BUSINESS DIRECTORY

FOR THE COUNTIES OF

BRANT, ELGIN, NORFOLK AND OXFORD.

VOL. X.

UNION PUBLISHING CO., OF INGERSOLL.

PREFACE.

The publishers in presenting the tenth edition of their Business and Farmers' Directory of the counties of Brant, Elgin, Norfolk and Oxford, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people

Among the contents will be found the name of each farmer and owner or tenant of a lot out side the limits of each city, town or village with post office, lot and concession, a complete list of towns with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people who have given the work their support, we remain,

Respectfully Yours,

UNION PUBLISHING CO., of Ingersoll,
PUBLISHERS,
INGERSOLL, ONT.

T. A. Bellamy,
Printer and Publisher, Ingersoll, Ont.

It shines for all,
Both great and small.

Is the Most Enterprising
and Reliable Newspaper
Published in South Oxford.

Subscription, only \$1 a year,
when paid in advance.

Published on Wednesday and Saturday.

The Sun is Independent Liberal; devoted to the interests of social, moral, and political reform.

It contains full, comprehensive and reliable reports of public meetings, entertainments, municipal matters, local events, educational and religious intelligence, and a choice selection of general news, stories and family reading.

Ample attention given to market reports and the dairying industry.

Remember that The Sun is the only paper in South Oxford published twice a week.

Advertising in the Semi-weekly Sun brings results for a small outlay, as it is read by the purchasing and consuming class of people. Rates reasonably low.

The Three great Cardinal Features of The Sun are its Enterprise, Purity of Tone, and Fearlessness.

It is full of Reliable and Up-to-date Local and General News.

SOMETHING NEW ON WHEELS.
THE HOGARTH CART
 IS SUPERIOR TO ALL OTHERS

BECAUSE it has the H. C. H. crank axle spring gear, which is lightest for the load it will carry;
BECAUSE it has soft spring action;
BECAUSE it carries its load leveler than others;
BECAUSE the two sides go up and down together, even when the load is all on one side;
BECAUSE it is easier on the wheels, as they have only their own dead weight to jump against
 when jumping over obstructions in the road;
BECAUSE the body is hung on the gear with my patented self-leveling side action, so that when
 on sidling roads the body rides leveler than the road, which is a superior point in this cart
 that no other spring vehicle ever built can honestly claim.
BECAUSE it is cleaner and easier to get in and out of than any buggy and more convenient
 than any buggy or phaeton.
