This is to certify that I have examined the West $\frac{3}{4}$ of lot No 6 in the 6th Con^t of the Township of Missourie in the District of Black & Province of Canada & It being a Clergy Reserve and that the following Statement in reference to said lot is correct to the best of my knowledge and belief.

There is about 16 acres of improvement upon said lot, Timber Black Maple Black ash Elm & hard wood and meadow. Doalys Creek crosses said lot which is not sufficient for a mill privilege.

There are better roads new & rough, several miles to mill.

Samuel Henshaw is desiring of purchasing and is willing to give 7/6⁰ per acre. Has been upon said land 4 years - has a log house and stables.

I value it at 8/6⁰ per acre
