Dear Sir:-

I beg your permission to introduce to you Mr. Chas. E. Chadwick of the Niagara District Bank, Ingersoll Canada. Mr. Chadwick is a gentleman with whom I have been long & intimately acquainted. He visits England to learn something of English Agriculture. If you can give him information as to the best method of effecting his purpose it will gratify his friends & promote the interests of agriculture in the Dominion.

It gives me pleasure to assure you that he is in all respects eminently deserving this favor.

Respectfully Yours &c
