PREFACE

THE PUBLISHERS, in presenting their Fourth Edition of the CITY OF WOODSTOCK DIRECTORY, beg to thank the people of Woodstock for the liberal support they have received.

Every means has been taken to render this Directory accurate and upto-date in every detail known to progressive Directory Publishers. The work will be published by them every two years, and they hope merchants and business men generally, who want the very best, will reserve their orders till they see them. Wishing them and the city a substantial advance in everything that conduces to a city's prosperity.
