This is to Certify that I have examined the N.E. 1/4 No 16 in the 14th Con^{ty} of the Township of Blenheim in the District of Beck & Province of Canada & it being a Clegg Reserve & that the following Statement in reference to the said Lot is correct to the best of my knowledge & belief

There is about 25 acres of improvement with log buildings &c. Black & Maple timber. Land dry. Soil good. No swamp. No living water upon said lot. It is in a newly settled neighbourhood. Long way to mill roads new & rough.

Aron Deeton is desirous of purchasing and offers 10^{cts} per acre & has been upon said lot about 6 years. There is no adverse claim for improvements that I am aware of.

I value it at 12/6 per acre
