RELIGIOUS INSTRUCTION AND MORAL TRAINING

1. It shall be the duty of every teacher to inculcate by precept and example respect for religion and the principles of Christian morality and the highest regard for truth, justice, loyalty, love of country, humanity, benevolence, sobriety, industry, frugality, purity, temperance and all other virtues. RELIGIOUS EXERCISES

(EXTRACT FROM ONTARIO REGULATIONS, 30/44)

1. (a) Every public school shall be opened each school day with religious exercises consisting of the reading of the Scriptures and the repeating of the Lord's Prayer or other prayers approved for use in schools.

(b) The Scripture passages, forming a part of the religious exercises referred to in 1 (a), shall be read daily and systematically at the opening of school and may be chosen from any list of selections adopted by the Department for use in schools, or from any other list approved by the Minister, as the Board by resolution may direct.

(c) If the Board does not pass the resolution provided for in 1 (b) above, the principal shall make the selection after duly notifying the Board of his intention, but such selection shall be subject to revision by the Board at any time.

(d) The religious exercises held at the daily opening of school may include the singing of one or more hymns authorized for use in schools.

OPENING PRAYER

Let us Pray

Our Father, Who art in Heaven, hallowed be Thy name; Thy kingdom come, Thy will be done on earth as it is in Heaven: give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

The National Anthem in the Public and Separate Schools

In every Public and Separate School, the singing of the National Anthem shall form part of the daily opening or closing exercises.

NATIONAL ANTHEM

God save our gracious Queen,
Long live our noble Queen,
God save the Queen;
Send her victorious,
Happy and glorious,
Long to reign over us;
God save the Queen.

GENERAL INSTRUCTIONS FOR RECORDING ATTENDANCE

1. School Days and Holidays are Statutory.

The length of school terms and the school holidays are stated definitely in school law. See section 6 of The Public Schools Act, and section 85 of The Separate Schools Act. Except as provided in section 6 (4) of The Public Schools Act, a public or a separate school board has no authority to change these statutory provisions, as by declaring a holiday on a legal school day.

Form 94, **School Year and Holidays,** issued annually, specifies the holidays and teaching days for the year concerned.

2. Continuous Attendance Records Required

The school record of attendance of a pupil under compulsory age shall begin on the day he first registers and shall continue throughout the term and succeeding terms in which he is registered. The school record of a pupil of compulsory age shall be calculated from the first school day after he reaches compulsory age and shall continue from month to month and year to year till his name is legally removed from the roll.

3. When Name Legally Removed from Roll

A pupil's name may be legally removed from the monthly enrolment under the following conditions:—(1) Death of the pupil; (2) Permanent disability of the pupil; (3) Retirement of the pupil on the issuance of a Home Permit or an Employment Certificate; (4) Transfer to another school which the pupil has a right by law to attend; (5) Exclusion or expulsion from school under statutory authority; (6) Approved instruction received out of school.

4. Crediting Part-Time Attendance

No pupil registered in an elementary school shall be credited with any attendance unless he has been present at least one half-day, late arrival and early leave-taking not being counted against the half-day.

5. Recording Part-Time Attendance

A pupil shall be marked present for the full day or half-day on which he is present, half-days being credited as such.

To conserve space, a fractional half shall be indicated by a small figure 1 added to the right and above the accompanying number, thus: 26^1.

In the case of kindergarten and all part-time classes, presence for the required session or period shall be recorded as for that part of the day, not the whole day.

6. Statutory Holiday

Where a school or classroom is closed, the name of the statutory holiday shall be written lengthwise in the proper date column of the daily attendance page.

7. School or Classroom Closed—The Public Health Act, Municipal Holiday, or Teachers' Meeting

Where a school or a classroom is closed

(1) under the provisions of the Public Health Act, or

(2) on a day legally proclaimed a municipal holiday, or

(3) on a day or days when the school is closed because the teacher is attending a legally convened teachers' meeting,

the time so lost shall not be entered as Days Absent. The teacher shall write the reason for the closing lengthwise in the column or space concerned. The number of days or half-days during which the school or classroom is thus closed shall be deducted from the number of legal teaching days for the month or year.

It should be noted that quarantine under the Public Health Act is the responsibility of the Medical Officer of Health only.

8. Absence of Pupils

(1) For the purpose of calculating legislative grants the Minister of Education **may** add to the actual aggregate attendance of a school the number of days-attendance lost by pupils for certain specific reasons (see Form 94 SCHOOL YEAR AND HOLIDAYS). In such cases of pupil-absence from school the teacher shall write opposite the name of each pupil the letter "G" for that day or half-day.

(2) In **all** other cases of pupil-absence from school the teacher shall write opposite the name of each pupil the letter "A" for that day or half-day. This includes the case when a pupil is absent from school because the home is under quarantine.

9. Unlawful Closing

Where, notwithstanding the statutory provisions mentioned in 1, above, a school or a classroom is closed on a legal school day, the loss sustained shall be recorded as follows:

(1) Each enrolled pupil shall be debited in the proper column with the time so lost;

(2) The number of days or half-days during which the school or classroom is closed shall not be deducted from the number of legal teaching days for Departmental reports or official calculations.

10. Number of Legal School Days

The number of legal school days for the school concerned shall be the number as set forth in Form 94 less the number of days the school was closed for the reasons specifically outlined in Part 7 of these instructions.

Where such lawful special closing does not affect all rooms of a school, the number of legal school days for the entire school shall be derived as in the following illustration.

In a 20-room school four rooms were legally closed for 15 teaching days in a year of 196 teaching days.

16 Rooms	each open for	196 Days	16 x 196	3136
4 Rooms	each open for	181 Days	4 x 181	724
				3860

20 rooms open for 3860 pupil-days—3860 divided by 20 . . . 193 days. The number so derived (in this case 193) is the number of legal school days for this school.

11. Recording Conditions of Attendance

In the Daily Register the following method shall be used in recording conditions of attendance.

Present all day	/	Late in the forenoon	L/
Absent in the forenoon	A/	Late in the afternoon	/L
Absent in the afternoon	/A	Absent all day	A

Note: Use symbol "G" if the reason for absence is such that, for the purpose of calculating legislative grants, the Minister of Education **may** add to the actual aggregate attendance of a school the number of days-attendance lost by pupils.—See Form 94 SCHOOL YEAR AND HOLIDAYS.

Use symbol "A" in **all** other cases of absence.

12. Totals and Summaries

(1) Enter in columns L, P, A, and G, the information required on the daily attendance pages.

(2) Enter on pages 106 and 107 the information required.

(3) In case of admission give the name and full address of the school which the pupil last attended, and in case of a transfer the name and full address of the school to which the pupil was transferred.

(4) In case of removal of name from roll, give full particulars.

13. Parental Statement of Reasons for Absence

When a pupil returns to school after an absence, his parent or guardian shall give the reason for absence, orally or in writing as the principal may require. Regulation 18 of Regulations 46 of Consolidated Regulations of Ontario 1950.

14. Exclusion, Suspension, Expulsion

Exclusion—A child is excluded from school only after it has been decided by a committee appointed by the Minister that he cannot profit from further instruction. Public Schools Act, Section 5 (2).

Suspension—It is the duty of the teacher to suspend any pupil guilty of persistent truancy or persistent opposition to authority, habitual neglect of duty, the use of profane or improper language, or conduct injurious to the moral tone of the school, and to notify the parent or guardian of the pupil and the board of the suspension, but the parent or the guardian of any pupil suspended may appeal against the action of the teacher to the board, which shall have power to remove, confirm or modify the suspension. Public Schools Act, Section 108 (i).

Expulsion—It is the duty of the board to expel from the school a pupil who is adjudged by the board and the teacher to be so refractory that his presence in school is injurious to the other pupils. Public Schools Act, Section 93 (n).

15. Substitute Holidays

Except as provided by section 6.-(4) of The Public Schools Act, and section 85 (4) of The Separate Schools Act, no credit shall be given in the Register for losses made up on school holidays, Saturdays, or on other days.

16. A Supplementary Register

Where more than 55 pupils are enrolled in any term a second Register may be procured from the inspector.

17. Use of Wide Sheets

All leaves are left full width. Those required for the months of October to June may be reduced in width by cutting lengthwise along the line indicated. Pages 25, 45, 65, 85 and 105 must not be cut.

18. Care of the Register

The Register shall be carefully preserved for future reference. If possible, it should be removed from the school building in case of fire or other emergency.

SUMMARY

Calendar Year	P Total Number of Days Present	G Additional Number of Days Grant Purposes	Total P+G	Number of Legal School Days
1954	7229	—	7229	194
1955	7395	—	7395	196
1956	7609'	—	7609'	199
1957	7852	—	7852	197
1958	8012'	—	8012	194

1. The totals entered in this summary shall be those for the calendar year.

2. The number of legal school days for this school shall be the number of legal school days in the calendar year (See Form 94) **less** the time lost for the following reasons:

   (a) a school or a classroom is closed under the provisions of the Public Health Act,

   (b) a day is legally proclaimed a municipal holiday, and

   (c) a school is closed because the teacher is attending a legally convened teachers' meeting.

Percentage Attendance

Percentage Attendance is 100 times the quotient obtained by dividing the total number of days present by the sum of the total number of days present and the total number of days absent.

Example

The total number of days present is 782, and the total number of days absent is 37. The Percentage Attendance is determined as follows:

$$782 \div (782+37) \times 100 = 782 \div 819 \times 100 = 95.482$$

Therefore the Percentage Attendance is 95.48.

Note: All decimals should be correct to two decimal places. Calculate to three places; if the third figure is 5 or more, add 1 to the second figure, e.g., 92.325 becomes 92.33.
