Sir,

I have the honor to report that I have
Examined the accompanying Certificate
- ate from Deputy Surveyor Wm.
Smiley and from the description he
has given of this Lot and its situation
I should think 14 Cyp. per acre would
be a fair price

This is to certify that I have examined the North half of Lot No. 4 in the 1st Concession of the Township of Bradford in the District of Brock and Province of Canada & it being a School Reserve, and that the following statement in reference to the said Lot is correct to the best of my knowledge & belief

There is no improvement upon this Lot, it is mostly a B. B. Swamp. There are several acres of hard wood land Birch, Maple &c rather a light sandy soil, no better near except 1 or 2 there is no Concession Roads opened to said Lot as yet 130^{or} 14 miles distant from Woodstock.

John Secrist is desirous of purchasing and offers \$9 cy per acre. There are no adverse claims for the said Lot that I am aware of.

I value it at 10 cy per acre

The North half of the School lots N. 4th & 8th Con. of the Township of Blandford remains unappropriated. As no claim appears to exist on account of occupation or improvements it is recommended that the lands be offered for sale at Auction, the upset price being 10¢ per Acre
