Stationed at West Sandling
Kent, England

Dear Alice,

It's nearly time I write
I know but I've had lots to do besides the bunch
I've written. Anyway we didn't hit much
fuss coming over. didn't even see a sub but
it's fairly safe now around the coast anyway.
One thing we were all jolly glad to get here
anyway despite the fact I never eat better than
on the boat. We certainly did have a great
string of rats couldn't find room enough for
the rest of the courses. I wasn't sick at all but
my brother was in bad state for a while but
it didn't do them any harm. One thing I don't
want to live in this country again it's too wet
and raw we have snow once a week and rain
the rest it makes rather marching wet feet
and overcoats, which weigh a ton or seems to.

A fellow named Ber MacNeill was in the hut
with Sutherland I didn't know him but thought
you would like to know. We have been broken
up now and put into several companies but I
have my brother with me yet. We have got
most of our training now so will be liable for
a draft anytime. We are in huts now but were
put in tents first they were like cheese cloth not
much good for tents etc of course they had a nice
cold catch when they came into huts. We are fed
good here and lots of it but are soaked like the
deuce for mess fees. Saunders, Venator & a few
other fellows from Embro are still with us.
Well not much news in this hole so will
close for the present. Hoping to hear from you in the
near future.

Sincerely yours
Alice C. Buchanan 675,049
