May 26. 1817

Dear Sir

I wrote to you on the 23<sup>d</sup> by an opportunity not altogether to be depended upon, that I had received a Letter from Mr. Clark whilst he was at York, in which he mentions that he thought I might obtain your assistance in procuring permission for Mr. Mowen to locate for me 100 acres of Land in the Township of Blenheim or some other Township, if Mr. Mowen should think best; for which an order of Council was made to me in the year 1812. If you could procure such permission, it would much oblige.

Dear Sir

Yours very obed<sup>t</sup>
