Trinity Evangelical Lutheran Church and cemetery, located in Sebastopol north of Tavistock, Ontario is a congregation in the Eastern Synod of the Evangelical Lutheran Church in Canada.

The congregation was founded in 1832 by German settlers in and around South Easthope Township. In 1855 a post-and-beam church was built and named St. Dreieinigkeits Gemeinde. In 1884 a large yellow-brick church was consecrated and the congregation has worshipped in this building to the present day. Noteworthy changes to the building throughout the decades include the installation of a 4-faced clock in the church tower in 1886, a pipe organ in 1894, stained glass windows in the 1930s and 1940s and an education wing in the 1970s. Services were conducted in the German language until after World War I with special event German-language services continuing until the 1950s.

SEBASTOPOL, COUNTY OF PERTH

TRINITY EVANGELICAL LUTHERAN CHURCH

Sebastopol is situated in the Township of South Easthope, County of Perth, mile north of Tavistock, Oxford County. Because of the close proximity to Oxford County it has been included in the East Zorra collection of recorded cemeteries.

Two of the earliest settlers in Sebastopol was btr. Henry Eckstein and Mr. Henry Heyrock. This hamlet was named by its citizens during the Russian War of 1852 - 55 to commemorate that long and never-to-be-forgotten siege by the allied armies of a town of that name in the Crimea. It is now a pleasant country village, though its greatness has been to some extent overshadowed by Tavistock, to which it now forms a suburb.

In 1832 German settlers from the Hessen Darmstadt area settled in the region of Sebastopol in South Easthope Township, worshipping in homes and barns prior to the erection of a log schoolhouse, which was then used for services. In 1855 a second church was built on grounds donated by Mr. Andreas Wilker, one of the first immigrants and co-founder of the congregation, during the pastorate of Rev. Meiszner. An area was set aside for use as a cemetery.

On May 24 1883 the cornerstone was laid for a new brick edifice with a tower, three bells and a school room.

On September 7 1884 the new church was consecrated.

Two years later a 4-faced clock in the church tower was built by Geo. Hess of Zurich, donated by the pioneer family of Echardt Wettlaufer, and installed shortly after. It is still the only clock tower in Perth County on a sacred edifice.

On May 18 1902 an addition to the cemetery was consecrated.

In 1982 the original datestone was reset in the narthex:

Deutsch Luth. St. Dreieinigkeits Kirche,
Gebout A.D. 1883 and 1884,
Restauriert und wiedeingeweihet,
am 6 September 1914.

In 1984 the Memorial Cairn (in the original cemetery) was dedicated. This Cairn is built of tomb stones that had broken off over many years and their locations were unable to be accurately identified. Also, in 1984, the congregation erected a Mausoleum. In 1993, property for cemetery growth was purchased to the north-east of the church. In 2018, a Columbarium was also erected.

Volunteers who updated the information in this book in 2021 were Roger & Roseanne Bender, John Schultz and Diane Cox. Re-typing of the book and the addition of all of the new information was done by Shirley McCall-Hanlon. Our appreciation to Vicki Brenner from the Oxford County Library for all of her support and assistance.

Thank you everyone.
