Sir,

I have the honor to report that I have Examined  
the accompanying Certificate from Deputy  
Surveyor G. M. Smiley and from the description  
he has given of this part of the Lot in Question  
and from the best information I have been  
able to obtain as to the Value of Land in the  
Neighbourhood of this Lot I should think  
it worth about 16/3 Cy. per acre
