Seagram Stadium (on artificial turf)-and winning!!!

Congratulations to the graduating players- all the best in your future plans. This season

looks equally productive with 10 players attending camps, and 4 players trying out for Team Ontario-19 and under. Coaches-H. Cowan and E. DeDecker

## MIDGET GIRLS VOLLEYBALL

This team finished league play in second place behind IDCI qualifying for Oxford Elgin. They just missed out on the semi-finals at Oxford Elgin. Good season although they were hampered by lack of midget girls tournaments available. Congratulations Gems!

## JUNIOR GIRLS VOLLEYBALL

This year's junior team was talented and deep. We mixed good skills with a very hard hitting line up to dominate Oxford County. Our final record of 12-0 in league play as well as a silver medal finish at London Sanders and a gold medal finish at Stratford Central were evidence of the quality of our team. Congratulations on a great year and good luck! G. Fidler.

## SENIOR GIRLS VOLLEYBALL

The girls team won their post and played brilliant at WOSSA, winning a silver medal. The Gems were ranked #7 in the London Free Press. The highlight of the season was a heartbreaking loss to Oakridge. Mr. Adair would like to thank all the players for their hard work and dedication. Best of luck in the future!

## SR. BOY'S VOLLEYBALL

The Sr. Boy's team defeated W.C.I. in the final of the Oxford Playoffs, thus capturing the Oxford title! The team also captured the Oxford Pennant and went on to sweet W.C.I. and St. Mike's at WOSSA - thus capturing Tillsonburg's first WOSSA Volleyball Title! Congratulations on an outstanding season!

## JR. BOY'S VOLLEYBALL

The team was third place in the Oxford League Championships. They also defeated W.C.I. in the Oxford Elgin Semi finals. This win qualified them for WOSSA. The Jr. Boy's team were also Guelph Tournament Finalists and Dorchester Champions. Way to go Gems!

## MIDGET GIRLS BASKETBALL

The midget girls basketball team had a very successful season. In league play, Huron Park remained our arch rival as we fell short of defeating them in two close games. However, this team always rose to the occasion and played their heart out. Throughout the season, they co-operated together and always worked as a team. B. White, coach.

## JUNIOR GIRLS BASKETBALL

The junior girls basketball team maintained first place in Oxford County at the end of league play. The junior Gems were finalists in the T-burg Tourney and in the East Elgin Tourney. They also were semi-finalists in Oxford-Elgin and in WOSSA. Congratulations on a winning season junior Gemini!

## SENIOR GIRLS BASKETBALL

The senior girls basketball team captured the Oxford League title with a perfect record. The Gems finished 6th in the S. Western ONT. London Free Press Top 10 List and made it into the finals at WOSSA "AA" here in T-Burg. The team played a great game against St. Joe's in a 59-51 defeat! We had a great run at our #1 team goal which was to make it to OFSSA! P. Fleck, coach.

## MIDGET BOYS BASKETBALL

The midget boys basketball team had a very successful season going undefeated in league play. Our team captured the London Christmas Tournament Championship and first place in Oxford league play. Our season closed with an exciting Oxford-Elgin final game which saw the Gemini lose by a basket in the final seconds. Congratulations to all team members for their dedication and hard work this season! B. White, coach

## JUNIOR BOYS BASKETBALL

The 1994-95 edition of the Junior Basketball Gemini had a very successful season. The team went undefeated in Oxford League play to finish first with a 12 win-0 loss record. The G-Men captured two tournaments during the season at Delhi and London Central/John Paul II. Overall the team's record was a tremendous 26 wins and 7 losses. It was a pleasure to coach such a talented, motivated, highly competitive group of young athletes. D. Quarrie, coach.

## SENIOR BOYS BASKETBALL

The 1994-95 edition of the senior boys basketball team enjoyed an excellent season. The season was high-lighted by winning the WOSSA championship and earning a trip to the OFSSA championship in North Bay. All season, the 5 graduating seniors showed their younger teammates the importance of team-play and unity. The coaches would like to thank the team, especially the seniors, for making the 1994-95 season most enjoyable and rewarding. Thanks guys. It was fun . . .

## GEMINI HOCKEY

This year's hockey team did win what used to be the Oxford-Elgin title. Unfortunately this year's addition of East-Elgin saw the Gems lose in the NEW Finals. As the teams record shows, this was an extremely talented, winning team. Gemini hockey had a League Record of 12-2-1, making it to the quarterfinals in both the Waterloo Christmas Tournament as well as the St. Thomas Flames Cup. Way to go Gems! K. Hard, coach.

## GEMINI GIRLS SOCCER

The girls soccer season began on a positive note by winning the Oxford kick-off tournament. As a result of that, the girls were in first place in the standings. Having earned the right to participate at the WOSSA tournament, the girls faced some stiff competition and came short of a bid to go to OFSAA. Many players will be returning next year and the future looks bright for the team. Best of luck to all graduating players. Congratulations to all girls for their efforts throughout the season.

## SENIOR BOYS SOCCER

The Senior Boy Soccer Team had another successful season. The Gems were a dedicated and disciplined group throughout the season who played their best soccer towards the end of the season. The future looks very bright for the senior boys soccer team and they will be looking to build on recent triumphs and achieve even further success beyond Oxford County. I. McGuchan, coach.

## JUNIOR BOYS SOCCER

Congratulations Gemini on a great season! Although we were a young team with only 4 returnees we made up for it with team spirit and hard work. After posting a 3rd place league finish we knocked off St. Mary's 4-2 in the semi-final and came close to an upset over CASS in the final. We had a balanced effort and a deep bench and everyone played with intensity. It was a total team effort and a very enjoyable experience as a coach. Thanks guys! C. Sulkowski, coach.

## GIRLS HANDBALL

We went undefeated in our pool at the Provincial's with both veterans and rookies contributing to team victories! The team suffered a heart breaking loss in the final losing to Tammy Sutton-Brown of Markham 12 to 11 in overtime! The girls put up a great effort to force that game into overtime. Your silver medal however is very respectable. You should feel very proud of your accomplishment. It was very nice to watch the girls perform as well as they did against De Lasalle and Louis Riel of Ottawa. You should be frustrated the heck out of them, girls. Congratulations!!!!

## BOYS HANDBALL

The boys played extremely well at the provincial championships and although they did not qualify for the medal round, they put forth a great effort in all games! With a few "breaks" going their way, a couple of close losses could have been victories. They stuck together as a team and represented Tillsonburg very well. Congratulations to the Graduates for supporting the "Handball Cause."

## SENIOR BADMINTON

There were 14 members on this year's squad. The mixed doubles team of Andrea Demaiter and James Godby, men's single player Rey Carroll, and ladies' single player Naomi Shimizu qualified for Oxford-Elgin. These athletes played their best during their final matches for the season. Naomi Shimizu and Andrea Demaiter have shown excellent dedication, commitment, and citizen of the world attitudes during the past three years with senior badminton. Congratulations. You will be missed.

## GEMINI CROSS COUNTRY

The Gemini cross country competed in the "W" Meet, the Fanshawe Meet, and the Dorchester Meet. The highlights of the year was claiming the **OVERALL OXFORD-ELGIN GIRLS TITLE**, and all girls teams competed at WOSSA in Wingham. The Midget Boys Team competed well and show promise because 3 of the runners return next year.

## GEMINI TRACK AND FIELD

This year's track and field team displayed persistence and mental toughness, competing in the worst weather in the past 5 years. An outstanding number, 39 athletes qualified for WOSSA competition. Season highlights include the Oxford-Elgin Sr. Girls championships, an outstanding crop of midgets who show signs of greatness.

## ROWING

This year, the Tillsonburg Rowing team had a very exciting and successful season. The team consisted of very hard working and dedicated crews. The team made up two pair crews, two junior girls coxed four crews and a senior mens coxed four crew. The team travelled to various regattas in various places. The most successful regatta occurred at WOSSA, where 4 out of five crews brought home a silver medal. Special thanks goes out to all coaches and captain Derek Ventnor for all of their hard work and dedication; it was much appreciated.

# Retrospect!!!

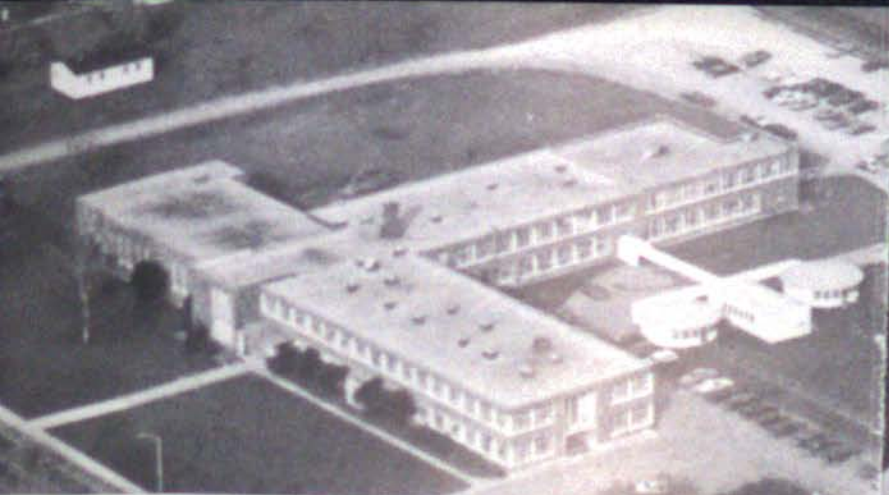

A Look at Our Past!!!!

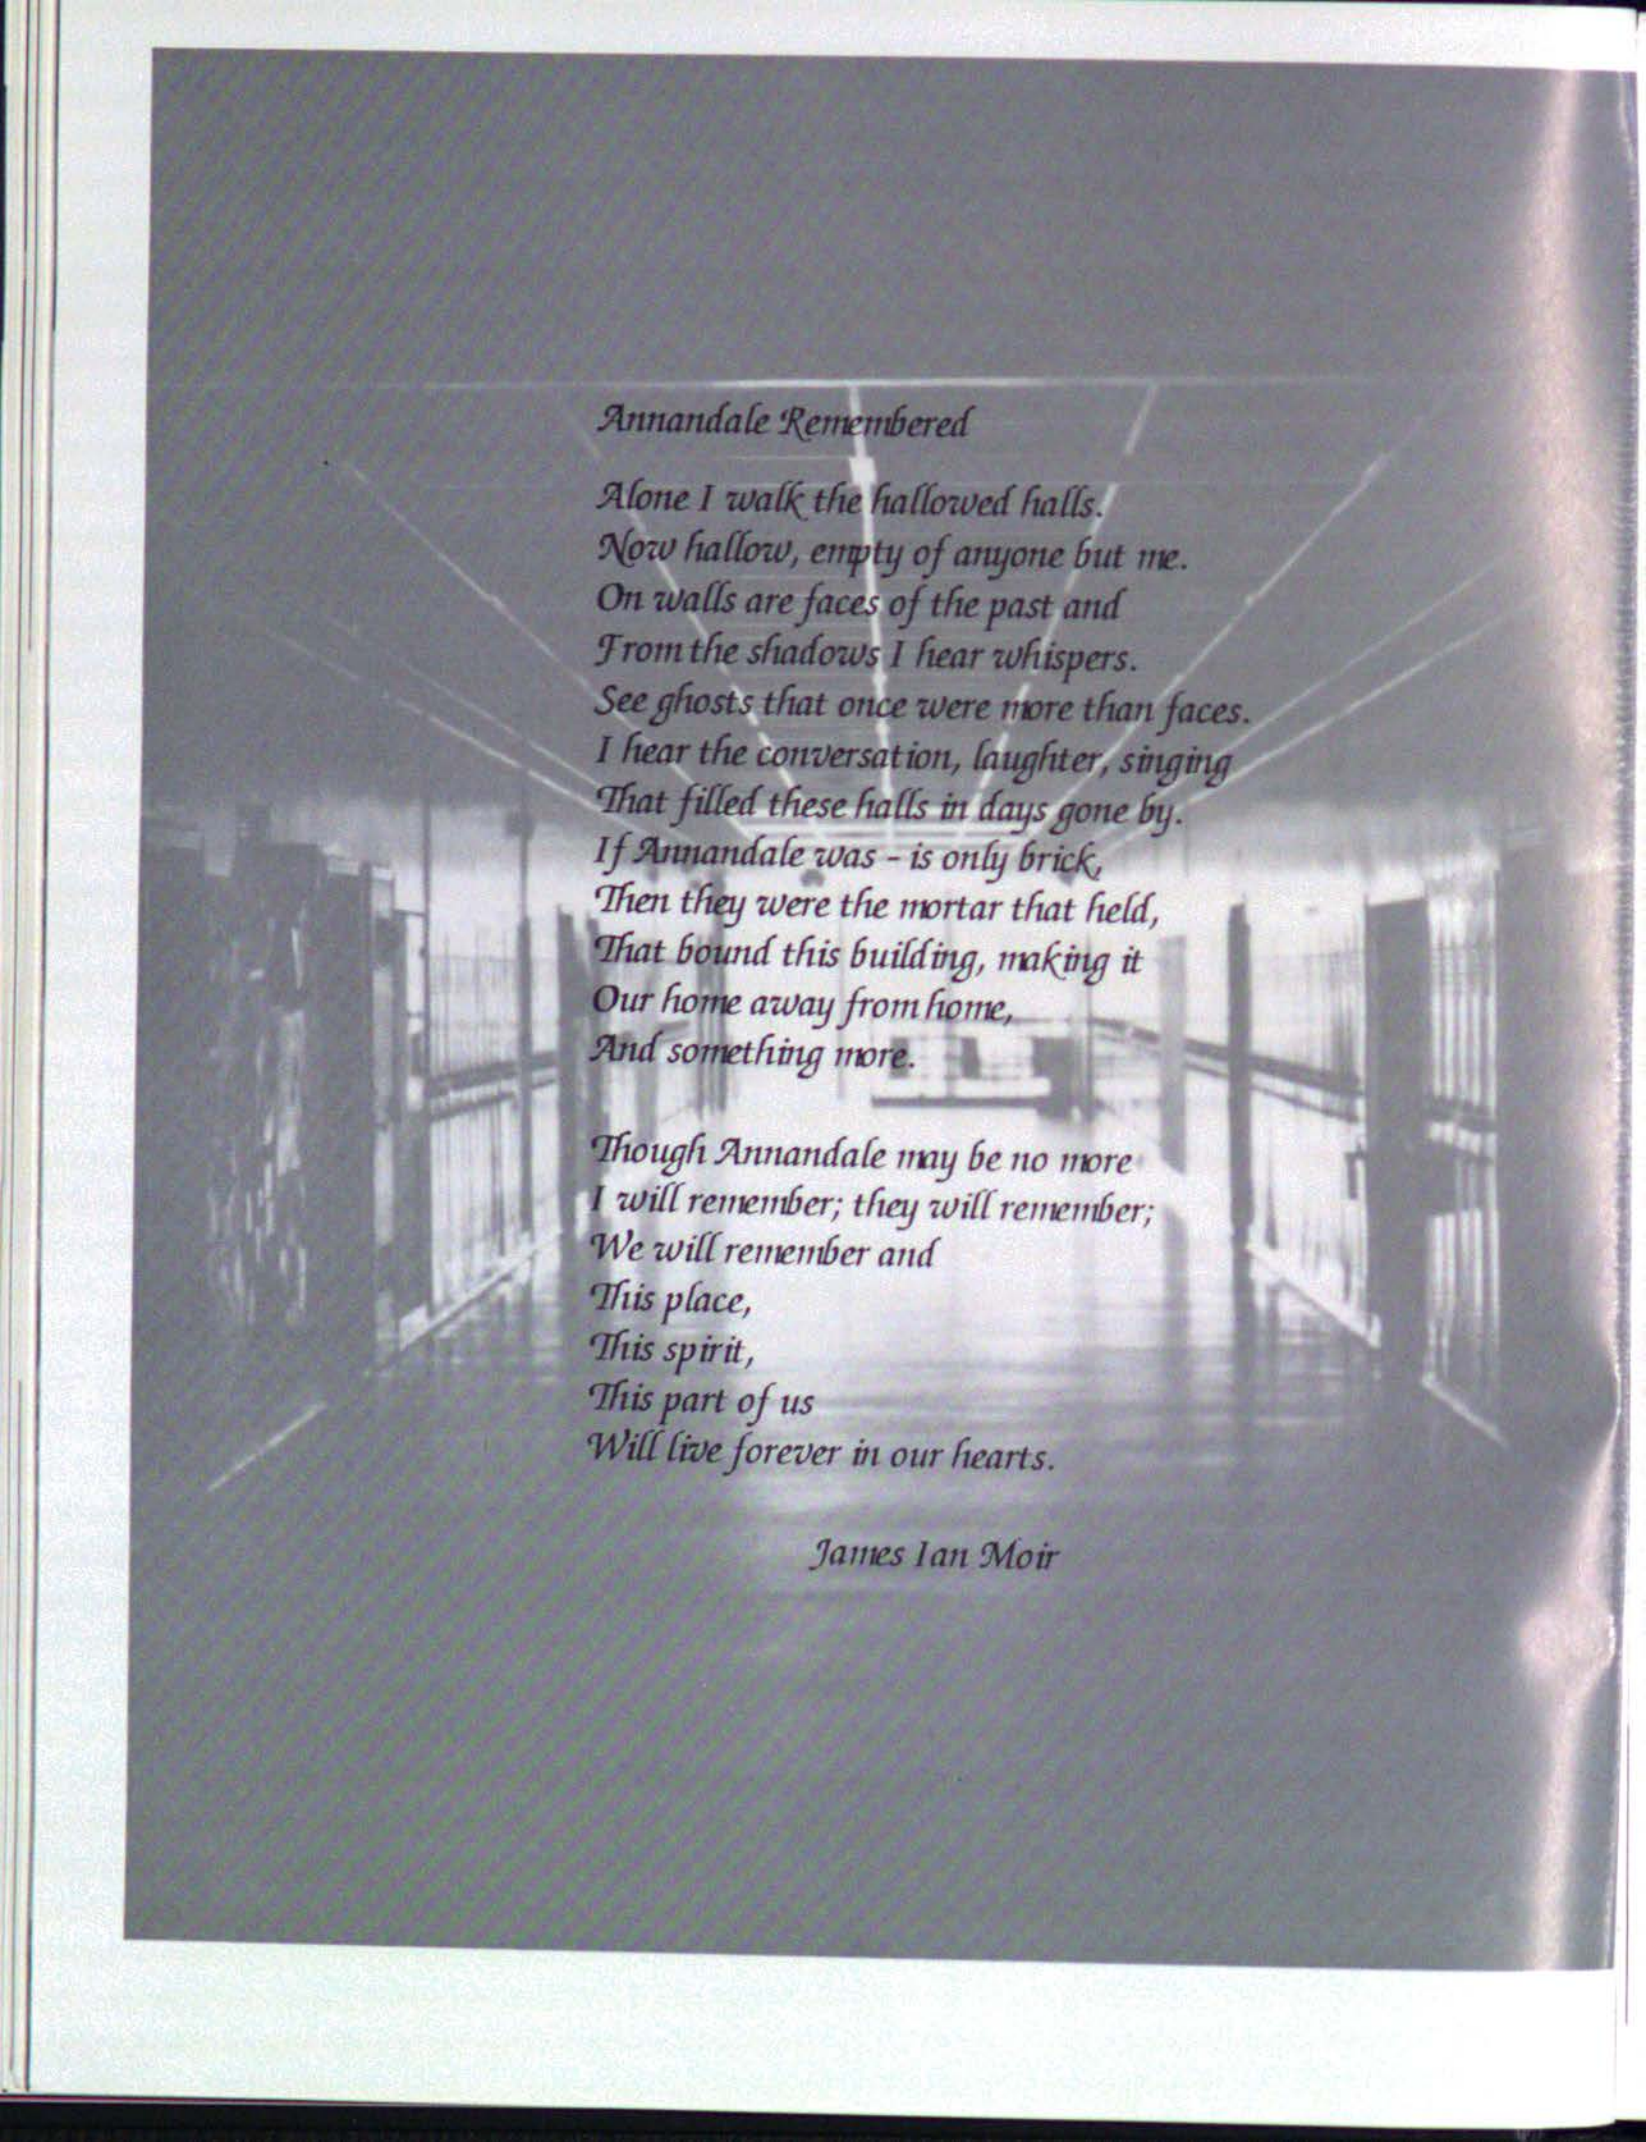

*Annandale Remembered*

*Alone I walk the hallowed halls.  
Now hallow, empty of anyone but me.  
On walls are faces of the past and  
From the shadows I hear whispers.  
See ghosts that once were more than faces.  
I hear the conversation, laughter, singing  
That filled these halls in days gone by.  
If Annandale was - is only brick,  
Then they were the mortar that held,  
That bound this building, making it  
Our home away from home,  
And something more.*

*Though Annandale may be no more  
I will remember; they will remember;  
We will remember and  
This place,  
This spirit,  
This part of us  
Will live forever in our hearts.*

*James Ian Moir*

With all the changes and moving this year, the staff of Annandale had a very hard job trying to stay focused in class while still wondering where they would be next year. Mrs. Stover was retiring and Mrs. Morris-Fathers was leaving us. They are both valuable assets to Annandale. The other teachers soon found out where they were going and even though we were sad to see them go, the Rose Assembly helped us remember all the valuable and noteworthy things they taught us. Another person recognized at this Assembly was Remy Donaldson for his contributions to athletics; he won the Peacock Award. The equivalent of the Peacock Award, the Panther, was awarded to a fine female athlete, Miss Carrie Czichrak. Congratulations to all!!!

Carol Zawada

There is a quality present in this room right now, a certain positive energy that I can sense very clearly. It is a powerful, unifying force that is quite unmistakable. What is it you ask? In a word confidence. Behind us lies 4, 5, maybe 6 years of fun, frustration, and great memories, and before us lie even greater years filled with hope and promise.

We are sitting here now graduates of Annandale High School because we were the "doers." While others hesitated, we acted. In grade 9 we saw the size of the job and we tackled it. We all learned the wisdom of what my dad always says to me: "You can't plough a field by turning it over in your mind." It is this wisdom we must take with us wherever we go.

Next year come September, we will all be headed in different directions. We will be spread out all over Canada, the U.S., and maybe over the world. Some of us will continue climbing the educational ladders throughout numerous colleges and universities across Ontario; while others will be trying their luck out west in B.C. or down south in Texas. But although we are taking different paths and these paths may again never cross, we will always be linked through our Annandale roots and the memories we share.

We will remember entering Annandale as scared, wide-eyed grade nines passing the cool seniors sitting on the bench. We will remember the bench leaving, just as we were getting mature enough to be able to sit on it.

We will remember our treasured Ottawa trip and the one bus getting into an accident and the other suffering through heat without air conditioning. We will all remember grade ten English with Mr. Hanyk, and any class with Mr. Overbaugh. We will also remember dodging the potholes and fighting for a spot right in front of the door in the parking lot. We will remember the assemblies and spirit checks, prom and the grad banquet too. Just as we must keep these memories in our minds, we must keep Annandale in our hearts.

Now upon thinking of things to say here tonight, I was trying to think of a word to represent this graduating class. Although procrastination kept popping up, I finally realized the perfect word-EXCELLENCE. The commitment to excellence not only represents us the graduating class of 1995; but it represents Annandale High School as well. When I entered Annandale I had no idea of the history and tradition of excellence at

tached to this school. The walls of Annandale were a big part in explaining this to me. The pictures, banners, and plaques that once hung on the creme-coloured walls of Annandale gave the school a mystic quality that roared excellence. They served as a constant reminder of the BLACK AND GOLD legacy. Through the help of teachers like Mr. Stover, Mr. DeVriendt, and Mr. Donaldson, that history was also preserved and passes on to us through stories, more stories and more stories.

Annandale is just a building. Its spirit is its students and its proud graduates. It is through our pursuit of excellence that keeps this tradition alive. Through these 5 years of high school, I have felt, seen, and been a part of numerous quests, whether academic or athletic. The successful quests were pursued with desire, determination, and great attitude. Academically, as seen here tonight, we have

always challenged each other and brought the best out in each other. Athletically, we had big shoes to fill when we entered grade nine. But we did not back away from the challenge and did not disappoint anyone. We were able to take the tradition of excellence, embrace it, and with the help of our fellow athletes from across town we showed Tillsonburg Oxford, and in many cases Ontario our athletic teams were a force to be reckoned with.

Well, this year has definitely been a memorable one. Many things have happened and through it all I think everyone began to truly understand what the meaning of friendship really is. It's been said that good company in a journey makes the way seem a lot shorter. It's hard to imagine that 5 years ago most of us were at our grade eight graduations. High school graduation seemed like an eternity away. But yes, we have finally graduated, for some in less time that they imagined, and for some, a bit more time than desired. As the sun sets on the final day of Annandale, so do our years in high school. The highs and lows of high school that we have shared will undoubtedly mirror the lives we will lead down the road. Just as the plaques, banners, and pictures have a spot in Annandale's history so do we as the graduating class of 1995. We are its last.

Thank you

# THE TATLER STAFF OF 1995

## LETTER FROM THE TATLER EDITORS

Working on the last TATLER of Annandale High School was a great honour as well as an experience for all members who contributed to this yearbook. “A yearbook is a treasury of memories in the hand of people you trust.” Mr. E. Palmer, yearbook secretary.

Above: Most members of the 1995 Tatler Crew gather on the front lawn of Annandale for a group shot.

FAR LEFT: Thank-you to Mr. Jolink, our staff adviser for all your patience and dedication throughout the year. We will be eternally grateful.

## ANNANDALE SONG

### CHORUS:

We will all go out together  
We will all see the world together  
Just remember, your days at Annandale High.

### VERSE 1:

It's been five long years, I still remember  
When I was just in grade 9.  
I looked around and said,  
How will I survive?

### BRIDGE 1:

Lookin' through the window,  
At my high school years  
I see my reflection  
With eyes full of tears.

### VERSE 2:

I don't want to be just a memory.  
Another spirit passing through  
And I don't want to say goodbye to you.

### BRIDGE 2:

Still I must sail my ship  
Across a million seas  
Breaking waves in troubled waters  
Floating on memories.

By Jodi Rico  
and  
Jason Puhr
