1. I George H. Coon make oath and say as follows:
I have according to the best of my information and belief, set down in the above assessment roll all the real property liable to taxation, situate in the Municipality of North Norwich, and I have fairly and truly assessed each of the parcels of real property so set down at its actual cash value as it would be appraised in payment of a just debt from a solvent debtor and as prescribed by law.

2. The said assessment roll contains a true statement of the aggregate amount of the personal property or the taxable income of every person named in the said roll; and I have estimated and set down the same according to the best of my information and belief.

3. I have entered therein the names of all the resident tenants and freeholders and of all other persons who have acquired their names to be entered therein, with the true amount of property occupied or owned or of income received by each; and I have not entered the name of any person whom I do not truly believe to be a tenant or freeholder or the bona fide occupier or owner of the property, or in the receipt of the income set down opposite his name, for his own use and benefit, or otherwise, entitled by law to be so entered.

4. According to the best of my knowledge and belief, I have entered therein the names of every person entitled to be so entered either under the assessment act or any other act; and I have not unintentionally omitted from said roll the name of any person whom I knew or had good reason to believe to be entitled to be entered therein under any or either of the said acts.

5. The date of delivery or transmitting of the notice required by section 57 of the assessment act is in every case truly and correctly stated in said roll.

6. I have not entered the name of any person at too low a rate in order to deprive such person of a vote, or at too high a rate in order to give such person a vote; and the amount for which each such person is assessed in the said roll truly and correctly appears in the said notice delivered or transmitted to him as aforesaid.

7. I have not entered any name in the above roll or improperly placed any letter or letters in column 4 opposite any name with intent to give to any person not entitled to vote a right of voting; and I have not unintentionally omitted from the said roll the name of any person whom I believe to be entitled to be placed therein, nor have I in order to deprive any person of a right of voting omitted from column 4, opposite the name of such person, any letter or letters which I ought to have placed there.

I swear before me at Brudenelle in the Municipality of North Norwich in the County of Oxford this 28th day of April 1899

George H. Coon Assessor

Char. E. Burgess Township Clerk
