BUSINESS DIRECTORY

BRANT, ELGIN, NORFOLK AND OXFORD.

1899.

VOL. XI.

UNION PUBLISHING CO.'Y, OF INGERSOLL.

PREFACE.

The publishers in presenting the eleventh edition of their *Business and Farmers' Directory of the counties of Brant, Elgin, Norfolk and Oxford*, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the public.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village with post office, lot and concession, a complete list of towns with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people who have given the work their support, we remain,

Respectfully Yours,

UNION PUBLISHING CO., of Ingersoll,

PUBLISHERS.

How's Your Business

?

Is it as good as it should be?

We can increase any legitimate business from 10 to 25 per cent. on an outlay of 2 per cent. If you think that percentage is too small to bother with, don't write, but if you do, write us, and we will tell you how we will do it.

We are doing advertising for a number of large firms. They would not patronize us out of sentiment. They are business men and there is no sentiment in business.

We have helped others and can help you.

The Reason Why

NEILL, THE SHOE MAN,

Can sell goods so cheap. He is the largest retailer in the province. Having 8 stores he is in a position to buy goods much cheaper than the ordinary dealer. He sells for cash. Therefore he does not have to add to his profits to pay for bad debts. One Price is his Motto. Once a customer always a customer.

NEILL, THE SHOE MAN,

THE ETNA ROLLER MILLS,

TAVISTOCK, ONTARIO.

Remodelled and Improved. Newest Machinery. Best Flour.
Capacity: 200 Bbls. Per Day.

Some of Our Specialties: "Gladstone," "Etna,"
"Atlantic," "Belmont," "Cream of Wheat," "Manitoba."

Tavistock, August 15th, 1898

We take this opportunity of informing you that the Etna Roller Mills are again in full operation. Since we have shut down we have pushed the work of rebuilding with as much energy as was consistent with good and careful work, and have succeeded in obtaining a MODEL FLOUR MILL, fitted up with all the latest and most improved machinery, second to none in the Dominion.

You are, no doubt, well aware that this section of Ontario is noted for the superior quality of its wheat, and we have no hesitation in saying that the flour from the new mill will be found to be of superior quality. Recent tests by us have proved this to our satisfaction. As personal inspection is given every car shipped, we are in a position to guarantee perfect satisfaction.

England's great Gladstone is dead and gone but his name still lives, and that not only by the results achieved by the Grand Old Man but in the "Gladstone" brand of flour, manufactured by the Tavistock Milling Co. The results achieved by this brand of our flour have been beyond our most sanguine expectations, and are the direct cause of the present increase in our capacity and of our desire to still further improve the merits of this flour. Only new, clean barrels and sacks are used in packing.

We therefore beg to solicit a portion of your trade, and any orders entrusted to any of our agents, or by wire, telephone or mail to us direct, will receive our prompt personal attention. We shall be glad, to hand you, at any time our lowest quotations, and assure you that you will be well pleased with your purchase from us. Yours Very Truly,

The Tavistock Milling Company, Limited.
