large family, where he purchased a small
improvement, from a person named A. Dibble

the two lots whereon the buildings are erected
for himself and family. And as your Excellency

that you would let your petitioner have those lots,
as a remuneration for his improvement on the
Town plot. He now humbly hopes that your

The Petitioner has not named the lots, but upon
reference to the Plan it is supposed he intended to
apply for No. 1 East of Graham Street and No. 1 West
of Riddle Street ^{in the town of Woodstock}. For these lots I see no objection
to his receiving a deed, but the authority of an
Order in Council will be required.
