This is to Certify that I have examined Lot No 27 in the 6th Con^o of the Township of Mississauga in the County of Oxford in the Province of Canada. it being a Clergy Reserve, And that the following Statement in reference to the Said Lot is correct to the best of my knowledge and belief

There are no improvements upon Said Lot, and no living water, there are no valuable Timber upon it, the Timber is a mixture of Bech, Maple and Swamp Elm, the lot altogether by low and is very swampy and large Swamps in every direction from this lot, there are no Settles within two or three miles of Said Lot, and is situated about fifteen miles from the Town of London and about twenty from the Town of Woodstock

Dennis Horsman is desirous of purchasing and offers 3/9 cy per acre There are no adverse claims for the Said Lot that I am aware of I value it at 8/9 cy per acre.
