# PREFACE.

The publishers in presenting the seventh edition of their *Business and Farmers' Directory* of the counties of Middlesex, Oxford and Perth have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot out side the limits of each city, town or village with post office, lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people,

Thanking those who have kindly given us information, also the business people who have given the work their support, we remain.

Respectfully Yours,

UNION PUBLISHING CO. of Ingersoll,

PUBLISHERS,

INGERSOLL, ONT.

**W. FEARMAN, of HAMILTON, for HAMS, BACON, LARD, CHEESE.**LARGEST BONA FIDE CIRCULATION.  
BEST PRINTING AND TYPE EQUIPMENT.  
PUBLISHED FROM ITS OWN BUILDING.**It Covers the Field.**

THERE is no newspaper of which it can be said with so much truth that it covers the field in Stratford city and Perth county, as THE HERALD. Its daily and weekly editions possess readers far outnumbering those of any competitor. A comparison with the different papers is alone sufficient to justify this remark, owing to its obvious superiority in every respect. It is the only Conservative paper in the city and the leading organ of the party for both ridings of Perth. On June 15, 1902, THE HERALD absorbed the Stratford Times.

THE HERALD is the best medium in which to address the public of city and country. It is also the cheapest, circulation considered. Those who want the best value for their money patronize THE HERALD.

**Its Handsome New Building.**

Situated on the southern side of the market is represented here by an engraving. It is the only building in Stratford specially constructed for newspaper purposes, and THE HERALD is the only Stratford newspaper published from its own building. As may be expected, the printing equipment is the best in the city, both in respect of presses, newest and latest types, and skilled and reliable employees. The products of its job room cannot be equalled outside of the larger cities.

# JOHN WHITE & CO,

445, 447 AND 449 DUNDAS STREET,  
**WOODSTOCK.**  
**DIRECT IMPORTERS OF DRY GOODS**  
**WHOLESALE & RETAIL.**

The following advertisement should have very large interest for Dry Goods Buyers:—

It has not been our plan to advertise much in books or pamphlets; but we advertise freely now because we possess facilities for serving buyers far beyond all former achievement. The public should know that the triumphs of our modern methods have produced curious of excellence and cheapness. The retail buyer gets almost any goods we have to sell as cheap as the ordinary retail dealer has to pay for them wholesale. To those living at a distance from Woodstock who cannot conveniently pay us a personal visit we would ask them to read the following instructions for shopping by mail: Write plainly and with ink; pencil frequently becomes blurred and indistinct. Give your post office address plainly.

**SAMPLES OF DRESS GOODS.**

We willingly send samples of our dress goods with prices attached. Information upon the following points will aid us in making selections for you, and will insure goods suited to your particular needs without burdening you with unnecessary material:—

- 1st.—The kind of Material, or some idea as to the goods preferred.
- 2nd.—The color, or if, no pronounced color, whether light, medium or dark.
- 3rd.—The Style, whether plain, figured, striped, plaid, &c., and whether quiet, medium or showy, &c.
- 4th.—The price as near as possible.

**HOW TO ORDER GOODS FROM SAMPLES.**

When you order piece goods, please return the samples you select from, or a portion of each. If possible make two selections from samples to secure a second choice should the first be sold.  
 The safest way to remit for goods is by post office money order, in the order of John White & Co.

We can supply you with  
**Dress Goods, Millinery, Jackets and Wraps, Carpets**  
**and House Furnishings, Ordered Clothing, Ready-Made**

**Self-Oiling Wind Mill.**

The best is the cheapest. Then get the best Wind Mill—one that will last your lifetime, one that won't blow down in any storm, one that will easily regulate itself to the different motions of the wind, one that will not go squeaking half its time for want of oil. Remember ours is a self-oiling Mill; it is provided with a reservoir for holding sufficient oil for three months' use, which is supplied automatically only when the Mill is running. Our Mill is completely protected from the frost and wet; this, with the other improvements made, make it the best Mill made to day. Write us for Catalogue or call on us before you buy, and we will be pleased to serve you.

505 Dundas St., Opp. Customs House, **WOODSTOCK.**

It is not generally known that the Undertakers of Ontario have formed themselves into a Combination or Ring for the express purpose of deterring or preventing others from engaging in the Undertaking Business, and thereby enabling them to levy, in too many cases, exorbitant rates, and otherwise to compel the general public requiring their services to accept their terms and conditions. Prior to establishing my business in

**UNDERTAKING IN ALL ITS BRANCHES,**

apart from the Combination, and with first-class equipments, I learned from the members of the Ring or Association that I could not make a start, for the Manufacturers of Undertakers' Supplies had also joined the Ring and pledge themselves not to supply any new firm or individual desiring to open in the business. But I have, nevertheless, become established contrary to their wishes, and these "Combined Undertakers" are wrath with me, for my **COFFINS, CASKETS, ROBES, Etc.,** comprise the most elaborate as well as the cheaper grades, so that I can now promise the general public that I am in a position to deal fairly and honestly with them. My hearse is equal to any; and the "No Combination" firm has reason to feel satisfied that they can deal with the public without the terms being ordered by any so-called Association. So far the business warrants me in saying that the public appreciate the independence I have assumed in steering clear of the Combination that would, and do, make their own terms without considering their patrons' interest. In conclusion, I may also add I have secured the services of a practical embalmer, who has worked several years at the business, and has secured a Diploma for the art of embalming, which will insure my patrons entire satisfaction. A call solicited, and charges moderate.
