PREFACE

In presenting to our patrons our tenth Directory of the town we hope it will meet with their approval. A thorough canvas of the town has been made and every effort used to obtain the name of every person who should be represented in a City Directory

We have aimed to make our work a fit representation of the public spirit and importance of the Town of Ingersoll and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the town

The Classified Business Directory is a complete mirror of the business interests of the town, and represents it to the outside world only as a Business Directory can.

The Miscellaneous Directory furnishes a large amount of information useful to strangers

Thanking our patrons for the liberal patronage bestowed on our work, we remain

Yours Respectfully,

THE PUBLISHERS
