INSTRUCTIONS ON RECORDING GENERAL ATTENDANCE AND ESTIMATING PERFECT AND POSSIBLE ATTENDANCE

Perfect Aggregate Attendance may be defined as the total number of legal school days from the day of enrolment or from the day a child of compulsory age should have been enrolled to the day of his severing connection permanently with the school, whether by change of residence or by transfer to a secondary or other school or by legal exemption from further school attendance. The Perfect Aggregate Attendance may, therefore, be found by adding to the Actual Aggregate the total number of days lost by absence from any cause whatsoever, reckoned on the aforesaid basis. The percentage arrived at by relating the Actual to the Perfect Aggregate gives the absolute efficiency of the school as a working unit from the attendance point of view. It reveals the service the school is actually rendering to the child or child group in the school, and incidentally shows the economic and educational waste resulting from incomplete attendance. As this percentage is on a uniform basis for all schools and eliminates elements which vitiate results in other methods of computation, it will, henceforth, be used in all public records.

The totals of Possible Attendance as well as those of Actual Attendance are to be filled in monthly, and the grand totals are to be carried to the proper columns in the Summary of Attendance for the year.

The Possible Aggregate sets up an achievable standard for the child or school by deducting from a Perfect Aggregate all days lost for justifiable reasons, that is, for reasons which are covered by some clause of The School Attendance Act or The Adolescent School Attendance Act or the Public or Separate Schools Acts and Regulations. For the guidance of teachers, the following reasons selected from the said Acts and Regulations are given as constituting lawful grounds of absence:—

(1) Illness or physical disability, if duly certified by proper authority; i.e. School Nurse or Medical Health Officer.

(2) Legal Employment. (Attendance Act, sec. 5 (2) or Adolescent School Attendance Act, sec. 2 (3) and secs. (3 and 4).

(3) Legal Holiday. (Public Schools Act, sec. 6 (2) and Form 94).

(4) Isolation of pupil, or home, or closing of School under Public Health Act. (Public School Act, sec. 6 (2).

(5) Suspension of pupil (for period set only) or Expulsion. (Public School Act, sec. 100 (i) and 88 (e).

(6) Private or Home Instruction duly certified by Department of Education. (Attendance Act sec. 4 (3).

(7) Mental or Physical Defect, duly certified as per Public School Act, sec. (5).

(8) Under or over compulsory age. (Attendance Act, sec. 2 and 4 (4), and Adolescent School Attendance Act, sec. 2).

(9) Religious Observance of Holy Day. (Attendance Act, sec. 19 (2).

(10) Teachers' Institute Days. (Public School Act, sec. 100 (d).

(11) Half day per week for Music. (Attendance Act, sec. 4 (g).

(12) Substitute Holidays. (Public School Act, sec. 6 (3).

Ill health, as an assigned reason for absence, is found to be responsible for approximately forty-five per cent of the time lost by pupils. Since this factor fills so large a place in the estimation of Possible Attendance, this reason, when given, should be rigidly verified; otherwise the worth of the calculation may be largely invalidated. In a school where the health organization is complete, the nurse or the Medical Health Officer may be appealed to for verification. In other cases the responsibility rests with the classroom teacher, but his or her judgment should be supported by direct evidence derived from personal contact with the home or parents on the part of the teacher or attendance officer, or from some other thoroughly reliable source. In all cases where proof of illness is not conclusive, time lost by the pupil should be charged against his Possible Attendance in the Register Records.

The Possible Aggregate, therefore, gives the maximum of attendance the child or child group in a school can attain, and should be expected to attain, since it excludes every absence that is justified within the application of the law. The percentage arrived at by relating the Actual to the Possible Aggregate will indicate the stage the child or school has reached on the way to attainable efficiency and is especially serviceable to all agencies whose prescribed duty it is to promote efficiency in the sphere of school attandance.

6. The following method of marking the record of pupils' daily attendance in this Register shall be used by the Teacher:

1.	Full day's attendance without lateness	/
2.	Attendance in morning and absence in afternoon	/-
3.	Absence in morning and attendance in afternoon	-/
4.	Full day's attendance but late in morning	./
5.	Full day's attendance but late in afternoon	/.
6.	Late in morning; absent in afternoon	-/.
7.	Absent in morning; late in afternoon	
8.	No entry when the pupil is absent throughout the day	

RELIGIOUS INSTRUCTION

Religious Exercises and Religious and Moral Instruction in the Public Schools

13—(1) (*a*) Every Public School shall be opened with the reading of the Scriptures and the repeating of the Lord's Prayer, and shall be closed with the Lord's Prayer or the prayer authorized by the Department; but no pupil shall be required to take part in any religious exercises objected to by his parent or guardian.

(*b*) (i) In schools without suitable waiting-rooms or other similar accommodation, if the parent or guardian demands the withdrawal of a pupil while the religious exercises are being held, such demand shall be complied with, and the reading of the Scriptures shall be deferred in inclement weather until the closing.

(ii) To secure the observance of this regulation, the teacher, before commencing a religious exercise, shall allow the necessary interval to elapse, during which the children or wards of those who have signified their objection thereto may retire.

(*c*) If the parent or guardian objects to his child or ward taking part in the religious exercises, but directs that he shall remain in the school-room during these religious exercises, the teacher shall permit him to do so, provided that he maintains decorous behaviour during the exercises.

(*d*) If, in virtue of his right to be absent from the religious exercises, any pupil does not enter the school-room in the morning till the close of the time allowed for religious exercises, such absence shall not be treated as an offence against the rules of the school.

(*e*) When a teacher claims to have conscientious scruples in regard to opening or closing school as herein prescribed, he shall notify the Board to that effect in writing; and it shall then be the duty of the Board to make such provision as it may deem expedient for the carrying out of the requirements of (1) (*a*) above.

(2) (*a*) The Scriptures shall be read daily and systematically. The parts to be read may be taken from the book of selections adopted by the Department for that purpose, or from the Bible, or from the list of the Selected Scripture Readings of the International Sunday School Association, or from any other list approved by the Minister, as the Board by resolution may direct.

(*b*) The Board may also order by resolution the reading of such parts by both pupils and teachers daily at the closing of the school, and in addition, the repeating of the Ten Commandments at least once a week, and the memorization of passages selected by the Principal from the Bible.

(*c*) If the Board does not pass the resolution provide for in (*a*) above, the teacher shall make the selection himself after duly notifying the Board of his intention, but such selection shall be subject to revision by the Board at any time.

(3) (*a*) (i) A clergyman of any denomination shall have the right, and it shall be lawful for the Board to allow him, to give religious instructions to the pupils of his own denomination, in each school-house, at least once a week, before the hour of opening the school in the morning or after the hour of closing the school in the afternoon, as the Board may determine.

(ii) Under the same conditions, a clergyman, selected by the clergymen of any number of denominations, shall also have the right to give religious instruction to the pupils belonging to such denominations.

(*b*) If the clergymen of more than one denomination apply to give religious instruction in the same school-house where the number of class-rooms is insufficient for all at the same time, the Board shall decide on what day of the week a class-room shall be at the disposal of each, at the time above stated.

Emblems of a denominational character shall not be exhibited in a Public School during regular school hours.

The National Anthem in the Public and Separate Schools

14. In every Public and Separate School, the singing of the National Anthem as authorized by the Department shall form part of the daily opening or closing excercises.

FORMS OF PRAYER

OPENING

Let us Pray

Our Father, Who art in Heaven, hallowed be Thy name, Thy kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

CLOSING

Let us Pray

Most merciful God, we yield Thee our humble and hearty thanks for Thy fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning; we pray Thee to imprint upon our minds whatever good instructions we have received and to bless them to the advancement of our temporal and eternal welfare; and pardon, we implore Thee, all that Thou hast seen amiss in our thoughts, words and actions. May Thy good providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigour, both of body and mind; and preserve us, we beseech Thee, now and forever, both outwardly in our bodies, and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. Amen.

Lighten our darkness, we beseech Thee, O Lord; and by Thy great mercy, defend us from all dangers and perils of this night, for the love of Thy only Son, our Saviour, Jesus Christ. Amen.

Our Father, Who art in heaven, hallowed be Thy name, Thy kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. Amen.

NATIONAL ANTHEM

God save our gracious king,
Long live our noble king,
God save the king!
Send him victorious,
Happy and glorious,
Long to reign over us,
God save the king!

Thy choicest gifts in store
On him be pleased to pour;
Long may he reign!
May he defend our laws,
And ever give us cause
To sing with heart and voice,
God save the king!

Our loved Dominion bless
With peace and happiness
From shore to shore.
And let our Empire be
United, loyal, free,
True to herself and Thee
For evermore.
