The Petition of Myron and
 Joel Chamberlain of the Township of Oxford
 East Women Assembly sheweth

That Your Petitioners have
 been for some time in the occupation of Lot
 No 17 in 4th Con of Oxford East a Clergy
 Reserve, a Lease of which was ordered to Your
 Petitioners —

That Your Petitioners have
 cleared on the said Lot about 75 acres
 and that they are now desirous of purchasing

That they respectfully beg reference to the accom-
 panying Report of John A. Tacey Deputy Sur-
 veyor by which it will be seen that the Lot
 contains only 184 acres and that a consider-
 able portion of it is of inferior quality —

Your Petitioners having understood that the
 said Lot had been valued by Deputy Surveyor
 Carroll at 20^{cts} per acre made an application
 through Mr Alway to the Honble Peter Robinson
 then Commissioner of Crown Lands to have
 the price of it reduced. He Mr Alway was in-

It having been represented to me, that, with respect to Lot Number seventeen in the fourth Concession of the Eastern Division of Oxford, Mr Alway had been informed at the Office at Toronto, that if a Surveyor's Report of the situation of that Lot should be made, the price would be regulated accordingly -

I hereby certify that on the 15th day of July instant - I made a regular Survey of the said Lot, establishing all the Lines and Boundaries -

The side Lines, measure only 61 chains 50 links - which is the average length of the Lot - and the quantity of Land is something less than 18 1/2 Acres - A swamp is on the North end of the Lot - and a very large body of Swamp on the South - The Swamp exceeds 60 acres - which could not without great expense be reduced to cultivation, and must, very evidently, detract from the value of the Lot, and I think that an abatement of the price on these accounts would be nothing more than an act of justice to Mr Chamberlain -
Given under my hand this 15th July 1836
