WOODSTOCK SENTINEL-REVIEW:

Doug M Symons

ABOUT THE AUTHOR

Doug Symons was born in Woodstock in 1930. He left in 1951, returning in 1983 and, after pursuing a business career that included 38 years in the household moving industry, retired in 1990. He lives with his wife Cathy, near Oxford Centre. *Giants of Oxford* is his third book, previous publications being: *Woodstock; way back when*, in 1993, and *The Village That Straddled a Swamp; An Informal History of Woodstock*, in 1997. Currently he writes *Symons Says*, his long-running bi-weekly Woodstock Sentinel-Review column. Lions Club of Woodstock, Woodstock Probus Club, Oxford Historical Society and family activities occupy his spare time, as does an apparently futile effort to regularly break 100 on the golf course.
