Sir,  
I have the honor to report that I have  
Examined the accompanying Certificate from Mr  
Deputy Surveyor William Smiley and from the  
Knowledge I have of the Lot referred to and its  
situation as to roads Settlement Mills and  
I think the value he has placed upon it  
that is of  $\$100$  per acre is what it should be and  
believe the report in every respect to be correct

This is to certify that I have  
examined the East 50 acres of Lot No. 6 in  
the 6 Con<sup>rs</sup> of the Township of Nipisauie  
in the District of Brock & Province of Cana  
dian being a Chippewas Reserve, and that  
the following Statement in reference to said  
lot is correct to the best of my knowledge  
& belief.

The principle timber upon this  
lot is Black & Maple some Black ash & Elm  
by low & Swampy no living water said  
lot is rendered less valuable on account of a very  
large Swamp lying between it and the main  
Road, some distance to the Settlement, several  
miles to mill.

Hamlet Starvoant is desiring  
of purchasing and is willing to give 7/60 per acre  
has a log body of a house upon it

Value it 8/6 per acre.
