

92 Surveyor Genl Office 5765
Jas 25 October 1811.

Sir

Although the Lands mentioned in the
Location paper, herewith transmitted, in behalf of
William D. Bowen, are not considered as under the
special disposition of His Honor the President, but they
are situate in an ordinary Township, yet as the
Lands are well situated, upon a fine stream of
water, especially those in the 4 & 5 Concessions of
Blenheim, I think it my duty to submit the
Location to His Honor's special approbation or otherwise.

I have the Honor to be

Sir

Your most obedient
humble servant

Thos. Ridout
Surveyor Genl

James Brock Esq
Secy to His Honor
the President.
