FOR DAY SCHOLARS

Preparatory.....	\$5 00
Academic	7 00
Collegiate	9 00

It should be noted that the above Fees cover instruction in Latin, French, German, Italian and incidental charges for bedding, towels, &c., which in other institutions are charged as extras. The only studies for which a charge is made in addition to the above Fees, are Music, Fine Arts, Fancy Work and Commercial Course. These are the lowest charges that can possibly be made, compatible with the comfort of the students and a thoroughly efficient course of instruction.

☛ Ministers' daughters are admitted at half the regular rates (board included), except for special class in Elocution, Music, Fancy Work and Painting.

☛ A reduction of 10 per cent. on full charges is allowed when two or more are from the same family.

\$190, paid in advance will secure during the four terms, board, room, light, laundry and a full course of instruction in any or all Literary Departments, embracing Ancient and Modern Languages, instruction in Instrumental Music by the resident teachers, also free admission to the first class in Drawing. This offer, the lowest in the country, it is hoped will induce a longer attendance for more thorough education. The Teachers reside in the Building, and board in the Hall with the young ladies. There will be, therefore, the most careful and kindly supervision of their health, comfort, morals, manners and progress in study. The aim is to combine the care of the mother with the teacher's guidance and the pastor's regard.

All applications for circulars, further information, admission, &c., to be made to

GOOD HEALTH!

How to Get and How to Keep it,
IS THE QUESTION OF THE AGE.

The LONDON TURKISH BATHS,

320 Dundas St., between Wellington and Waterloo.

J. G. WILSON, Electropathic Physician,
PROPRIETOR.

To what Diseases are Turkish Baths Applicable?

Is a question often asked. We answer that they are particularly useful to those who are weak and prostrate from general derangement of the whole system, and especially adapted to those who have taken a great deal of medicine, or are addicted to the use of stimulants, over eating or any other form of intemperance. In regard to diseases, Consumption, Catarrh, Bronchitis, Rheumatism, Neuralgia, Liver Complaints, Dyspepsia, Bright's Disease, Diabetes, Dropsy, Female Complaints, General Debility, Nervous Depression, Skin Diseases of all forms, and the averting of all Acute Diseases, are among those in which very satisfactory results have followed.

ELECTRICITY AND ELECTRO-THERMAL BATHS.

Nothing need be said to inspire public confidence in a remedy of such universally acknowledged power as Electricity. In Paralysis, Nervous Exhaustion, and all Nervous Diseases, its use is almost indispensable. MEDICAL ELECTRICITY is a Nerve Stimulant, Tonic and Sedative. The Galvanic Current of Electricity is administered with or without the bath. In the Electro-Thermal Bath the patient lies in warm water, and the currents are passed through any portion of the body at will. This mode of giving Electricity has the advantage of pleasantly penetrating all the tissues of deeply seated organs. It is a marked restorative to professional and business men, who are broken down from over-work. In cases of Nervous Debility, Exhaustion, Neuralgia, Enlarged or Torpid Liver, Rheumatism, Dropsy, Loss of Voice, Ovarian or other Tumors, Paralysis, Menstruous Disturbances, Atrophy of the Muscles, Failure of Nutrition, we have found Electricity to be of great service.

LETTER FROM BISHOP CLEARY.

BISHOP'S PALACE, KINGSTON, 13th Nov., 1882.

DEAR SIR,—I am happy to be asked for a word of commendation to the Rev. Clergy and faithful laity of my diocese in behalf of the CATHOLIC RECORD, published in London with the warm approval of His Lordship Most Rev. Dr. Walsh. I am a subscriber to the Journal and am much pleased with its excellent literary and religious character. Its judicious selections from the best writers supply Catholic families with most useful and interesting matter for Sunday readings, and help the young to acquire a taste for pure literature.

I shall be pleased if my Rev. Clergy will countenance your mission for the diffusion of the RECORD among their congregations. Yours faithfully,

†JAMES VINCENT CLEARY, Bishop of Kingston.

There is no wear out to the Spring, as it is brass bushed where the springs are attached to the bar. When ordering gear mention length and width of body to be used. There is a clip king-bolt used on this Gear, and no hole through the axles or side bars, to decrease the strength.

PREFACE.

In presenting to our patrons and the public, our first issue of the Elgin Middlesex, and Oxford Farmers' and Classified Business Directory, we beg to state that we have spared neither pains or expense in collecting and compiling the information for the work, and trust that it will prove to be what we intended, and believe we have succeeded in making it, viz.: the best work of the kind ever published in the Province.

The Farmers' Directory will be found a very important feature of this work, as the name, post-office address, number of concession and lot, and whether freeholder or tenant, of each farmer is given. The Classified Business Directory will be found complete, giving the correct post-office address of every person carrying on business in the three counties.

Absolute freedom from errors has seldom or never been attained in Directories, or any other publications, and while we may not claim that ours is an exception to the general rule, we have no hesitation in saying that the errors and omissions, if any are found, will be few and unimportant.

We thank those who have kindly afforded information and assistance, and the many business men who have given the work their support, and congratulate the people upon the substantial revival of business in every section of the country.

Respectfully,

UNION PUBLISHING CO.,
Publishers.

GENERAL KEER'S HIMALAYAN TEA,

Imported direct from India by Major General Keer, in March last.

Advertising has been so abused, especially in the matter of tea, that the public naturally distrust advertisements. General Keer hopes, therefore, that consumers will give his tea a fair trial, and thus be able to judge the correctness of his statements. He will forward one-half lb. samples, post paid, to applicants on receipt of 35 cts. in stamps, and pledges himself to supply tea of exactly the same quality.

This high class black tea is not only one of the finest in the market but one of the cheapest. Owing to its great strength and "liquoring" power it can be made to go much further than ordinary tea.

It is well known in England that Indian Teas, as imported, are absolutely pure, a very important matter of health. This tea was selected and packed in India to General Keer's order, and has therefore never been in the market before, but is exactly as received from India.

In the drawing-room it is a favorite on account of its rich mellowness and delicate aroma; at the same time families find it to be an economical beverage. To men exhausted by mental or muscular labor, it is most refreshing.

General Keer, whilst in India, drank Himalayan Tea in preference to all others, and therefore, from long experience of its excellencies, he is encouraged to import it, in order to supply, as he believes, a great need. Anything that will tend to reduce the consumption of green tea will be allowed by the medical faculty to be a boon to the country.

Those who drink it for any time often remark that they could not go back to their old teas, and a few confess that they never knew what really good tea was till they were persuaded to try General Keer's Tea.
